The procedure will include, without limitation:

That all documents, emails, and other communications related to registration/enrollment for any such program, including costs and available fee waivers, password reset emails, and payment methods, as well as other details about the program (ex. start dates/times, locations and transportation options) will be available in Spanish and, upon parent request, other languages;

The District will fully and promptly address any comments by OCR.

3. The District will train all staff involved in registration/enrollment for all District programs for which registration/enrollment is primarily online, on the following topics:

Further, the District understands that during the monitoring of this Agreement, OCR may visit the District, interview staff and students, and request such additional reports or data as are necessary for OCR to determine whether the District has fulfilled the terms of this Agreement and is in compliance Title VI, which was at issue in this case. Upon completion of the obligations under the Agreement, OCR shall close and dismiss this case.

The District understands and acknowledges that OCR may initiate administrative enforcement or judicial proceedings to enforce the specific terms and obligations of this Agreement.
