MEMORANDUM

TO: Kathleen Tighe, Inspector General
   Office of the Inspector General

FROM: Thomas P. Skelly
       Delegated to Perform Function and Duties of the Chief Financial Officer

SUBJECT: Report on High-Dollar Overpayments for the Quarter Ended June 30, 2014

The purpose of this memorandum is to comply with the high-dollar overpayment reporting requirements addressed in the Office of Management and Budget (OMB) implementation guidance M-10-13, dated March 22, 2010, relative to Executive Order 13520. The OMB implementation guidance requires agency heads to submit quarterly reports on high-dollar overpayments to the Office of Inspector General, and the Council of Inspectors General on Integrity and Efficiency.

During the reporting period covering April 1, 2014 through June 30, 2014, the U.S. Department of Education (Department) identified improper payments totaling $2,656,356.73. See attachment for additional details.

The Department is committed to ensuring the integrity of its programs and is focused on identifying and managing the risk of improper payments and mitigating the risk with adequate control activities. The Department will continue to work closely with the Office of the Inspector General and OMB to explore additional opportunities for identifying and reducing potential improper payments.

If you have any questions, please contact Phillip Juengst at (202) 245-8030.

Vernon      | Jefferson         | Illinois           | Direct Loan | The loan servicer misapplied a payment to the wrong borrower’s account. That action generated a refund due prompt. On 3/10/2014 the loan servicer incorrectly processed a refund in the amount of $19,110.27 to the borrower.  
The servicer discovered the error on 3/24/2014 when the borrower contacted the servicer’s call center. The servicer issued a stop payment and the entire amount was recovered on 4/13/2014. | The servicer’s refund approvers will be retrained to ensure that prior to approval refunds are verified against multiple, unique identifiers: social security number, amount due, and Treasury schedule ID. |

The employee had then been fully reinstated. On 3/18/14 the employee reported an overpayment of $17,294.20 to the supervisor of record. The supervisor concluded that the employee had the improper annuitant code, which caused the overpayment. The employee was advised to contact the National Business Center. The full amount was recovered on 5/27/2014. | The personnel responsible for processing such transactions were retrained on the appropriate and relevant coding for such transactions.                                                                 |
