- Discrimination based on age does not limit protection against discrimination to a certain age group (e.g., people over 40); however, there are a variety of exceptions to the relevant Federal law that may permit age to be taken into account.

13. **Option to Participate in OCR’s Early Mediation Process**

OCR provides an early mediation process as an opportunity for you and the recipient institution to voluntarily resolve your complaint soon after you file it with OCR.

Mediation is a form of complaint resolution that OCR offers as an alternative to its investigative process. Mediation is an informal process in which a staff member from OCR who is trained in mediation assists the parties to reach a negotiated resolution of the complaint. The mediator does not decide who is right or wrong and does not have the authority to impose a settlement on the parties. Instead, the mediator helps the parties to find a mutually acceptable resolution to your complaint. Mediation is a strictly voluntary process. If either party does not want to participate in mediation, OCR will address the complaint through its regular processes.

***If you are interested in participating in the early mediation process, you must check the box below.*** If you indicate your interest in early mediation by checking the box below **and** OCR determines that your complaint is appropriate for this process, OCR will contact you and the recipient institution and offer this resolution option. If the recipient agrees to participate in early mediation, OCR will work with you and the recipient to achieve a mutually agreeable resolution of your complaint. If the recipient does not wish to participate in early mediation, OCR will proceed with its regular processing of your complaint. ***If you do not indicate your interest in early mediation by checking the box below, early mediation will not be offered to you and OCR will proceed with its regular processing of your complaint.***

***I am interested in participating in early mediation (Please check box):***

**NOTE:** You **MUST** submit a signed Consent Form to OCR if you want to participate in early mediation.

14. What would you like the institution to do as a result of your complaint — what remedy are you seeking?

CCSD and the State of Nevada Department of Education has ongoing practices of willfully abusing its' jurisdiction by retaliating against families who exercise their 1st amendment rights to preserve their students' educational rights. Parents are seeking equitable relief, compensatory damages, a civil penalty to vindicate the public interest, and a court order barring future discrimination.

Re: Clark County School District  
OCR Reference No. 10231479

Dear Superintendent Jara:

This letter is to notify you that the U.S. Department of Education (Department), Office for Civil Rights (OCR) has received a complaint against the Clark County School District (District). OCR will investigate whether the District discriminated the student (b)(6); (b)(7)(A);

(b)(6); (b)(7)(A);

1. On the bases of race, color, and national origin, by failing to evaluate the student for special education; and
2. Retaliated against the student, by refusing to evaluate the student after the student's parent (b)(6); (b)(7)(A); (b)(7)(C) for the student's sibling.

OCR has the authority to enforce Title VI of the Civil Rights Act of 1964 (Title VI), 42 U.S.C. § 2000d *et seq.*, and its implementing regulation, at 34 C.F.R. Part 100 and Section 504 of the Rehabilitation Act of 1973 (Section 504), 29 U.S.C. § 794, and its implementing regulation, at 34 C.F.R. Part 104. These federal civil rights statutes prohibit retaliation, and discrimination on the bases of race, color, and national origin (Title VI), and disability (Section 504) in programs and activities receiving federal financial assistance. OCR also enforces Title II of the Americans with Disabilities Act of 1990 (Title II), 42 U.S.C. § 12131 *et seq.*, and its implementing regulation, at 28 C.F.R. Part 35, which prohibits disability discrimination by public entities. Because the District is a recipient of federal financial assistance from this Department and is a public entity, it is

*The Department of Education's mission is to promote student achievement and preparation for global competitiveness by fostering educational excellence and ensuring equal access.*

subject to these laws. Additional information about the laws that OCR enforces can be located at OCR's website (<http://www.ed.gov/ocr>).

During OCR's investigation of this complaint, the allegations may be resolved in a variety of ways, including a voluntary written agreement in which the District agrees to take remedial actions that OCR determines fully resolve the allegations consistent with applicable legal standards. Where appropriate, the allegations may also be resolved through mediation facilitated by OCR. If a resolution of the complaint is not reached before OCR completes its investigation, OCR will make findings and a determination as to whether the District is in compliance with applicable legal standards and, in the event that non-compliance is found, OCR will propose that the District enter into a voluntary resolution agreement in which the District commits to take specific steps to comply with applicable laws and regulations. See additional information about OCR's case processing procedures (<https://www2.ed.gov/about/offices/list/ocr/complaints-how.html>).

Opening these allegations for investigation in no way implies that OCR has made a determination with regard to their merit. During the investigation, OCR is a neutral fact-finder, collecting and analyzing relevant evidence from the complainant, the recipient, and other sources, as appropriate. OCR will conduct its investigation in accordance with the provisions of Article III of the OCR's Case Processing Manual (<https://www2.ed.gov/about/offices/list/ocr/docs/ocrcpm.pdf>).

As part of its investigation, OCR is requesting information from the District. OCR is authorized to obtain information pursuant to 34 C.F.R. § 100.6(C). OCR is entitled to access information that may otherwise be protected as private or confidential as provided by 34 C.F.R. §§ 99.31(a)(3)(iii) and 99.35(a)(1). Please submit the following information to OCR by **December 8, 2023**:

1. A copy of all documents, relating to requests for an evaluation of or evaluation of the student during the (b)(6); (b)(7)(A); (b)(7)(C) school years, including but not limited to, notes, emails, letters, meeting minutes, memoranda, logs, database entries, and other records, whether generated or received by the District and whether in electronic or paper format.
2. A copy of all prior written notice provided to the parent for the student.
3. A copy of all communication between or among District staff relating to the student's parent(s) and/or the student's advocate.
4. All other information that the District believes will assist OCR in resolving this complaint, such as a narrative response to the complaint allegations.

To the extent that any responsive documents or information are published on the District's publicly-accessible website, the response may consist of the exact web

address where the relevant information is located. To the extent that other documents or information are available in electronic format, please provide them electronically.

I will contact you or your designated representative soon to discuss the allegations and the complaint resolution process. If you have any questions, please contact me at (206) 607-1608 or [brittany.whittle@ed.gov](mailto:brittany.whittle@ed.gov).
