B.1. 301-6a

ESTIMATED COST AND INCENTIVE FEE (INCREMENTALLY FUNDED  
CONTRACTS)(MAY 1998)

- (a) It is estimated that the total cost to the Government for full performance of this contract will be \$\_\_\_\_\_ of which \$\_\_\_\_\_ represents the estimated cost and \$ \_\_\_\_\_ represents the target fee (if any). The fee payable under this contract shall be the target fee adjusted in accordance with paragraph (e) of clause 52.216-10, Incentive Fee and \_\_\_\_\_ of this contract.
- (b) Sufficient funds are not presently available to cover the total estimated cost of this contract; however, this contract will follow the concepts of incremental funding described in FAR clause 52.232-22, "Limitation of Funds". Funds currently available for payment and allotted to this contract are \$\_\_\_\_\_ of which \$ \_\_\_\_\_ represents the limitation of reimbursable costs and \$\_\_\_\_\_ represents the amount set aside for fee (if any).
- (c) If and when the contract is fully funded, as specified in paragraph (a) of this clause, the "Limitation of Cost" clause shall become applicable.
- (d) The Contracting Officer may allot additional funds to the contract without the concurrence of the Contractor.

B.2. 52.216-10

INCENTIVE FEE (MAR 1997)

- (a) General. The Government shall pay the Contractor for performing this contract a fee determined as provided in this contract.
- (b) Target cost and target fee. The target cost and target fee specified in the Schedule are subject to adjustment if the contract is modified in accordance with paragraph (d) of this clause.
- (1) "Target cost," as used in this contract, means the estimated cost of this contract as initially negotiated, adjusted in accordance with paragraph (d) below.
- (2) "Target fee," as used in this contract, means the fee initially negotiated on the assumption that this contract would be performed for a cost equal to the estimated cost initially negotiated, adjusted in accordance with paragraph (d) of this clause.
- (c) Withholding of payment. Normally, the Government shall pay the fee to the Contractor as specified in the Schedule. However, when the Contracting Officer considers that performance or cost indicates that the Contractor will not achieve target, the Government shall pay on the basis of an appropriate lesser fee. When the Contractor demonstrates that performance or cost clearly indicates that the Contractor will earn a fee significantly above the target fee, the Government may, at the sole discretion of the Contracting Officer, pay on the basis of an appropriate higher fee. After payment of 85 percent of the applicable fee, the Contracting Officer may withhold further payment of fee until a reserve is set aside in an amount that the Contracting Officer considers necessary to protect the Government's interest. This reserve shall not exceed 15 percent of the applicable fee or \$100,000, whichever is less. The

SECTION B

Contracting Officer shall release 75 percent of all fee withholds under this contract after receipt of the certified final indirect cost rate proposal covering the year of physical completion of this contract, provided the Contractor has satisfied all other contract terms and conditions, including the submission of the final patent and royalty reports, and is not delinquent in submitting final vouchers on prior years' settlements. The Contracting Officer may release up to 90 percent of the fee withholds under this contract based on the Contractor's past performance related to the submission and settlement of final indirect cost rate proposals.

(d) Equitable adjustments. When the work under this contract is increased or decreased by a modification to this contract or when any equitable adjustment in the target cost is authorized under any other clause, equitable adjustments in the target cost, target fee, minimum fee, and maximum fee, as appropriate, shall be stated in a supplemental agreement to this contract.

(e) Fee payable. (1) The fee payable under this contract shall be the target fee increased by 5 cents for every dollar that the total allowable cost is less than the target cost or decreased by 5 cents for every dollar that the total allowable cost exceeds the target cost. In no event shall the fee be greater than 10 percent or less than 0 percent of the target cost.

(2) The fee shall be subject to adjustment, to the extent provided in paragraph (d) of this clause, and within the minimum and maximum fee limitations in paragraph (e)(1) of this clause, when the total allowable cost is increased or decreased as a consequence of (i) payments made under assignments or (ii) claims excepted from the release as required by paragraph (h)(2) of the Allowable Cost and Payment clause.

(3) If this contract is terminated in its entirety, the portion of the target fee payable shall not be subject to an increase or decrease as provided in this paragraph. The termination shall be accomplished in accordance with other applicable clauses of this contract.

(4) For the purpose of fee adjustment, "total allowable cost" shall not include allowable costs arising out of--

(i) Any of the causes covered by the Excusable Delays clause to the extent that they are beyond the control and without the fault or negligence of the Contractor or any subcontractor;

(ii) The taking effect, after negotiating the target cost, of a statute, court decision, written ruling, or regulation that results in the Contractor's being required to pay or bear the burden of any tax or duty or rate increase in a tax or duty;

(iii) Any direct cost attributed to the Contractor's involvement in litigation as required by the Contracting Officer pursuant to a clause of this contract, including furnishing evidence and information requested pursuant to the Notice and Assistance Regarding Patent and Copyright Infringement clause;

(iv) The purchase and maintenance of additional insurance not in the target cost and required by the Contracting Officer, or claims for reimbursement for liabilities to third persons pursuant to the Insurance Liability to Third Persons clause;

(v) Any claim, loss, or damage resulting from a risk for which the Contractor has been relieved of liability by the Government Property clause; or

(vi) Any claim, loss, or damage resulting from a risk defined in the contract as unusually hazardous or as a nuclear risk and against which

## SECTION B

the Government has expressly agreed to indemnify the Contractor.

(5) All other allowable costs are included in "total allowable cost" for fee adjustment in accordance with this paragraph (e), unless otherwise specifically provided in this contract.

(f) Contract modification. The total allowable cost and the adjusted fee determined as provided in this clause shall be evidenced by a modification to this contract signed by the Contractor and Contracting Officer.

(g) Inconsistencies. In the event of any language inconsistencies between this clause and provisioning documents or Government options under this contract, compensation for spare parts or other supplies and services ordered under such documents shall be determined in accordance with this clause.

H.11. 308-2

RESEARCH ACTIVITIES INVOLVING HUMAN SUBJECTS (March 1999)

(a) Any research activities under this contract involving human subjects are governed by Department of Education (ED) regulations for the protection of human subjects in research, Title 34, Code of Federal Regulations, Part 97. Part 97 requires the contractor, subcontractors and any other entities involved in covered research activities to establish and maintain procedures for the protection of human subjects. The definitions in 34 CFR 97.102 apply to this clause. As used in this clause, "covered research" means research involving human subjects that is not exempt under 34 CFR 97.101(b) and 34 CFR 97.401(b). The requirements at Part 97 apply to all entities involved in covered research under this contract. The requirements of this clause apply to the Contractor, regardless of which entity performs the covered research. The contractor shall comply with Part 97 and shall ensure that each entity involved in covered research activities complies with Part 97.

(b) The Contractor agrees that the rights and welfare of human subjects involved in research under this contract shall be protected in accordance with 34 CFR Part 97 and with the Contractor's current Assurance of Compliance on file with ED or the Office for Protection from Research Risks, Department of Health and Human Services.

(c) Under no condition shall the Contractor conduct, or allow to be conducted, any covered research activity involving human subjects prior to the Department's receipt of the Certification that the research has been reviewed and approved by the Institutional Review Board (IRB) [34 CFR 97.103(f)]. No covered research involving human subjects shall be initiated under this contract until the Contractor has provided the Contracting Officer (or the Contracting Officer's designee) a properly completed Certification form certifying IRB review and approval of the research activity, and the Contracting Officer or designee has received the Certification. This restriction applies to the activities of each participating entity.

(d) In accordance with 34 CFR 97.109(e), an IRB must conduct continuing reviews of covered research activities at intervals appropriate to the degree of risk, but no less than once a year. Covered research activities that are expected to last one year or more are therefore subject to review by an IRB at least once a year.

(1) For each covered activity under this contract that requires continuing review, the contractor shall submit an

SECTION H  
SPECIAL CONTRACT REQUIREMENTS

annual written representation to the Contracting Officer (or the Contracting Officer's designee) stating whether covered research activities have been reviewed and approved by an IRB within the previous 12 months. The contractor may use Optional Form 310 for this representation. For multi-institutional projects, the contractor shall provide this information on its behalf and on behalf of any other entity engaged in covered research activities for which continuing IRB reviews are required.

(2) If the IRB disapproves, suspends, terminates or requires modification of any covered research activities under this contract, the Contractor shall immediately notify the Contracting Officer in writing of the IRB's action.

(e) The Contractor shall bear full responsibility for performing as safely as is feasible all activities under this contract involving the use of human subjects and for complying with all applicable regulations and requirements concerning human subjects. No one (neither the Contractor, nor any subcontractor, agent or employee of the Contractor, nor any other person or organization, institution, or group of any kind whatsoever) involved in the performance of such activities shall be deemed to constitute an agent or employee of the Department of Education or of the Federal Government with respect to such activities. The Contractor agrees to discharge its obligations, duties, and undertakings and the work pursuant thereto, whether requiring professional judgement or otherwise, as an independent Contractor without imputing liability on the part of the Government for the acts of the Contractor and its employees.

(f) Upon discovery of any noncompliance with any of the requirements or standards stated in paragraphs (b), (c) and (d) above, the Contractor shall immediately correct the deficiency. If at any time during performance of this contract, the Contracting Officer determines, in consultation with the Protection of Human Subjects Coordinator, Office of the Chief Financial and Chief Information Officer, or the sponsoring office, that the Contractor is not in compliance with any of the requirements or standards stated in paragraphs (b), (c) and (d) above, the Contracting Officer may immediately suspend, in whole or in part, work and further payments under this contract until the Contractor corrects such noncompliance. Notice of the suspension may be communicated by telephone and confirmed in writing.

(g) The Government may terminate this contract, in full or in part, for failure to fully comply with any regulation or requirement related to human subjects involved in research. Such termination may be in lieu of or in addition to suspension of work or payment. Nothing herein shall be construed to limit the Government's right to terminate the contract for failure to fully comply with such requirements.

(End of clause)

SECTION H  
SPECIAL CONTRACT REQUIREMENTS

H.12. 316-1

ACCESSIBILITY OF SOFTWARE (OCTOBER 1999)

The Department of Education (ED) considers universal accessibility to information a priority for all its employees and external customers, including individuals with disabilities. Under Sections 504 and 508 of the Rehabilitation Act of 1973 (29 U.S.C. sections 794 and 794d, as amended), ED must ensure the accessibility of its programs and activities, specifically its obligation to acquire and use accessible electronic and information technology. ED maintains the manual, "Requirements for Accessible Software Design," to convey the accessibility needs of the Department to the developers and suppliers of computer applications. To comply with the provisions of this clause, the contractor may use the edition of the ED manual "Requirements for Accessible Software Design" in effect at the date of award of this contract or any more recent edition. A copy of the most recent edition of the manual may be found at <http://ocfo.ed.gov/coninfo/clibrary/software.htm>.

(a) Software delivered to or developed for ED--Except as provided in paragraph (b) or (c) of this clause, all software delivered to or developed for ED, under this contract, for use by ED's employees or external customers must meet all the requirements of the ED manual "Requirements for Accessible Software Design." However, in accordance with paragraph (c) of this clause, the contracting officer may waive a particular requirement of the ED Manual, provided that ED's use of the software will meet the requirements of Sections 504 and 508 of the Rehabilitation Act of 1973 (29 U.S.C. sections 794 and 794d, as amended).

(b) Software enhanced or modified for ED--Any enhancements and other modifications, made under this contract to software for use by ED's employees or external customers, are subject to the requirements of paragraph (a) of this clause, regardless of where or how the software was first developed. Except as otherwise specified elsewhere in the contract schedule, the contractor is only required to ensure that enhancements or modifications (not other, preexisting features or components) of the software fully comply with the accessibility requirements of paragraph (a). However, the contractor is encouraged point out any preexisting features or components that do not meet accessibility requirements and to suggest solutions to ensure the software complies.

(c) Waiver of requirements--It is recognized that new technologies may provide solutions that are not envisioned in or consistent with the provisions of the manual "Requirements for Accessible Software Design." Also, compliance with certain requirements of the manual may not be feasible for the particular software required. In such extraordinary circumstances, the contracting officer may grant a waiver, in writing, to any requirement of the manual or of this clause if

SECTION H  
SPECIAL CONTRACT REQUIREMENTS

it furthers a public interest of ED and will not significantly impair ED's ability to ensure accessibility of its programs and activities to all its employees and external customers, including individuals with disabilities. To request a waiver, the contractor shall notify the contracting officer in writing, listing the specific accessibility requirements that would not be met and explaining how the accessibility of a particular feature can be achieved by alternative means or why it is not feasible to make a feature of the software accessible.

(d) Condition of payment--The contractor agrees that compliance with the provisions of this clause upon delivery of the software to ED is a condition of payment under this contract.

The Government may require continued performance of any services within the limits and at the rates specified in the contract. These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within the period specified in the Schedule.

(End of clause)

H.15. 52.224-2

PRIVACY ACT (APR 1984)

(a) The Contractor agrees to--

(1) Comply with the Privacy Act of 1974 (the Act) and the agency rules and regulations issued under the Act in the design, development, or operation of any system of records on individuals to accomplish an agency function when the contract specifically identifies--

(i) The systems of records; and

(ii) The design, development, or operation work that the contractor is to perform;

(2) Include the Privacy Act notification contained in this contract in every solicitation and resulting subcontract and in every subcontract awarded without a solicitation, when the work statement in the proposed subcontract requires the redesign, development, or operation of a system of records on individuals that is subject to the Act; and

(3) Include this clause, including this subparagraph (3), in all

SECTION H

subcontracts awarded under this contract which requires the design, development, or operation of such a system of records.

(b) In the event of violations of the Act, a civil action may be brought against the agency involved when the violation concerns the design, development, or operation of a system of records on individuals to accomplish an agency function, and criminal penalties may be imposed upon the officers or employees of the agency when the violation concerns the operation of a system of records on individuals to accomplish an agency

function. For purposes of the Act, when the contract is for the operation of a system of records on individuals to accomplish an agency function, the Contractor is considered to be an employee of the agency.

(3) "System of records on individuals," as used in this clause, means a group of any records under the control of any agency from which information is retrieved by the name of the individual or by some identifying number, symbol, or other identifying particular assigned to the individual.

H.16. 52.230-2  
COST ACCOUNTING STANDARDS (APR 1998)

(a) Unless the contract is exempt under 48 CFR 9903.201-1 and 9903.201-2, the provisions of 48 CFR, Part 9903 are incorporated herein by reference and the Contractor, in connection with this contract, shall--

(1) (CAS-covered Contracts Only) By submission of a Disclosure Statement, disclose in writing the Contractor's cost accounting practices as required by 48 CFR 9903.202-1 through 9903.202-5, including methods of distinguishing direct costs from indirect costs and the basis used for allocating indirect costs. The practices disclosed for this contract shall be the same as the practices currently disclosed and applied on all other contracts and subcontracts being performed by the Contractor and which contain a Cost Accounting Standards (CAS) clause. If the Contractor has notified the Contracting Officer that the Disclosure Statement contains trade secrets and commercial or financial information which is privileged and confidential, the Disclosure Statement shall be protected and shall not be released outside of the Government.

(2) Follow consistently the Contractor's cost accounting practices in accumulating and reporting contract performance cost data concerning this contract. If any change in cost accounting practices is made for the purposes of any contract or subcontract subject to CAS requirements, the change must be applied prospectively to this contract and the Disclosure Statement must be amended accordingly. If the contract price

SECTION H  
SPECIAL CONTRACT REQUIREMENTS

or cost allowance of this contract is affected by such changes, adjustment shall be made in accordance with subparagraph (a)(4) or (a)(5) of this clause, as appropriate.

(3) Comply with all CAS, including any modifications and interpretations indicated thereto contained in 48 CFR Part 9904, in effect on the date of award of this contract or, if the Contractor has submitted cost or pricing data, on the date of final agreement on price as shown on the Contractor's signed certificate of current cost or pricing data. The Contractor shall also comply with any CAS (or modifications to CAS) which hereafter become applicable to a contract or subcontract of the Contractor. Such compliance shall be required prospectively from the date of applicability to such contract or subcontract.

(4)(i) Agree to an equitable adjustment as provided in the Changes clause of this contract if the contract cost is affected by a change which, pursuant to subparagraph (a)(3) of this clause, the Contractor is required to make to the Contractor's established cost accounting practices.

(ii) Negotiate with the Contracting Officer to determine the terms and conditions under which a change may be made to a cost accounting practice, other than a change made under other provisions of subparagraph (a)(4) of this clause; provided that no agreement may be made under this provision that will increase costs paid by the United States.

(iii) When the parties agree to a change to a cost accounting practice, other than a change under subdivision (a)(4)(i) of this clause, negotiate an equitable adjustment as provided in the Changes clause of this contract.

(5) Agree to an adjustment of the contract price or cost allowance, as appropriate, if the Contractor or a subcontractor fails to comply with an applicable Cost Accounting Standard, or to follow any cost accounting practice consistently and such failure results in any increased costs paid by the United States. Such adjustment shall provide for recovery of the increased costs to the United States, together with interest thereon computed at the annual rate established under section 6621 of the Internal Revenue Code of 1986 (26 U.S.C. 6621) for such period, from the time the payment by the United States was made to the time the adjustment is effected. In no case shall the Government recover costs greater than the increased cost to the Government, in the aggregate, on the relevant contracts subject to the price adjustment, unless the Contractor made a change in its cost accounting practices of which it was aware or should have been aware at the time of price negotiations and which it failed to disclose to the Government.

(b) If the parties fail to agree whether the Contractor or a subcontractor has complied with an applicable CAS in 48 CFR, Part 9904 or a CAS rule or regulation in 48 CFR, Part 9903 and as to any cost adjustment demanded by the United States, such failure to agree will constitute a dispute under the Contract Disputes Act (41 U.S.C. 601).

(c) The Contractor shall permit any authorized representatives of the Government to examine and make copies of any documents, papers, or records relating to compliance with the requirements of this clause.

(d) The Contractor shall include in all negotiated subcontracts which the Contractor enters into, the substance of this clause, except paragraph (b), and shall require such inclusion in all other subcontracts, of any tier, including the obligation to comply with all CAS in effect on

SECTION H  
SPECIAL CONTRACT REQUIREMENTS

the subcontractor's award date or if the subcontractor has submitted cost or pricing data, on the date of final agreement on price as shown on the subcontractor's signed Certificate of Current Cost or Pricing Data. If the subcontract is awarded to a business unit which pursuant to 48 CFR 9903.201-2 is subject to other types of CAS coverage, the substance of the applicable clause set forth in subsection 30.201-4 of the Federal Acquisition Regulation shall be inserted. This requirement shall apply only to negotiated subcontracts in excess of \$500,000, except that the requirement shall not apply to negotiated subcontracts otherwise exempt from the requirement to include a CAS clause as specified in 48 CFR 9903.201-1.

(End of clause)

H.17. 52.230-3

DISCLOSURE AND CONSISTENCY OF COST ACCOUNTING PRACTICES (APR 1998)

(a) The Contractor, in connection with this contract, shall--

(1) Comply with the requirements of 48 CFR 9904.401, Consistency in Estimating, Accumulating, and Reporting Costs; 48 CFR 9904.402, Consistency in Allocating Costs Incurred for the Same Purpose; 48 CFR 9904.405, Accounting for Unallowable Costs; and 48 CFR 9904.406, Cost Accounting Standard--Cost Accounting Period, in effect on the date of award of this contract as indicated in 48 CFR Part 9904.

(2) (CAS-covered Contracts Only) If it is a business unit of a company required to submit a Disclosure Statement, disclose in writing its cost accounting practices as required by 48 CFR 9903.202-1 through 9903.202-5. If the Contractor has notified the Contracting Officer that the Disclosure Statement contains trade secrets and commercial or financial information which is privileged and confidential, the Disclosure Statement shall be protected and shall not be released outside of the Government.

(3)(i) Follow consistently the Contractor's cost accounting practices. A change to such practices may be proposed, however, by either the Government or the Contractor, and the Contractor agrees to negotiate with the Contracting Officer the terms and conditions under which a change may be made. After the terms and conditions under which the change is to be made have been agreed to, the change must be applied prospectively to this contract, and the Disclosure Statement, if affected, must be amended accordingly.

(ii) The Contractor shall, when the parties agree to a change to a cost accounting practice and the Contracting Officer has made the finding required in 48 CFR 9903.201-6(b), that the change is desirable and not detrimental to the interests of the Government, negotiate an equitable adjustment as provided in the Changes clause of this contract. In the absence of the required finding, no agreement may be made under this contract clause that will increase costs paid by the United States.

(4) Agree to an adjustment of the contract price or cost allowance, as appropriate, if the Contractor or a subcontractor fails to comply with the applicable CAS or to follow any cost accounting practice, and such failure results in any increased costs paid by the United States. Such adjustment shall provide for recovery of the increased costs to the United States together with interest thereon computed at the annual rate of interest established under the Internal Revenue Code of 1986 (26

SECTION H  
SPECIAL CONTRACT REQUIREMENTS

U.S.C. 6621), from the time the payment by the United States was made to the time the adjustment is effected.

(b) If the parties fail to agree whether the Contractor has complied with an applicable CAS, rule, or regulation as specified in 48 CFR, Parts 9903 and 9904 and as to any cost adjustment demanded by the United States, such failure to agree will constitute a dispute under the Contract Disputes Act (41 U.S.C. 601).

(c) The Contractor shall permit any authorized representatives of the Government to examine and make copies of any documents, papers, and records relating to compliance with the requirements of this clause.

(d) The Contractor shall include in all negotiated subcontracts, which the Contractor enters into, the substance of this clause, except paragraph (b), and shall require such inclusion in all other subcontracts of any tier, except that--

(1) If the subcontract is awarded to a business unit which pursuant to 48 CFR 9903.201-2 is subject to other types of CAS coverage, the substance of the applicable clause set forth in subsection 30.201-4 of the Federal Acquisition Regulation shall be inserted.

(2) This requirement shall apply only to negotiated subcontracts in excess of \$500,000.

(3) The requirement shall not apply to negotiated subcontracts otherwise exempt from the requirement to include a CAS clause as specified in 48 CFR 9903.201-1.

H.18. 52.230-6

ADMINISTRATION OF COST ACCOUNTING STANDARDS (APR 1996)

For the purpose of administering the Cost Accounting Standards (CAS)

requirements under this contract, the Contractor shall take the steps outlined in paragraphs (a) through (g) of this clause:

(a) Submit to the Contracting Officer a description of any cost accounting practice change, the total potential impact of the change on contracts containing a CAS clause, and a general dollar magnitude of the change which identifies the potential shift of costs between CAS-covered contracts by contract type (i.e., firm-fixed-price, incentive, cost-plus-fixed fee, etc.) and other contractor business activity. As related to CAS-covered contracts, the analysis should identify the potential impact on funds of the various Agencies/Departments (i.e., Department of Energy, National Aeronautics and Space Administration, Army, Navy, Air Force, other Department of Defense, other Government) as follows:

(1) For any change in cost accounting practices required in accordance with subparagraph (a)(3) and subdivision (a)(4)(i) of the clause at FAR 52.230-2, Cost Accounting Standards; or subparagraph (a)(3) and subdivisions (a)(4)(i) or (a)(4)(iv) of the clause at FAR 52.230-5, Cost Accounting Standards--Educational Institution; within 60 days (or such other date as may be mutually agreed to) after award of a contract requiring this change.

(2) For any change in cost accounting practices proposed in accordance with subdivision (a)(4)(ii) or (iii) of the clauses at FAR 52.230-2, Cost Accounting Standards, and FAR 52.230-5, Cost Accounting Standards--Educational Institution; or with subparagraph (a)(3) of the clause at FAR 52.230-3, Disclosure and Consistency of Cost Accounting Practices, not less than 60 days (or such other date as may be mutually

SECTION H  
SPECIAL CONTRACT REQUIREMENTS

agreed to) before the effective date of the proposed change.

(3) For any failure to comply with an applicable CAS or to follow a disclosed practice (as contemplated by subparagraph (a)(5) at FAR 52.230-2, Cost Accounting Standards, and FAR 52.230-5, Cost Accounting Standards--Educational Institution; or by subparagraph (a)(4) at FAR 52.230-3, Disclosure and Consistency of Cost Accounting Practices):

(i) Within 60 days (or such other date as may be mutually agreed to) after the date of agreement with the initial finding of noncompliance, or

(ii) In the event of Contractor disagreement with the initial finding of noncompliance, within 60 days of the date the Contractor is notified by the Contracting Officer of the determination of noncompliance.

(b) After an ACO, or cognizant Federal agency official, determination of materiality, submit a cost impact proposal in the form and manner specified by the Contracting Officer within 60 days (or such other date as may be mutually agreed to) after the date of determination of the adequacy and compliance of a change submitted pursuant to paragraph (a) of this clause. The cost impact proposal shall be in sufficient detail to permit evaluation, determination, and negotiation of the cost impact upon each separate CAS-covered contract and subcontract.

(1) Cost impact proposals submitted for changes in cost accounting practices required in accordance with subparagraph (a)(3) and subdivision (a)(4)(i) of the clause at FAR 52.230-2, Cost Accounting Standards; or subparagraph (a)(3) and subdivisions (a)(4)(i) or (a)(4)(iv) of the clause at FAR 52.230-5, Cost Accounting Standards--Educational Institution; shall identify the applicable standard or cost principle and all contracts and subcontracts containing the clauses entitled Cost Accounting Standards or Cost Accounting Standards--Educational Institution, which have an award date before the effective date of that standard or cost principle.

(2) Cost impact proposals submitted for any change in cost accounting practices proposed in accordance with subdivisions (a)(4)(ii) or (iii) of the clauses at FAR 52.230-2, Cost Accounting Standards, and FAR 52.230-5, Cost Accounting Standards--Educational Institution; or with subparagraph (a)(3) of the clause at FAR 52.230-3, Disclosure and Consistency of Cost Accounting Practices; shall identify all contracts and subcontracts containing the clauses at FAR 52.230-2, Cost Accounting Standards, FAR 52.230-5, Cost Accounting Standards--Educational Institution, and FAR 52.230-3, Disclosure and Consistency of Cost Accounting Practices.

(3) Cost impact proposals submitted for failure to comply with an applicable CAS or to follow a disclosed practice as contemplated by subparagraph (a)(5) of the clauses at FAR 52.230-2, Cost Accounting Standards, and FAR 52.230-5, Cost Accounting Standards--Educational Institution; or by subparagraph (a)(4) of the clause at FAR 52.230-3, Disclosure and Consistency of Cost Accounting Practices, shall identify the cost impact on each separate CAS covered contract from the date of failure to comply until the noncompliance is corrected.

(c) If the submissions required by paragraphs (a) and (b) of this clause are not submitted within the specified time, or any extension granted by the Contracting Officer, an amount not to exceed 10 percent of each subsequent amount determined payable related to the Contractor's CAS-covered prime contracts, up to the estimated general dollar magnitude of the cost impact, may be withheld until such time as the required

SECTION H  
SPECIAL CONTRACT REQUIREMENTS

submission has been provided in the form and manner specified by the Contracting Officer.

(d) Agree to appropriate contract and subcontract amendments to reflect adjustments established in accordance with subparagraphs (a)(4) and (a)(5) of the clauses at FAR 52.230-2, and 52.230-5; or with subparagraphs (a)(3) or (a)(4) of the Disclosure and Consistency of Cost Accounting Practices clause at FAR 52.230-3.

(e) For all subcontracts subject to the clauses at FAR 52.230-2, 52.230-3, or 52.230-5--

(1) So state in the body of the subcontract, in the letter of award, or in both (self-deleting clauses shall not be used); and

(2) Include the substance of this clause in all negotiated subcontracts. In addition, within 30 days after award of the subcontract, submit the following information to the Contractor's cognizant contract administration office for transmittal to the contract administrative office cognizant of the subcontractor's facility:

(i) Subcontractor's name and subcontract number.

(ii) Dollar amount and date of award.

(iii) Name of Contractor making the award.

(iv) Any changes the subcontractor has made or proposes to make to cost accounting practices that affect prime contracts or subcontracts containing the clauses at FAR 52.230-2, 52.230-3, or 52.230-5, unless these changes have already been reported. If award of the subcontract results in making one or more CAS effective for the first time, this fact shall also be reported.

(f) Notify the Contracting Officer in writing of any adjustments required to subcontracts under this contract and agree to an adjustment, based on them, to this contract price or estimated cost and fee. This notice is due within 30 days after proposed subcontract adjustments are received and shall include a proposal for adjusting the higher tier subcontract or the prime contract appropriately.

(g) For subcontracts containing the clauses at FAR 52.230-2 or 52.230-5, require the subcontractor to comply with all Standards in effect on the date of award or of final agreement on price, as shown on the subcontractor's signed Certificate of Current Cost or Pricing Data, whichever is earlier.

Other evaluation factors described in the solicitation shall be applied before application of the factor. The factor may not be applied if using the adjustment would cause the contract award to be made at a price that exceeds the fair market price by more than the factor in paragraph (b)(1) of this clause.

(c) Waiver of evaluation adjustment. A small disadvantaged business concern may elect to waive the adjustment, in which case the factor will be added to its offer for evaluation purposes. The agreements in paragraph (d) of this clause do not apply to offers that waive the adjustment.

\_\_\_\_\_ Offeror elects to waive the adjustment.

(d) Agreements. (1) A small disadvantaged business concern, that did not waive the adjustment, agrees that in performance of the contract, in the case of a contract for--

(i) Services, except construction, at least 50 percent of the cost of personnel for contract performance will be spent for employees of the concern;

(ii) Supplies (other than procurement from a nonmanufacturer of such supplies), at least 50 percent of the cost of manufacturing, excluding the cost of materials, will be performed by the concern;

(iii) General construction, at least 15 percent of the cost of the contract, excluding the cost of materials, will be performed by employees of the concern; or

(iv) Construction by special trade contractors, at least 25 percent of the cost of the contract, excluding the cost of materials, will be performed by employees of the concern.

(2) A small disadvantaged business concern submitting an offer in its own name agrees to furnish in performing this contract only end items manufactured or produced by small disadvantaged business concerns in the United States. This paragraph does not apply in connection with construction or service contracts.

Note: This notice does not apply to small businesses or foreign governments. This notice is in three parts, identified by Roman numerals I through III.

Offerors shall examine each part and provide the requested information in order to determine Cost Accounting Standards (CAS) requirements applicable to any resultant contract.

If the offeror is an educational institution, Part II does not apply unless the contemplated contract will be subject to full or modified CAS coverage pursuant to 48 CFR 9903.201-2(c)(5) or 9903.201-2(c)(6), respectively.

I. DISCLOSURE STATEMENT--COST ACCOUNTING

PRACTICES AND CERTIFICATION

(a) Any contract in excess of \$500,000 resulting from this solicitation will be subject to the requirements of the Cost Accounting Standards Board (48 CFR Chapter 99), except for those contracts which are exempt as specified in 48 CFR 9903.201-1.

(b) Any offeror submitting a proposal which, if accepted, will result in a contract subject to the requirements of 48 CFR Chapter 99 must, as a condition of contracting, submit a Disclosure Statement as required by 48 CFR 9903.202. When required, the Disclosure Statement must be submitted as a part of the offeror's proposal under this solicitation unless the offeror has already submitted a Disclosure Statement disclosing the practices used in connection with the pricing of this proposal. If an applicable Disclosure Statement has already been submitted, the offeror may satisfy the requirement for submission by providing the information requested in paragraph (c) of Part I of this provision.

CAUTION: In the absence of specific regulations or agreement, a practice disclosed in a Disclosure Statement shall not, by virtue of such disclosure, be deemed to be a proper, approved, or agreed-to practice for pricing proposals or accumulating and reporting contract performance cost data.

(c) Check the appropriate box below:

/\_/\_/ (1) Certificate of Concurrent Submission of Disclosure Statement.

The offeror hereby certifies that, as a part of the offer, copies of the Disclosure Statement have been submitted as follows: (i) original and one copy to the cognizant Administrative Contracting Officer (ACO) or cognizant Federal agency official authorized to act in that capacity (Federal official), as applicable, and (ii) one copy to the cognizant Federal auditor.

(Disclosure must be on Form No. CASB DS-1 or CASB DS-2, as applicable. Forms may be obtained from the cognizant ACO or Federal official and/or from the loose-leaf version of the Federal Acquisition Regulation.)

Name and Address of Cognizant ACO or Federal Official Where Filed: \_\_\_\_\_

The offeror further certifies that the practices used in estimating costs

in pricing this proposal are consistent with the cost accounting practices disclosed in the Disclosure Statement.

/\_/ (2) Certificate of Previously Submitted Disclosure Statement.

The offeror hereby certifies that the required Disclosure Statement was filed as follows:

Date of Disclosure Statement: \_\_\_\_\_

Name and Address of Cognizant ACO or Federal Official Where Filed: \_\_\_\_\_

The offeror further certifies that the practices used in estimating costs in pricing this proposal are consistent with the cost accounting practices disclosed in the applicable Disclosure Statement.

/\_/ (3) Certificate of Monetary Exemption.

The offeror hereby certifies that the offeror, together with all divisions, subsidiaries, and affiliates under common control, did not receive net awards of negotiated prime contracts and subcontracts subject to CAS totaling more than \$25 million (of which at least one award exceeded \$1 million) in the cost accounting period immediately preceding the period in which this proposal was submitted. The offeror further certifies that if such status changes before an award resulting from this proposal, the offeror will advise the Contracting Officer immediately.

/\_/ (4) Certificate of Interim Exemption.

The offeror hereby certifies that (i) the offeror first exceeded the monetary exemption for disclosure, as defined in (3) of this subsection, in the cost accounting period immediately preceding the period in which this offer was submitted and (ii) in accordance with 48 CFR 9903.202-1, the offeror is not yet required to submit a Disclosure Statement. The offeror further certifies that if an award resulting from this proposal has not been made within 90 days after the end of that period, the offeror will immediately submit a revised certificate to the Contracting Officer, in the form specified under subparagraph (c)(1) or (c)(2) of Part I of this provision, as appropriate, to verify submission of a completed Disclosure Statement.

CAUTION: Offerors currently required to disclose because they were awarded a CAS-covered prime contract or subcontract of \$25 million or more in the current cost accounting period may not claim this exemption (4). Further, the exemption applies only in connection with proposals submitted before expiration of the 90-day period following the cost accounting period in which the monetary exemption was exceeded.

II. COST ACCOUNTING STANDARDS--ELIGIBILITY FOR MODIFIED CONTRACT COVERAGE

If the offeror is eligible to use the modified provisions of 48 CFR 9903.201-2(b) and elects to do so, the offeror shall indicate by checking the box below. Checking the box below shall mean that the resultant contract is subject to the Disclosure and Consistency of Cost Accounting Practices clause in lieu of the Cost Accounting Standards clause.

/\_/ The offeror hereby claims an exemption from the Cost Accounting Standards clause under the provisions of 48 CFR 9903.201-2(b) and certifies that the offeror is eligible for use of the Disclosure and Consistency of Cost Accounting Practices clause because during the cost accounting period immediately preceding the period in which this proposal was submitted, the offeror received less than \$25 million in awards of CAS-covered prime contracts and subcontracts, or the offeror did not receive a single CAS-covered award exceeding \$1 million. The offeror further certifies that if such status changes before an award resulting from this proposal, the

offeror will advise the Contracting Officer immediately.

CAUTION: An offeror may not claim the above eligibility for modified contract coverage if this proposal is expected to result in the award of a CAS-covered contract of \$25 million or more or if, during its current cost accounting period, the offeror has been awarded a single CAS-covered prime contract or subcontract of \$25 million or more.

III. ADDITIONAL COST ACCOUNTING STANDARDS APPLICABLE TO EXISTING CONTRACTS

The offeror shall indicate below whether award of the contemplated contract would, in accordance with subparagraph (a)(3) of the Cost Accounting Standards clause, require a change in established cost accounting practices affecting existing contracts and subcontracts.

L.3. 308-1

NOTICE ABOUT RESEARCH ACTIVITIES INVOLVING HUMAN SUBJECTS (MARCH 1999)

(a) Applicable Regulations. Any research activities under this proposed contract involving human subjects are governed by Department of Education (ED) regulations for the protection of human subjects in research, Title 34, Code of Federal Regulations, Part 97 (hereafter, "the regulations"). The regulations require contractors and other entities involved in covered (nonexempt) research activities to establish and maintain procedures for the protection of human subjects. Copies of the regulations and related information on the protection of human research subjects are available on ED's Protection of Human Subjects in Research Web Site at <<http://ocfo.ed.gov/humansub.htm>> and from the Department's Protection of Human Subjects Coordinator, at the address shown below.

(b) Definitions.

- (1) The regulations define research as "a systematic investigation, including research development, testing and evaluation designed to develop or contribute to generalizable knowledge." (If an activity follows a deliberate plan whose purpose is to develop or contribute to generalizable knowledge, such as an exploratory study or the collection of data to test a hypothesis, it is research.) It includes activities that meet this definition, whether or not they are conducted under a program considered "research" for other purposes [34 CFR 97.102(d)].
- (2) The regulations define human subject as "a living

SECTION L  
INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS

individual about whom an investigator (whether professional or student) conducting research obtains data through intervention or interaction with the individual or obtains identifiable private information" [34 CFR 97.102(f)(1)]. The definition of human subjects is met if an activity involves obtaining--

(A) information about a living person by--

- (i) manipulating that person's environment, as might occur when a new instructional technique is tested, or
- (ii) communicating or interacting with the individual, as occurs with surveys and interviews; or

(B) private information about a living person in such a way that the information can be linked to that individual (the identity of the subject is or may be readily determined by the investigator or associated with the information). [Private information includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which an individual can reasonably expect will not be made public (for example, a school health record).]

(c) Exemptions. The regulations provide exemptions from coverage for activities in which the only involvement of human subjects will be in one or more of the categories set forth in 34 CFR 97.101(b)(1-6). However, if the research subjects are children, the exemption at 34 CFR 97.101(b)(2) (i.e., research involving use of educational tests, survey procedures, interview procedures or observation of public behavior) is modified by 34 CFR 97.401(b), as explained in paragraph (d) below. Many types of research conducted on behalf of ED's National Center for Education Statistics are exempt under 34 CFR 97.101(b)(3)(ii), since the National Education Statistics Act prohibits disclosure of any individually identifiable information.

(d) Children as research subjects. Paragraph 34 CFR 97.402(a) of the regulations defines children as "persons who have not attained the legal age for consent to treatments or procedures involved in the research, under the applicable law of the jurisdiction in which the research will be conducted." Paragraph 34 CFR 97.401(b) of the regulations provides that, if the research involves children as subjects--

(1) The exemption at 34 CFR 97.101(b)(2) does not apply to activities involving--

- (A) survey or interview procedures involving children as subjects, or
- (B) observations of public behavior of children in which the investigator(s) will participate in the activities being observed.

(2) The exemption at 34 CFR 97.101(b)(2) continues to apply, unmodified by 34 CFR 97.401(b), to--

SECTION L  
INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS

- (A) educational tests, and
- (B) observations of public behavior in which the investigator(s) will not participate in the activities being observed.

(e) Proposal Instructions. An offeror proposing to do research that involves human subjects must provide information to ED on the proposed exempt and nonexempt activities. The offeror should submit this information as an attachment to its technical proposal. No specific page limitation applies to this requirement, but the offeror should be brief and to the point.

- (1) For exempt research activities involving human subjects, the offeror should identify the exemption(s) that applies and provide sufficient information to allow ED to determine that the designated exemption(s) is appropriate.
- (2) For covered research activities involving human subjects (whether conducted at the offeror's site or elsewhere), the offeror should identify the organizations (i.e., legally separate entities) that will be involved in the research activities to allow ED to:
  - (A) Determine the identity of the entities that need to submit Assurances and Certifications;
  - (B) Evaluate the adequacy of the proposed Institutional Review Board(s) in light of the research subjects likely to be involved;
  - and
  - (C) Evaluate the appropriateness of the initial and continuing Institutional Review Board review procedures in consideration of the risks to subjects.
- (3) If a reasonable potential exists that a need to conduct research involving human subjects may be identified after award of the contract and the offeror's proposal contains no definite plans for such research:
  - (A) The offeror should briefly describe the circumstances and nature of the potential research involving human subjects.
  - (B) If the offeror believes that an exemption is likely to apply, the offeror should identify the exemption and explain why it would apply.
  - (C) The offeror's proposal should allow adequate time to obtain and submit an Assurance of Compliance and a Certification of Institutional Review Board (IRB) review for any potential covered research that may be identified after award. Offerors are cautioned that no human subjects may be involved in covered research until the research has been reviewed and approved by the IRB and the contractor has submitted to ED an acceptable Assurance and a Certification of IRB review.

(f) Assurances and Certifications.

- (1) For an offeror reasonably likely to receive an award, if ED determines that proposed research activities involving human subjects are covered (i.e., not exempt) under the regulations, the contracting officer will request the offeror to file an

SECTION L  
INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS

acceptable Assurance of Compliance with the regulations and provide Certification of IRB review and approval of the proposed project. In lieu of a new Assurance, ED will accept a current Multiple Project Assurance on file with the Office for Protection from Research Risks, Department of Health and Human Services, if ED determines that the Multiple Project Assurance is appropriate to the proposed covered research activity. Offerors reasonably likely to receive an award and proposing to do research that is covered by the regulations will be contacted by ED and given detailed instructions on filing the Assurances and Certifications.

(2) In accordance with 34 CFR 97, all subcontractors and any other legally separate entity (neither owned nor operated by the offeror) that will be engaged in covered research activities shall be required to have an Assurance on file and to provide to ED Certification of IRB review and approval.

(3) The offeror is responsible for ensuring that it and the other entities submit the required documents to ED in a timely manner. Although an offeror does not need to submit an Assurance of Compliance or a Certification of Institutional Review Board (IRB) review with its initial proposal, the offeror should be prepared to obtain and provide these documents promptly upon request. Failure to submit the documents in a timely manner may result in deferral of an award or award to another offeror.

(g) Offerors may contact ED's Protection of Human Subjects Coordinator to obtain information about the regulations for the protection of human subjects and related policies and guidelines.

2. Abstract. A one-page single-spaced summary should be provided abstracting the proposal contents in language understandable to an informed layperson.
3. Table of Contents. The Table of Contents should briefly provide a means of quickly accessing important points of discussion in the proposal, and should contain either 2 or 3 levels of headings.
4. Introduction. The Introduction should briefly provide an impression of the offeror's general understanding of the study's objectives, scope of work, intended products, and applicability of those products.

This section should fully describe the theoretical and technical approach the offeror should employ in complying with Section I: Introduction and Purpose, Section III, Part B: Key Evaluation Questions, Section III, Part C: Evaluation Design, and Section IV: Scope of Work in the Statement of Work. While a general statement of strategy is appropriate, procedures should be specific with regard to each task and should reflect efficient utilization of the offeror's resources. Offerors should identify potential and/or anticipated problems, and suggest proposed variations in the design of the study, which may facilitate successful completion of the study's tasks and objectives.
6. Management Plan. This section should provide a listing and description of each task. The tasks must be listed in order of substantive relationship or serially in order of chronological completion dates. Offerors should indicate the names of key personnel for each task as well as hours to be allocated for each person for each task. As appropriate, offerors should indicate significant non-personnel kinds of resources to be applied to each task.

SECTION L  
INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS

Offerors should provide a graphic display along with a statement that shows interrelationships between tasks.

Offerors should provide milestones in calendar months from the effective date of the contract for such items as key events, deliverables, and for ED approval of performed work.

Offerors should provide time for any ED approval required before initiating work on key events or tasks (e.g., OMB forms clearance, draft reports, etc.).

Offerors should provide time for any contractor internal review and clearance procedures.

Offerors should provide a description of each substantive document (e.g., charts, reports, etc.) to be delivered by the contractor to ED. Offerors should provide a schedule of delivery for each item, preferably in calendar months from the effective date of the contract. Offerors should uniquely identify each deliverable with an alpha/numeric character.

Offerors should provide a listing of materials or services the offeror expects ED to provide (e.g., data , applications, reports, etc.).

Offerors should provide a description of the proposed ADP security program.

7. Related Experience of Proposed Staff. This section should indicate clearly the relationship between past staff experience and proposed task assignments for this study. Each senior staff person should be clearly identified and his/her qualifications should be fully described. To conduct and complete this contract successfully, the offeror must propose staff who, together, have recognized expertise in the following areas: research in educational policy and evaluation, large scale project management and design, access and retention of minorities and disadvantaged students in postsecondary education, sampling, research design and analysis, survey and case study research, and interviewing and interpersonal skills.
8. Resources/Facilities/Equipment. This section should briefly identify those resources (other than personnel), facilities, and equipment available for use in carrying out the activities of this project.
9. Organizational Experience. This section should describe pertinent experience and qualifications in conducting the conceptual, information collection and written tasks outlined in the work statement. Short abstracts of current work shall include the name, current affiliation and current telephone number of the study's project officer.
10. Current Contractual Obligations. The proposal should indicate the time commitments to both federal and non-federal contractual obligations (as well as outside consulting assignments) by all

SECTION L  
INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS

personnel who will be assigned to this project. Assigned personnel must be identified by name and the percentage of their time allocated to those contractual obligations.

Authors of the Proposal

The senior author and co-authors of each section of the technical proposal must be identified by name.

Alternative Approaches

Offerors are encouraged to suggest better, more efficient or creative ways to conduct this study than have been outlined in the statement of work. Significant differences from the approach suggested in the SOW should be fully described and justified.

Small Business Comments are Important:

The Small Business and Agriculture Regulatory Enforcement Ombudsman and 10 Regional Fairness Boards were established to receive comments from small businesses about federal agency enforcement actions. If you wish to comment on the enforcement actions of the U.S. Department of Education, call 1-888-REG-FAIR (1-888-734-3247).

L.13. 314-1

PAST PERFORMANCE REPORT (MAR 1996)

Each offeror shall submit the following information as a separately bound part of its proposal for both the offeror and proposed major subcontractors. Major, as defined here and in the remainder of sections L and M regarding past performance, is any subcontractor that is subcontracted for a minimum of 25% of the total contract amount. Each major subcontractor shall identify the name of the prime contractor on each of its past performance forms. If the offeror has no relevant corporate or organizational past performance, the offeror may substitute past performance of a predecessor company or of the offeror's management or proposed key personnel who have relevant experience.

A. Each offeror shall submit information about its most recent four contracts, completed in the last three years or currently in process, which are of similar size, scope, complexity or, in any way, are relevant to the effort required by this solicitation. If the offeror's last four similar contracts are all currently in process, submit the last three similar contracts currently in process, and the most recent similar contract completed within the last three years. Contracts listed may include those entered into by the Federal Government, agencies of State and local governments and commercial customers. Contracts with the parent or an affiliate of the offeror may not be used.

Include the following information for each contract and subcontract:

1. Identification
  - a. Name of the contracting activity
  - b. Program title or product name
  - c. Contract number
  - d. Contract type
  - e. Period of performance, including all option periods
  - f. Contract Value:
    - (1) Initial projected total contract amount including all option periods
    - (2) Final or current projected total contract

SECTION L  
INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS

amount including all option periods

g. Points of Contact

- (1) Contracting officer and telephone and fax number and e-mail address (if known)
- (2) Administrative contracting officer, if different from above, and telephone and fax number and e-mail address (if known)
- (3) Program manager, COTR or technical officer and telephone and fax number and e-mail address (if known)

2. Work performed and relevance

- a. Brief synopsis of work performed
- b. Brief discussion of how the work performed is relevant to the statement of work in this solicitation
- c. Brief, specific examples of the offeror's high quality performance

3. If any of the listed contracts are award-fee or incentive contracts, include a table showing fees awarded and the minimum and maximum available fee for each period.

4. Paragraph E. below requires you to send a copy of the "Contractor Information Form" to each of your references. In your past performance report, include:

- a. The date you sent the "Contractor Information Form" to each reference.
- b. How you sent it (e.g., fax, mail, express delivery service, courier, e-mail, etc.).
- c. To whom you sent it including telephone and fax number and e-mail address (if known).

B. The offeror may provide information on problems encountered on the contracts and subcontracts identified in A above and corrective actions taken to resolve those problems. Other than the information requested in A above, offerors should not provide general information on their performance on the identified contracts. General performance information will be obtained from the references.

C. Offerors should understand the difference between experience and past performance. Experience reflects the offeror's capability of performing a requirement. Past performance reflects how well it has performed similar requirements. In assessing past performance, the quality of the offeror's past performance is of primary significance, not the quantity of previous contracts performed. An offeror's experience will be evaluated in the technical proposal. For further guidance on including information on experience or how experience will be evaluated refer to the technical proposal instructions and evaluation criteria.

D. The offeror may describe any quality awards or certifications that indicate the offeror possesses a high-quality process for developing and producing the product or service required. Such awards or certifications include, for example, the Malcolm Baldrige Quality

SECTION L  
INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS

Award, other government quality awards, and private sector awards or certifications(e.g., the automobile industry's QS 9000, Sematech's SSQA, or ANSI/EIA-599).

Identify which segment of the company (one division or the entire company) received the award or certification. Describe when the award or certification was bestowed. If the award or certification is over three years old, present evidence that the qualifications still apply. Information about awards will be considered in evaluation of each of the past performance subfactors described in Section M. The offeror may describe how the award relates to one or more of the subfactors.

E. No later than the date proposals are due under this solicitation (see Block 9 of Standard Form 33), send a copy to each of your four references of the "Contractor Performance Information" form attached to this solicitation. Ask each reference to complete the form and return it to the contracting officer as prescribed on the form. Completed forms from references are due 10 calendar days after the date proposals are due under this solicitation. Request that the reference please return the completed form to the contracting officer by this date. Do not ask the reference to give you a copy of the completed form or any information therefrom. Beyond that initial request, you do not need to follow up with the reference; the contracting officer will contact the reference if necessary.

F. Each offeror will be evaluated on its performance under existing and prior contracts for similar products or services. Performance information will be used for both responsibility determinations and as an evaluation factor against which offerors' relative rankings will be compared to assure best value to the government. The government will focus on information that demonstrates quality of performance relative to the size and complexity of the procurement under consideration. The "Contractor Performance Information" form identified in Section J will be used to collect this information. References other than those identified by the offeror may be contacted by the Government with the information received in the evaluation of the offeror's past performance.

L.14. 3452.232-71

INCREMENTAL FUNDING (AUG 1987)

(a) Sufficient funds are not presently available to cover the total cost of the complete project described in this solicitation. However, it is the Government's intention to negotiate and award a contract using the incremental funding concepts described in the clause titled 'Limitation of Funds' in FAR 52.232-22. Under that clause, which will be included in the resultant contract, initial funds will be obligated under the contract to cover an estimated base performance period. Additional funds are intended to be allotted to the contract by contract modification, up to and including the full estimated cost of the entire period of performance. This intent notwithstanding, the Government will not be obligated to reimburse the contractor for cost incurred in excess of the periodic allotments, nor will the contractor be obligated to perform in excess of the amount allotted.

SECTION L  
INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS

(b) The Limitation of Cost clause in FAR 52.232-20 shall supersede the Limitation of Funds clause in the event the contract becomes fully funded.

(END OF PROVISION)

L.15. 52.215-1 I  
INSTRUCTIONS TO OFFERORS--COMPETITIVE ACQUISITION (OCT 1997)--ALTERNATE  
I (OCT 1997)

(a) Definitions. As used in this provision--

"Discussions" are negotiations that occur after establishment of the competitive range that may, at the Contracting Officer's discretion, result in the offeror being allowed to revise its proposal.

"In writing" or "written" means any worded or numbered expression which can be read, reproduced, and later communicated, and includes electronically transmitted and stored information.

"Proposal modification" is a change made to a proposal before the solicitation's closing date and time, or made in response to an amendment, or made to correct a mistake at any time before award.

"Proposal revision" is a change to a proposal made after the solicitation closing date, at the request of or as allowed by a Contracting Officer as the result of negotiations.

"Time," if stated as a number of days, is calculated using calendar days, unless otherwise specified, and will include Saturdays, Sundays, and legal holidays. However, if the last day falls on a Saturday, Sunday, or legal holiday, then the period shall include the next working day.

(b) Amendments to solicitations. If this solicitation is amended, all terms and conditions that are not amended remain unchanged. Offerors shall acknowledge receipt of any amendment to this solicitation by the date and time specified in the amendment(s).

(c) Submission, modification, revision, and withdrawal of proposals.  
(1) Unless other methods (e.g., electronic commerce or facsimile) are permitted in the solicitation, proposals and modifications to proposals shall be submitted in paper media in sealed envelopes or packages (i) addressed to the office specified in the solicitation, and (ii) showing the time and date specified for receipt, the solicitation number, and the name and address of the offeror. Offerors using commercial carriers

should ensure that the proposal is marked on the outermost wrapper with the information in paragraphs (c)(1)(i) and (c)(1)(ii) of this provision.

(2) The first page of the proposal must show--

(i) The solicitation number;

(ii) The name, address, and telephone and facsimile numbers of the offeror (and electronic address if available);

(iii) A statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation and agreement to furnish any or all items upon which prices are offered at the price set opposite each item;

(iv) Names, titles, and telephone and facsimile numbers (and electronic addresses if available) of persons authorized to negotiate on the offeror's behalf with the Government in connection with this solicitation; and

SECTION L  
INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS

(v) Name, title, and signature of person authorized to sign the proposal. Proposals signed by an agent shall be accompanied by evidence that agent's authority, unless that evidence has been previously furnished to the issuing office.

(3) Late proposals and revisions. (i) Any proposal received at the office designated in the solicitation after the exact time specified for receipt of offers will not be considered unless it is received before award is made and--

(A) It was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);

(B) It was sent by mail (or telegram or facsimile, if authorized) or hand-carried (including delivery by a commercial carrier) if it is determined by the Government that the late receipt was due primarily to Government mishandling after receipt at the Government installation;

(C) It was sent by U.S. Postal Service Express Mail Next Day Service-Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays;

(D) It was transmitted through an electronic commerce method authorized by the solicitation and was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of proposals; or

(E) There is acceptable evidence to establish that it was received at the activity designated for receipt of offers and was under the Government's control prior to the time set for receipt of offers, and the Contracting Officer determines that accepting the late offer would not unduly delay the procurement; or

(F) It is the only proposal received.

(ii) Any modification or revision of a proposal or response to request for information, including any final proposal revision, is subject to the same conditions as in subparagraphs (c)(3)(i)(A) through (c)(3)(i)(E) of this provision.

(iii) The only acceptable evidence to establish the date of mailing of a late proposal or modification or revision sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the proposal, response to a request for information, or modification or revision shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors or respondents should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(iv) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the proposal wrapper, other documentary evidence of

SECTION L  
INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS

receipt maintained by the installation, or oral testimony or statements of Government personnel.

(v) The only acceptable evidence to establish the date of mailing of a late offer, modification or revision, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c)(3)(iii) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors or respondents should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(vi) Notwithstanding paragraph (c)(3)(i) of this provision, a late modification or revision of an otherwise successful proposal that makes its terms more favorable to the Government will be considered at any time it is received and may be accepted.

(vii) Proposals may be withdrawn by written notice or telegram (including mailgram) received at any time before award. If the solicitation authorizes facsimile proposals, proposals may be withdrawn via facsimile received at any time before award, subject to the conditions specified in the provision entitled "Facsimile Proposals." Proposals may be withdrawn in person by an offeror or an authorized representative, if the representative's identity is made known and the representative signs a receipt for the proposal before award.

(viii) If an emergency or unanticipated event interrupts normal Government processes so that proposals cannot be received at the office designated for receipt of proposals by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of proposals will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office.

(4) Unless otherwise specified in the solicitation, the offeror may propose to provide any item or combination of items.

(5) Proposals submitted in response to this solicitation shall be in English and in U.S. dollars, unless otherwise permitted by the solicitation.

(6) Offerors may submit modifications to their proposals at any time before the solicitation closing date and time, and may submit modifications in response to an amendment, or to correct a mistake at any time before award.

(7) Offerors may submit revised proposals only if requested or allowed by the Contracting Officer.

(8) Proposals may be withdrawn at any time before award. Withdrawals are effective upon receipt of notice by the Contracting Officer.

(d) Offer expiration date. Proposals in response to this solicitation will be valid for the number of days specified on the solicitation cover sheet (unless a different period is proposed by the offeror).

(e) Restriction on disclosure and use of data. Offerors that include in their proposals data that they do not want disclosed to the public for any purpose, or used by the Government except for evaluation purposes, shall--

SECTION L  
INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS

(1) Mark the title page with the following legend:

This proposal includes data that shall not be disclosed outside the Government and shall not be duplicated, used, or disclosed--in whole or in part--for any purpose other than to evaluate this proposal. If, however, a contract is awarded to this offeror as a result of--or in connection with--the submission of this data, the Government shall have the right to duplicate, use, or disclose the data to the extent provided in the resulting contract. This restriction does not limit the Government's right to use information contained in this data if it is obtained from another source without restriction. The data subject to this restriction are contained in sheets \_\_\_\_\_ and

(2) Mark each sheet of data it wishes to restrict with the following legend:

Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this proposal.

(f) Contract award. (1) The Government intends to award a contract or contracts resulting from this solicitation to the responsible offer(s) whose proposal(s) represents the best value after evaluation in accordance with the factors and subfactors in the solicitation.

(2) The Government may reject any or all proposals if such action is in the Government's interest.

(3) The Government may waive informalities and minor irregularities in proposals received.

(4) The Government intends to evaluate proposals and award a contract after conducting discussions with offerors whose proposals have been determined to be within the competitive range. If the Contracting Officer determines that the number of proposals that would otherwise be in the competitive range exceeds the number at which an efficient competition can be conducted, the Contracting Officer may limit the number of proposals in the competitive range to the greatest number that will permit an efficient competition among the most highly rated proposals. Therefore, the offeror's initial proposal should contain the offeror's best terms from a price and technical standpoint.

(5) The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit cost or prices offered, unless the offeror specifies otherwise in the proposal.

(6) The Government reserves the right to make multiple awards if, after considering the additional administrative costs, it is in the Government's best interest to do so.

(7) Exchanges with offerors after receipt of a proposal do not constitute a rejection or counteroffer by the Government.

(8) The Government may determine that a proposal is unacceptable if the prices proposed are materially unbalanced between line items or subline items. Unbalanced pricing exists when, despite an acceptable total evaluated price, the price of one or more contract line items is significantly overstated or understated as indicated by the application of cost or price analysis techniques. A proposal may be rejected if the Contracting Officer determines that the lack of balance poses an unacceptable risk to the Government.

(9) If a cost realism analysis is performed, cost realism may be

SECTION L

considered by the source selection authority in evaluating performance or schedule risk.

(10) A written award or acceptance of proposal mailed or otherwise furnished to the successful offeror within the time specified in the proposal shall result in a binding contract without further action by either party.

(11) The Government may disclose the following information in postaward debriefings to other offerors:

(i) The overall evaluated cost or price and technical rating of the successful offeror;

(ii) The overall ranking of all offerors, when any ranking was developed by the agency during source selection;

(iii) A summary of the rationale for award; and

(iv) For acquisitions of commercial items, the make and model of the item to be delivered by the successful offeror.

(a) Facilities capital cost of money will be an allowable cost under the contemplated contract, if the criteria for allowability in subparagraph 31.205-10(a)(2) of the Federal Acquisition Regulation are met. One of the allowability criteria requires the prospective contractor to propose facilities capital cost of money in its offer.

EVALUATION FACTORS FOR AWARD

M.1. 312-2

EVALUATION FACTORS FOR AWARD (FEB 1996)

(A) The Government will make award to the responsible offeror(s) whose offer conforms to the solicitation, has no deficiencies (as defined in FAR 15.301) and is most advantageous to the Government, cost or price and other factors considered. For this solicitation, price will be a substantial factor in source selection, however quality factors (including technical merit and past performance), considered together, are significantly more important than cost or price. The contracting officer will determine whether the difference in quality is worth the difference in cost or price.

(B) Past Performance

1. Each offeror's past performance will be evaluated based on the subfactors below. The past performance rating will be combined with the technical rating at a ratio of 36% past performance to technical to produce a combined quality rating. The relative importance of combined quality factors to cost or price is described in paragraph (A).

2. Past performance subfactors:

- a. Quality of Product or Service - compliance with contract requirements - accuracy of reports - appropriateness of personnel - technical excellence.
- b. Problem Resolution - anticipates and avoids or mitigates problems - satisfactorily overcomes or resolves problems - prompt notification of problems - pro-active - effective contractor-recommended solutions.
- c. Cost Control - within budget - current, accurate and complete billings - costs properly allocated - unallowable costs not billed - relationship of negotiated costs to actual - cost efficiencies.
- d. Timeliness of Performance - meets interim milestones - reliable - stays on schedule despite problems - responsive to technical direction - completes on time, including wrap-up and contract administration - no liquidated damages assessed.
- e. Business Relations - effective management - use of performance-based management techniques - business-like concern for the customer's interests - effective management and selection of subcontractors - effective small/small disadvantaged business subcontracting program - reasonable/cooperative behavior - effective use of technology in management and communication - flexible - minimal staff turnover - maintains high employee morale - resolves disagreements without being unnecessarily litigious.

strategies.

Bonus Rating--Where the offeror has demonstrated an exceptional performance level in any of the above six subfactors, the contracting officer may give additional consideration for that factor. It is expected that this rating will be used in those rare circumstances when contractor performance clearly exceeds the performance level of "excellent."

3. Past performance evaluation will be based on information obtained from the awards and references listed in the offeror's proposal, other customers known to the Government, consumer protection organizations, and others who may have useful and relevant information. Information will also be considered regarding any major subcontractors, and key personnel records. The currency and relevance of the information, source of the information, context of the data, and general trends in contractor's performance will be considered. The contracting officer will give greater consideration to information about an offeror's past performance that the contracting officer considers either more reliable or more relevant to the effort required by this solicitation.
4. Evaluation of past performance may be quite subjective, based on consideration of all relevant facts and circumstances. It will include consideration of the offeror's commitment to customer satisfaction and will include conclusions of informed judgement.
5. An offeror will be given an opportunity to discuss adverse past performance information, if the offeror has not had a previous opportunity to comment on the information. The contracting officer may review recent contracts to ensure that corrective measures raised in discussions have been implemented. Prompt corrective action in an isolated instance might not outweigh an overall negative trend.
6. If no relevant information on past performance is available for an offeror, the offeror will not be evaluated favorably or unfavorably credit.

(C) Technical Evaluation Criteria: In accordance with the technical evaluation criteria, technical solutions that exceed any mandatory minimums will be given appropriate evaluation credit.
