

**RESOLUTION AGREEMENT**  
**Davidson County Community College**  
OCR Case No. 11-17-2219

Davidson County Community College (the College) agrees to fully implement this Resolution Agreement (Agreement) to resolve Office for Civil Rights (OCR) Case No. 11-17-2219. This Agreement does not constitute an admission by the College of a violation of Section 504 of the Rehabilitation Act of 1973 (Section 504), Title II of the Americans with Disabilities Act of 1990 (Title II) or any other law enforced by OCR.

1. Except as provided in Item 2, the College will not hold the Student or her parents liable for tuition in the amount of XXXX or any other amount for the Student's XXXX semester at the College, nor will it continue or place a new hold on her account based on that tuition.
  
2. Nothing in this agreement bars the College from seeking reimbursement for the refund the Student received for the books she was to have used during the XXXX semester at the College -- i.e., for XXXX -- or continuing or placing a hold on her account based on the failure to return that refund.

The College also understands that by signing this Agreement, it agrees to provide data and other information in a timely manner. Further, the College understands that, during the monitoring of this Agreement, OCR may visit the College, interview College staff and students, and request such additional reports or data as are necessary for OCR to determine whether the College has fulfilled the terms of this Agreement and is in compliance with Section 504 and Title II.

The College understands and acknowledges that OCR may initiate administrative enforcement or judicial proceedings to enforce the specific terms and obligations of this Agreement. Before initiating administrative enforcement (34 C.F.R. §§ 100.9, 100.10) or judicial proceedings to enforce this Agreement, OCR will give the College written notice of the alleged breach and a minimum of sixty calendar days to cure the alleged breach.
