Re: 06171422-Bonham Independent School District

Superintendent Beaty:

This letter is to notify you that the U.S. Department of Education (Department), Office for Civil Rights (OCR), Dallas Office, has completed its processing of the above-referenced complaint for resolution. The complaint was filed against the Bonham Independent School District (Bonham ISD, District, or Recipient), in Bonham, Texas. The Complainants alleged that the District discriminated against their son (Student) on the basis of disability.

OCR is responsible for determining whether entities that receive or benefit from federal financial assistance from the Department, or an agency that has delegated investigative authority to the Department, are in compliance with Section 504 of the Rehabilitation Act of 1973 (Section 504), 29 U.S.C. §794 (amended 1992), and its implementing regulation at 34 C.F.R. Part 104, which prohibits discrimination on the basis of disability. OCR also enforces Title II of the Americans with Disabilities Act of 1990 (Title II), 42 U.S.C. § 12132, and its implementing regulation at 28 C.F.R. Part 35. Under Title II, OCR has jurisdiction over complaints alleging discrimination on the basis of disability that are filed against certain public entities.

Based on the allegation, OCR opened for investigation the following legal issue:

- Whether the District discriminated against the Student on the basis of disability by failing to provide regular or special education and related aids and services deemed necessary to meet the Student's individual educational needs (i.e., missing instructional time due to bus transportation) as agreed upon by the group of knowledgeable people, and thereby denied the Student a free appropriate public education during the 2016-2017 school year, in violation of Section 504 and Title II and their implementing regulations, at 34 C.F.R. § 104.33 and 28 C.F.R. § 35.130, respectively.

OCR determined that this complaint was appropriate to be processed via OCR's Rapid Resolution Process (RRP). During its investigation, OCR reviewed information provided by the Recipient. Prior to the completion of OCR's investigation, the Recipient informed OCR that it was interested in resolving the complaint allegation. Section 302 of OCR's *Case Processing*

The Department of Education's mission is to promote student achievement and preparation for global competitiveness by fostering educational excellence and ensuring equal access.

Manual provides that a complaint may be resolved at any time when, prior to the conclusion of an investigation, the recipient expresses an interest in resolving the allegation. The provisions of the resulting voluntary resolution agreement will be aligned with the complaint allegations or the information obtained during the investigation, and will be consistent with applicable regulations. OCR approved the Recipient's request to resolve this complaint prior to the conclusion of the investigation.

The Recipient voluntarily submitted the enclosed Resolution Agreement (Agreement) to resolve this complaint, which it signed on December 17, 2017. OCR has determined the provisions of the Agreement are aligned with the complaint allegations and appropriately resolves them. Further, OCR accepts the Agreement as an assurance that the Recipient will fulfill its obligations under Section 504 and Title II with respect to this complaint. The dates for implementation and specific actions are detailed in the enclosed Agreement. Accordingly, as of the date of this letter, OCR will cease all investigative actions regarding this complaint. However, OCR will actively monitor the Recipient's implementation of the Agreement. Please be advised that if the Recipient fails to adhere to the actions outlined in the Agreement, OCR will immediately resume its compliance efforts.

This letter sets forth OCR's determination in an individual OCR case. This letter is not a formal statement of OCR policy and should not be relied upon, cited, or construed as such. OCR's formal policy statements are approved by a duly authorized OCR official and made available to the public.

Please be advised the Recipient may not harass, coerce, intimidate, or discriminate against any individual because he or she has filed a complaint or participated in the complaint resolution process. If this happens, the complainant may file another complaint alleging such treatment.

Under the Freedom of Information Act, it may be necessary to release this document and related correspondence and records upon request. In the event that OCR receives such a request, we will seek to protect, to the extent provided by law, personally identifiable information, which, if released, could reasonably be expected to constitute an unwarranted invasion of personal privacy.

Thank you for the cooperation extended to OCR in our efforts to resolve this complaint.
