Re: Denver Public School District  
OCR Case Number: **08-18-1224**

Dear Superintendent Boasberg:

On February 16, 2018, we received a complaint alleging Denver Public School District (District) discriminated against the Complainant's daughter (Student) on the basis of disability. Specifically, the complainant alleged that the District (1) failed to evaluate the Student, (2) X-redacted-X, and (3) denied the Student access X-redacted-X. With respect to the School facility, the complainant also alleged that the restrooms are inaccessible, doors are too heavy X-redacted-X to open, ramps are too steep X-redacted-X to navigate, X-redacted-X during the Fall 2017 semester.

We are responsible for enforcing Section 504 of the Rehabilitation Act of 1973 and its implementing regulation at 34 Code of Federal Regulations Part 104, which prohibit discrimination on the basis of disability in programs and activities that receive Federal financial assistance from the U.S. Department of Education (Department); and Title II of the Americans with Disabilities Act of 1990 and its implementing regulation at 28 C.F.R. Part 35, which prohibit discrimination on the basis of disability by public entities.

As a recipient of Federal financial assistance from the Department and a public entity, the District is subject to these laws and regulations. Additional information about the laws OCR enforces is available on our website at <http://www.ed.gov/ocr>.

During the investigation of this complaint, the District informed OCR that it wished to voluntarily resolve the complaint allegations. Prior to OCR making any findings of fact, the District agreed to sign an Agreement which, when fully implemented, will address the allegations raised in the complaint.

In accordance with Section 302 of OCR's *Case Processing Manual* (CPM), the provisions of the Agreement signed by the District are aligned with the complaint allegations and the information obtained during OCR's processing of this case, and consistent with the applicable regulations. Therefore, OCR is closing this complaint investigation effective the date of this letter. OCR, however, will actively monitor the District's implementation of the Agreement until the District

fulfills the terms of the Agreement. If the District fails to implement the Agreement as specified, OCR may initiate administrative or judicial proceedings as described in the Agreement or resume its investigation of the initial allegations. A copy of the Agreement is enclosed.

Please be advised that the District may not harass, coerce, intimidate, or discriminate against any individual because he or she has filed a complaint or participated in the complaint resolution process. If this happens, the Complainant may file another complaint alleging such treatment. In addition, the Complainant may have the right to file a private suit in federal court whether or not OCR finds a violation.

Under the Freedom of Information Act, it may be necessary to release this document and related correspondence and records upon request. If OCR receives such a request, we will protect personal information to the extent provided by law.
