Dear Applicant:

Thank you for your interest in applying for a grant under the fiscal year (FY) 2010 competition for new awards under the Promoting Postbaccalaureate Opportunities For Hispanic Americans (PPOHA) Program. The purposes of the PPOHA program are to provide grants to: (1) expand postbaccalaureate educational opportunities for, and improve the academic attainment of, Hispanic students; and (2) expand the postbaccalaureate academic offerings as well as enhance the program quality in the institutions of higher education that are educating the majority of Hispanic college students and helping large numbers of Hispanic and low-income students complete postsecondary degrees.

In order to receive a grant under the PPOHA program, an institution of higher education must offer a postbaccalaureate certificate or postbaccalaureate degree program and have applied for and been designated as an eligible institution in accordance with eligibility requirements under Title V of the Higher Education Act (HEA). To be an eligible Hispanic-Serving Institution (HSI) for the PPOHA program, an IHE must:

- (1) Be accredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered, or is making reasonable progress toward accreditation, according to such an agency or association (20 U.S.C. 1101a(a) (2) (A) (iv));
- (2) Be legally authorized by the State in which it is located to provide an educational program for which it awards a bachelor's degree;
- (3) Be designated as an “eligible institution” by demonstrating that it: a) has an enrollment of needy students as described in 34 CFR 606.3; and b) has low average educational and general expenditures per full-time equivalent (FTE) undergraduate student as described in 34 CFR 606.4; and
- (4) Have an enrollment of undergraduate FTE students that is at least 25 percent Hispanic students at the end of the award year immediately preceding the date of application (20 U.S.C. 1101a(a) (5) (B)).

Please note that Sections 511-514 of Title V, Part B, of the HEA of 1965, as amended, apply to this competition. This letter highlights a few items in the application package that will be important to you in applying for grants under this program and additional information you may be required to provide. Please review the entire application package carefully before preparing and submitting your application.

The Notice Inviting Applications for the Designation as an Eligible Institution was published in the Federal Register on December 7, 2009, and the deadline for applications was January 6, 2010.

For this FY 2010 grant competition, applications for grants under the PPOHA program must be submitted electronically using e-Application. The U. S. Department of Education requires applicants to use the Department’s Internet-based system , e-Grants, for submitting applications. A detailed description of this Internet-based system is included in this application package. You are urged to acquaint yourself with the requirements of this system early. You may access e-Grants through its portal page at:

<http://e-grants.ed.gov>

After you electronically submit your application, you will receive an e-mail with your PR award number, which is the identifying number for a discretionary grant award, confirming that your application was received.

We would like to share with you the importance of ensuring that your application includes a strong evaluation plan. The peer reviewers will be instructed to look closely at the potential of PPOHA program applicants to successfully reach their individual project goals, which are driven by the performance indicators for the PPOHA program. In addition to including formative and summative measures, the evaluation plan should also address the use of appropriate controls and techniques that provide for independent evaluation. The evaluation plan should shape the development of the project from the beginning of the grant period and provide benchmarks for the monitoring of progress and measurement of that progress throughout the grant award period. You should pay close attention to the information provided in the Instructions for Project Narrative section of this application regarding the development of your evaluation activity. Technical Assistance workshops will be held to help grantees design and implement strong evaluations. These workshops will also emphasize the need for developing strong project-level performance measures that capture the impact of the activities grantees pursue. The Department is committed to helping grantees use data to achieve their goals and, in turn, help the Department improve our own technical assistance activities.

The Notice Inviting Applications for New Awards under the PPOHA program published in the Federal Register is the official document describing the requirements for submitting a PPOHA grant application. You should not rely upon any information that is inconsistent with the guidance contained in the official document. If you have any questions or require additional information, please contact Dr. Maria E. Carrington at Maria.Carrington@ed.gov or by phone at (202) 502- 7548. We encourage applicants to review the “Competition Highlights” found in the application package for an overview of important items.

I appreciate your interest in the Promoting Postbaccalaureate Opportunities for Hispanic Americans Program and look forward to receiving your application.

Sincerely,

Lynn B. Mahaffie
Acting Deputy Assistant Secretary
For Higher Education Programs

Competition Highlights

1. PPOHA applications submitted for FY 2010 must be submitted electronically using e- Application, accessible through the Department's e-Grants web site at: <http://e-grants.gov>. You are urged to acquaint yourself with the requirements of e-Grants early. A more thorough discussion is included later in this application package.
2. Under the Promoting Postbaccalaureate Opportunities for Hispanic Americans Program, \$9,785,518 has been designated for awards to Hispanic-Serving Institutions who offer a postbaccalaureate certificate or postbaccalaureate degree program for authorized activities described in section 513 of the Higher Education Act, as amended. These authorized activities are described in detail in this application package on page 36, and one or more of the listed activities should be used in preparing your application. You are urged to fully review the Closing Date Notice and Application Package carefully before preparing your application.
3. Applicants are required to submit a Project Abstract. The Project Abstract is limited to a one page single-spaced document. The abstract must include the name of the institution, city, and purpose. The abstract must be uploaded into the "ED Abstract Form" in the e-Application.
4. You must provide the Department with the documentation the institution relied upon in determining that at least 25 percent of the institution's undergraduate FTE students are Hispanic. The Department will compare the data and documentation you relied on in this application with data reported to the Integrated Postsecondary Education Data System (IPEDS), the institution's state reported enrollment data, and the institutional annual report. If different percentages or data are reported in these various sources, the institution must, as part of the eligibility process, explain the reason for the differences. If the IPEDS data show that less than 25 percent of the institution's undergraduate full-time equivalent (FTE) students are Hispanic, the burden is on the institution to show that the IPEDS data are inaccurate. Please note that a replication or copy of the instructions is not evidence that the IPEDS data are inaccurate. If the IPEDS data indicate that the institution has an undergraduate FTE less than 25 percent, and the institution fails to demonstrate that the IPEDS data are inaccurate, the institution will be considered ineligible.
5. New PPOHA Individual Development Grants will be awarded on a competitive basis. An applicant may apply for only one PPOHA grant.
6. All applicants are required to adhere to the page limit for the Project Narrative portion of the application. You must limit the section of the narrative that addresses the selection criteria to no more than 50 pages for the Individual Development Grant application.
7. The application must be received on or before the deadline date and time. Late applications will not be accepted. **We suggest that you submit your application several days before the deadline.** The Department is required to enforce the established deadline to ensure fairness to all applicants. No changes or additions to an application will be accepted after the deadline date.
8. Included in this application package is a document containing submission procedures to ensure your application is received in a timely and acceptable manner. Consult and follow the Federal Register notice to ensure proper guidance for application submission. Exceptions to the electronic submission requirement are also outlined in the Federal Register notice. The Department is required to enforce the established deadline in order to ensure fairness to all applicants.

9. Applicants must also complete a “PPOHA Program Profile Form,” found on pages 65-66. Applicants are asked to read and check the box for question #5 indicating that their institution is an eligible Hispanic-Serving Institution (HSI) offering either a postbaccalaureate certificate or a postbaccalaureate degree. In addition, applicants should carefully read question # 10 on the PPOHA Program Profile Form, and check the box or place an X in the space before the box certifying that they will comply with the statutory requirements and program assurances cited in the HSI program regulations, 34 CFR 606.2. (a) and (b). NOTE: 606.2 (a) (5) An eligible HSI applying for the PPOHA program is not a junior college or community college. Upon completion of the PPOHA Program Profile Form, you are required to copy and paste the PPOHA Program Profile Form into a separate document or recreate the form exactly as it appears, and attach the form to the “Program Profile Narrative” in e-Application as either a .doc, .rtf, or .pdf document.
10. Applicants will also be required to complete a PPOHA Project Activity Budget Detail Form. Applicants are required to copy and paste the PPOHA Project Activity Budget Detail Form into a separate document or recreate the form exactly as it appears and attach it to the “PPOHA Activity Budget Narrative” in e-Application as either a .doc, .rtf, or .pdf document.

For technical support regarding e-Application, please call 1-888-336-8930. Also, refer to “Submission Procedures and Tips for Applicants” found on pages 5-7 of this application booklet.

You are reminded that the document published in the Federal Register is the official document and that you should not rely upon any information that is inconsistent with the guidance contained within the official document.

IMPORTANT – PLEASE READ FIRST
U.S. Department of Education
e-Application Submission Procedures and Tips for Applicants

<http://e-grants.ed.gov>

To facilitate your use of e-Application, this document includes important application preparation and submission procedures you need to be aware of to ensure your application is received in a timely manner and accepted by the Department of Education. Please read and follow these step-by-step directions to create and submit your application.

ATTENTION

Applicants using the Department of Education's e-Application system will need to register first to access an application package. Forms in an application package are completed on line and narratives are uploaded while logged into the system. Therefore, allow sufficient time to complete your application before the closing date. If you have not used e-Application in the past, you may want to walk through the Demo available on the e-Application homepage. If you encounter difficulties, you may also contact the e-Grants helpdesk on 1-888-336-8930. The following are steps you should follow to successfully complete an application with e-Application.

Step 1 – Determine if your program is accepting electronic applications. The Federal Register Notice of each program will indicate whether the program is accepting e-Applications as part of the Department's e-Application program. Here is a link to the Department's Federal Register notices: <http://www.ed.gov/news/fedregister/announce/index.html>. Additional information on the Department of Education's grant programs can be found at <http://www.ed.gov/about/offices/list/ocfo/grants/grants.html>.

Step 2 – Register in e-Application to access the application package. If you are a new user, you will need to register to use e-Application. From the e-Grants Portal Page <http://e-grants.ed.gov/>, click on the continue button and click the register button on the right side of the next page. Select the e-Application module and click the next button. Please provide the requested information. Your e-Grants password will be sent to the e-mail address you provide. Once you receive the e-mail, enter your username and password and click the login button. If you are a registered user and already have a username and password for e-Grants, use them to login. If you have access to more than one e-Grants module, you will be directed to select which module you wish to enter. Keep in mind that this username and password will be used for all e-Grants modules. In order to update your registration for additional e-Grants modules, click the appropriate tab on the top of the screen and provide the requested information.

Note the following browser compatibility problems. The site is viewed best in Internet Explorer 5. We currently support IE 5, Netscape 6.2, Firefox 2.2 (along with later versions of IE, Netscape and Firefox). Please make sure that you have **Cookies** and **JavaScript** enabled in your browser.

Step 3 - Add Application Package to your Start Page. From your Start Page, click on the "Add" button to see the list of application packages. Click on a specific package link on the List of Application Packages to apply. The package will now appear on your Start Page. From this point forward, you will access your unique application from your Start Page (not the Packages Page).

Step 4 - Begin the Application. Click on the underlined Application Package Title on your Start Page. This brings you to a page where you will see all of the application's forms and narratives listed as underlined links.

Step 5 - Fill out Forms. Enter a form by clicking on the underlined form title in order to enter data. Remember to click the "Save" button at the bottom of the form and check the "Form Completed" box for each form as you complete it.

Step 6 - Upload File(s) for Narrative Responses. Click on an underlined narrative form title for the e-Application. Enter the title of the document, and click on the "Browse" button to locate your file. Remember to click the "Save" button after you upload the document and check the "Form Completed" box when you finish uploading your file(s). Please note for file uploads, we accept .doc, .rtf, and .pdf files only. If you are using Word 2007, please save your document in a lower version of Word before uploading into e-Application.

Step 7 - Verify Information/Print Application. Verify your information is complete and correct on all required forms and narratives.

You have the option to print each form at any time by clicking on the print/view icon next to the appropriate form. After submission of the forms and narratives, you have the option to print a complete e-Application package in PDF by clicking on the "Request Complete Package in PDF" on the e-Application PR/Award page. A second window will open informing you that your request has been received and that you will be notified via email once it is available. This process can take anywhere from a few minutes to a few hours. Once you receive the email, click on the link in the text of the message and enter your username and password in the new window. This will open the PDF file from which you can view/print the entire package. In addition, a blank complete package in PDF will be accessible from the package page in e-Application.

Step 8 - Submit your Application. Only authorized individuals for your organization can submit an application. Please check with your certifying official or sponsored research office before submission. Click on the "Ready to submit" button at the bottom of your application. Enter and verify the Authorizing Representative information. Click the "Submit" button. You will receive an e-mail to confirm that your application was received, and it will include a unique application number. Please print and keep this e-mail for your records.

[Reminder: applications must be submitted before 4:30:00 pm, Washington, D.C. time, on the deadline date for applications. e-Application

will not accept your application if you try to submit it after 4:30:00 on the deadline date.]

Step 9 - **Fax the signed SF 424 Cover Page (or Program Specific Cover Page)**. Write your unique application number (received in step 8) on the upper right corner of your printed SF 424 Cover Page (or Program Specific Cover Page), and fax it to the Application Control Center (202) 245-6272 within 3 business days of submitting your e-Application.

NOTE: For more detailed information on submitting an e-Application, please see the **User Guide**. In addition, please try practicing with our e-Application Demo site by clicking on the Demo button found on the upper left corner of the e-Application Home Page. Both the User Guide and Demo can be found at <http://e-grants.ed.gov>.

Other Submission Tips

- 1) **SUBMIT EARLY – We strongly recommend that you do not wait until the last day to submit your application.** The time it takes to upload the narratives for your application will vary depending on a number of factors including the size of the files and the speed of your Internet connection. If you try to submit your application after 4:30:00 on the deadline date, the e-Application system will not accept it.
- 2) If electronic submission is optional and you have problems that you are unable to resolve before the deadline date and time for electronic applications, please follow the transmittal instructions for hard copy applications in the Federal Register notice and get a hard copy application postmarked by midnight on the deadline date.

If electronic submission is required, you must submit an electronic application before 4:30:00 p.m., unless you follow the procedures in the Federal Register notice and qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. (See the Federal Register notice for detailed instructions.)

- 3) **Dial-Up Internet Connections** - When using a dial up connection to upload and submit your application, it can take significantly longer than when you are connected to the Internet with a high-speed connection, e.g. cable modem/DSL/T1. While times will vary depending upon the size of your application, it can take a few minutes to a few hours to complete your grant submission using a dial up connection. If you do not have access to a high-speed connection and electronic submission is required, you may want to consider following the instructions in the Federal Register notice to obtain an exception to the electronic submission requirement no later than two weeks before the application deadline date. (See the Federal Register notice for detailed instructions.)

Attaching Files – Additional Tips

Please note the following tips related to attaching files to your application:

1. Ensure that you only attach the Department of Education approved file types detailed in the Federal Register application notice (.doc, .pdf or .rtf). If using Word 2007, save your file to a lower version of Word before uploading. Also, do not upload any password protected files to your application.
2. When attaching files, applicants should limit the size of their file names. Lengthy file names could result in difficulties with opening and processing your application. We recommend you keep your file names to less than 50 characters. In addition, applicants should avoid including special characters in their file names (for example, %, *, /, etc.) Both of these conditions (lengthy file names and/or special characters including in the file names) could result in difficulties opening and processing a submitted application.
3. Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files. Please note that each file attachment in e-Application has a file size limitation which is anywhere from 2 to 8 MB and the limitation will be indicated on the individual screen when you upload a file. For reference, however, the average discretionary grant application package totals 1 to 2 MB. Therefore, you may want to check the size of your attachments before uploading them into e-Application.

Maximum Awards: The PPOHA awards individual grants. We will not fund any application for a PPOHA Program individual development grant at an amount exceeding \$575,000 for a single budget period of 12 months. During our initial review of applications, we may choose not to further consider or review an application with a budget that exceeds the maximum amount. The Assistant Secretary for Postsecondary Education may change the maximum amount through a notice published in the Federal Register.

Estimated Number of Awards: 18-20.

Note: The Department is not bound by any estimates in this notice.

Note: Applicants should periodically check the PPOHA Program Web site for further information. The address is:

<http://www.ed.gov/programs/ppoha/index.html>.

Project Period: Up to 60 months.

III. Eligibility Information

1. Eligible Applicants: Institutions of higher education (IHEs) that offer a postbaccalaureate certificate or postbaccalaureate degree program and qualify as eligible Hispanic-serving institutions (HSIs) under section 502 of the HEA.

Eligibility Criteria (Use of 34 CFR 606.2(a) and (b), 606.3 through 606.5): To qualify as an eligible HSI for the PPOHA Program under sections 502 and 512 (b) of the HEA (20 U.S.C. 1101a and 1102a), an IHE must--

(a) Have an enrollment of needy students, as defined in section 502(b) of the HEA; 20 U.S.C. 1101a(b) cross-referenced in section 502(a)(2)(A)(i) of the HEA; 20 U.S.C. 1101a(a)(2)(A)(i));

(b) Have, except as provided in section 522(b) of the HEA, average educational and general expenditures that are low, per full-time equivalent (FTE) undergraduate student, in comparison with the average educational and general expenditures per FTE undergraduate student of institutions that offer similar instruction (section 502(a)(2)(A)(ii) of the HEA; 20 U.S.C. 1101a(a)(2)(A)(ii));

Note: To demonstrate an enrollment of needy students and low average educational and general expenditures per FTE undergraduate student, an IHE must be designated as an "eligible institution" in accordance with 34 CFR 606.3 through 606.5 and the notice inviting applications for designation as an eligible institution for the fiscal year for which the grant competition is being conducted.

(c) Be accredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered, or is making reasonable progress toward accreditation, according to such an agency or association (section 502(a)(2)(A)(iv) of the HEA; 20 U.S.C. 1101a(a)(2)(A)(iv));

(d) Be legally authorized to provide, and provide within the State, an educational program for which the institution awards a bachelor's degree (section 502(a)(2)(A)(iii) of the HEA; 20 U.S.C. 1101a(a)(2)(A)(iii)); and

(e) Have an enrollment of undergraduate FTE students that is at least 25 percent Hispanic students at the end of the award year immediately preceding the date of application (section 502(a)(5)(B) of the HEA; 20 U.S.C. 1101a(a)(5)(B)).

Note 1: Funds for the PPOHA Program will be awarded each fiscal year; thus, for this program, the “end of the award year immediately preceding the date of application” refers to the end of the fiscal year prior to the application due date. The end of the fiscal year occurs on September 30 for any given year.

Note 2: In considering applications for grants under this program, the Department will compare the data and documentation the institution relied on in its application with data reported to the Department’s Integrated Postsecondary Education Data System (IPEDS), the IHE’s State-reported enrollment data, and the institutional annual report. If different percentages or data are reported in these various sources, the institution must, as part of the 25 percent assurance verification, explain the reason for the differences. If the IPEDS data show that less than 25 percent of the institution’s undergraduate FTE students are Hispanic, the burden is on the institution to show that the IPEDS data are inaccurate. If the IPEDS data indicate that the institution has an undergraduate FTE less than 25 percent, and the institution fails to demonstrate that the IPEDS data are inaccurate, the institution will be [\[1\]](#) considered ineligible. (See Final Requirements)

2. Cost Sharing or Matching: This program does not require cost sharing or matching.

3. Other:

(a) Limit on Number of Individual Development Grants. An eligible HSI will

(b) Limit on Applications From an Eligible Institution. In any fiscal year

IV. Application and Submission Information

1. Address to Request Application Package: Dr. Maria E. Carrington, U.S. Department of Education, 1990 K Street, NW., room 6036, Washington, DC 20006-8513. Telephone: (202) 502-7548 or by e-mail: Maria.Carrington@ed.gov.

If you use a telecommunications device for the deaf (TDD), call the

Federal Relay Service (FRS), toll free, at 1-800-877-8339.

Individuals with disabilities can obtain a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or computer diskette) by contacting the program contact person listed in this section.

2. Content and Form of Application Submission: Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this program.

Page Limit: The application narrative (Part III) is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. We have established mandatory page limits for the PPOHA Program Grant application. You must limit the section of the narrative that addresses the selection criteria to no more than 50 pages, using the following standards:

- A "page" is 8.5" x 11", on one side only, with 1 inch margins at the top, bottom, and both sides.
- Double space (no more than three lines per vertical inch) all text in the application narrative, except titles, headings, footnotes, quotations, references, captions, and all text in charts, tables, figures, and graphs. These items may be single-spaced. Charts, tables, figures, and graphs in the application narrative count toward the page limit.
- Use a font that is either 12 point or larger; or, no smaller than 10 pitch (characters per inch).
- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. An application submitted in any other font (including Times Roman and Arial Narrow) will not be accepted.

The page limit does not apply to Part I, the Application for Federal Assistance (SF 424); the Department of Education Supplemental Information form (SF 424); Part II, Budget Information-Non-Construction Programs (ED Form 524);

Part IV, the assurances and certifications; or the one-page project abstract and program activity budget detail form and supporting narrative. However, the page limit does apply to all of the application narrative section (Part III), including the budget narrative of the selection criteria. If you include any attachments or appendices not specifically requested in the application package, these items will be counted as part of your application narrative (Part III) for purposes of the page limit requirement. You must include your complete response to the selection criteria in the application narrative.

Note: The narrative response to the budget selection criteria is not the same as the activity detail budget form and supporting narrative. The supporting narrative for the activity detail budget form details the requested budget items line by line.

We will reject your application if you exceed the page limit; or if you apply other standards and exceed the equivalent of the page limit.

3. Submission Dates and Times:

Applications Available: July 27, 2010.

Deadline for Transmittal of Applications: August 26, 2010.

Applications for grants under this program must be submitted electronically using the Electronic Grant Application System (e-Application) accessible through the Department's e-Grants site. For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. 7. Other Submission Requirements of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under For Further Information Contact in section VII of this notice. If the Department provides an accessible or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

Data Universal Numbering System Number, Taxpayer Identification Number, and Central Contractor Registry: To do business with the Department of Education, (1) you must have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN); (2) you must register both of those numbers with the Central Contractor Registry (CCR), the Government's primary registrant database; and (3) you must provide those same numbers on your application.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one business day.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2-5 weeks for your TIN to

become active.

The CCR registration process may take five or more business days to complete. If you are currently registered with the CCR, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

7. Other Submission Requirements: Applications for grants under this program must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications.

Applications for grants under the PPOHA--CFDA Number 84.031M-- must be submitted electronically using e-Application, accessible through the Department's e-Grants Web site at: <http://e-grants.ed.gov>.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under Exception to Electronic Submission Requirement.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application

by 4:30:00 p.m., Washington, DC time, on the application deadline date. E-Application will not accept an application for this program after 4:30:00 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- The hours of operation of the e-Grants Web site are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until 8:00 p.m. Sunday, Washington, DC time. Please note that, because of maintenance, the system is unavailable between 8:00 p.m. on Sundays and 6:00 a.m. on Mondays, and between 7:00 p.m. on Wednesdays and 6:00 a.m. on Thursdays, Washington, DC time. Any modifications to these hours are posted on the e-Grants Web site.

- You will not receive additional point value because you submit your application in electronic format nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information--Non-Construction Programs (ED 524), and all necessary assurances and certifications. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password protected file, we will not review that material.

- Your electronic application must comply with any page limit requirements described in this notice.

- Prior to submitting your electronic application, you may wish to print

a copy of it for your records.

- After you electronically submit your application, you will receive an automatic acknowledgment that will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the SF 424 to the Application Control Center after following these steps:

- (1) Print SF 424 from e-Application.

- (2) The applicant's Authorizing Representative must sign this form.

- (3) Place the PR/Award number in the upper right hand corner of the hard-copy signature page of the SF 424.

- (4) Fax the signed SF 424 to the Application Control Center at (202) 245-6272.

- We may request that you provide us original signatures on other forms at a later date.

Application Deadline Date Extension in Case of e-Application Unavailability:

If you are prevented from electronically submitting your application on the application deadline date because e-Application is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if-

-

- (1) You are a registered user of e-Application and you have initiated an electronic application for this competition; and

- (2) (a) E-Application is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) E-Application is unavailable for any period of time between 3:30 p.m.

and 4:30:00 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under For Further Information Contact (see VII. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. If e-Application is unavailable due to technical problems with the system and, therefore, the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of e-Application.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement and may submit your application in paper format if you are unable to submit an application through e-Application because--

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to e-Application; and
- No later than two weeks before the application deadline date (14 calendar days; or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Dr. Maria E. Carrington, U.S. Department of Education, 1990 K Street, NW., room 6036, Washington, DC 20006-8513. FAX: (202) 502-7861.

If your application is postmarked after the application deadline date, we will not consider your application.

c. Submission of Paper Applications by Hand Delivery.

V. Application Review Information

1. Selection Criteria: The selection criteria for this program are from section 75.210 of the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.210) and are as follows. Applicants must address each of the selection criteria (separately for each proposed activity). The total weight of the selection criteria is 100 points; the weight of each criterion is noted in parentheses.

(a) Need for project. (Maximum 20 points) In determining the need for the proposed project, the Secretary considers:

(i) The magnitude of the need for the services to be provided or the activities to be carried out by the proposed project. (10 points)

(ii) The extent to which the proposed project will focus on serving or otherwise addressing the needs of disadvantaged individuals. (5 points)

(iii) The extent to which specific gaps or weaknesses in services, infrastructure, or opportunities have been identified and will be addressed by the proposed project, including the nature and magnitude of those gaps or weaknesses. (5 points)

(b) Quality of the project design. (Maximum 15 points) In determining the quality of the design of the proposed project, the Secretary considers:

(i) The extent to which the goals, objectives, and outcomes to be achieved by the proposed project are clearly specified and measurable. (10 points)

(ii) The extent to which the design of the proposed project is appropriate to, and will successfully address, the needs of the target population or other identified needs. (5 points)

(c) Quality of project services. (Maximum 15 points) In determining the quality of the services to be provided by the proposed project, the Secretary

considers the quality and sufficiency of strategies for ensuring equal access and treatment for eligible project participants who are members of groups that have traditionally been underrepresented based on race, color, national origin, gender, age, or disability. In addition, the Secretary considers:

(i) The extent to which the services to be provided by the proposed project are appropriate to the needs of the intended recipients or beneficiaries of those services. (10 points)

(ii) The extent to which the services to be provided by the proposed project reflect up-to-date knowledge from research and effective practice. (5 points)

(d) Quality of project personnel. (Maximum 10 points) In determining the quality of project personnel, the Secretary considers the extent to which the applicant encourages applications for employment from persons who are members of groups that have traditionally been underrepresented based on race, color, national origin, gender, age, or disability. In addition, the Secretary considers:

(i) The qualifications, including relevant training and experience, of the project director or principal investigator. (5 points)

(ii) The qualifications, including relevant training and experience, of key project personnel. (5 points)

(e) Adequacy of resources. (Maximum 5 points) In determining the adequacy of resources for the proposed project, the Secretary considers:

(i) The extent to which the budget is adequate to support the proposed project. (3 points)

(ii) The extent to which the costs are reasonable in relation to the objectives, design, and potential significance of the proposed project. (2 points)

(f) Quality of the management plan. (Maximum 20 points) In determining the quality of the management plan for the proposed project, the Secretary considers:

(i) The adequacy of the management plan to achieve the objectives of the proposed project on time and within budget, including clearly defined responsibilities, timelines, and milestones for accomplishing project tasks. (10 points)

(ii) The adequacy of procedures for ensuring feedback and continuous improvement in the operation of the proposed project. (5 points)

(iii) The adequacy of mechanisms for ensuring high-quality products and services from the proposed project. (5 points)

(g) Quality of the project evaluation. (Maximum 15 points) In determining the quality of the evaluation, the Secretary considers:

(i) The extent to which the methods of evaluation are thorough, feasible, and appropriate to the goals, objectives, and outcomes of the proposed project. (5 points)

(ii) The extent to which the methods of evaluation include the use of objective performance measures that are clearly related to the intended outcomes of the project and will produce quantitative and qualitative data to the extent possible. (5 points)

(iii) The extent to which the methods of evaluation will provide performance feedback and permit periodic assessment of progress toward achieving intended outcomes. (5 points)

2. Review and Selection Process: Additional factors we consider in selecting an application for an award are as follows:

(a) Documentation. Applicants must provide, as an attachment to the application, the documentation the institution relied upon in determining that

at least 25 percent of the institution's undergraduate FTE students are Hispanic.

Note: The 25 percent requirement applies only to undergraduate Hispanic students and is calculated based upon FTE students. Instructions for formatting and submitting the verification documentation to e-Application are in the application package for this competition.

(b) Tie-breaker for Development Grants. To resolve ties in the reader scores of applications for development grants, the Department will award one additional point to an application from an IHE that has an endowment fund for which the market value per FTE student is less than the comparable average current market value of the endowment funds per FTE student at similar type IHEs. In addition, to resolve ties in the reader scores of applications for PPHOA development grants, the Department will award one additional point to an application from an IHE that has expenditures for library materials per FTE student that are less than the comparable average expenditures for library materials per FTE student at similar type IHEs. (34 CFR 606.23(a)(1) and (2)).

For the purpose of these funding considerations, we will use the most recent complete data available (e.g., for FY 2010, we will use 2008-2009 data).

If a tie remains after applying the tie-breaker mechanism above, priority will be given for Individual Development Grants to applicants that have the lowest endowment values per FTE student. (34 CFR 606.23(b)(1)) (See Final Requirements)

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we

notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section of this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section in this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. Reporting: At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

4. Performance Measures: The Secretary has established the following key performance measures for assessing the effectiveness of the PPOHA Program:

(a) The percentage change, over the five-year grant period, of the number of full-time degree-seeking graduate and professional students enrolled at HSIs currently receiving an award under this program.

(b) The percentage change, over the five-year grant period, of the number of master's, doctoral and first-professional degrees, and postbaccalaureate certificates awarded at HSIs currently receiving an award under this program.

(c) Cost per successful outcome: Federal cost per master's degree, doctoral and first-professional degree, and post baccalaureate certificate at

HSIs currently receiving an award under this program.

Executive Order 12372 (Intergovernmental Review of Federal Programs)

This program falls under the rubric of Executive Order 12372 (Intergovernmental Review of Federal Programs) and the regulations in 34 CFR Part 79. One of the objectives of the Executive order is to strengthen federalism--or the distribution of responsibility between localities, States, and the Federal government--by fostering intergovernmental partnerships. This idea includes supporting processes that State or local governments have devised for coordinating and reviewing proposed Federal financial grant applications.

The process for doing this requires grant applicants to contact State Single Points of Contact for information on how this works. Multi-state applicants should follow procedures specific to each state.

Further information about the State Single Point of Contact process and a list of names by State can be found at:

<http://www.whitehouse.gov/omb/grants/spoc.pdf>

Absent specific State review programs, applicants may submit comments directly to the Department. All recommendations and comments must be mailed or hand-delivered by the date indicated in the actual application notice to the following address: The Secretary, EO 12372--CFDA# [commenter must insert number--including suffix letter, if any], U.S. Department of Education, room 7E200. 400 Maryland Avenue, SW., Washington, DC 20202.

Proof of mailing will be determined on the same basis as applications (see 34 CFR §75.102). Recommendations or comments may be hand-delivered until 4:30 p.m. (eastern time) on the closing date indicated in this notice.

Important note: The above address is not the same address as the one to which the applicant submits its completed applications. ***Do not send applications to the above address.***

General Education Provisions Act (GEPA)

Section 427

Section 427 requires each applicant to include in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its federally-assisted program for students, teachers, and other program beneficiaries with special needs.

This section allows applicants discretion in developing the required description. The statute highlights six barriers that can impede equitable access or participation that you may address: *gender, race, national origin, color disability, or age.*

A general statement of an applicant's nondiscriminatory hiring policy is not sufficient to meet this requirement. Applicants must identify potential barriers and explain steps they will take to overcome these barriers.

***Notes:**

- Applicants are required to address this provision by attaching a statement to the ED GEPA 427 Form that must be attached in e-Application.
- All applicants must include information in their applications to address this provision in order to receive funding under this program.

Government Performance and Results Act (GPRA)

What is GPRA?

The Government Performance and Results Act of 1993 (GPRA) is a straightforward statute that requires all federal agencies to manage their activities with attention to the consequences of those activities. Each agency is to clearly state what it intends to accomplish, identify the resources required, and periodically report their progress to the Congress. In so doing, it is expected that the GPRA will contribute to improvements in accountability for the expenditures of public funds, improve Congressional decision-making through more objective information on the effectiveness of federal programs, and promote a new government focus on results, service delivery, and customer satisfaction.

How has the Department of Education Responded to the GPRA Requirements?

As required by GPRA, the Department of Education has prepared a strategic plan for 2007-2012. This plan reflects the Department's priorities and integrates them with its mission and program authorities and describes how the Department will work to improve education for all children and adults in the U.S. The Department's goals, as listed in the plan, are:

Goal 1: Increase student achievement, reward qualified teachers, and renew troubled schools so that every student can read and do math at grade level by 2014, as called for by the No Child Left Behind Act.

Goal 2: Encourage more rigorous and advanced coursework to improve the academic performance of our middle and high school students.

Goal 3: Work with colleges and universities to improve access, affordability, and accountability, so that our higher education system remains the world's finest.

The performance indicators for the Developing Hispanic-Serving Institutions Program are part of the Department's plan for meeting Goal 3. The Department's specific goal for this program is "to strengthen Hispanic-Serving Institutions."

What are the Performance Indicators for the PPOHA Program?

The Developing Hispanic-Serving Institutions Program's overarching goal is: To improve the capacity of minority-serving institutions, which traditionally have limited resources and serve large numbers of low-income and minority students, to improve student success and to provide high-quality educational opportunities for their students.

The specific performance indicators for the Promoting Postbaccalaureate Opportunities for Hispanic Americans (PPOHA) Program are as follows:

The Secretary has established the following key performance measures for assessing the effectiveness of the PPOHA program: 1) The percentage change, over the five-year grant period, of the number of full-time degree-seeking graduate and professional students enrolled at HSIs. 2) The percentage change, over the five-year grant period, of the number of master's, doctoral and first-professional degrees and postbaccalaureate certificates awarded at HSIs. 3) Cost per successful outcome: Federal cost per master's degree, doctoral and first-professional degree and post-baccalaureate certificate at HSIs.

How does the Department of Education determine whether performance goals have been met?

An applicant that receives a grant award will be required to submit annual progress reports and a final report as a condition of the award. The reports will document the extent to which project goals and objectives are met.

Instructions for Completing the Application

The PPOHA application consists of the following four parts. These parts are organized in the same manner that the submitted application should be organized. The parts are as follows:

Part I: 424 Forms:

INSTRUCTIONS FOR PROJECT NARRATIVE

Applicants will attach the project narrative to the “Project Narrative Attachment Form” in the Application Package, in e-Application.

Please note that you must limit the section of the narrative that addresses the selection criteria to no more than **50 pages** using the following standards:

Applications submitted in any other font (including Times Roman and Arial Narrow) will not be accepted. Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch). The page limit does not apply to the cover sheet; the budget section, including the budget narrative justification; the assurances and certifications, or the one-page abstract. We will reject your application if you exceed the page limit.

Before preparing the Project Narrative, applicants should review the Program Statute, Authorized Activities on page 36 of the Application Package (one or more of the listed activities should be used), the Federal Register Notice, the Dear Applicant Letter, and Competition Highlights for specific guidance and requirements.

The Secretary evaluates an application according to the Education Department General Administrative Regulations (EDGAR) selection criteria in 34 CFR 75.210. THE FOLLOWING GUIDANCE MAY ASSIST YOU IN ADDRESSING EACH OF THE WEIGHTED SELECTION CRITERIA:

Need for the Project: When addressing this criterion, applicants should provide detailed information that not only identifies a need for their proposed project but they should also provide data that supports their claim for a need for the proposed project. Supporting documentation may consist of recent statistics from State, local and Federal sources; mission statement; comparison data from similar institutions, etc.

Quality of the Project Design: When addressing this criterion, applicants should clearly and succinctly identify the goals, objectives, and outcomes to be achieved. A mere listing of the goals, objectives, and outcomes is not sufficient. The identified goals, objectives and outcomes should not only address the identified need for the project but should also be measurable and support the purpose of the HSI program.

Quality of Project Services: When addressing this criterion, applicants should clearly spell out the activities and services it is proposing and the intended recipients or beneficiaries of each service or activity. A mere listing of the services and beneficiaries is not enough. Provide details as to the types of activities and services to be provided and the extent to which the activities and services reflect up-to-date knowledge from research and effective practice. In other words, will the proposed activities and services meet the need of the project?

Quality of Project Personnel: The minimum qualifications must be identified for all project personnel positions. The minimum educational qualifications should include the type of degree required and the acceptable field(s) of study. The type and minimum amount of work-related experience should also be described for each position.

Adequacy of Resources: This section should provide information that shows that the proposed budget will provide adequate resources necessary to successfully carry out the proposed project. Applicants should demonstrate here how the proposed costs would enable them to carry out the project and that the proposed costs are reasonable in relation to the objectives, design and significance of the proposed project.

Quality of Management Plan: Describe the plan of management. Who will be responsible for which tasks? What are the expected timelines and proposed budgets for each activity or service? What are the expected milestones for accomplishing the proposed activities or services? Have you included procedures that will ensure feedback and the opportunity for continuous improvement in the operation of the proposed project? Be sure that the management plans are clearly and concisely defined.

Quality of the Project Evaluation: A strong evaluation plan should be included and should be used, as appropriate, to shape the development of the project from the beginning of the grant period. The evaluation plan should include process and outcome performance measures and benchmarks to monitor progress toward meeting specific project objectives and goals. Specifically, the plan should identify the individual or organization that has agreed to serve as evaluator for the project and describe the qualifications of the evaluator. The plan should describe the evaluation design, indicating: (1) what types of data will be collected; (2) when various types of data will be collected; (3) what methods will be used; (4) what instruments will be developed and when; (5) how the data will be analyzed; (6) when reports and outcomes will be available; and (7) how the applicant will use the information collected through evaluation to monitor progress of the funded project. Applicants are encouraged to devote an appropriate level of resources to project evaluation and should explain the measures and strategies that will be used to ensure that the evaluation is appropriately rigorous and independent.

Budget: Under **Adequacy of Resources**, applicants must provide a detailed, itemized budget (ED Form 524) and a detailed budget narrative for each 12-month budget period. The budget narrative is to be included in the *Project Narrative* to be attached to the Project Narrative Attachment Form in the application package in e-Application as

a .doc, .rtf, or .pdf document. The budget section includes the summary budget for each activity, the detailed budget for each activity, and the overall summary budget for the project. All budget information is evaluated under this criterion. Consider to what extent the proposed costs are necessary and reasonable in relation to the project's objectives and scope.

I. Definitions and Exemptions

A. Definitions.

A research activity involves human subjects if the activity is research, as defined in the Department’s regulations, and the research activity will involve use of human subjects, as defined in the regulations.

—Research

The ED Regulations for the Protection of Human Subjects, Title 34, Code of Federal Regulations, Part 97, define research as “a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge.” *If an activity follows a deliberate plan whose purpose is to develop or contribute to generalizable knowledge it is research.* Activities which meet this definition constitute research whether or not they are conducted or supported under a program that is considered research for other purposes. For example, some demonstration and service programs may include research activities.

—Human Subject

The regulations define human subject as “a living individual about whom an investigator (whether professional or student) conducting research obtains (1) data through intervention or interaction with the individual, or (2) identifiable private information.” *(1) If an activity involves obtaining information about a living person by manipulating that person or that person’s environment, as might occur when a new instructional technique is tested, or by communicating or interacting with the individual, as occurs with surveys and interviews, the definition of human subject is met. (2) If an activity involves obtaining private information about a living person in such a way that the information can be linked to that individual (the identity of the subject is or may be readily determined by the investigator or associated with the information), the definition of human subject is met.* [Private information includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a school health record).]

B. Exemptions.

Research activities in which the **only** involvement of human subjects will be in one or more of the following six categories of **exemptions** are not covered by the regulations:

(1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (a) research on regular and special education instructional strategies, or (b) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.

(2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless: (a) information obtained is recorded in such a manner that human subjects can be identified, directly or through

identifiers linked to the subjects; and (b) any disclosure of the human subjects' responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, or reputation. ***If the subjects are children, exemption 2 applies only to research involving educational tests and observations of public behavior when the investigator(s) do not participate in the activities being observed. Exemption 2 does not apply if children are surveyed or interviewed or if the research involves observation of public behavior and the investigator(s) participate in the activities being observed.*** [Children are defined as persons who have not attained the legal age for consent to treatments or procedures involved in the research, under the applicable law or jurisdiction in which the research will be conducted.]

(3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior that is not exempt under section (2) above, if the human subjects are elected or appointed public officials or candidates for public office; or federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.

(4) Research involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.

(5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine: (a) public benefit or service programs; (b) procedures for obtaining benefits or services under those programs; (c) possible changes in or alternatives to those programs or procedures; or (d) possible changes in methods or levels of payment for benefits or services under those programs.

(6) Taste and food quality evaluation and consumer acceptance studies, (a) if wholesome foods without additives are consumed or (b) if a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

II . Instructions for Exempt and Nonexempt Human Subjects Research Narratives

If the applicant marked “Yes” for Item 3 of Department of Education Supplemental Information for SF 424, the applicant must provide a human subjects “exempt research” or “nonexempt research” narrative. Insert the narrative(s) in the space provided. If you have multiple projects and need to provide more than one narrative, be sure to label each set of responses as to the project they address.

A . Exempt Research Narrative.

If you marked “Yes” for item 3 a. and designated exemption numbers(s), provide the “exempt research” narrative . The narrative must contain sufficient information about the involvement of human subjects in the proposed research to allow a determination by ED that the designated exemption (s) are appropriate . The narrative must be succinct.

B . Nonexempt Research Narrative.

If you marked “No” for item 3 a. you must provide the “nonexempt research” narrative . The narrative must address the following seven points. Although no specific page limitation applies to this section of the application, be succinct.

(1) **Human Subjects Involvement and Characteristics:** Provide a detailed description of the proposed involvement of human subjects. Describe the characteristics of the subject population, including their anticipated number, age range, and health status. Identify the criteria for inclusion or exclusion of any subpopulation. Explain the rationale for the involvement of special classes of subjects, such as children, children with disabilities, adults with disabilities, persons with mental disabilities, pregnant women, prisoners, institutionalized individuals, or others who are likely to be vulnerable

(2) **Sources of Materials:** Identify the sources of research material obtained from individually identifiable living human subjects in the form of specimens, records, or data. Indicate whether the material or data will be obtained specifically for research purposes or whether use will be made of existing specimens, records, or data.

(3) **Recruitment and Informed Consent:** Describe plans for the recruitment of subjects and the consent procedures to be followed. Include the circumstances under which consent will be sought and obtained, who will seek it, the nature of the information to be provided to prospective subjects, and the method of documenting consent . State if the Institutional Review Board (IRB) has authorized a modification or waiver of the elements of consent or the requirement for documentation of consent.

(4) **Potential Risks:** Describe potential risks (physical, psychological, social, legal, or other) and assess their likelihood and seriousness. Where appropriate, describe alternative treatments and procedures that might be advantageous to the subjects.

(5) **Protection Against Risk:** Describe the procedures for protecting against or minimizing potential risks, including risks to confidentiality, and assess their likely effectiveness. Where appropriate, discuss provisions for ensuring necessary medical or professional intervention in the event of adverse effects to the subjects. Also, where appropriate, describe the provisions for monitoring the data collected to ensure the safety of the subjects.

(6) **Importance of the Knowledge to be Gained:** Discuss the importance of the knowledge gained or to be gained as a result of the proposed research. Discuss why the risks to subjects are reasonable in relation to the anticipated benefits to subjects and in relation to the importance of the knowledge that may reasonably be expected to result.

(7) **Collaborating Site(s)**: If research involving human subjects will take place at collaborating site(s) or other performance site(s), name the sites and briefly describe their involvement or role in the research.

Copies of the Department of Education's Regulations for the Protection of Human Subjects, 34 CFR Part 97 and other pertinent materials on the protection of human subjects in research are available from the Grants Policy and Oversight Staff, Office of the Chief Financial Officer, U.S. Department of Education, Washington, DC 20202-4250, telephone: (202) 245-6120, and on the U.S. Department of Education's Protection of Human Subjects in Research Web Site: <http://www.ed.gov/about/offices/list/OCFO/humansub.html>

3. If you are requesting reimbursement for indirect costs on line 10, this information is to be completed by your Business Office. Specify the estimated amount of the base to which the indirect cost rate is applied and the total indirect expense. Depending on the grant program to which you are applying and/or your approved Indirect Cost Rate Agreement, some direct cost budget categories in your grant application budget may not be included in the base and multiplied by your indirect cost rate. For example, you must multiply the indirect cost rates of "Training grants" (34 CFR 75.562) and grants under programs with "Supplement not Supplant" requirements ("Restricted Rate" programs) by a "modified total direct cost" (MTDC) base (34 CFR 75.563 or 76.563). Please indicate which costs are included and which costs are excluded from the base to which the indirect cost rate is applied.

When calculating indirect costs (line 10) for "Training grants" or grants under "Restricted Rate" programs, you must refer to the information and examples on ED's website at: <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

Promoting Postbaccalaureate Opportunities For Hispanic Americans Assurances

Additional instructions for applicants:

Applicants enter PPOHA assurance data on the “PPOHA Program Profile Form” in Part III of the application. Applicants will upload the “PPOHA Program Profile Form” to the “Program Profile Narrative Form” in e-Application.

The statute governing the Hispanic-Serving Institutions Program requires the applicant to provide an assurance to the following:

The applicant has an enrollment of undergraduate full-time equivalent (FTE) students that is at least 25 percent Hispanic students at the end of the award year immediately preceding the date of application.

For the purposes of the calculation, use your institution’s student enrollment count closest to, but not after, September 30, 2009.

Whatever the full-time course load is at your institution, count a full-time undergraduate degree student as one FTE.

To determine the FTE for part-time undergraduate students, total the number of credit hours of all part-time undergraduate students. Include both part-time degree students and part-time unclassified students. Divide the total number of credit hours for the part-time undergraduate students by **twelve (12)**. The result is the FTE for part-time undergraduate students.

Note: An unclassified undergraduate student is one who is not a candidate for a degree or other formal award, but is taking courses for credit in regular classes with undergraduate degree students. However, both classified and unclassified undergraduate students enrolled must be in a program of at least two years in length that would result in the award of a certificate, associate degree or other educational credential.

To calculate the total undergraduate FTE Enrollment Count: Add the FTE of full-time undergraduate students and the FTE of part-time undergraduate students.

To calculate the Hispanic Undergraduate FTE Enrollment Count: Add the FTE of full-time undergraduate Hispanic students and the FTE of part-time undergraduate Hispanic students.

To calculate the Undergraduate FTE Hispanic Percent: Divide the Hispanic Undergraduate FTE Enrollment Count by the Total Undergraduate FTE Enrollment Count and multiply by 100.

To calculate the Hispanic Enrollment Count: (**Note: This calculation includes all Hispanic students regardless of enrollment status or graduate/undergraduate status**). Determine the total number of Hispanic students.

SUPPLEMENTAL INFORMATION AND INSTRUCTIONS

PPOHA Program Profile Form: All applicants must complete the information requested on this page. Using the profile, the applicant will provide information on Assurances and Eligibility. **Do not modify, amend or delete any of this document.**

Applicants must copy and paste this page into a separate document, or recreate the page exactly as it appears. Then, complete the page, save it to your computer and attach it to the “Program Profile Narrative,” in e-Application, as either a .doc, .rtf or .pdf document. Do not modify or amend the contents of the form in any way.

PPOHA Program Assurances: All applicants must provide assurances regarding the percent of Hispanic students enrolled at their institution. By inserting a check mark in the box or an X in front of the box, for item #10, and by providing the required data for items #7 and #8 on the “PPOHA Program Profile Form,” an applicant certifies that it will fully comply with the requirements.

Special Note: The Department will compare data and documentation you relied on in this application with data reported to the Integrated Postsecondary Education Data System (IPEDS), the institution’s state reported enrollment data, and the institutional annual report. If different percentages or data are reported in these various sources, the institution must, as part of the eligibility process, explain the reason for the differences. If the IPEDS data show that less than 25 percent of the institution’s undergraduate full-time equivalent (FTE) students are Hispanic, the burden is on the institution to show that the IPEDS data are inaccurate. Please note that a replication or copy of the instructions is not evidence that the IPEDS data are inaccurate. If the IPEDS data indicate that the institution has an undergraduate FTE less than 25 percent and the institution fails to demonstrate that the IPEDS data are inaccurate, the institution will be considered ineligible.

Page Limits: The program narrative (Part III of the application) is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. We have established mandatory page limits for the Individual Development Grant application. You must limit the section of the narrative that addresses the selection criteria to no more than 50 pages for the Individual Development Grant application.

The page limit does not apply to Part I, the Application for Federal Assistance face sheet (SF 424); the Supplemental Information Form required by the Department of Education; Part II, the Budget Information Summary Form (ED Form 524); Part III, the PPOHA Project Activity Detail Budget Form and Part IV, the Assurances and Certifications. The page limit also does not apply to a table of contents or the program abstract. If you include any attachments or appendices other than those specifically requested, these items will be counted as part of the project narrative (Part III) for purposes of the page limit requirement. You must include your complete response to the selection criteria in the project narrative.

Formatting Requirements: A “page” is 8.5” x 11”, on one side only, with 1 inch margins at the top, bottom, and both sides. Double space (no more than three lines per vertical inch) all text in the application narrative, **except** titles, headings, footnotes, quotations, references, captions and all text in charts, tables, and graphs, which may be single spaced. Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. Applications submitted in any other font (including Times Roman and Arial Narrow) will not be accepted. Use font size 12.

Special Note: No special accommodations or reformatting justifications will be given for any applications not meeting page limits and formatting requirements.

(a) Have an enrollment of needy students, as defined in section 502(b) of the HEA; 20 U.S.C. 1101a(b) cross-referenced in section 502(a)(2)(A)(i) of the HEA; 20 U.S.C. 1101a(a)(2)(A)(i));

(b) Have, except as provided in section 522(b) of the HEA, average educational and general expenditures that are low, per full-time equivalent (FTE) undergraduate student, in comparison with the average educational and general expenditures per FTE undergraduate student of institutions that offer similar instruction (section 502(a)(2)(A)(ii) of the HEA; 20 U.S.C. 1101a(a)(2)(A)(ii));

Note: To demonstrate an enrollment of needy students and low average educational and general expenditures per FTE undergraduate student, an IHE must be designated as an "eligible institution" in accordance with 34 CFR 606.3 through 606.5 and the notice inviting applications for designation as an eligible institution for the fiscal year for which the grant competition is being conducted.

(c) Be accredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered, or is making reasonable progress toward accreditation, according to such an agency or association (section 502(a)(2)(A)(iv) of the HEA; 20 U.S.C. 1101a(a)(2)(A)(iv));

(d) Be legally authorized to provide, and provide within the State, an educational program for which the institution awards a bachelor's degree (section 502(a)(2)(A)(iii) of the HEA; 20 U.S.C. 1101a(a)(2)(A)(iii)); and

(e) Have an enrollment of undergraduate FTE students that is at least 25 percent Hispanic students at the end of the award year immediately preceding the date of application (section 502(a)(5)(B) of the HEA; 20 U.S.C. 1101a(a)(5)(B)).

Note 1: Funds for the PPOHA Program will be awarded each fiscal year; thus, for this program, the “end of the award year immediately preceding the date of application” refers to the end of the fiscal year prior to the application due date. The end of the fiscal year occurs on September 30 for any given year.

Note 2: In considering applications for grants under this program, the Department will compare the data and documentation the institution relied on in its application with data reported to the Department’s Integrated Postsecondary Education Data System (IPEDS), the IHE’s State-reported enrollment data, and the institutional annual report. If different percentages or data are reported in these various sources, the institution must, as part of the 25 percent assurance verification, explain the reason for the differences. If the IPEDS data show that less than 25 percent of the institution’s undergraduate FTE students are Hispanic, the burden is on the institution to show that the IPEDS data are inaccurate. If the IPEDS data indicate that the institution has an undergraduate FTE less than 25 percent, and the institution fails to demonstrate that the IPEDS data are inaccurate, the institution will be [\[1\]](#) considered ineligible. (See Final Requirements)

2. Cost Sharing or Matching: This program does not require cost sharing or matching.

3. Other:

IV. Application and Submission Information

1. Address to Request Application Package: Dr. Maria E. Carrington, U.S. Department of Education, 1990 K Street, NW., room 6036, Washington, DC 20006-8513. Telephone: (202) 502-7548 or by e-mail: Maria.Carrington@ed.gov.

If you use a telecommunications device for the deaf (TDD), call the

Federal Relay Service (FRS), toll free, at 1-800-877-8339.

Individuals with disabilities can obtain a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or computer diskette) by contacting the program contact person listed in this section.

2. Content and Form of Application Submission: Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this program.

Page Limit: The application narrative (Part III) is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. We have established mandatory page limits for the PPOHA Program Grant application. You must limit the section of the narrative that addresses the selection criteria to no more than 50 pages, using the following standards:

- A "page" is 8.5" x 11", on one side only, with 1 inch margins at the top, bottom, and both sides.
- Double space (no more than three lines per vertical inch) all text in the application narrative, except titles, headings, footnotes, quotations, references, captions, and all text in charts, tables, figures, and graphs. These items may be single-spaced. Charts, tables, figures, and graphs in the application narrative count toward the page limit.
- Use a font that is either 12 point or larger; or, no smaller than 10 pitch (characters per inch).
- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. An application submitted in any other font (including Times Roman and Arial Narrow) will not be accepted.

The page limit does not apply to Part I, the Application for Federal Assistance (SF 424); the Department of Education Supplemental Information form (SF 424); Part II, Budget Information-Non-Construction Programs (ED Form 524);

Part IV, the assurances and certifications; or the one-page project abstract and program activity budget detail form and supporting narrative. However, the page limit does apply to all of the application narrative section (Part III), including the budget narrative of the selection criteria. If you include any attachments or appendices not specifically requested in the application package, these items will be counted as part of your application narrative (Part III) for purposes of the page limit requirement. You must include your complete response to the selection criteria in the application narrative.

Note: The narrative response to the budget selection criteria is not the same as the activity detail budget form and supporting narrative. The supporting narrative for the activity detail budget form details the requested budget items line by line.

We will reject your application if you exceed the page limit; or if you apply other standards and exceed the equivalent of the page limit.

3. Submission Dates and Times:

Applications Available: July 27, 2010.

Deadline for Transmittal of Applications: August 26, 2010.

Applications for grants under this program must be submitted electronically using the Electronic Grant Application System (e-Application) accessible through the Department's e-Grants site. For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. 7. Other Submission Requirements of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under For Further Information Contact in section VII of this notice. If the Department provides an accessible or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

4. Intergovernmental Review: This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this program.

5. Funding Restrictions: Limit on Use of Funds for Direct Assistance: A We reference additional regulations outlining funding restrictions in the Applicable Regulations section in this notice.

6. Data Universal Numbering System Number, Taxpayer Identification Number, and Central Contractor Registry: To do business with the Department of Education, (1) you must have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN); (2) you must register both of those numbers with the Central Contractor Registry (CCR), the Government's primary registrant database; and (3) you must provide those same numbers on your application.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one business day.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2-5 weeks for your TIN to

become active.

The CCR registration process may take five or more business days to complete. If you are currently registered with the CCR, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

7. Other Submission Requirements: Applications for grants under this program must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications.

Applications for grants under the PPOHA--CFDA Number 84.031M-- must be submitted electronically using e-Application, accessible through the Department's e-Grants Web site at: <http://e-grants.ed.gov>.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under Exception to Electronic Submission Requirement.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application

by 4:30:00 p.m., Washington, DC time, on the application deadline date. E-Application will not accept an application for this program after 4:30:00 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- The hours of operation of the e-Grants Web site are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until 8:00 p.m. Sunday, Washington, DC time. Please note that, because of maintenance, the system is unavailable between 8:00 p.m. on Sundays and 6:00 a.m. on Mondays, and between 7:00 p.m. on Wednesdays and 6:00 a.m. on Thursdays, Washington, DC time. Any modifications to these hours are posted on the e-Grants Web site.

- You will not receive additional point value because you submit your application in electronic format nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information--Non-Construction Programs (ED 524), and all necessary assurances and certifications. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password protected file, we will not review that material.

- Your electronic application must comply with any page limit requirements described in this notice.

- Prior to submitting your electronic application, you may wish to print

a copy of it for your records.

- After you electronically submit your application, you will receive an automatic acknowledgment that will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the SF 424 to the Application Control Center after following these steps:

- (1) Print SF 424 from e-Application.

- (2) The applicant's Authorizing Representative must sign this form.

- (3) Place the PR/Award number in the upper right hand corner of the hard-copy signature page of the SF 424.

- (4) Fax the signed SF 424 to the Application Control Center at (202) 245-6272.

- We may request that you provide us original signatures on other forms at a later date.

Application Deadline Date Extension in Case of e-Application Unavailability:

If you are prevented from electronically submitting your application on the application deadline date because e-Application is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if-

-

- (1) You are a registered user of e-Application and you have initiated an electronic application for this competition; and

- (2) (a) E-Application is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) E-Application is unavailable for any period of time between 3:30 p.m.

and 4:30:00 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under For Further Information Contact (see VII. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. If e-Application is unavailable due to technical problems with the system and, therefore, the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of e-Application.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement and may submit your application in paper format if you are unable to submit an application through e-Application because--

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to e-Application; and
- No later than two weeks before the application deadline date (14 calendar days; or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Dr. Maria E. Carrington, U.S. Department of Education, 1990 K Street, NW., room 6036, Washington, DC 20006-8513. FAX: (202) 502-7861.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery.

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application, by hand, on or before the application deadline date, to the Department at the following address:

V. Application Review Information

1. Selection Criteria: The selection criteria for this program are from section 75.210 of the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.210) and are as follows. Applicants must address each of the selection criteria (separately for each proposed activity). The total weight of the selection criteria is 100 points; the weight of each criterion is noted in parentheses.

(a) Need for project. (Maximum 20 points) In determining the need for the proposed project, the Secretary considers:

(i) The magnitude of the need for the services to be provided or the activities to be carried out by the proposed project. (10 points)

(ii) The extent to which the proposed project will focus on serving or otherwise addressing the needs of disadvantaged individuals. (5 points)

(iii) The extent to which specific gaps or weaknesses in services, infrastructure, or opportunities have been identified and will be addressed by the proposed project, including the nature and magnitude of those gaps or weaknesses. (5 points)

(b) Quality of the project design. (Maximum 15 points) In determining the quality of the design of the proposed project, the Secretary considers:

(i) The extent to which the goals, objectives, and outcomes to be achieved by the proposed project are clearly specified and measurable. (10 points)

(ii) The extent to which the design of the proposed project is appropriate to, and will successfully address, the needs of the target population or other identified needs. (5 points)

(c) Quality of project services. (Maximum 15 points) In determining the quality of the services to be provided by the proposed project, the Secretary

considers the quality and sufficiency of strategies for ensuring equal access and treatment for eligible project participants who are members of groups that have traditionally been underrepresented based on race, color, national origin, gender, age, or disability. In addition, the Secretary considers:

(i) The extent to which the services to be provided by the proposed project are appropriate to the needs of the intended recipients or beneficiaries of those services. (10 points)

(ii) The extent to which the services to be provided by the proposed project reflect up-to-date knowledge from research and effective practice. (5 points)

(d) Quality of project personnel. (Maximum 10 points) In determining the quality of project personnel, the Secretary considers the extent to which the applicant encourages applications for employment from persons who are members of groups that have traditionally been underrepresented based on race, color, national origin, gender, age, or disability. In addition, the Secretary considers:

(i) The qualifications, including relevant training and experience, of the project director or principal investigator. (5 points)

(ii) The qualifications, including relevant training and experience, of key project personnel. (5 points)

(e) Adequacy of resources. (Maximum 5 points) In determining the adequacy of resources for the proposed project, the Secretary considers:

(i) The extent to which the budget is adequate to support the proposed project. (3 points)

(ii) The extent to which the costs are reasonable in relation to the objectives, design, and potential significance of the proposed project. (2 points)

(f) Quality of the management plan. (Maximum 20 points) In determining the quality of the management plan for the proposed project, the Secretary considers:

(i) The adequacy of the management plan to achieve the objectives of the proposed project on time and within budget, including clearly defined responsibilities, timelines, and milestones for accomplishing project tasks. (10 points)

(ii) The adequacy of procedures for ensuring feedback and continuous improvement in the operation of the proposed project. (5 points)

(iii) The adequacy of mechanisms for ensuring high-quality products and services from the proposed project. (5 points)

(g) Quality of the project evaluation. (Maximum 15 points) In determining the quality of the evaluation, the Secretary considers:

(i) The extent to which the methods of evaluation are thorough, feasible, and appropriate to the goals, objectives, and outcomes of the proposed project. (5 points)

(ii) The extent to which the methods of evaluation include the use of objective performance measures that are clearly related to the intended outcomes of the project and will produce quantitative and qualitative data to the extent possible. (5 points)

(iii) The extent to which the methods of evaluation will provide performance feedback and permit periodic assessment of progress toward achieving intended outcomes. (5 points)

2. Review and Selection Process: Additional factors we consider in selecting an application for an award are as follows:

(a) Documentation. Applicants must provide, as an attachment to the application, the documentation the institution relied upon in determining that

at least 25 percent of the institution's undergraduate FTE students are Hispanic.

Note: The 25 percent requirement applies only to undergraduate Hispanic students and is calculated based upon FTE students. Instructions for formatting and submitting the verification documentation to e-Application are in the application package for this competition.

(b) Tie-breaker for Development Grants. To resolve ties in the reader scores of applications for development grants, the Department will award one additional point to an application from an IHE that has an endowment fund for which the market value per FTE student is less than the comparable average current market value of the endowment funds per FTE student at similar type IHEs. In addition, to resolve ties in the reader scores of applications for PPHOA development grants, the Department will award one additional point to an application from an IHE that has expenditures for library materials per FTE student that are less than the comparable average expenditures for library materials per FTE student at similar type IHEs. (34 CFR 606.23(a)(1) and (2)).

For the purpose of these funding considerations, we will use the most recent complete data available (e.g., for FY 2010, we will use 2008-2009 data).

If a tie remains after applying the tie-breaker mechanism above, priority will be given for Individual Development Grants to applicants that have the lowest endowment values per FTE student. (34 CFR 606.23(b)(1)) (See Final Requirements)

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we

notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section of this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section in this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. Reporting: At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

4. Performance Measures: The Secretary has established the following key performance measures for assessing the effectiveness of the PPOHA Program:

(a) The percentage change, over the five-year grant period, of the number of full-time degree-seeking graduate and professional students enrolled at HSIs currently receiving an award under this program.

(b) The percentage change, over the five-year grant period, of the number of master's, doctoral and first-professional degrees, and postbaccalaureate certificates awarded at HSIs currently receiving an award under this program.

(c) Cost per successful outcome: Federal cost per master's degree, doctoral and first-professional degree, and post baccalaureate certificate at

HSIs currently receiving an award under this program.

For purposes of making the determination described in paragraph (e) of the Eligibility Criteria for the FY 2010 competition, IHEs must report their undergraduate Hispanic FTE percent based on the student enrollment count closest to, but not after, September 30, 2009.

In addition, for purposes of establishing eligibility under 34 CFR 606.5 for this FY 2010 competition, the Notice Inviting Applications for Designation as Eligible Institutions for FY 2010 was published in the Federal Register on December 7, 2009 (74 FR 64059), and the deadline for applications was January 6, 2010. Only institutions that submitted the required application and received designation through that process are eligible to submit an application for this competition.

Competition Highlights

1. PPOHA applications submitted for FY 2010 must be submitted electronically using e- Application, accessible through the Department's e-Grants web site at: <http://e-grants.gov>. You are urged to acquaint yourself with the requirements of e-Grants early. A more thorough discussion is included later in this application package.
2. Under the Promoting Postbaccalaureate Opportunities for Hispanic Americans Program, \$9,785,518 has been designated for awards to Hispanic-Serving Institutions who offer a postbaccalaureate certificate or postbaccalaureate degree program for authorized activities described in section 513 of the Higher Education Act, as amended. These authorized activities are described in detail in this application package on page 36, and one or more of the listed activities should be used in preparing your application. You are urged to fully review the Closing Date Notice and Application Package carefully before preparing your application.
3. Applicants are required to submit a Project Abstract. The Project Abstract is limited to a one page single-spaced document. The abstract must include the name of the institution, city, and purpose. The abstract must be uploaded into the "ED Abstract Form" in the e-Application.
4. You must provide the Department with the documentation the institution relied upon in determining that at least 25 percent of the institution's undergraduate FTE students are Hispanic. The Department will compare the data and documentation you relied on in this application with data reported to the Integrated Postsecondary Education Data System (IPEDS), the institution's state reported enrollment data, and the institutional annual report. If different percentages or data are reported in these various sources, the institution must, as part of the eligibility process, explain the reason for the differences. If the IPEDS data show that less than 25 percent of the institution's undergraduate full-time equivalent (FTE) students are Hispanic, the burden is on the institution to show that the IPEDS data are inaccurate. Please note that a replication or copy of the instructions is not evidence that the IPEDS data are inaccurate. If the IPEDS data indicate that the institution has an undergraduate FTE less than 25 percent, and the institution fails to demonstrate that the IPEDS data are inaccurate, the institution will be considered ineligible.
5. New PPOHA Individual Development Grants will be awarded on a competitive basis. An applicant may apply for only one PPOHA grant.
6. All applicants are required to adhere to the page limit for the Project Narrative portion of the application. You must limit the section of the narrative that addresses the selection criteria to no more than 50 pages for the Individual Development Grant application.
7. The application must be received on or before the deadline date and time. Late applications will not be accepted. **We suggest that you submit your application several days before the deadline.** The Department is required to enforce the established deadline to ensure fairness to all applicants. No changes or additions to an application will be accepted after the deadline date.
8. Included in this application package is a document containing submission procedures to ensure your application is received in a timely and acceptable manner. Consult and follow the Federal Register notice to ensure proper guidance for application submission. Exceptions to the electronic submission requirement are also outlined in the Federal Register notice. The Department is required to enforce the established deadline in order to ensure fairness to all applicants.
9. Applicants must also complete a "PPOHA Program Profile Form," found on pages 65-66. Applicants are asked

to read and check the box for question #5 indicating that their institution is an eligible Hispanic-Serving Institution (HSI) offering either a postbaccalaureate certificate or a postbaccalaureate degree. In addition, applicants should carefully read question # 10 on the PPOHA Program Profile Form, and check the box or place an X in the space before the box certifying that they will comply with the statutory requirements and program assurances cited in the HSI program regulations, 34 CFR 606.2. (a) and (b). NOTE: 606.2 (a) (5) An eligible HSI applying for the PPOHA program is not a junior college or community college. Upon completion of the PPOHA Program Profile Form, you are required to copy and paste the PPOHA Program Profile Form into a separate document or recreate the form exactly as it appears, and attach the form to the “Program Profile Narrative” in e-Application as either a .doc, .rtf, or .pdf document.

10. Applicants will also be required to complete a PPOHA Project Activity Budget Detail Form. Applicants are required to copy and paste the PPOHA Project Activity Budget Detail Form into a separate document or recreate the form exactly as it appears and attach it to the “PPOHA Activity Budget Narrative” in e-Application as either a .doc, .rtf, or .pdf document.

For technical support regarding e-Application, please call 1-888-336-8930. Also, refer to “Submission Procedures and Tips for Applicants” found on pages 5-7 of this application booklet.

You are reminded that the document published in the Federal Register is the official document and that you should not rely upon any information that is inconsistent with the guidance contained within the official document.

Applicants will attach the project narrative to the “Project Narrative Attachment Form” in the Application Package, in e-Application.

Please note that you must limit the section of the narrative that addresses the selection criteria to no more than **50 pages** using the following standards:

Formatting

A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and both sides. Double-space (no more than three lines per vertical inch) all text in the application narrative, except titles, headings, footnotes, quotations, references, captions, and all text in charts, tables, figures and graphs. These items may be single spaced. Charts, tables, figures, and graphs in the application narrative count toward the page limit. Applicants may use one of the following fonts: *Times New Roman, Courier, Courier New or Arial, only*. Applications submitted in any other font (including Times Roman and Arial Narrow) will not be accepted. Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch). The page limit does not apply to the cover sheet; the budget section, including the budget narrative justification; the assurances and certifications, or the one-page abstract. We will reject your application if you exceed the page limit.

Before preparing the Project Narrative, applicants should review the Program Statute, Authorized Activities on page 36 of the Application Package (one or more of the listed activities should be used), the Federal Register Notice, the Dear Applicant Letter, and Competition Highlights for specific guidance and requirements.

The Secretary evaluates an application according to the Education Department General Administrative Regulations (EDGAR) selection criteria in 34 CFR 75.210. The Project Narrative should provide in detail the information that addresses each selection criterion. The maximum possible score for each category of selection criterion is indicated in parenthesis. For ease of reading by the reviewers, applicants should follow the sequence of the criteria as provided below. Applications should be written in a concise and clear manner. You must limit the section of the narrative that addresses the selection criteria to no more than 50 pages for the Individual Development Grant application.

THE FOLLOWING GUIDANCE MAY ASSIST YOU IN ADDRESSING EACH OF THE WEIGHTED SELECTION CRITERIA:

Need for the Project: When addressing this criterion, applicants should provide detailed information that not only identifies a need for their proposed project but they should also provide data that supports their claim for a need for the proposed project. Supporting documentation may consist of recent statistics from State, local and Federal sources; mission statement; comparison data from similar institutions, etc.

Quality of the Project Design: When addressing this criterion, applicants should clearly and succinctly identify the goals, objectives, and outcomes to be achieved. A mere listing of the goals, objectives, and outcomes is not sufficient. The identified goals, objectives and outcomes should not only address the identified need for the project but should also be measurable and support the purpose of the HSI program.

Quality of Project Services: When addressing this criterion, applicants should clearly spell out the activities and services it is proposing and the intended recipients or beneficiaries of each service or activity. A mere listing of the services and beneficiaries is not enough. Provide details as to the types of activities and services to be provided and the extent to which the activities and services reflect up-to-date knowledge from research and effective practice. In other words, will the proposed activities and services meet the need of the project?

Quality of Project Personnel: The minimum qualifications must be identified for all project personnel positions. The minimum educational qualifications should include the type of degree required and the acceptable field(s) of study. The type and minimum amount of work-related experience should also be described for each position.

Adequacy of Resources: This section should provide information that shows that the proposed budget will provide adequate resources necessary to successfully carry out the proposed project. Applicants should demonstrate here how the proposed costs would enable them to carry out the project and that the proposed costs are reasonable in relation to the objectives, design and significance of the proposed project.

Quality of Management Plan: Describe the plan of management. Who will be responsible for which tasks? What are the expected timelines and proposed budgets for each activity or service? What are the expected milestones for accomplishing the proposed activities or services? Have you included procedures that will ensure feedback and the opportunity for continuous improvement in the operation of the proposed project? Be sure that the management plans are clearly and concisely defined.

Quality of the Project Evaluation: A strong evaluation plan should be included and should be used, as appropriate, to shape the development of the project from the beginning of the grant period. The evaluation plan should include process and outcome performance measures and benchmarks to monitor progress toward meeting specific project objectives and goals. Specifically, the plan should identify the individual or organization that has agreed to serve as evaluator for the project and describe the qualifications of the evaluator. The plan should describe the evaluation design, indicating: (1) what types of data will be collected; (2) when various types of data will be collected; (3) what methods will be used; (4) what instruments will be developed and when; (5) how the data will be analyzed; (6) when reports and outcomes will be available; and (7) how the applicant will use the information collected through evaluation to monitor progress of the funded project. Applicants are encouraged to devote an appropriate level of resources to project evaluation and should explain the measures and strategies that will be used to ensure that the evaluation is appropriately rigorous and independent.

Budget: Under **Adequacy of Resources**, applicants must provide a detailed, itemized budget (ED Form 524) and a detailed budget narrative for each 12-month budget period. The budget narrative is to be included in the *Project Narrative* to be attached to the Project Narrative Attachment Form in the application package in e-Application as

a .doc, .rtf, or .pdf document. The budget section includes the summary budget for each activity, the detailed budget for each activity, and the overall summary budget for the project. All budget information is evaluated under this criterion. Consider to what extent the proposed costs are necessary and reasonable in relation to the project's objectives and scope.

IMPORTANT – PLEASE READ FIRST
U.S. Department of Education
e-Application Submission Procedures and Tips for Applicants

<http://e-grants.ed.gov>

To facilitate your use of e-Application, this document includes important application preparation and submission procedures you need to be aware of to ensure your application is received in a timely manner and accepted by the Department of Education. Please read and follow these step-by-step directions to create and submit your application.

ATTENTION

Applicants using the Department of Education's e-Application system will need to register first to access an application package. Forms in an application package are completed on line and narratives are uploaded while logged into the system. Therefore, allow sufficient time to complete your application before the closing date. If you have not used e-Application in the past, you may want to walk through the Demo available on the e-Application homepage. If you encounter difficulties, you may also contact the e-Grants helpdesk on 1-888-336-8930. The following are steps you should follow to successfully complete an application with e-Application.

Step 1 – Determine if your program is accepting electronic applications. The Federal Register Notice of each program will indicate whether the program is accepting e-Applications as part of the Department's e-Application program. Here is a link to the Department's Federal Register notices: <http://www.ed.gov/news/fedregister/announce/index.html>. Additional information on the Department of Education's grant programs can be found at <http://www.ed.gov/about/offices/list/ocfo/grants/grants.html>.

Step 2 – Register in e-Application to access the application package. If you are a new user, you will need to register to use e-Application. From the e-Grants Portal Page <http://e-grants.ed.gov/>, click on the continue button and click the register button on the right side of the next page. Select the e-Application module and click the next button. Please provide the requested information. Your e-Grants password will be sent to the e-mail address you provide. Once you receive the e-mail, enter your username and password and click the login button. If you are a registered user and already have a username and password for e-Grants, use them to login. If you have access to more than one e-Grants module, you will be directed to select which module you wish to enter. Keep in mind that this username and password will be used for all e-Grants modules. In order to update your registration for additional e-Grants modules, click the appropriate tab on the top of the screen and provide the requested information.

Note the following browser compatibility problems. The site is viewed best in Internet Explorer 5. We currently support IE 5, Netscape 6.2, Firefox 2.2 (along with later versions of IE, Netscape and Firefox). Please make sure that you have **Cookies** and **JavaScript** enabled in your browser.

Step 3 - Add Application Package to your Start Page. From your Start Page, click on the "Add" button to see the list of application packages. Click on a specific package link on the List of Application Packages to apply. The package will now appear on your Start Page. From this point forward, you will access your unique application from your Start Page (not the Packages Page).

Step 4 - Begin the Application. Click on the underlined Application Package Title on your Start Page. This brings you to a page where you will see all of the application's forms and narratives listed as underlined links.

Step 5 - Fill out Forms. Enter a form by clicking on the underlined form title in order to enter data. Remember to click the "Save" button at the bottom of the form and check the "Form Completed" box for each form as you complete it.

Step 6 - Upload File(s) for Narrative Responses. Click on an underlined narrative form title for the e-Application. Enter the title of the document, and click on the "Browse" button to locate your file. Remember to click the "Save" button after you upload the document and check the "Form Completed" box when you finish uploading your file(s). Please note for file uploads, we accept .doc, .rtf, and .pdf files only. If you are using Word 2007, please save your document in a lower version of Word before uploading into e-Application.

Step 7 - Verify Information/Print Application. Verify your information is complete and correct on all required forms and narratives.

You have the option to print each form at any time by clicking on the print/view icon next to the appropriate form. After submission of the forms and narratives, you have the option to print a complete e-Application package in PDF by clicking on the "Request Complete Package in PDF" on the e-Application PR/Award page. A second window will open informing you that your request has been received and that you will be notified via email once it is available. This process can take anywhere from a few minutes to a few hours. Once you receive the email, click on the link in the text of the message and enter your username and password in the new window. This will open the PDF file from which you can view/print the entire package. In addition, a blank complete package in PDF will be accessible from the package page in e-Application.

Step 8 - Submit your Application. Only authorized individuals for your organization can submit an application. Please check with your certifying official or sponsored research office before submission. Click on the "Ready to submit" button at the bottom of your application. Enter and verify the Authorizing Representative information. Click the "Submit" button. You will receive an e-mail to confirm that your application was received, and it will include a unique application number. Please print and keep this e-mail for your records.

[Reminder: applications must be submitted before 4:30:00 pm, Washington, D.C. time, on the deadline date for applications. e-Application

will not accept your application if you try to submit it after 4:30:00 on the deadline date.]

Step 9 - **Fax the signed SF 424 Cover Page (or Program Specific Cover Page)**. Write your unique application number (received in step 8) on the upper right corner of your printed SF 424 Cover Page (or Program Specific Cover Page), and fax it to the Application Control Center (202) 245-6272 within 3 business days of submitting your e-Application.

NOTE: For more detailed information on submitting an e-Application, please see the **User Guide**. In addition, please try practicing with our e-Application Demo site by clicking on the Demo button found on the upper left corner of the e-Application Home Page. Both the User Guide and Demo can be found at <http://e-grants.ed.gov>.

Other Submission Tips

- 1) **SUBMIT EARLY – We strongly recommend that you do not wait until the last day to submit your application.** The time it takes to upload the narratives for your application will vary depending on a number of factors including the size of the files and the speed of your Internet connection. If you try to submit your application after 4:30:00 on the deadline date, the e-Application system will not accept it.
- 2) If electronic submission is optional and you have problems that you are unable to resolve before the deadline date and time for electronic applications, please follow the transmittal instructions for hard copy applications in the Federal Register notice and get a hard copy application postmarked by midnight on the deadline date.

If electronic submission is required, you must submit an electronic application before 4:30:00 p.m., unless you follow the procedures in the Federal Register notice and qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. (See the Federal Register notice for detailed instructions.)

- 3) **Dial-Up Internet Connections** - When using a dial up connection to upload and submit your application, it can take significantly longer than when you are connected to the Internet with a high-speed connection, e.g. cable modem/DSL/T1. While times will vary depending upon the size of your application, it can take a few minutes to a few hours to complete your grant submission using a dial up connection. If you do not have access to a high-speed connection and electronic submission is required, you may want to consider following the instructions in the Federal Register notice to obtain an exception to the electronic submission requirement no later than two weeks before the application deadline date. (See the Federal Register notice for detailed instructions.)

Attaching Files – Additional Tips

Please note the following tips related to attaching files to your application:

1. Ensure that you only attach the Department of Education approved file types detailed in the Federal Register application notice (.doc, .pdf or .rtf). If using Word 2007, save your file to a lower version of Word before uploading. Also, do not upload any password protected files to your application.
2. When attaching files, applicants should limit the size of their file names. Lengthy file names could result in difficulties with opening and processing your application. We recommend you keep your file names to less than 50 characters. In addition, applicants should avoid including special characters in their file names (for example, %, *, /, etc.) Both of these conditions (lengthy file names and/or special characters including in the file names) could result in difficulties opening and processing a submitted application.
3. Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files. Please note that each file attachment in e-Application has a file size limitation which is anywhere from 2 to 8 MB and the limitation will be indicated on the individual screen when you upload a file. For reference, however, the average discretionary grant application package totals 1 to 2 MB. Therefore, you may want to check the size of your attachments before uploading them into e-Application.

Dear Applicant:

Thank you for your interest in applying for a grant under the fiscal year (FY) 2010 competition for new awards under the Promoting Postbaccalaureate Opportunities For Hispanic Americans (PPOHA) Program. The purposes of the PPOHA program are to provide grants to: (1) expand postbaccalaureate educational opportunities for, and improve the academic attainment of, Hispanic students; and (2) expand the postbaccalaureate academic offerings as well as enhance the program quality in the institutions of higher education that are educating the majority of Hispanic college students and helping large numbers of Hispanic and low-income students complete postsecondary degrees.

In order to receive a grant under the PPOHA program, an institution of higher education must offer a postbaccalaureate certificate or postbaccalaureate degree program and have applied for and been designated as an eligible institution in accordance with eligibility requirements under Title V of the Higher Education Act (HEA). To be an eligible Hispanic-Serving Institution (HSI) for the PPOHA program, an IHE must:

- (1) Be accredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered, or is making reasonable progress toward accreditation, according to such an agency or association (20 U.S.C. 1101a(a) (2) (A) (iv));
- (2) Be legally authorized by the State in which it is located to provide an educational program for which it awards a bachelor's degree;
- (3) Be designated as an eligible institution by demonstrating that it: a) has an enrollment of needy students as described in 34 CFR 606.3; and b) has low average educational and general expenditures per full-time equivalent (FTE) undergraduate student as described in 34 CFR 606.4; and
- (4) Have an enrollment of undergraduate FTE students that is at least 25 percent Hispanic students at the end of the award year immediately preceding the date of application (20 U.S.C. 1101a(a) (5) (B)).

Please note that Sections 511-514 of Title V, Part B, of the HEA of 1965, as amended, apply to this competition. This letter highlights a few items in the application package that will be important to you in applying for grants under this program and additional information you may be required to provide. Please review the entire application package carefully before preparing and submitting your application.

The Notice Inviting Applications for the Designation as an Eligible Institution was published in the Federal Register on December 7, 2009, and the deadline for applications was January 6, 2010.

For this FY 2010 grant competition, applications for grants under the PPOHA program must be submitted electronically using e-Application. The U. S. Department of Education requires applicants to use the Department's Internet-based system, e-Grants, for submitting applications. A detailed description of this Internet-based system is included in this application package. You are urged to acquaint yourself with the requirements of this system early. You may access e-Grants through its portal page at:

<http://e-grants.ed.gov>

After you electronically submit your application, you will receive an e-mail with your PR award number, which is the identifying number for a discretionary grant award, confirming that your application was received.

We would like to share with you the importance of ensuring that your application includes a strong evaluation plan. The peer reviewers will be instructed to look closely at the potential of PPOHA program applicants to successfully reach their individual project goals, which are driven by the performance indicators for the PPOHA program. In

addition to including formative and summative measures, the evaluation plan should also address the use of appropriate controls and techniques that provide for independent evaluation. The evaluation plan should shape the development of the project from the beginning of the grant period and provide benchmarks for the monitoring of progress and measurement of that progress throughout the grant award period. You should pay close attention to the information provided in the Instructions for Project Narrative section of this application regarding the development of your evaluation activity. Technical Assistance workshops will be held to help grantees design and implement strong evaluations. These workshops will also emphasize the need for developing strong project-level performance measures that capture the impact of the activities grantees pursue. The Department is committed to helping grantees use data to achieve their goals and, in turn, help the Department improve our own technical assistance activities.

The Notice Inviting Applications for New Awards under the PPOHA program published in the Federal Register is the official document describing the requirements for submitting a PPOHA grant application. You should not rely upon any information that is inconsistent with the guidance contained in the official document. If you have any questions or require additional information, please contact Dr. Maria E. Carrington at Maria.Carrington@ed.gov or by phone at (202) 502- 7548. We encourage applicants to review the □ Competition Highlights□ found in the application package for an overview of important items.

I appreciate your interest in the Promoting Postbaccalaureate Opportunities for Hispanic Americans Program and look forward to receiving your application.

Sincerely,

Lynn B. Mahaffie
Acting Deputy Assistant Secretary
For Higher Education Programs

Instructions for ED 524

General Instructions

This form is used to apply to individual U.S. Department of Education (ED) discretionary grant programs. Unless directed otherwise, provide the same budget information for each year of the multi-year funding request. Pay attention to applicable program specific instructions, if attached. You may access the Education Department General Administrative Regulations, 34 CFR 74 – 86 and 97-99, on ED’s website at: <http://www.ed.gov/policy/fund/reg/edgarReg/edgar.html>

You must consult with your Business Office prior to submitting this form.

Section A - Budget Summary U.S. Department of Education Funds

All applicants must complete Section A and provide a break-down by the applicable budget categories shown in lines 1-11.

Lines 1-11, columns (a)-(e): For each project year for which funding is requested, show the total amount requested for each applicable budget category.

Lines 1-11, column (f): Show the multi-year total for each budget category. If funding is requested for only one project year, leave this column blank.

Line 12, columns (a)-(e): Show the total budget request for each project year for which funding is requested.

Line 12, column (f): Show the total amount requested for all project years. If funding is requested for only one year, leave this space blank.

Indirect Cost Information: If you are requesting reimbursement for indirect costs on line 10, this information is to be completed by your Business Office. (1): Indicate whether or not your organization has an Indirect Cost Rate Agreement that was approved by the Federal government.

If you checked “no,” ED generally will authorize grantees to use a temporary rate of 10 percent of budgeted salaries and wages subject to the following limitations:

(a) The grantee must submit an indirect cost proposal to its cognizant agency within 90 days after ED issues a grant award notification; and

(b) If after the 90-day period, the grantee has not submitted an indirect cost proposal to its cognizant agency, the grantee may not charge its grant for indirect costs until it has negotiated an indirect cost rate agreement with its cognizant agency.

(2): If you checked “yes” in (1), indicate in (2) the beginning and ending dates covered by the Indirect Cost Rate Agreement. In addition, indicate whether ED, another Federal agency (Other) or State agency issued the approved agreement. If you check “Other,” specify the name of the Federal or other agency that issued the approved agreement.

(3): If you are applying for a grant under a Restricted Rate Program (34 CFR 75.563 or 76.563), indicate whether you are using a restricted indirect cost rate that is included on your approved Indirect Cost Rate Agreement or whether you are using a restricted indirect cost rate that complies with 34 CFR 76.564(c)(2). Note: State or Local government agencies may not use the provision for a restricted indirect cost rate specified in 34 CFR 76.564(c)(2). Check only one response. Leave blank, if this item is not applicable.

Section B - Budget Summary Non-Federal Funds

If you are required to provide or volunteer to provide cost-sharing or matching funds or other non-Federal resources to the project, these should be shown for each applicable budget category on lines 1-11 of Section B.

Lines 1-11, columns (a)-(e): For each project year, for which matching funds or other contributions are provided, show the total contribution for each applicable budget category.

Lines 1-11, column (f): Show the multi-year total for each budget category. If non-Federal contributions are provided for only one year, leave this column blank.

Line 12, columns (a)-(e): Show the total matching or other contribution for each project year.

Line 12, column (f): Show the total amount to be contributed for all years of the multi-year project. If non-Federal contributions are provided for only one year, leave this space blank.

Section C - Budget Narrative [Attach separate sheet(s)] Pay attention to applicable program specific instructions, if attached.

1. Provide an itemized budget breakdown, and justification by project year, for each budget category listed in Sections A and B. For grant projects that will be divided into two or more separately budgeted major activities or sub-projects, show for each budget category of a project year the breakdown of the specific expenses attributable to each sub-project or activity.
2. For non-Federal funds or resources listed in Section B that are used to meet a cost-sharing or matching requirement or provided as a voluntary cost-sharing or matching commitment, you must include:
 - a. The specific costs or contributions by budget category;
 - b. The source of the costs or contributions; and
 - c. In the case of third-party in-kind contributions, a description of how the value was determined for the donated or contributed goods or services.

[Please review ED's general cost sharing and matching regulations, which include specific limitations, in 34 CFR 74.23, applicable to non-governmental entities, and 80.24, applicable to governments, and the applicable Office of Management and Budget (OMB) cost principles for your entity type regarding donations, capital assets, depreciation and use allowances. OMB cost principle circulars are available on OMB's website at: <http://www.whitehouse.gov/omb/circulars/index.html>]

3. If applicable to this program, provide the rate and base on which fringe benefits are calculated.
4. If you are requesting reimbursement for indirect costs on line 10, this information is to be completed by your Business Office. Specify the estimated amount of the base to which the indirect cost rate is applied and the total indirect expense. Depending on the grant program to which you are applying and/or your approved Indirect Cost Rate Agreement, some direct cost budget categories in your grant application budget may not be included in the base and multiplied by your indirect cost rate. For example, you must multiply the indirect cost rates of "Training grants" (34 CFR 75.562) and grants under programs with "Supplement not Supplant" requirements ("Restricted Rate" programs) by a "modified total direct cost" (MTDC) base (34 CFR 75.563 or 76.563). Please indicate which costs are included and which costs are excluded from the base to which the indirect cost rate is applied.

When calculating indirect costs (line 10) for "Training grants" or grants under "Restricted Rate" programs, you must refer to the information and examples on ED's website at: <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

You may also contact (202) 377-3838 for additional information regarding calculating indirect cost rates or general indirect cost rate information.

5. Provide other explanations or comments you deem necessary.

Definitions:

Novice Applicant (See 34 CFR 75.225). For discretionary grant programs under which the Secretary gives special consideration to novice applications, a novice applicant means any applicant for a grant from ED that—

- Has never received a grant or subgrant under the program from which it seeks funding;
- Has never been a member of a group application, submitted in accordance with 34 CFR 75.127-75.129, that received a grant under the program from which it seeks funding; and
- Has not had an active discretionary grant from the Federal government in the five years before the deadline date for applications under the program. For the purposes of this requirement, a grant is active until the end of the grant's project or funding period, including any extensions of those periods that extend the grantee's authority to obligate funds.

In the case of a group application submitted in accordance with 34 CFR 75.127-75.129, a group includes only parties that meet the requirements listed above.

PROTECTION OF HUMAN SUBJECTS IN RESEARCH

I. Definitions and Exemptions

A. Definitions.

A research activity involves human subjects if the activity is research, as defined in the Department's regulations, and the research activity will involve use of human subjects, as defined in the regulations.

—Research

The ED Regulations for the Protection of Human Subjects, Title 34, Code of Federal Regulations, Part 97, define research as “a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge.” *If an activity follows a deliberate plan whose purpose is to develop or contribute to generalizable knowledge it is research.* Activities which meet this definition constitute research whether or not they are conducted or supported under a program that is considered research for other purposes. For example, some demonstration and service programs may include research activities.

—Human Subject

The regulations define human subject as “a living individual about whom an investigator (whether professional or student) conducting research obtains (1) data through intervention or interaction with the individual, or (2) identifiable private information.” *(1) If an activity involves obtaining information about a living person by manipulating that person or that person's environment, as might occur when a new instructional technique is tested, or by communicating or interacting with the individual, as occurs with surveys and interviews, the definition of human subject is met. (2) If an activity involves obtaining private information about a living person in such a way that the information can be linked to that individual (the identity of the subject is or may be readily determined by the investigator or associated with the information), the definition of human subject is met.* [Private information includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a school health record).]

B. Exemptions.

Research activities in which the **only** involvement of human subjects will be in one or more of the following six categories of **exemptions** are

not covered by the regulations:

- (1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (a) research on regular and special education instructional strategies, or (b) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.
- (2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless: (a) information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and (b) any disclosure of the human subjects' responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, or reputation. ***If the subjects are children, exemption 2 applies only to research involving educational tests and observations of public behavior when the investigator(s) do not participate in the activities being observed. Exemption 2 does not apply if children are surveyed or interviewed or if the research involves observation of public behavior and the investigator(s) participate in the activities being observed.*** [Children are defined as persons who have not attained the legal age for consent to treatments or procedures involved in the research, under the applicable law or jurisdiction in which the research will be conducted.]
- (3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior that is not exempt under section (2) above, if the human subjects are elected or appointed public officials or candidates for public office; or federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.
- (4) Research involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.
- (5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine: (a) public benefit or service programs; (b) procedures for obtaining benefits or services under those programs; (c) possible changes in or alternatives to those programs or procedures; or (d) possible changes in methods or levels of payment for benefits or services under those programs.
- (6) Taste and food quality evaluation and consumer acceptance studies, (a) if wholesome foods without additives are consumed or (b) if a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

II. Instructions for Exempt and Nonexempt Human Subjects Research Narratives

If the applicant marked "Yes" for Item 3 of Department of Education Supplemental Information for SF 424, the applicant must provide a human subjects "exempt research" or "nonexempt research" narrative. Insert the narrative(s) in the space provided. If you have multiple projects and need to provide more than one narrative, be sure to label each set of responses as to the project they address.

A. Exempt Research Narrative.

If you marked "Yes" for item 3 a. and designated exemption numbers(s), provide the "exempt research" narrative. The narrative must contain sufficient information about the involvement of human subjects in the proposed research to allow a determination by ED that the designated exemption(s) are appropriate. The narrative must be succinct.

B. Nonexempt Research Narrative.

If you marked "No" for item 3 a. you must provide the "nonexempt research" narrative. The narrative must address the following seven points. Although no specific page limitation applies to this section of the application, be succinct.

- (1) **Human Subjects Involvement and Characteristics:** Provide a detailed description of the proposed involvement of human subjects. Describe the characteristics of the subject population, including their anticipated number, age range, and health status. Identify the criteria for inclusion or exclusion of any subpopulation. Explain the rationale for the involvement of special classes of subjects, such as children, children with disabilities, adults with disabilities, persons with mental disabilities, pregnant women, prisoners, institutionalized individuals, or others who are likely to be vulnerable
- (2) **Sources of Materials:** Identify the sources of research material obtained from individually identifiable living human subjects in the form of specimens, records, or data. Indicate whether the material or data will be obtained specifically for research purposes or whether use will be made of existing specimens, records, or data.

(3) **Recruitment and Informed Consent:** Describe plans for the recruitment of subjects and the consent procedures to be followed. Include the circumstances under which consent will be sought and obtained, who will seek it, the nature of the information to be provided to prospective subjects, and the method of documenting consent. State if the Institutional Review Board (IRB) has authorized a modification or waiver of the elements of consent or the requirement for documentation of consent.

(4) **Potential Risks:** Describe potential risks (physical, psychological, social, legal, or other) and assess their likelihood and seriousness. Where appropriate, describe alternative treatments and procedures that might be advantageous to the subjects.

(5) **Protection Against Risk:** Describe the procedures for protecting against or minimizing potential risks, including risks to confidentiality, and assess their likely effectiveness. Where appropriate, discuss provisions for ensuring necessary medical or professional intervention in the event of adverse effects to the subjects. Also, where appropriate, describe the provisions for monitoring the data collected to ensure the safety of the subjects.

(6) **Importance of the Knowledge to be Gained:** Discuss the importance of the knowledge gained or to be gained as a result of the proposed research. Discuss why the risks to subjects are reasonable in relation to the anticipated benefits to subjects and in relation to the importance of the knowledge that may reasonably be expected to result.

(7) **Collaborating Site(s):** If research involving human subjects will take place at collaborating site(s) or other performance site(s), name the sites and briefly describe their involvement or role in the research.

Copies of the Department of Education's Regulations for the Protection of Human Subjects, 34 CFR Part 97 and other pertinent materials on the protection of human subjects in research are available from the Grants Policy and Oversight Staff, Office of the Chief Financial Officer, U.S. Department of Education, Washington, D.C. 20202-4250, telephone: (202) 245-6120, and on the U.S. Department of Education's Protection of Human Subjects in Research Web Site: <http://www.ed.gov/about/offices/list/OCFO/humansub.html>

Section 427 of GEPA

NOTICE TO ALL APPLICANTS

The purpose of this enclosure is to inform you about a new provision in the Department of Education's General Education Provisions Act (GEPA) that applies to applicants for new grant awards under Department programs. This provision is Section 427 of GEPA, enacted as part of the Improving America's Schools Act of 1994 (Public Law (P. L.) 103-382).

To Whom Does This Provision Apply?

Section 427 of GEPA affects applicants for new grant awards under this program. **ALL APPLICANTS FOR NEW AWARDS MUST INCLUDE INFORMATION IN THEIR APPLICATIONS TO ADDRESS THIS NEW PROVISION IN ORDER TO RECEIVE FUNDING UNDER THIS PROGRAM.**

(If this program is a State-formula grant program, a State needs to provide this description only for projects or activities that it carries out with funds reserved for State-level uses. In addition, local school districts or other eligible applicants that apply to the State for funding need to provide this description in their applications to the State for funding. The State would be responsible for ensuring that the school district or other local entity has submitted a sufficient section 427 statement as described below.)

What Does This Provision Require?

Section 427 requires each applicant for funds (other than an individual person) to include in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its Federally-assisted program for students, teachers, and other program beneficiaries with special needs. This provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, or age. Based on local circumstances, you should determine whether these or other barriers may prevent your students, teachers, etc. from such access or participation in, the Federally-funded project or activity. The description in your application of steps to be taken to overcome these barriers need not be lengthy; you may provide a clear and succinct

description of how you plan to address those barriers that are applicable to your circumstances. In addition, the information may be provided in a single narrative, or, if appropriate, may be discussed in connection with related topics in the application.

Section 427 is not intended to duplicate the requirements of civil rights statutes, but rather to ensure that, in designing their projects, applicants for Federal funds address equity concerns that may affect the ability of certain potential beneficiaries to fully participate in the project and to achieve to high standards. Consistent with program requirements and its approved application, an applicant may use the Federal funds awarded to it to eliminate barriers it identifies.

What are Examples of How an Applicant Might Satisfy the Requirement of This Provision?

The following examples may help illustrate how an applicant may comply with Section 427.

- (1) An applicant that proposes to carry out an adult literacy project serving, among others, adults with limited English proficiency, might describe in its application how it intends to distribute a brochure about the proposed project to such potential participants in their native language.
- (2) An applicant that proposes to develop instructional materials for classroom use might describe how it will make the materials available on audio tape or in braille for students who are blind.
- (3) An applicant that proposes to carry out a model science program for secondary students and is concerned that girls may be less likely than boys to enroll in the course, might indicate how it intends to conduct "outreach" efforts to girls, to encourage their enrollment.

We recognize that many applicants may already be implementing effective steps to ensure equity of access and participation in their grant programs, and we appreciate your cooperation in responding to the requirements of this provision.

Estimated Burden Statement for GEPA Requirements

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is **1894-0005**. The time required to complete this information collection is estimated to average 1.5 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. **If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to:** U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, D.C. 20202-4537.
