

Resolution Agreement

Burlington School District RE-6J Case Number 08-13-1259

In order to resolve the allegations and other potential issues in Case Number 08-13-1259, filed against Burlington School District RE-6J (the District) and opened for investigation by the U.S. Department of Education, Office for Civil Rights (OCR), the District voluntarily agrees to implement the following Resolution Agreement. The complaint was opened for investigation pursuant to allegations of the District's noncompliance with Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d *et seq.*, and its implementing regulation at 34 Code of Federal Regulations (C.F.R.) Part 100 (Title VI), which prohibit discrimination on the basis of race, color, or national origin by recipients of Federal financial assistance from the Department. Subsequent to opening the complaint for investigation, OCR received information from the District that potentially raises additional compliance concerns with respect to Title IX of the Education Amendments of 1972, 20 U.S.C. 1681 *et seq.*, and its implementing regulation at 34 C.F.R. Part 106 (Title IX), which prohibit discrimination on the basis of sex in education programs and activities that receive Federal financial assistance from the Department; Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. Section 794, and its implementing regulation at 34 C.F.R. Part 104 (Section 504), which prohibit discrimination on the basis of disability by recipients of Federal financial assistance from the Department; and Title II of the Americans with Disabilities Act of 1990, 42 U.S.C. Sections 12131-65, and its implementing regulation at 28 C.F.R. Part 35 (Title II), which prohibit discrimination on the basis of disability by public entities.

During the course of OCR's investigation, before OCR had made any findings, the District indicated its willingness to take steps necessary to ensure compliance with Title VI, Title IX, Section 504, and Title II. OCR has not made any findings that the District discriminated against students on the basis of their race, color, national origin, sex or disability. Pursuant to Section 302 of OCR's *Case Processing Manual*, a complaint may be resolved when, before the conclusion of an investigation, a recipient expresses an interest in resolving the complaint, OCR believes that doing so is appropriate, and the remedies align with the allegations. The District's decision to enter into this Agreement is not an admission of liability or wrong-doing, nor shall it be construed as such.

The criteria shall make clear that a pregnant student is not required to participate in the XXX or other special instructional program or class because she is pregnant; anything other than pregnant students' completely voluntary participation in the XXX would violate Title IX of the Education Amendments of 1972 and its implementing regulation at 34 C.F.R. Part 106, which prohibit discrimination on the basis of sex. Districts may implement special instructional programs or classes for a pregnant student, but participation must be completely voluntary on the part of the student, and the programs and classes must be comparable to those offered other students. *See "Supporting the Academic Success of Pregnant and Parenting Students Under Title IX of the Education Amendments of 1972,"* U.S. Dept. of Ed., OCR, June 2013.

The criteria shall make clear that a student with a disability will be placed in the XXX only if the student's Section 504 Plan Team or IEP Team determines that the XXX is an appropriate placement for the student. *See* 34 C.F.R. § 104.35. Assignment to the XXX will not be the only placement option for students with disabilities with "verified emotional problems" or any other impairment. When making a placement determination for a student with a disability, the Team must keep in mind Section 504's requirement that districts shall ensure that persons with disabilities participate with nondisabled persons to the maximum extent appropriate to the needs of the student with a disability. *See* 34 C.F.R. § 104.34.

REPORTING REQUIREMENT: Within 60 days from the date of this Agreement, the District shall submit draft criteria that District administrators and staff will use when determining student admission to the XXX.

11. **XXX Criteria:** The District will consider and respond to any feedback from OCR with respect to the draft criteria that District administrators and staff will use when determining student admission to the XXX. After obtaining OCR's approval of the draft criteria, the District will distribute the criteria to all administrators, staff, students, parents, and guardians and place the criteria on the websites of the District's middle and high schools.

REPORTING REQUIREMENT: Within 30 days from the date of OCR's approval of the XXX admission criteria, the District will submit documentation that it has distributed the XXX admission criteria to all administrators, staff, students, parents, and guardians and placed the criteria on the websites of the District's XXX schools.
