

**Resolution Agreement  
Arcadia Unified School District  
OCR Case Number 09-14-1070**

Arcadia Unified School District, without admitting to any wrongdoing or violation of law, agrees to implement this Resolution Agreement to resolve the issues investigated by the U.S. Department of Education, Office for Civil Rights (OCR), under Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990, in the above-referenced complaint.

I. The District will ensure that the Outdoor Science School field trip (OSS) is described and the issue of attending the OSS will be discussed during the annual Individualized Education Plan (IEP) meeting for each student attending or placed in both the Gaining Opportunities for Achievement of Lifelong Skills (GOALS) class and the Moderately Developmentally Delayed (MDD) class at XXXX Middle School. Prior to the OSS for each school year, the IEP team will make an informed, individualized decision regarding whether and how each student can appropriately participate in the OSS and determine whether the student will attend the OSS for the entire duration of the OSS, some portion of it, or whether it is not appropriate for the student to participate. The team will also determine whether the student needs any support services in order to appropriately participate.

II. By September 30, 2014, the District will submit a report indicating the date of the IEP meeting of each student in the GOALS and MDD classes in which the determination of eligibility for the OSS was made. Within 60 days of the District's submission, OCR will provide a final report to the District regarding this issue.

The District understands that by signing this Agreement, it agrees to provide data and other information in a timely manner. Further, the District understands that during the monitoring of this Agreement, OCR may visit the District, interview staff and students and request such additional reports or data as are necessary for OCR to determine whether the District has fulfilled the terms of this Agreement and is in compliance with the regulation implementing Section 504, at 34 C.F.R. § 104.43(a), 34 C.F.R. § 104.44, and 34 C.F.R. § 104.7, which were at issue in this case.

The District understands that OCR will not close the monitoring of this Agreement until OCR determines that the District has fulfilled the terms of this Agreement and is in compliance with the regulation implementing Section 504, at 34 C.F.R. § 104.43(a), 34 C.F.R. § 104.44, and 34 C.F.R. § 104.7.

The District understands and acknowledges that OCR may initiate administrative enforcement or judicial proceedings to enforce the specific terms and obligations of this Agreement. Before initiating administrative enforcement (34 C.F.R. §§

100.9, 100.10), or judicial proceedings to enforce this Agreement, OCR shall give the District written notice of the alleged breach and a minimum of sixty (60) calendar days to cure the alleged breach.
