 - b. Install signage informing patrons about the availability of companion seating upon request.
 - c. Clearly mark all designated accessible seating in the stadium.
 - d. Remove the top row of bleachers in front of the accessible seating to ensure full view of the field.
2. At the School's baseball field, install accessible parking spaces and seating consistent with the 2010 Standards. This will require at least five wheelchair spaces with companion seating at the field near the bleachers and at least 3 accessible parking spaces with an accessible route connecting the two.
3. At the School's softball field, install vertical signage for the accessible parking spaces consistent with 2010 Standards Section 502.6.
