OCR Docket #15-13-1374**

Troy City School District (the District) submits to the U.S. Department of Education, Office for Civil Rights (OCR), this Resolution Agreement (Agreement) to resolve the above-referenced complaint investigation and to ensure compliance with Section 504 of the Rehabilitation Act of 1973 (Section 504), 29 U.S.C. § 794, and its implementing regulation, 34 C.F.R. Part 104, and with Title II of the Americans with Disabilities Act of 1990 (Title II), 42 U.S.C. § 12131, and its implementing regulation at 28 C.F.R. Part 35. The District elects to make the modifications required by this Agreement in accordance with the 2010 Americans with Disabilities Act Standards for Accessible Design (the 2010 ADA Standards).

Parking

By September 1, 2014, the District will ensure that there are nine accessible, free parking spaces in front of the football stadium that comply with the 2010 ADA Standards, including the requirements for ground surface, width, access aisles, signage, markings, and surface slopes. At least two of the nine spaces will meet the 2010 ADA Standards requirements for van accessibility and will be identified by signage as “van accessible.” The nine accessible spaces will be located on the shortest accessible route of travel from the parking lot to an accessible entrance of the stadium. The route and the entrance will comply with the 2010 ADA Standards, and the District will ensure that signage is provided that will allow persons attending events at the stadium to locate the accessible parking and know that it is free.

Reporting Requirement

By September 1, 2014, the District will submit to OCR documentation of its implementation of this Agreement and verifying compliance with the 2010 ADA Standards, such as photographs, work orders, schedules of construction, and measurements, as applicable. In addition to the District’s report, OCR may also visit the school to verify the implementation of this Agreement and that the work was completed in compliance with the 2010 ADA Standards
