Re: OCR Docket #06141042

Dear Mr. Akdemir:

This letter is to notify you that the U.S. Department of Education (Department), Office for Civil Rights (OCR), Dallas Office, has completed its consideration of the above-referenced complaint against LISA Academy Public Charter Schools (LISA), which OCR received on October 29, 2013. The complainant alleged that LISA discriminated against her XXX (the Student) on the basis of disability by failing to evaluate him to determine his eligibility for a Section 504 Plan during the fall 2013 semester.

This agency is responsible for determining whether organizations or entities that receive or benefit from Federal financial assistance, either from the Department or from an agency that has delegated investigative authority to the Department, are in compliance with Section 504 of the Rehabilitation Act of 1973 (Section 504), 29 U.S.C. § 794 (amended 1992), and its implementing regulations, at 34 C.F.R. Part 104, which prohibit discrimination on the basis of disability. OCR is also responsible for enforcing Title II of the Americans with Disabilities Act of 1990 (Title II), 42 U.S.C. § 12132, and its implementing regulations, at 28 C.F.R. Part 35, which prohibit disability discrimination by public entities.

LISA is a recipient of Federal financial assistance from the Department and is a public entity. Therefore, OCR has jurisdiction to investigate this complaint under Section 504 and Title II.

Based on the complainant's allegation, OCR opened an investigation as to the legal issue of whether LISA discriminated against the Student on the basis of disability by failing to evaluate him to determine his eligibility for a Section 504 Plan, and thereby denied the Student a free appropriate public education (FAPE) during the fall 2013 semester, in violation of Section 504 and Title II and their implementing regulations, at 34 C.F.R. §§ 104.3-4, and 104.33-36, and 28 C.F.R. § 35.130, respectively. Immediately after OCR opened the investigation, LISA informed OCR that it was interested in resolving the complaint. Section 302 of OCR's Case Processing Manual provides that a complaint

The Department of Education's mission is to promote student achievement and preparation for global competitiveness by fostering educational excellence and ensuring equal access.

may be resolved at any time when, before the conclusion of an investigation, the recipient expresses an interest in resolving the complaint and OCR determines that such a resolution is appropriate. The provisions of the resolution agreement will be aligned with the complaint allegations or the information obtained during the investigation and will be consistent with applicable regulations.

On November 25, 2013, LISA voluntarily signed and submitted to OCR a Resolution Agreement to resolve the complaint allegation. A copy of the Resolution Agreement is enclosed. OCR determined that the provisions of the Resolution Agreement are aligned with the complaint allegation and appropriately resolve it. Further, OCR accepts the Resolution Agreement as an assurance that LISA will fulfill its obligations under Section 504 and Title II with respect to the complaint allegation. The dates for implementation and specific actions are detailed in the Resolution Agreement. OCR will monitor LISA's implementation of the Resolution Agreement.

Effective the date of this letter, OCR is closing this complaint. This concludes OCR's investigation of the complaint and should not be interpreted to address LISA's compliance with any other regulatory provision or to address any issues other than those addressed in this letter.

This letter sets forth OCR's determination in an individual OCR case. This letter is not a formal statement of OCR policy and should not be relied upon, cited, or construed as such. OCR's formal policy statements are approved by a duly authorized OCR official and made available to the public. The complainant may have the right to file a private suit in federal court whether or not OCR finds a violation.

Please be advised that LISA may not harass, coerce, intimidate, or discriminate against any individual because he or she has filed a complaint or participated in the complaint resolution process. If this happens, the complainant may file another complaint alleging such treatment.

Under the Freedom of Information Act, it may be necessary to release this document and related correspondence and records upon request. In the event that OCR receives such a request, we will seek to protect, to the extent provided by law, personally identifiable information, which, if released, could reasonably be expected to constitute an unwarranted invasion of personal privacy.
