

RESOLUTION AGREEMENT
Wethersfield Public Schools
OCR Complaint No. 01-19-1260

Wethersfield Public Schools (District) has voluntarily entered into this agreement to resolve the allegations in the above-referenced complaint. The District agreed to resolve this complaint prior to the completion of OCR's investigation pursuant to Section 302 of OCR's *Case Processing Manual*. The District assures that it will take the following actions.

Action Item 1:

By June 30, 2020, the District will provide Section 504/Title II training to its math department staff. The training will include, at a minimum, the requirement that educators implement the aids and services prescribed by provisions of students Section 504 plans.

Reporting Requirement:

1. By June 30, 2020, the District will provide to OCR:
 - a. A list of the individuals who attended the training and their positions;
 - b. The date(s) the training was conducted; and
 - c. Copies of any training materials disseminated.

Action Item 2:

By June 30, 2020, after providing proper written notice to the Student's parent, the District will convene a team meeting to determine whether the District failed to provide the Student with list of operations word banks on homework checks from January to March 9, 2019, and if so, whether such denial resulted in the denial of a Free Appropriate Public Education (FAPE) for the Student. If the District determines that there was a denial of FAPE, then it will also determine what compensatory and/or remedial services, if any, will be provided to the Student to remedy the denial of FAPE. The services, if any, will be provided by math teacher, and may be provided during the Spring 2020 semester.

The District will ensure that the team includes a group of persons who are knowledgeable about the Student and his disability, the meaning of the Student's evaluation data, and the placement options. The District will make reasonable efforts to include the parent, and the District will provide the parent with notice of the procedural safeguards, including the right to challenge the team's determination through an impartial due process hearing.

Reporting Requirement:

1. By June 30, 2020, the District shall provide OCR with:
 - a. Any team meeting or other notes, including the names/titles of attendees, minutes of the meeting and, if applicable, an explanation of the District's method for determining the type and amount of compensatory services deemed appropriate for the Student; and

- b. Documentation showing the Student received any compensatory services deemed appropriate by the team and/or a schedule for providing the Student with any remaining services.

General Requirements

The District understands that by signing this Agreement, it agrees to provide data and other information in a timely manner in accordance with the reporting requirements of this Agreement. Further, the District understands that during the monitoring of this Agreement, if necessary, OCR may visit the District, interview staff and students, and request such additional reports or data as are necessary for OCR to determine whether the District has fulfilled the terms of this Agreement. Upon the District's satisfaction of the commitments made under the Agreement, OCR will close the case.
