Continuation Awards Only Application for FY 2011 School Improvement Grants (SIG) Program

X Ohio assures that it will use FY 2011 SIG funds solely to make continuation awards and will not make any new awards[1] to its LEAs.

X Ohio assures that it will use the renewal process identified in Ohio's approved FY 2010 application to determine whether to renew an LEA's School Improvement Grant.

In the table below, list any LEAs with one or more schools for which funding under previously awarded SIG grants will not be renewed. For each such school, note the amount of unused remaining funds and explain how the SEA or LEA plans to use those funds (e.g., reallocate to other schools with SIG grants or retain for a future SIG competition). Revision submitted: January 27, 2012

LEA NAME	SCHOOL NAME	DESCRIPTION OF HOW REMAINING FUNDS WERE OR WILL BE USED	AMOUNT OF REMAINING FUNDS
Cleveland Metropolitan School District	Woodland Hills	Woodland Hills in Cleveland was closed by the district at the end of the 2011 school year. The funds returned to the State will be reallocated in FY 2012 to support year two funding for cohort 2 schools.	$1,447,580.00
		TOTAL AMOUNT OF REMAINING FUNDS:	$1,447,580.00

ODE understands that the individual award for any school will not exceed $2 Million.

By submitting the assurances and information above, Ohio Department of Education agrees to carry out its FY 2010 SIG application and does not need to submit a new FY 2011 SIG application.

X.

[1] A "new award" is defined as an award of SIG funds to an LEA for a school that the LEA was not previously approved to serve with SIG funds in the school year for which funds are being awarded—in this case, the 2012–2013 school year. New awards may be made with the FY 2011 funds or any remaining FY 2009 or FY 2010 funds not already committed to grants made in earlier competitions.
