

Resolution Agreement

Ysleta Independent School District OCR Complaint #06-18-1024

The U.S. Department of Education, Office for Civil Rights, (OCR) and the Ysleta Independent School District (the District) enter into this resolution agreement (Agreement) to voluntarily resolve allegation 1 in the above-referenced complaint. The District assures OCR that it will take the following actions to comply with the requirements of Section 504 of the Rehabilitation Act of 1973 (Section 504), as amended, 29 U.S.C. Section 794, and its implementing regulation at 34 C.F.R. Part 104, and Title II of the Americans with Disabilities Act of 1990 (Title II), 42 U.S.C. Sections 12131 *et seq.*, and its implementing regulation at 28 C.F.R. Part 35, which prohibit discrimination on the basis of disability by recipients of Federal financial assistance and public entities, respectively.

The District will ensure that any new facilities or part of a facility will be constructed in accordance with the U.S. Department of Justice (DOJ) adopted accessibility guidelines. The DOJ's 2010 ADA Standards for Accessible Design, 28 C.F.R. Part 36, Appendix A (2010 Standards) became effective on March 15, 2012. Compliance with the 2010 Standards is required for new construction and alterations that were initiated on or after March 15, 2012. Prior to the 2010 Standards, the effective standards for new construction were the American National Standards Institute, effective June 3, 1977, the Uniform Federal Accessibility Standards (UFAS), effective January 18, 1991, and the 1991 Americans with Disabilities Act Accessibility Guidelines (1991 or ADAAG), effective January 26, 1992.

Unless otherwise noted, all structural changes or modifications to existing facilities pursuant to the Agreement will be in accordance with the technical and scoping requirements of the 2010 Standards referenced above.¹ New and altered facilities (or the identified new or altered part) will be readily accessible to and usable by individuals with disabilities.

Prior to the completion of OCR's investigation, the District agreed to voluntarily resolve Issue 1 of the complaint pursuant to Section 302 of OCR's Case Processing Manual. Accordingly, the District agrees to take the following actions.

Action Item #1 – Accessible Parking Self-Evaluation

The District will conduct a self-evaluation of all parking lots on the Riverside High School (the School) campus to determine whether they comply with the governing accessibility standard (i.e., ANSI², UFAS³, 1991 Standards⁴ or the 2010 Standards for accessibility), and to determine whether modifications are required to comply with the accessibility standards. The District will

provide the appropriate number of accessible parking spaces in each of the 13 distinct School campus parking lots, including van-accessible parking spaces, located on the shortest accessible route of travel to an accessible entrance of a building(s) served by the parking area. Parking spaces shall be signed with the international symbol of accessibility with van-accessible spaces designated “van-accessible.”

- a) **Within 90 days** of the signing of this Agreement, the District will submit to OCR, for review and approval, a detailed report documenting its self-evaluation of each School parking lot and its proposed Action Plan for correcting any compliance problems found during the self-evaluation. The report shall include a separate evaluation for each of the 13 distinct parking lots on the School campus and shall include, but not be limited to, the following:
- i. The governing standard for the parking lot at the time the self-evaluation is initiated,⁵ including the specific date and year when the parking lot was last modified.
 - ii. The number of accessible spots presently.
 - iii. The number of van accessible spots presently.
 - iv. If the parking lot does not meet the governing accessibility standard, the number of accessible spots, including van accessible spots, necessary for compliance with the 2010 Standards.
 - v. A description of the necessary modifications for ramps, accessible lanes, and other renovations besides accessible spots to ensure compliance.
 - vi. An estimated date to begin the project.
 - vii. An estimated date to complete the project, subject to Reporting Requirement 1(c).
- b) **Within 180 days** of OCR’s approval of the Action Plan in Reporting Requirement 1(a), the District will submit a written report to OCR summarizing the actions the District has taken thus far pursuant to this Agreement. The report shall include, for example, detailed photographs or videos showing the relevant measurements of any alterations or renovations, architectural plans, work orders, purchase orders, invoices and proof of efforts to secure funding/assistance for structural renovations or equipment.
- c) **Within 365 days** of OCR’s approval of the Action Plan in Reporting Requirement 1(a), the District will submit a report to OCR showing that the District has completed the approved modifications. This report shall include, for example, detailed photographs or videos showing the relevant measurements of any alterations or renovations, architectural plans, work orders, purchase orders, invoices, proof of efforts to secure funding/assistance for structural renovations or equipment, and other

such documentation demonstrating full implementation of the approved plan in compliance with Section 504 and Title II.

The District understands that OCR will not close the monitoring of this agreement until OCR determines that the recipient has fulfilled the terms of this agreement and is in compliance with the regulations implementing Section 504 and Title II.

The District also understands that by signing this Agreement, it agrees to provide data and other information in a timely manner in accordance with the reporting requirements of the Agreement. Further, the District understands that during the monitoring of the Agreement, if necessary, OCR may visit the District, interview staff and students, and request such additional reports or data as necessary for OCR to determine whether the District has fulfilled the terms of the Agreement. Upon the District's satisfaction of the commitments made under the Agreement, OCR will close the case.

The District understands and acknowledges that OCR may initiate administrative enforcement or judicial proceedings to enforce the specific terms and obligations of this agreement. Before initiating administrative enforcement (34 C.F.R. §§ 100.9, 100.10), or judicial proceeding to enforce this agreement, OCR shall give the District written notice of the alleged breach and sixty (60) calendar days to cure the alleged breach.

This Agreement will become effective immediately upon the signature of the District's representative below.
