

**Resolution Agreement
Prince William County Public Schools
OCR Complaint No. 11-14-1126**

Prince William County Public Schools (the Division) agrees to implement this resolution agreement (Agreement) to resolve Office for Civil Rights (OCR) Complaint No. 11-14-1126. The Agreement does not constitute an admission by the Division of any violation of Section 504 of the Rehabilitation Act of 1973 (Section 504), Title II of the Americans with Disabilities Act of 1990 (ADA Title II), or any other law.

Substantive Requirements:

Within ten days of signing this agreement the Division will again offer in writing 30 hours of compensatory education to the Student for the eleven days he was not provided his self-contained placement in two classes, as required by his Individual Education Program, at the start of the 2013-2014 school year. The notice to the Complainant will identify the nature and amount of compensatory education to be provided, at no cost to the Complainant, and how the Division will provide the compensatory education (e.g., supplemental tutoring or summer school). This compensatory education must be provided by December 20, 2014. If the Complainant refuses this compensatory education or does not provide access to the Student so that he may receive this compensatory education, the Division will provide OCR with documentation of its attempts to provide the compensatory education and will communicate these concerns to OCR in order to determine how to proceed.

Reporting Requirements:

Within ten days of the provision of the compensatory education discussed above, but no later than December 30, 2014, the Division will provide documentation that the Student received the 30 hours of compensatory education, including the manner in which the compensatory education was provided. Alternatively, as soon as the Division determines that it cannot fully provide the required compensatory education to the Student because the Complainant will not give consent or will not provide access to the Student, the Division will provide OCR with all documentation of its attempts to provide the compensatory education.

The Division understands that OCR will not close the monitoring of this Agreement until OCR determines that the Division has fulfilled the terms of this Agreement and is compliance with the regulation implementing Section 504, at 34 C.F.R. Sections 104.4, 104.33, 104.35, and 104.36 which were at issue in this case. The Division understands that by signing this Agreement, it agrees to provide data and other information in a timely manner in accordance with the reporting requirements of this Agreement. Further, the Division understands that during the monitoring of this Agreement, if necessary, OCR may visit the Division, with proper notice to the Division, interview staff and students, and request such additional reports or data as are necessary for OCR to determine whether the Division has fulfilled the terms of this Agreement and is compliance with the regulation implementing Section 504, at 34 C.F.R. Sections 104.4, 104.33, 104.35 and 104.36, which were at issue in this case.

The Division understands and acknowledges that OCR may initiate administrative enforcement or judicial proceedings to enforce the specific terms and obligations of this Agreement. Before initiating administrative enforcement (34 C.F.R. §§ 100.9, 100.10), or judicial proceedings to enforce this Agreement, OCR shall give the Division written notice of the alleged breach and a minimum of sixty (60) calendar days to cure the alleged breach.
