Re: Yes Prep Schools
OCR Number: 06-16-1704

Dear Mr. DiBella:

This letter is to inform you of the disposition of the above-referenced complaint filed against the Yes Prep Schools (YPS, Recipient) with the U.S. Department of Education (Department), Office for Civil Rights (OCR), on May 25, 2016, alleging discrimination on the basis of disability. Specifically, the complaint alleged that certain of the YPS's web pages are not accessible to students and adults with disabilities, including vision impairments. These include, but are not limited to:

- a. Homepage (<http://yesprep.org>);
- b. Application page (<https://yesprep.tedk12.com/hire/index.aspx>);
- c. Results page (<http://www.yesprep.org/results>);
- d. Answer page (http://www.yesprep.org/theanswer?field_blog_category_tid=76);
- e. Student Stories (<http://www.yesprep.org/students/student-stories>);
- f. Brays Oaks page (<http://yesprep.org/schools/brays-oaks>);
- g. East End page (<http://yesprep.org/schools/east-end>);
- h. Fifth Ward page (<http://yesprep.org/schools/fifth-ward>);
- i. Gulfton Force page (<http://yesprep.org/schools/gulfton>); and
- j. About/Our Model page (<http://www.yesprep.org/our-model>)

OCR is responsible for enforcing Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794, and its implementing regulation at 34 C.F.R. Part 104, which prohibit discrimination on the basis of disability by recipients of Federal financial assistance. OCR is also responsible for enforcing Title II of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12131 *et seq.*, and its implementing regulation at 28 C.F.R. Part 35, which prohibit discrimination on the basis of disability by public entities. As a recipient of Federal financial assistance and as a public entity, the YPS is subject to these laws. Accordingly, OCR had jurisdiction to investigate this complaint.

Based on the complaint allegations, OCR investigated the following issue:

Whether YPS discriminates against individuals with disabilities on a systemic basis because the recipient's web pages are not accessible to students and adults with

disabilities including, but not limited to, vision impairments, hearing impairments, print disabilities, and/or fine motor disabilities.

Legal Authority:

Section 504 and Title II prohibit people, on the basis of disability, from being excluded from participation in, being denied the benefits of, or otherwise being subjected to discrimination by recipients of federal financial assistance or by public entities. 34 C.F.R. § 104.4 and 28 C.F.R. § 35.130. People with disabilities must have equal access to recipients' programs, services, or activities unless doing so would fundamentally alter the nature of the programs, services, or activities, or would impose an undue burden. 28 C.F.R. § 35.164. Both Section 504 and Title II prohibit affording individuals with disabilities an opportunity to participate in or benefit from aids, benefits, and services that is unequal to the opportunity afforded others. 34 C.F.R. § 104.4(b)(1)(ii); 28 C.F.R. § 35.130(b)(1)(ii). Similarly, individuals with disabilities must be provided with aids, benefits, or services that provide an equal opportunity to achieve the same result or the same level of achievement as others. 34 C.F.R. § 104.4(b)(2); 28 C.F.R. § 35.130(b)(1)(iii). An individual with a disability, or a class of individuals with disabilities, may be provided with a different or separate aid, benefit, or service only if doing so is necessary to ensure that the aid, benefit, or service is as effective as that provided to others. 34 C.F.R. § 104.4(b)(1)(iv); 28 C.F.R. § 35.130(b)(1)(iv). Title II also requires public entities to take steps to ensure that communications with people with disabilities are as effective as communications with others, subject to the fundamental alteration and undue burden defenses. 28 C.F.R. § 35.160(a)(1). In sum, programs, services, and activities—whether in a “brick and mortar,” on-line, or other “virtual” context—must be operated in ways that comply with Section 504 and Title II.

Investigation To Date:

To date, OCR has investigated this complaint by reviewing information provided by the Complainant and conducting a preliminary assessment of the accessibility of several pages from the District's website.

The complaint alleges that the YPS's website is not in compliance with Section 504 and Title II because it is inaccessible to individuals with vision disabilities, print disabilities, and hearing impairments. The Complainant used website accessibility checkers (PowerMapper and WAVE) and reported to OCR that the YPS's home page, application page, results page, answer page, student stories page, Brays Oaks page, East End page, Fifth Ward page, Gulfton Force page and about/our model page had accessibility issues for individuals with disabilities. She then provided OCR with a list of errors copied and pasted from the website accessibility checker that she used.

OCR conducted a preliminary examination of the web pages identified by the Complainant and found a number of possible compliance deficiencies as to whether the YPS's website is accessible to individuals with disabilities. For example, OCR identified instances on the website wherein keyboard controls were not visually apparent, links were not meaningfully labelled or titled, non-trivial images did not have meaningful alternative text, and where form controls were not appropriately labeled.

Prior to the completion of OCR's investigation, the YPS asked to resolve this complaint pursuant to Section 302 of OCR's *Case Processing Manual* (CPM). On September 5, 2017 the YPS submitted the enclosed signed resolution agreement (the Agreement) to OCR. When fully implemented, the Agreement will resolve the allegations in the complaint.

In light of the commitments the YPS has made in the Agreement, OCR finds that the complaint is resolved, and OCR is closing its investigation as of the date of this letter. OCR will monitor the YPS's implementation of the Agreement to ensure that the commitments made are implemented timely and effectively. OCR may request additional information as necessary to determine whether the YPS has fulfilled the terms of the Agreement and is in compliance with Section 504 and Title II with regard to the issues raised.

If the YPS fails to implement the Agreement, OCR may initiate administrative enforcement or judicial proceedings to enforce the specific terms and obligations of the Agreement. Before initiating administrative enforcement (34 C.F.R. §§ 100.9, 100.10), or judicial proceedings to enforce the Agreement, OCR shall give the YPS written notice of the alleged breach and sixty (60) calendar days to cure the alleged breach.

This concludes OCR's investigation of the complaint and should not be interpreted to address the YPS's compliance with any other regulatory provision or to address any issues other than those addressed in this letter. This letter sets forth OCR's determination in an individual OCR case.

This letter is not a formal statement of OCR policy and should not be relied upon, cited, or construed as such. OCR's formal policy statements are approved by a duly authorized OCR official and made available to the public. Please be advised that the YPS may not harass, coerce, intimidate, or discriminate against any individual because he or she has filed a complaint or participated in the complaint resolution process. If this happens, the harmed individual may file a complaint alleging such treatment. The Complainant (you) may file a private suit in federal court, whether or not OCR finds a violation.

Under the Freedom of Information Act, it may be necessary to release this letter and related correspondence and records upon request. In the event that OCR receives such a request, it will seek to protect, to the extent provided by law, personally identifiable information, which, if released, could reasonably be expected to constitute an unwarranted invasion of personal privacy.

OCR looks forward to receiving the YPS's first monitoring report within 30 calendar days of the date of this letter.
