Resolution Agreement  
Indiana University – Bloomington  
OCR Case No. 05-16-2032

The Indiana University – Bloomington (University) submits the following Resolution Agreement (Agreement) to the U.S. Department of Education, Office for Civil Rights (OCR), to resolve OCR Case #05-16-2032. The University submits this Agreement to ensure its compliance with Section 504 of the Rehabilitation Act of 1973 (Section 504), 29 U.S.C. § 794, and its implementing regulations at 34 C.F.R. Part 104, and Title II of the Americans with Disabilities Act of 1990 (Title II), 42 U.S.C. §§ 12131-12134, and its implementing regulation at 28 C.F.R. Part 35, which prohibit discrimination on the basis of disability.

The University agrees to submit for OCR’s approval a proposed plan(s) for physical modifications to following elements of the Mathers Museum of World Culture (Museum) to ensure that the facility is readily accessible to and usable by individuals with disabilities in conformance with the standards for new construction and alterations under the 2010 ADA Standards for Accessible Design (ADA Standards):

1. Parking lot,
2. Museum entrance,
3. Accessible route from the parking to the Museum entrance,
4. Signage,
5. Drinking fountain, and
6. Restrooms.

Except as provided herein, within thirty (30) days of OCR’s approval of a proposed plan(s) for physical modifications of an element of the Museum, the University will commence construction on the element of the facility for which the plan was approved. The parties acknowledge and agree that the University is a public entity that is subject to Indiana’s public works statute. In the event that the University is required to publicly bid all or any portion of the physical modifications of an element of the Museum, the University will bid the project within 30 days of OCR’s approval of the plans and will begin construction activity within 30 days of the award of a contract to the successful bidder.

If OCR does not approve the University’s proposed plan for physical modifications of an element of the Museum, the University will submit to OCR a revised plan within forty-five (45) days of receiving notice from OCR that the proposed plan was not approved.

The University will complete the physical modification(s) to elements of the Museum addressed in this Agreement by June 1, 2017.

**REPORTING REQUIREMENTS:**

By **August 1, 2016**, or earlier, the University will submit to OCR its proposed plan(s) for physical modifications of elements 1-6 above.

By **June 30, 2017**, the University will provide OCR with documentation that it has completed the physical modifications, including the specifications and measurements for the physical modifications that the University has made to the Museum facility or facilities.
The University understands that by signing this Agreement, it agrees to provide data and other information to OCR in a timely manner. Further, the University understands that during the monitoring of this Agreement, OCR may visit campus, interview University staff, and request additional reports or data as necessary for OCR to determine whether the University has fulfilled the terms of this Agreement and is in compliance with the regulations which were at issue in this complaint.

The University understands that OCR will not close the monitoring of this Agreement until OCR determines that the University has fulfilled the terms of this Agreement and is in compliance with Section 504 and Title II.

The University understands and acknowledges that OCR may initiate administrative enforcement or judicial proceedings to enforce the specific terms and obligations of this Agreement. Before initiating administrative enforcement, or judicial proceedings to enforce this Agreement, OCR shall give the University written notice of the alleged breach and a minimum of sixty (60) calendar days to cure the alleged breach.
