

Opt Out of Tables 3 and 4 for Certain LEAs

As an authorized representative of _____
Applicant LEA Name

("the LEA"), I hereby certify the following:

- The LEA was eligible for Section 8002 funds for FY 2009.
- The LEA received no Federal revenue for the Section 8002-eligible property during the second prior fiscal year (e.g. during FY 2013 for the FY 2015 application), other than Impact Aid.
- The LEA does not want to be considered for Section 8002 "remaining funds" under section 8002(h)(3), which are funds to be distributed after all qualifying LEAs receive foundation payments. We understand that the LEA will receive only its foundation payment (assuming it remains eligible for that payment under the statute). We are intentionally entering one (1) under Columns 2 and 3 of Table 3 and under Column 2 of Table 4.
