Division 1—Federal TRIO Programs

§1070a–11. Program authority; authorization of appropriations

(a) Grants and contracts authorized

The Secretary shall, in accordance with the provisions of this division, carry out a program of making grants and contracts designed to identify qualified individuals from disadvantaged backgrounds, to prepare them for a program of postsecondary education, to provide support services for such students who are pursuing programs of postsecondary education, to motivate and prepare students for doctoral programs, and to train individuals serving or preparing for service in programs and projects so designed.

(b) Recipients, duration, and size

(1) Recipients

For the purposes described in subsection (a) of this section, the Secretary is authorized, without regard to section 6101 of title 41, to make grants to, and contracts with, institutions of higher education, public and private agencies and organizations, including community-based organizations with experience in serving disadvantaged youth, combinations of such institutions, agencies and organizations, and, as appropriate to the purposes of the program, secondary schools, for planning, developing, or carrying out one or more of the services assisted under this division.

(2) Duration

Grants or contracts made under this division shall be awarded for a period of 5 years, except that—

(A) in order to synchronize the awarding of grants for programs under this division, the Secretary may, under such terms as are consistent with the purposes of this division, provide a one-time, limited extension of the length of such an award;

(B) grants made under section 1070a–17 of this title shall be awarded for a period of 2 years; and

(C) grants under section 1070a–18 of this title shall be awarded for a period determined by the Secretary.

(3) Minimum grants

Unless the institution or agency requests a smaller amount, an individual grant authorized under this division shall be awarded in an amount that is not less than \$200,000, except that an individual grant authorized under section 1070a–17 of this title shall be awarded in an amount that is not less than \$170,000.

(c) Procedures for awarding grants and contracts

(1) Application requirements

An eligible entity that desires to receive a grant or contract under this division shall submit an application to the Secretary in such manner and form, and containing such information and assurances, as the Secretary may reasonably require.

(2) Considerations

(A) Prior experience

In making grants under this division, the Secretary shall consider each applicant's prior experience of high quality service delivery, as determined under subsection (f), under the particular program for which funds are sought. The level of consideration given the factor of prior experience shall not vary from the level of consideration given such factor during fiscal years 1994 through 1997, except that grants made under section 1070a–18 of this title shall not be given prior experience consideration.

(B) Participant need

In making grants under this division, the Secretary shall consider the number, percentages, and needs of eligible participants in the area, institution of higher education, or secondary school to be served to aid such participants in preparing for, enrolling in, or succeeding in postsecondary education, as appropriate to the particular program for which the eligible entity is applying.

(3) Order of awards; program fraud

(A) Except with respect to grants made under sections 1070a–17 and 1070a–18 of this title and as provided in subparagraph (B), the Secretary shall award grants and contracts under this division in the order of the scores received by the application for such grant or contract in the peer review process required under paragraph (4) and adjusted for prior experience in accordance with paragraph (2) of this subsection.

(B) The Secretary shall not provide assistance to a program otherwise eligible for assistance under this division, if the Secretary has determined that such program has involved the fraudulent use of funds under this division.

(4) Peer review process

(A) The Secretary shall ensure that, to the extent practicable, members of groups underrepresented in higher education, including African Americans, Hispanics, Native Americans, Alaska Natives, Asian Americans, and Native American Pacific Islanders (including Native Hawaiians), are represented as readers of applications submitted under this division. The Secretary shall also ensure that persons from urban and rural backgrounds are represented as readers.

(B) The Secretary shall ensure that each application submitted under this division is read by at least three readers who are not employees of the Federal Government (other than as readers of applications).

(5) Number of applications for grants and contracts

The Secretary shall not limit the number of applications submitted by an entity under any program authorized under this division if the additional applications describe programs serving different populations or different campuses.

(6) Coordination with other programs for disadvantaged students

The Secretary shall encourage coordination of programs assisted under this division with other programs for disadvantaged students operated by the sponsoring institution or agency, regardless of the funding source of such programs. The Secretary shall not limit an entity's eligibility to receive funds under this division because such entity sponsors a program similar to the program to be assisted under this division, regardless of the funding source of such program. The Secretary shall permit the Director of a program receiving funds under this division to administer one or more additional programs for disadvantaged students operated by the sponsoring institution or agency, regardless of the funding sources of such programs. The Secretary shall, as appropriate, require each applicant for funds under the programs authorized by this division to identify and make available services under such program, including mentoring, tutoring, and other services provided by such program, to foster care youth (including youth in foster care and youth who have left foster care after reaching age 13) or to homeless children and youths as defined in section 11434a of title 42.

(7) Application status

The Secretary shall inform each entity operating programs under this division regarding the status of their application for continued funding at least 8 months prior to the expiration of the grant or contract. The Secretary, in the case of an entity that is continuing to operate a successful program under this division, shall ensure that the start-up date for a new grant or contract for such program immediately follows the termination of the preceding grant or contract so that no interruption of funding occurs for such successful reapplicants. The Secretary shall inform each entity requesting assistance under this division for a new program regarding the status of their application at least 8 months prior to the proposed startup date of such program.

(8) Review and notification by the Secretary

(A) Guidance

Not later than 180 days after August 14, 2008, the Secretary shall issue nonregulatory guidance regarding the rights and responsibilities of applicants with respect to the application and evaluation process for programs and projects assisted under this division, including applicant access to peer review comments. The guidance shall describe the procedures for the submission, processing, and scoring of applications for grants under this division, including—

(i) the responsibility of applicants to submit materials in a timely manner and in accordance with the processes established by the Secretary under the authority of the General Education Provisions Act [20 U.S.C. 1221 et seq.];

(v) steps the Secretary will take to ensure that the final score of an application, including prior experience points for high quality service delivery and points awarded through the peer review process, is determined in an accurate and transparent manner.

(B) Updated guidance

(C) Review

(i) In general

With respect to any competition for a grant under this division, an applicant may request a review by the Secretary if the applicant—

(II) has otherwise met all of the requirements for submission of the application.

(ii) Technical or administrative error

In the case of evidence of a technical or administrative error listed in clause (i)(I), the Secretary shall review such evidence and provide a timely response to the applicant. If the Secretary determines that a technical or administrative error was made by the Department or an agent of the Department, the application of the applicant shall be reconsidered in the peer review process for the applicable grant competition.

(iii) Scoring error

In the case of evidence of a scoring error listed in clause (i)(I), when the error relates to either prior experience points for high quality service delivery or to the final score of an application, the Secretary shall—

(I) review such evidence and provide a timely response to the applicant; and

(II) if the Secretary determines that a scoring error was made by the Department or a peer reviewer, adjust the prior experience points or final score of the application appropriately and quickly, so as not to interfere with the timely awarding of grants for the applicable grant competition.

(iv) Error in peer review process

(I) Referral to secondary review

In the case of a peer review process error listed in clause (i)(I), if the Secretary determines that points were withheld for criteria not required in Federal statute, regulation, or guidance governing a program assisted under this division or the application for a grant for such program, or determines that information pertaining to selection criteria was wrongly determined to be missing from an application by a peer reviewer, then the Secretary shall refer the application to a secondary review panel.

(II) Timely review; replacement score

The secondary review panel described in subclause (I) shall conduct a secondary review in a timely fashion, and the score resulting from the secondary review shall replace the score from the initial peer review.

(III) Composition of secondary review panel

The secondary review panel shall be composed of reviewers each of whom—

- (aa) did not review the application in the original peer review;
- (bb) is a member of the cohort of peer reviewers for the grant program that is the subject of such secondary review; and
- (cc) to extent practicable, has conducted peer reviews in not less than two previous competitions for the grant program that is the subject of such secondary review.

(IV) Final score

The final peer review score of an application subject to a secondary review under this clause shall be adjusted appropriately and quickly using the score awarded by the secondary review panel, so as not to interfere with the timely awarding of grants for the applicable grant competition.

(V) Qualification for secondary review

To qualify for a secondary review under this clause, an applicant shall have evidence of a scoring error and demonstrate that—

- (aa) points were withheld for criteria not required in statute, regulation, or guidance governing the Federal TRIO programs or the application for a grant for such programs; or
- (bb) information pertaining to selection criteria was wrongly determined to be missing from the application.

(v) Finality

(I) In general

A determination by the Secretary under clause (i), (ii), or (iii) shall not be reviewable by any officer or employee of the Department.

(II) Scoring

The score awarded by a secondary review panel under clause (iv) shall not be reviewable by any officer or employee of the Department other than the Secretary.

(vi) Funding of applications with certain adjusted scores

To the extent feasible based on the availability of appropriations, the Secretary shall fund applications with scores that are adjusted upward under clauses (ii), (iii), and (iv) to equal or exceed the minimum cut off score for the applicable grant competition.

(d) Outreach

(1) In general

The Secretary shall conduct outreach activities to ensure that entities eligible for assistance under this division submit applications proposing programs that serve geographic areas and eligible populations which have been underserved by the programs assisted under this division.

(2) Notice

In carrying out the provisions of paragraph (1), the Secretary shall notify the entities described in subsection (b) of this section of the availability of assistance under this subsection not less than 120 days prior to the deadline for submission of applications under this division and shall consult national, State, and regional organizations about candidates for notification.

(3) Technical assistance

Such training shall be furnished at conferences, seminars, and workshops to be conducted at not less than 10 sites throughout the United States to ensure that all areas of the United States with large concentrations of eligible participants are served.

(4) Special rule
