

RESOLUTION AGREEMENT

St. Landry Parish School Board

OCR Complaint 06-17-1815

To resolve the above-referenced complaint brought under Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990, the Office for Civil Rights (OCR) of the U.S. Department of Education and the St. Landry Parish School Board (SLPSB) enter into the following Resolution Agreement (Agreement). This Agreement supersedes the agreement the SLPSB entered into on November 15, 2017. This Agreement was entered into voluntarily and does not constitute an admission of liability, non-compliance, or wrongdoing by the SLPSB.

1. Current Online Content and Functionality. By **November 15, 2019**, the SLPSB agrees that it will take all actions necessary to ensure that individuals with disabilities have an equal opportunity to participate in the SLPSB's programs and activities offered through the SLPSB's website or equally effective alternate access. To meet this commitment, the SLPSB will: develop a strategy for identifying inaccessible content and functionality for individuals with disabilities; develop a notice to persons with disabilities regarding how to request that the SLPSB provide access to online information or functionality; prominently post this notice on its home page and throughout its website; and develop a process to ensure that, upon request, inaccessible content and functionality will be made accessible¹ in an expedient manner.
2. New Online Content and Functionality. By **May 17, 2018**, the SLPSB will establish a plan to ensure that all new online content and functionality developed, procured, or used after the date of this Agreement will be fully accessible to individuals with disabilities. The plan should include any staff training that may be necessary to ensure full implementation with the plan.
3. Undue Burden and Fundamental Alteration. This Agreement does not require SLPSB to take any action that it can demonstrate would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens. In those circumstances where the SLPSB can demonstrate compliance would result in such an alteration or burden, SLPSB will ensure that, to the maximum extent possible, individuals with disabilities receive the benefits or services provided by the SLPSB.
4. Technical Assistance. OCR will make itself available to provide technical assistance to the SLPSB during the SLPSB's implementation of this Agreement.
5. Reporting Provision. By **November 17, 2019**, the SLPSB will submit a report to OCR demonstrating that it has fully satisfied the terms of this Agreement. The report will describe benchmarks the SLPSB has reached, and on-going efforts to maintain web accessibility and usability of the SLPSB's website.

¹ "Accessible," for purposes of this Agreement, means a person with a disability is afforded the opportunity to acquire the same information, engage in the same interactions, and enjoy the same services as a person without a disability in an equally effective and equally integrated manner, within the same timeframes, and with substantially equivalent ease of use.

The SLPSB understands that by signing the Agreement, it agrees to provide data and other information in a timely manner in accordance with the reporting requirement of this Agreement. Further, the SLPSB understands that during OCR's monitoring of this Agreement, if necessary, OCR may visit the SLPSB, interview staff and students, and request such additional reports or data as are necessary for OCR to determine whether the SLPSB has fulfilled the terms of this Agreement. Upon the SLPSB's satisfaction of the commitments made under this Agreement, OCR will close the case.

The SLPSB understands and acknowledges that OCR may initiate administrative enforcement or judicial proceedings to enforce the specific terms and obligations of this Agreement. Before initiating administrative enforcement (34 C.F.R. §§ 100.9, 100.10), or judicial proceedings to enforce the Agreement, OCR will give the SLPSB written notice of the alleged breach and sixty (60) calendar days to cure the alleged breach.

This Agreement will become effective immediately upon the signature of the SLPSB's representative below.

/s/
Patrick D. Jenkins, Superintendent
St. Landry Parish School Board
