RE: OCR Case No. 06161309  
Mount Ida School District

This letter is to inform you the U.S. Department of Education (“Department”), Office for Civil Rights (“OCR”), Dallas Office, has completed its processing of the above-referenced complaint for resolution, which was filed against the Mount Ida School District (“District”) in Mount Ida, Arkansas, and was received by OCR on February 29, 2016. In the complaint, the complainant alleged discrimination against individuals with a disability. Specifically, the complainant alleged that Mount Ida fails to unlock its gate (located at XXX) to allow mobility impaired persons access to accessible parking.

OCR is responsible for enforcing Section 504 of the Rehabilitation Act of 1973 (Section 504), 29 U.S.C. § 794 (amended 1992), and its implementing regulation, at 34 C.F.R. Part 104. Section 504 prohibits discrimination on the basis of disability in education programs and activities receiving Federal financial assistance from the Department. OCR also enforces Title II of the Americans with Disabilities Act of 1990 (Title II), 42 U.S.C. § 12132, and its implementing regulation, at 28 C.F.R. Part 35. Under Title II, OCR has jurisdiction over complaints alleging discrimination on the basis of disability that are filed against public entities. The Mount Ida School District is a recipient of Federal financial assistance from the Department. Thus, OCR has jurisdiction to investigate complaint allegations against the Mount Ida School District under Section 504 and Title II.

During its investigation, OCR reviewed information provided by the District. Prior to the completion of OCR’s investigation, the District informed OCR that it was interested in resolving the complaint allegation. Section 302 of OCR’s *Case Processing Manual* provides that a complaint may be resolved at any time when, prior to the conclusion of an investigation, the recipient expresses an interest in resolving the allegation. The provisions of the resulting voluntary resolution agreement will be aligned with the complaint allegations or the information obtained during the investigation, and will be consistent with applicable regulations. OCR approved the District’s request to resolve this complaint prior to the conclusion of the investigation.

*The Department of Education’s mission is to promote student achievement and preparation for global competitiveness by fostering educational excellence and ensuring equal access.*

The District voluntarily submitted the enclosed Resolution Agreement (“Agreement”) to resolve this complaint; the Agreement was signed by the District on August 24, 2016. OCR has determined the provisions of the Agreement are aligned with the complaint allegation and appropriately resolves it. Further, OCR accepts the Agreement as an assurance the District will fulfill its obligations under Section 504 and Title II with respect to this complaint. The dates for implementation and specific actions are detailed in the Agreement. Accordingly, as of the date of this letter, OCR will cease all investigative actions regarding this complaint. However, OCR will actively monitor the District’s implementation of the Agreement. Please be advised that if the District fails to adhere to the actions outlined in the Agreement, OCR will immediately resume its compliance efforts.

This letter sets forth OCR’s determination in an individual OCR case. This letter is not a formal statement of OCR policy and should not be relied upon, cited, or construed as such. OCR’s formal policy statements are approved by a duly authorized OCR official and made available to the public.

Please be advised the District may not harass, coerce, intimidate, or discriminate against any individual because he or she has filed a complaint or participated in the complaint resolution process. If this happens, the complainant may file another complaint alleging such treatment.

Under the Freedom of Information Act, it may be necessary to release this document and related correspondence and records upon request. In the event that OCR receives such a request, we will seek to protect, to the extent provided by law, personally identifiable information, which, if released, could reasonably be expected to constitute an unwarranted invasion of personal privacy.
