Eastern Florida State College
OCR Complaint #04-13-2625

The U.S. Department of Education, Office for Civil Rights (OCR), initiated an investigation of the above-referenced complaint filed against Eastern Florida State College (College), pursuant to Section 504 of the Rehabilitation Act of 1973 (Section 504), as amended, 29 U.S.C. Section 794 et seq., and its implementing regulation at 34 C.F.R. Part 104, which prohibit discrimination on the basis of disability by recipients of Federal financial assistance from the Department; and Title II of the Americans with Disabilities Act of 1990 (Title II), 42 U.S.C. Sections 12131 et seq., and its implementing regulation at 28 C.F.R. Part 35, which prohibit discrimination on the basis of disability by public entities. Prior to the completion of OCR’s investigation, the College asked to resolve the allegations of the complaint pursuant to Section 302 of OCR’s Case Processing Manual (CPM). Although OCR has not made any findings regarding the College’s noncompliance and the College has not admitted to noncompliance, the College voluntarily enters this Resolution Agreement (Agreement) to resolve two issues in this investigation.

Student-Focused Remedy:

1. By **January 31, 2014**, the College will send the Complainant a letter of apology expressing regret for dismissing him from the XXXXXXX course, and assuring the Complainant of the College’s policy of prohibiting disability discrimination and retaliation.

   **Reporting Requirement:** By **February 14, 2014**, the College will provide OCR with a copy of the letter sent to the Complainant pursuant to Item #1.

2. By **January 31, 2014**, the College will expunge all records indicating that the Student was withdrawn from XXXXXXX in the Fall of 2013 due to the Complainant causing a “disruption to class decorum and learning environment” and send the Complainant a letter indicating that such action has been taken by the College.

   **Reporting Requirement:** By **February 14, 2014**, the College will provide OCR with a copy of the letter sent to the Complainant and any documentation indicating that all records have been expunged, pursuant to Item #2.

3. By **January 31, 2014**, the College will send a letter to the Professor instructing him on his obligation to provide students with disabilities with approved accommodations, including the use of audio recording devices. The College will instruct the Professor that he is prohibited from making any attempts to dissuade students with disabilities from using audio recording devices in his class, if this is an approved accommodation, by offering other accommodations or by recommending that the students enroll in another class whose professor does not object to the use of audio recording devices. The Professor will also be instructed that retaliation of any form is prohibited, and that retaliation against students who are seeking accommodations that he disagrees with will subject the Professor to disciplinary action.
Reporting Requirement: By February 14, 2014, the College will provide OCR with copies of the letter to the Professor confirming that it has taken appropriate personnel action pursuant to Item #3 above.

4. By January 31, 2014, the College will send a letter to staff in the OSD reminding them of their obligations to students with disabilities with approved accommodations. OSD will be reminded that when a professor objects to the provision of an approved accommodation, OSD must inform the professor that he or she is required to provide the accommodation and that failure to do so is a violation of Section 504 and Title II, and can result in disciplinary action against the professor. The OSD staff will also be instructed against retaliating against a student with a disability who is seeking to receive approved accommodations by: acquiescing in a professor’s request to have a student removed from the class because the professor does not agree with the approved accommodation; changing a student’s approved accommodation; or taking any other retaliatory action.

Reporting Requirement: By February 14, 2014, the College will provide OCR with copies of the letters to the OSD staff confirming that it has taken appropriate action pursuant to Item #4 above.

Grievance Procedures:

5. By January 30, 2014, the College will revise its Grievance Procedures to ensure that investigations provide prompt and equitable resolution of complaints pursuant to the implementing regulations of Section 504 and Title II. The revised Grievance Procedures will:
   a. apply the procedures to complaints alleging discrimination on the basis of disability and other protected bases carried out by employees, other students, or third parties;
   b. ensure an adequate, reliable, and impartial investigation of complaints, including the opportunity to present witnesses and other evidence;
   c. inform the complainant that in determining if discrimination has occurred, a preponderance of the evidence standard will be used;
   d. include an assurance that the College will take steps to prevent recurrence of any discrimination and to correct any discriminatory effects on the complainant and others, if appropriate;
   e. include a notification that the informal process is optional and not mandatory for complainants to access the formal process;

Reporting Requirement: By February 14, 2014, the College will submit to OCR for its review and approval, the procedures developed in accordance with item #5.

6. By April 30, 2014, or within 60 days after receiving written notification from OCR that the revised Grievance Procedures are consistent with the requirements of Section 504 and Title II (Notification to Proceed), whichever is later, the College will:
a. Adopt and implement the procedure;
