

**What area of reform(s) is necessary to engage external stakeholders?
Define performance issue relating to policy or initiative.**

--

Whom do you want to engage and what data would you use?

<p>Who would you want to engage? Which stakeholder group, and who specifically within in?</p>	<p>Where, how and in what format would the dialogue take place?</p>	<p>What data and evidence would you use?</p>
---	---	--

How would you meet the key objectives of a performance dialogue?

<p>How would you help participants come to a shared understanding of progress?</p>	<p>What key questions would you pose to the group?</p>
<p>What feedback would you seek?</p>	<p>What kinds of next steps and commitments would you hope to see from the group, including help in shaping and sharing messages about the State's progress?</p>
