MEMORANDUM

TO: Kathleen Tighe, Inspector General
Office of the Inspector General

FROM: Thomas P. Skelly *Thomas P. Skelly*
Delegated to Perform Function and Duties of the Chief Financial Officer

SUBJECT: Report on High-Dollar Overpayments for the Quarter Ended March 31, 2015

The purpose of this memorandum is to comply with the high-dollar overpayment reporting requirements addressed in the Office of Management and Budget (OMB) implementation guidance M-15-02, dated October 20, 2014, relative to Executive Order 13520. The OMB implementation guidance requires agency heads to submit quarterly reports on high-dollar overpayments in programs susceptible to significant improper payments.

The U.S. Department of Education has three programs previously identified as susceptible to significant improper payments: Pell Grants, Direct Loan, and Federal Family Education Loan. During the reporting period covering January 1, 2015 through March 31, 2015, the Department identified no high-dollar overpayments to report for these programs.

The Department is committed to ensuring the integrity of its programs and is focused on identifying and managing the risk of improper payments and mitigating the risk with adequate control activities. The Department will continue to work closely with the Office of the Inspector General and OMB to explore additional opportunities for identifying and reducing potential improper payments.
