

Table 6: New or Revised Magnet School Projects-Competitive Preference 2

Instructions:

For each magnet school identified in Tables 1 - 5:

- Briefly describe the nature of the change that is being made to the magnet school program at that school (for example, expansion of program from within school program serving 50 students to whole school program serving 400 students; adding medical sciences within school to complement other within school programs and serve greater total number of students; upgrade thematic curriculum to maintain program attractiveness; replace existing magnet program, etc); and
- Explain the significance of the revision to the magnet school. Relevant information might include, for example, discussion of diminishing effectiveness of the existing program; what would be accomplished or achieved as a result of the revision to the magnet program; the expected benefits or effects that would result from implementation of the revision; the need, if appropriate, to expand from a within school program to a whole program; etc.
- If all of the schools participating in the project are new magnet schools, indicate “No Revised Magnet Schools Participating in the Project” in the first “Nature of Revision or Change to the Magnet School” box.
- Use additional sheets, if necessary.
