Re: OCR Complaint No. 06-17-1625

Dear Dr. Gonzalez:

This letter is to notify you that the U.S. Department of Education (Department), Office for Civil Rights (OCR), Dallas Office, has completed its processing of the above-referenced complaint for resolution. On April 25, 2017, OCR received the complaint, which the complainant filed against the McAllen Independent School District (District), in McAllen, Texas. The complainant alleged that the District discriminated against XXXX XXXX (Student) on the bases of race, color, and disability.

OCR is responsible for determining whether organizations or entities that receive or benefit from Federal financial assistance, either from the Department or from an agency that has delegated investigative authority to the Department (recipients), are in compliance with Title VI of the Civil Rights Act of 1964 (Title VI), 42 U.S.C. § 2000d, and its implementing regulations at 34 C.F.R. Part 100, which prohibit discrimination on the bases of race, color, and national origin, and Section 504 of the Rehabilitation Act of 1973 (Section 504), as amended, 29 U.S.C. § 794, and its implementing regulations at 34 C.F.R. Part 104, which prohibit discrimination on the basis of disability. OCR also enforces Title II of the Americans with Disabilities Act of 1990 (Title II), 42 U.S.C. §§ 12131 *et seq.*, and its implementing regulations at 28 C.F.R. Part 35. Under Title II, OCR has jurisdiction over complaints alleging discrimination on the basis of disability that are filed against certain public entities. The District is a recipient of Federal financial assistance and is a covered public entity. Therefore, OCR has jurisdictional authority to process this complaint for resolution under Title VI, Section 504, and Title II.

Based on the complainant's allegations, OCR investigated the following legal issues:

1. Whether District treated the Student differently on the bases of race and color in the context of an educational program or activity without a legitimate, nondiscriminatory reason and thereby interfered with or limited the ability of the Student to participate in or benefit from the services, activities, or privileges provided by the District during the 2016-2017 school year, in violation of Title VI, at 34 C.F.R. § 100.3; and

The Department of Education's mission is to promote student achievement and preparation for global competitiveness by fostering educational excellence and ensuring equal access.

2. Whether District discriminated against the Student on the basis of disability by failing to evaluate the Student's need for regular or special education and related aids and services despite having notice that, because of the Student's alleged disabilities, the Student needed or was believed to need such aids and services, and thereby denied the Student a free appropriate public education during the 2016-2017 school year, in violation of Section 504 and Title II and their implementing regulations, at 34 C.F.R. §§ 104.33 and 104.35, and 28 C.F.R. § 35.130, respectively.

Prior to the completion of an investigation, the District informed OCR that it was interested in resolving the complaint allegations through a voluntary resolution agreement. Section 302 of OCR's *Case Processing Manual* provides that a complaint may be resolved at any time when, prior to the conclusion of an investigation, the recipient expresses an interest in resolving the allegations. The provisions of the resulting voluntary resolution agreement will be aligned with the complaint allegations or the information obtained during the investigation and will be consistent with applicable regulations. OCR approved the District's request to resolve the complaint prior to the conclusion of an investigation.

The District voluntarily submitted the enclosed Resolution Agreement (Agreement) to resolve this complaint; the District's representative signed the Agreement on September 6, 2018. OCR has determined the provisions of the Agreement are aligned with the complaint allegations and appropriately resolve them. Further, OCR accepts the Agreement as an assurance that the District will fulfill its obligations under Title VI, Section 504, and Title II with respect to this complaint. The dates for implementation and specific actions are detailed in the enclosed Agreement. Accordingly, as of the date of this letter, OCR will cease all investigative actions regarding this complaint. However, OCR will actively monitor the District's implementation of the Agreement. Please be advised that if the District fails to adhere to the actions outlined in the Agreement, OCR will immediately resume its compliance efforts.

This letter sets forth OCR's determination in the individual OCR cases identified above. This letter is not a formal statement of OCR policy and should not be relied upon, cited, or construed as such. OCR's formal policy statements are approved by a duly authorized OCR official and made available to the public.

Please be advised that the District may not harass, coerce, intimidate, or discriminate against any individual because he or she has filed a complaint or participated in the complaint resolution process. If this happens, the complainant may file another complaint alleging such treatment.

Under the Freedom of Information Act, it may be necessary to release this document and related correspondence and records upon request. In the event that OCR receives such a request, we will seek to protect, to the extent provided by law, personally identifiable information, which, if released, could reasonably be expected to constitute an unwarranted invasion of personal privacy.

Thank you for the cooperation extended to OCR in our efforts to resolve this complaint. If you have any questions regarding this letter, please contact Katherine Fearn, the attorney assigned to the matter, at (214) 661-9653 or katherine.fearn@ed.gov. You may also contact me at (214) 661-9600.
