Re: OCR Docket No. 15-17-1375

Dear Mr. Bullinger:

This letter is to notify you of the disposition of the above-referenced complaint filed on April 5, 2017, with the U.S. Department of Education (Department), Office for Civil Rights (OCR), against Comstock Park Public Schools (the District) alleging that the District discriminated against a student (the Student) on the basis of disability when it failed to properly evaluate the Student for a disability and provide the Student with necessary disability-related services.

OCR enforces Section 504 of the Rehabilitation Act of 1973 (Section 504), 29 U.S.C. § 794, and its implementing regulation at 34 C.F.R. Part 104, which prohibit discrimination on the basis of disability by recipients of Federal financial assistance. OCR also enforces Title II of the Americans with Disabilities Act of 1990 (Title II), 42 U.S.C. § 12131 *et seq.*, and its implementing regulation at 28 C.F.R. Part 35, which prohibit discrimination on the basis of disability by public entities. As a recipient of Federal financial assistance from the Department and as a public entity the District is subject to these laws.

Based on the complaint allegations, OCR opened an investigation of the following legal issue/s:

- Whether the District failed to properly and timely identify, evaluate, and place a student with a disability in violation of Section 504's implementing regulation at 34 C.F.R. § 104.35.
- Whether the District failed to provide a free appropriate public education (FAPE) to a qualified student with a disability in violation of Section 504's implementing regulation at 34 C.F.R. § 104.33.

During its investigation to date, OCR reviewed information provided by the Complainant and the District.

Under Section 302 of OCR's Case Processing Manual, allegations under investigation may be resolved at any time when, prior to the issuance of a final investigative determination, the recipient expresses an interest in resolving the allegations and OCR determines that it is appropriate to resolve them with an agreement. In this case, the District expressed an interest in resolving the allegations prior to the conclusion of OCR's investigation, and OCR determined resolution was appropriate. On April 23, 2018, the District signed the enclosed Resolution Agreement, which, when fully implemented, will address all of the allegations in the complaint. OCR will monitor the implementation of the Resolution Agreement.

This concludes OCR's investigation of the complaint and should not be interpreted to address the District's compliance with any other regulatory provision or to address any issues other than those addressed in this letter. This letter sets forth OCR's determination in an individual OCR case. This letter is not a formal statement of OCR policy and should not be relied upon, cited, or construed as such. OCR's formal policy statements are approved by a duly authorized OCR official and made available to the public.

Please be advised that the District may not harass, coerce, intimidate, or discriminate against any individual because he or she has filed a complaint or participated in the complaint resolution process. If this happens, the individual may file another complaint alleging such treatment.

Under the Freedom of Information Act, it may be necessary to release this document and related correspondence and records upon request. In the event that OCR receives such a request, OCR will seek to protect, to the extent provided by law, personally identifiable information, which, if released, could reasonably be expected to constitute an unwarranted invasion of personal privacy.

The Complainant may file a private suit in federal court, whether or not OCR finds a violation.

OCR looks forward to receiving the District's first monitoring report by June 5, 2018. For questions about implementation of the Agreement, please contact Ms. Halle Jones, who will be monitoring the District's implementation, by e-mail at Halle.Jones@ed.gov or by telephone at (216) 522-4953. If you have questions or concerns about this letter, please contact me by telephone at (216) 522-2667, or by e-mail at Brenda.Redmond@ed.gov.

Sincerely,

/s/
