Compliance Review #15-11-5004**

Lincoln Preparatory School (Lincoln Prep) voluntarily submits this Resolution Agreement (Agreement) to the U.S. Department of Education, Office for Civil Rights (OCR) for the purpose of resolving the above-referenced compliance review and ensuring compliance with Title VI of the Civil Rights Act of 1964 (Title VI), 42 U.S.C. §§ 2000d *et. seq.*, and its implementing regulation at 34 C.F.R. Part 100; Section 504 of the Rehabilitation Act of 1973 (Section 504), 29 U.S.C. § 794, and its implementing regulation at 34 C.F.R. Part 104; and Title II of the Americans with Disabilities Act of 1990 (Title II), 42 U.S.C. § 12131 *et seq.*, and its implementing regulation at 28 C.F.R. Part 35. This concludes OCR’s investigation of the issues of this review to date and should not be interpreted to address Lincoln Prep’s compliance with any other regulatory provision or to address any issues other than those addressed in this agreement. Accordingly, Lincoln Prep agrees to implement the actions described below:

English Language Learner Program

1. By January 1, 2015, Lincoln Prep will develop a comprehensive plan (the comprehensive plan) outlining how it will provide English language services and instruction to English language learner (EL) students enrolled in Lincoln Prep. The approach/methodology must be recognized as sound by some experts in the field or recognized as a legitimate educational strategy. The comprehensive plan will include the following:
 - A. Regarding identification of EL students, the Lincoln Prep will continue to complete Home Language Surveys for all students who enroll. Lincoln Prep will review completed Home Language Surveys, as well as teacher input to identify all students who have a primary or home language other than English. Lincoln Prep will distribute the Home Language Survey in English and in Spanish. For those languages that are less prominent, Lincoln Prep will have translated versions of the survey available or will advise national origin minority limited English proficient (LEP) parents, in a language they understand, of whom to contact at Lincoln Prep if they need assistance in understanding and completing the survey.
 - B. Regarding assessment of potential EL students, Lincoln Prep will continue to promptly and objectively assess students identified as having a primary or home language other than English to determine their proficiency in reading, writing, speaking, and understanding English. Lincoln Prep will articulate what level of performance on the assessments qualifies students for EL services, the placement determination regarding the EL student’s participation in the EL program and the EL services provided by Lincoln Prep to the EL student. Lincoln Prep will promptly notify EL students’ parents of the assessment results in a language they understand and the EL services to be provided in a language they understand.
 - C. Lincoln Prep will develop a system to maintain records for all EL students that will include information that allows them to track the services provided to their EL students, such as student, name, school, grade level, assessment results, proficiency level, and the type, amount, and time of language services to be provided.

- D. Regarding EL program staffing, Lincoln Prep will ensure that EL program staff and providers are qualified for their positions. Additionally, Lincoln Prep will ensure that EL program staffing is sufficient to provide EL students the EL services necessary to meet their needs.
- E. Regarding EL program instructional materials, Lincoln Prep will ensure that the instructional materials that it provides to the EL program are appropriate to the EL program and grade level of the students it serves. Lincoln Prep will also ensure that the instructional materials are comparable in quality and scope to the materials provided to all students.
- F. Regarding EL program facilities, Lincoln Prep will ensure that the facilities and locations in which it delivers EL instruction and services are both adequate to program needs and comparable in size and quality to the facilities and locations in which all students are educated.
- G. Regarding EL student progress, Lincoln Prep will monitor EL student progress in order to identify EL students not making adequate progress toward meeting the Lincoln Prep’s identified EL program goals. Lincoln Prep will identify the specific interventions that it will provide to EL students who do not exhibit adequate progress. Lincoln Prep will document the monitoring as well as the special interventions that it provides to individual EL students.
- H. Regarding peer integration, Lincoln Prep will continue to ensure that it does not separate EL students from their non-EL peers, except to the extent such separation is necessary to the stated goals of the EL program.
- I. Regarding EL students with disabilities or suspected disabilities, Lincoln Prep will ensure that it appropriately identifies EL students who need or are believed to need special education or related services. Additionally, it will obtain input from relevant EL program staff when a group of knowledgeable person evaluates, reevaluates or makes making placement decisions for EL students with disabilities.
- J. Regarding special programs (e.g., advanced placement, honors) and extra-curricular activities, if available, Lincoln Prep will ensure that EL students have the same opportunity to participate in such programs as their non-EL peers.
- K. Regarding exit criteria and monitoring of students exited from the EL program, Lincoln Prep will articulate appropriate criteria for determining when they should exit an EL student from the EL program. Lincoln Prep will also ensure that EL program personnel monitor the academic and English language proficiency of students exited from the EL program for at least two years after their exit from the EL program. Lincoln Prep will ensure that EL personnel monitoring the exited student will consider, at a minimum, report cards, progress reports, teacher input, and standardized test scores to determine to place the EL student back in EL program. Lincoln Prep will assess whether each student exited from the EL program is able to achieve without EL program services (including by reviewing grades and academic achievement data) and if an exited student is unable to

achieve without EL program services, Lincoln Prep will determine the EL services to be provided to the EL student. Lincoln Prep will promptly notify EL students' parents of the assessment results in a language they understand and the EL services to be provided in a language they understand.

- L. Regarding EL program evaluation, Lincoln Prep will establish and implement a program and criteria for periodically evaluating the effectiveness of its EL program in providing EL students a meaningful opportunity to develop English-language skills and benefit from their overall educational programs. Lincoln Prep will ensure that it makes prompt and appropriate changes to their EL programs based on the evaluation.
2. Within 30 calendar days of receipt of the OCR-approved comprehensive plan, Lincoln Prep will adopt and implement the plan.

Limited English Proficient (LEP) Parent Communication

3. By January 1, 2015, Lincoln Prep will develop a written plan to provide language assistance to LEP parents that ensures that national origin minority LEP parents are notified, in a language understood by the parents, of school activities and other information and matters that are called to the attention of other parents. The written plan will include:

- A. A process for notifying LEP parents and all staff of the availability of free language assistance services with respect to information about Lincoln Prep programs and activities (e.g., orientation sessions, parent-teacher conferences, meetings with the school principal, special education meetings, etc.). The notification will include information about how to access the services and identify a Lincoln Prep contact person who can assist parents in accessing interpreter services or translated documents. The notification will be in a language understood by the LEP parents. The notice will be published on Lincoln Prep's website, in student and parent handbooks, and in any Lincoln Prep newsletters.
- B. A process for identifying LEP parents who may need language assistance, including, at a minimum:
 - Asking parents in a language they understand (in writing and/or orally, as appropriate) if they need written translations or oral interpretation of communications and, if so, to specify the language; and
 - Using home language surveys to ask parents if they need written translations or oral interpretation of communications and, if so, to specify the language(s) needed.
- C. A process that ensures that Lincoln Prep has a centralized list of LEP parents identified as needing language assistance services, the type of language assistance services that they need, and a log of the language assistance services provided to them by date of service, type of service (e.g., translation or interpreter services for special education, disciplinary

proceedings), and service provider (including name, position, and qualifications). Lincoln Prep will ensure that the list is available to all staff in the building that may interact with LEP parents.

- D. A process by which Lincoln Prep staff that are likely to interact with an identified LEP parent are advised of the parent's potential need for language assistance services, the circumstances under which they may need assistance (e.g., parent-teacher conferences, documents related to disciplinary actions, disciplinary hearings, documents related to Individualized Education Programs (IEP) or Section 504 Plans, and IEP team meetings), the type of language assistance that they may need (e.g., translation services or interpreter services), the means by which they may timely obtain such assistance for the parent, and the available translated documents.
 - E. A process by which Lincoln Prep staff may obtain in a timely manner appropriate, qualified translators or interpreters as needed (this could include the use of various services such as onsite translators/interpreters, telephonic translators/interpreters services, and translation programs); Lincoln Prep's means to provide the services must be well-publicized and accessible to staff.
 - F. A process by which Lincoln Prep ensures that the interpreters and translators it uses are proficient in the languages spoken by students and parents of students who attend Lincoln Prep and competent to provide interpretation and translation services. Lincoln Prep will also ensure that all interpreters and translators are trained on the role of an interpreter and translator, the ethics of interpreting and translating, and the need to maintain confidentiality.
 - G. A process for identifying and translating, to the extent feasible, written documents that are routinely sent to other parents into the language of each predominant language group. For languages that are less predominant or where translations are not feasible, Lincoln Prep will ensure that student and parents have been advised, in a language they understand, of whom to contact at Lincoln Prep if they need assistance in understanding notices or communications with staff members. Lincoln Prep will notify staff members that these translations are available.
4. Within 30 days of receipt of the OCR-approved LEP language assistance plan developed pursuant to Item 3 Lincoln Prep will adopt and implement the plan.

For any student evaluated for a Section 504 plan, the team will consider whether the student has been denied a free and appropriate public education (FAPE) as a result of not being identified by Lincoln Prep earlier, and if so will determine, what, if any, compensatory education is necessary to make up for time period the student was denied a FAPE.
