	0.00%

***** Example:
enter .2532 for 25.32%.

Disability (or disabilities) specifically focused on by the project:

- ☐ Unspecified
- ☐ Autism
- ☐ Deaf-blindness
- ☐ Developmental delay
- ☐ Emotional disturbance
- ☐ Hearing impairment/Deafness
- ☐ Intellectual disability
- ☐ Intensive interventions
- ☐ Literacy
- ☐ Multiple disabilities
- ☐ Orthopedic impairment
- ☐ Other health impairment
- ☐ Speech or language impairment
- ☐ Traumatic brain injury
- ☐ Visual impairment

Age group(s) of students with disabilities specifically focused on by the project:

- ☐ Unspecified
- ☐ Birth to 3
- ☐ Preschool
- ☐ Elementary School
- ☐ Middle School
- ☐ High School
- ☐ Postsecondary

Target investment areas specifically focused on by the project:

- ☐ Unspecified
- ☐ Assessment
- ☐ Behavior
- ☐ Early childhood
- ☐ Inclusive practices
- ☐ Instructional strategies
- ☐ Literacy
- ☐ Secondary transition

Geography specifically focused on by the project:

- ☐ Unspecified
- ☐ Rural
- ☐ Urban

Briefly describe the purpose and the expected outcomes of the project.
(100 words or fewer)

Briefly describe how the project's design will:

(a) support the development of products and services,

(b) how those products and services will lead to expected outcomes, and

(c) how the project's performance will be evaluated. (100 words or fewer)
