The U.S. Department of Education, Office for Civil Rights (OCR) and Clarion University (University) enter into this Agreement to resolve the allegations in the above-referenced complaints. The University assures OCR that it will take the following actions to comply with the requirements of Section 504 of the Rehabilitation Act of 1973 (Section 504), as amended, 29 U.S.C. Prior to the completion of OCR’s investigation, the University agreed to resolve the issues of this investigation pursuant to Section 302 of OCR’s Case Processing Manual. Accordingly, to resolve the issues of this investigation, the University agrees to take the following actions.

1. The University recognizes its obligations under the regulation implementing Section 504 at 34 C.F.R. §§ 104.4(b), 104.43(a), 104.43(c), and 104.45, respectively, to provide housing to qualified students with disabilities in a nondiscriminatory manner and to provide comparable, convenient, and accessible housing to students with disabilities at the same cost as to others. The University also recognizes its obligations under the regulation implementing Title II at 28 C.F.R. §35.130(b)(7)(i) to make reasonable modifications in policies, practices, or procedures when the modifications are necessary to avoid discrimination on the basis of disability, unless it can demonstrate that making the modifications would fundamentally alter the nature of the service, program, or activity. The University will disseminate a memorandum (this memorandum can be sent electronically) to relevant staff in the University's Offices of Disability Support Services, Residence Life Services, and Social Equity reminding them of these obligations under Section 504 and Title II.

The University’s training will cover the University’s newly adopted policies and procedures developed pursuant to Action Step 2, and the University’s obligations to provide housing accommodations in accordance with the requirements of the regulation implementing Section 504 and Title II.

The University will provide OCR with the following information for its review and approval: (i) the room/building to which each student was assigned, (ii) the rate charged to each student, by semester, for the housing assigned; (iii) the alternative room(s)/building(s) to which each student could have been assigned, (iv) the rate for each alternative room/building to which the student could have been assigned; (v) the University’s recommendation for reimbursement to the student, if any; and, (vi) an explanation for the amount of the proposed reimbursement, if any, or decision not to provide a reimbursement.

**Reporting Requirement:** Within thirty days of OCR’s approval of the decisions made consistent with Action Step #5 above, the University will submit to OCR documentation demonstrating that
it provided reimbursement to all students approved for reimbursement, with the amount of the reimbursement indicated.

The University understands that by signing this Agreement, it agrees to provide the foregoing information in a timely manner in accordance with the reporting requirements of this Agreement. Further, the University understands that during the monitoring of this Agreement, if necessary, OCR may visit the University, interview staff and students, and request such additional reports or data as are necessary for OCR to determine whether the University has fulfilled the terms of this Agreement and is in compliance with Section 504 and its implementing regulation at 34 C.F.R. §§104.4(b), 104.43(a), 104.43(c), and 104.45 and Title II implementing regulation at 28 C.F.R. §35.130(b)(7)(i).
