Student Focused Remedies

I. By August 31, 2015, the District will invite the Student back to the District to evaluate him for compensatory and transitional education services related to the Student’s memory problems associated with his disability.

Reporting Requirement: By September 7, 2015, the District will provide OCR with a copy of the letter described in Item #1.

2. By September 30, 2015, or within 2 weeks of the meeting described in Item #1, if the Student accepts the District’s offer described in Item #1, after providing proper written notice to the Student, a group of knowledgeable persons, including the parent/guardian, will determine whether the Student needs compensatory and/or remedial services and transitional services for the memory problems associated with his disability. If so, within 1 week of its determination, the group will develop a plan for providing timely compensatory and/or remedial services and transitional services to the Student. The District will provide the Student notice of the procedural safeguards, including the right to challenge the group’s determination through an impartial due process hearing.

Reporting Requirements:

(a) Within 2 weeks of completion of Item #2, the District will submit to OCR documents supporting the group’s decision. The documentation submitted shall include documentation showing the participants in the meeting, an explanation for decisions made, the information considered, and a description of and schedule for providing any compensatory and/or remedial services and transitional services (if any) to the Student.
OCR will, prior to approving the District’s decision and plan for providing the proposed services, review the documentation to ensure that the District met the procedural requirements of the regulation implementing Section 504, at 34 C.F.R. §§104.34, 104.35 and 104.36, in making these determinations.

(b) By November 30, 2015, the District will provide documentation to OCR of the dates, times and locations that compensatory and/or remedial services and transitional services (if any) were provided, a description of what was provided, and the name(s) of the service provider(s).

Training:

3. By January 30, 2016, the District will initiate annual training of District principals, teachers, Section 504 Coordinators, Special Education Directors, counselors, and any other persons involved in the identification, evaluation and placement of students with disabilities or the implementation of Section 504 plans/Individual Education Programs, on the Section 504 and Title II requirements concerning evaluations of students with disabilities or suspected disabilities pursuant to the Section 504 implementing regulation at 34 C.F.R. § 104.35.
