

Resolution Agreement
Clinton-Macomb Public Library
OCR Reference No. 15-18-4014

To resolve the above-referenced complaint brought under Title II of the Americans with Disabilities Act of 1990, the Office for Civil Rights (OCR) of the U.S. Department of Education and the Clinton-Macomb Public Library (the Library) enter into the following agreement. This agreement supersedes the agreement the Library entered into on January 30, 2018. This agreement was entered into voluntarily and does not constitute an admission of liability, non-compliance, or wrongdoing by the Library.

1. Current Online Content and Functionality. By January 30, 2020, the Library agrees that it will take all actions necessary to ensure that individuals with disabilities have an equal opportunity to participate in the Library's programs and activities offered through Library's website or equally effective alternate access. To meet this commitment, the Library will: develop a strategy for identifying inaccessible content and functionality for individuals with disabilities; develop a notice to persons with disabilities regarding how to request that the Library provide access to online information or functionality; prominently post this notice on its home page and throughout its website; and develop a process to ensure that, upon request, inaccessible content and functionality will be made accessible¹ in an expedient manner.
2. New Online Content and Functionality. By June 30, 2018, the Library will establish a plan to ensure that all new online content and functionality developed, procured, or used after the date of this agreement will be fully accessible to individuals with disabilities. The plan should include any staff training that may be necessary to ensure full implementation with the plan.
3. Undue Burden and Fundamental Alteration. This agreement does not require Library to take any action that it can demonstrate would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens. In those circumstances where the Library can demonstrate compliance would result in such an alteration or burden, the Library will ensure that, to the maximum extent possible, individuals with disabilities receive the benefits or services provided by the Library.
4. Technical Assistance. OCR will make itself available to provide technical assistance to the Library during the Library's implementation of this agreement.
5. Reporting Provision. By January 30, 2020, the Library will submit a report to OCR demonstrating that it has fully satisfied the terms of this agreement. The report will

¹ "Accessible," for purposes of this agreement, means a person with a disability is afforded the opportunity to acquire the same information, engage in the same interactions, and enjoy the same services as a person without a disability in an equally effective and equally integrated manner, within the same timeframes, and with substantially equivalent ease of use.

describe benchmarks the Library has reached and on-going efforts to maintain web accessibility and usability of the Library's website.

The Library understands that by signing the agreement, it agrees to provide data and other information in a timely manner in accordance with the reporting requirement of this agreement. Further, the Library understands that during OCR's monitoring of this agreement, if necessary, OCR may visit the Library, interview staff and students, and request such additional reports or data as are necessary for OCR to determine whether the Library has fulfilled the terms of this agreement. Upon the Library's satisfaction of the commitments made under this agreement, OCR will close the case.

The Library understands and acknowledges that OCR may initiate administrative enforcement, or judicial proceedings to enforce the specific terms and obligations of this agreement. Before initiating administrative enforcement (34 C.F.R. §§ 100.9, 100.10), or judicial proceedings to enforce the agreement, OCR will give the Library written notice of the alleged breach and sixty (60) calendar days to cure the alleged breach

This agreement will become effective immediately upon the signature of the Library's representative below.
