Re: OCR Docket # 09-18-1440

Dear Superintendent Haulk:

This letter is to advise you of the disposition of the above-referenced complaint filed with the U.S. Department of Education (Department), Office for Civil Rights (OCR), against Huntington Beach City School District (District). The Complainant alleged, on behalf of the Student, that the Student was denied a free, appropriate public education (FAPE) when the District failed to evaluate the Student in a timely manner even though it had reason to believe that the Student needed special education or related services because of a disability.¹

OCR enforces Section 504 of the Rehabilitation Act of 1973 which prohibits discrimination on the basis of disability in programs and activities operated by recipients of Federal financial assistance. OCR also has jurisdiction under Title II of the Americans with Disabilities Act of 1990 over disability discrimination complaints filed against public educational entities. The District receives funds from the Department and is a public education entity. Therefore, the District is subject to laws and regulations enforced by OCR.

During its investigation, OCR reviewed information provided by the Complainant and the District. Prior to OCR making a final determination, the District expressed an interest in voluntarily resolving the allegations pursuant to section 302 of OCR's Case Processing Manual², and OCR agreed it was appropriate to do so. On July 12, 2018, without admitting to any violation of law, the District signed the enclosed Resolution Agreement, which, when fully implemented, is intended to address the allegations in the complaint. Based on the commitments made in the enclosed Resolution Agreement, OCR is closing the investigation of this complaint as of the date of this letter, and notifying the Complainant concurrently. OCR will monitor the implementation of the resolution agreement until the District is in compliance with its terms. Upon completion of the obligations under the resolution agreement, OCR will close the case.

¹ OCR informed the District of the identities of the Complainant and Student in our letter notifying it of the complaint. We are withholding their names here to protect their privacy.

This concludes OCR's investigation of the complaint and should not be interpreted to address the District compliance with any other regulatory provision or to address any issues other than those addressed in this letter. This letter sets forth OCR's determination in an individual OCR case. This letter is not a formal statement of OCR policy and should not be relied upon, cited, or construed as such. OCR's formal policy statements are approved by a duly authorized OCR official and made available to the public.

Please be advised that the District may not harass, coerce, intimidate, retaliate, or discriminate against any individual because he or she has filed a complaint or participated in the complaint resolution process. If this happens, the individual may file another complaint alleging such treatment.

Under the Freedom of Information Act, it may be necessary to release this document and related correspondence and records upon request. In the event that OCR receives such a request, we will seek to protect, to the extent provided by law, personally identifiable information, which, if released, could reasonably be expected to constitute an unwarranted invasion of personal privacy.

The Complainant may have a right to file a private suit in federal court whether or not OCR finds a violation.

OCR thanks XXXXXXXX XXXXXXXXXX for the courtesy and cooperation extended to OCR during its investigation. If you have any questions, please contact Abony Alexander by email at abony.alexander@ed.gov.

Sincerely,
