
NOTICE

This material is intended to support the High School Counselor Training Workshop. It provides trainees with a basic introduction to the administration of the 1997-98 Financial Aid Delivery System that distributes federal postsecondary financial aid as authorized under Title IV of the Higher Education Act of 1965, as amended.

The information in these sessions is based on legislation, regulations, and policies and procedures in effect as of **Spring 1996** for the 1996-97 financial aid award year. It is the most current information available to guide students and parents submitting applications for the 1997-98 financial aid award year. New legislation, regulations, and policies and procedures may supersede the contents of this publication.

All material in this publication may be reproduced, fully or partially, without further permission.
