RESOLUTION AGREEMENT  
Vermont College of Fine Arts  
OCR Complaint No. 01-17-2097

Vermont College of Fine Arts (College) has voluntarily entered into this agreement (Agreement) to resolve the allegations in the above-referenced complaint. The College agreed to resolve this complaint prior to the completion of OCR’s investigation pursuant to Section 302 of OCR’s Case Processing Manual. This Agreement is for the purpose of resolving a disputed claim and is not, and will not be construed as an admission by the College of a violation of Section 504 or its implementing regulations or an admission of liability, fault, or wrongdoing of any kind by the College. The College assures that it will take the following actions.

**Action Item 1: Snow Removal Policy and Procedures**

The College will develop a policy and procedures to ensure that snow removal is completed in a manner that ensures accessibility for students and staff with disabilities. In developing its policy and procedures, the College will consider, for example, (a) creating a list of priority paths for snow removal and/or other protocols to allow for rapid and complete snow removal in areas that are priorities for disability-related reasons, (b) implementing quality control measures, such as periodic inspections of ramps and walkways, (c) creating a hotline or online system for students and staff to report snow removal issues, and (d) soliciting periodic input from students and staff regarding its snow removal practices and protocols. The College will designate an individual(s) responsible for implementation of the policy and procedures.

**Reporting Requirements:**

a. By March 1, 2021, the College will provide OCR with (i) a copy of its snow removal policy and procedures and (ii) documentation showing that the College has disseminated the policy and procedures by email to appropriate College staff.

b. By June 1, 2022, for the 2021-2022 school year, the College will provide OCR with documentation showing that the College has taken the necessary steps to implement the snow removal policy and procedures. Along with other documentation showing implementation of the plan, the College will provide a log of all situations during the 2021-2022 school year in which students with disabilities notified the College of problems encountered regarding snow removal—the log will specify the student’s name, the name of the staff person contacted, the nature of the concern, and the date and manner in which the concern was addressed.

**Action Item 2: Mailroom Access**

The College will investigate which entrance(s) to College Hall are unlocked on the weekends and during what times. If the College finds there are times when students without mobility impairments can access the mailroom even when College Hall is closed, the College will create a protocol to ensure that its mailroom is open and accessible to students with mobility impairments.
to the same extent as it is to students without mobility impairments. The College will also send an email to students who have registered with the College as having mobility impairments notifying them of the hours the mailroom will be open and whom to contact (name/title/contact information) if they encounter any issues accessing the mailroom during those times.

**Reporting Requirements:**

a. By **March 1, 2021**, the College will provide OCR with documentation showing that it has investigated which entrance(s) to College Hall are unlocked on the weekends and during what times.

b. If the College finds there are times when its mailroom is only accessible to students without mobility impairments, the College will provide OCR, by **April 1, 2021**, with (i) a copy of the protocol described in Action Item 2, (ii) documentation showing that the College has disseminated the protocol to appropriate College staff, and (iii) a copy of the email sent to students described in Action Item 2. In addition, if any students with mobility impairments report issues accessing the mailroom during times students without mobility impairments have access, the College will provide OCR documentation showing its handling of such issues.

**Action Item 3: Trainings**

a. The College will provide training, which may be conducted via a videoconference platform such as Zoom, to all staff who are involved in snow removal issues (including, but not limited to, the Accessibility Services Coordinator and Section 504 Coordinator, the Vice President for Campus Planning, and the Executive Director of Facilities Operations) on:

   i. the physical accessibility requirements of Section 504, including the obligation that exterior accessible routes be maintained in operable working condition including during inclement weather; and

   ii. the College’s updated snow removal policy and procedures (see Action Item 1).

b. The College will provide Section 504 training, which may be conducted via a videoconference platform such as Zoom, to all academic program directors, including but not limited to the XXXXXXXXXXX Program; the Accessibility Services Coordinator and Section 504 Coordinator; and all staff who are responsible for processing requests for academic adjustments, auxiliary aids and services, and/or disability-related housing modifications. The Section 504 training will include a discussion of the following:

   i. the College’s obligation to ensure that no qualified individual with a disability shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any postsecondary education aid, benefits, or services;
ii. the College’s obligation to provide students with appropriate academic adjustments and auxiliary aids and services that are necessary to afford students an equal opportunity to participate in the College’s program—and that the obligation to provide adjustments applies to class field trips and any other off-campus programs or activities of the College;

iii. the College’s obligation to provide program accessibility for individuals with mobility impairments, and that carrying is generally an unacceptable method for achieving program accessibility; and

iv. the College’s obligation to provide housing to students with disabilities that is convenient, accessible, and comparable to the housing provided to students without disabilities.

**Reporting Requirements:** By April 1, 2021, the College will provide OCR with documentation demonstrating that the trainings were delivered in accordance with Action Item 3, including agendas, copies of all training materials, and attendance sheets from the trainings.

The College understands that by signing this Agreement, it agrees to provide data and other information in a timely manner in accordance with the reporting requirements of the Agreement. Further, the College understands that during the monitoring of this Agreement, if necessary, OCR may visit the College, interview staff and students, and request such additional reports or data as are necessary for OCR to determine whether the College has fulfilled the terms and obligations of this Agreement. Upon the College’s satisfaction of the commitments made under the Agreement, OCR will close the case.

The College understands and acknowledges that OCR may initiate proceedings to enforce the specific terms and obligations of this Agreement and/or the applicable statute(s) and regulation(s). Before initiating such proceedings, OCR shall give the Recipient written notice of the alleged breach and sixty (60) calendar days to cure the alleged breach.

The Agreement will become effective immediately upon the signature of the College’s representative below.
