*Type of Review:* Extension.

*Title of Collection:* Streamlined

Process for Education Department General Administrative Regulations (EDGAR) Approved Grant Applications.

*OMB Control Number:* 1894-0004.

*Agency Form Number(s):* N/A.

*Frequency of Responses:* As necessary.

*Affected Public:* State, Local, or Tribal Government, State Educational Agencies or Local Educational Agencies.

*Total Estimated Number of Annual Responses:* 1.

*Total Estimated Annual Burden Hours:* 1.

*Abstract:* This information collection clearance request seeks an extension of approval for an established expedited process which permits U.S. Department of Education (ED) program offices to make selection criteria substitutions under the Education Department General Administrative Regulations (EDGAR) grant application without having to submit to OMB a previously cleared application package for another review. Usage of the streamlined process for EDGAR approved grant applications, establishes a process for programs to submit an abbreviated list of items for an expedited streamlined approval process by OMB. Many discretionary grant programs in ED use the generic application package cleared under OMB #1894-0006 which allows programs to pick and choose the selection criteria for their grant competitions from among the general EDGAR selection criteria shown at 34 CFR 75.210. The remaining discretionary grant programs use program-specific application packages,

cleared by OMB on a case-by-case basis, that require applicants to address specific selection criteria unique to the program, usually derived from program legislation or regulation. During the three-year period for which its specific application package is cleared, a program might need to substitute one or more of the EDGAR generic selection criteria, mentioned above, for one or more of the program-specific criteria contained in the package originally cleared by OMB. These substitutions generally result in a minor alteration in the burden hours imposed by the collection. Using an already approved application package for such actions reduces burden on the public best reaching the Departments goal of administering application competitions in a timely and efficient manner.
