## Re: OCR Docket No. XX-XX-XXXX

Dear XX XXXXXX:

OCR enforces Section 504 of the Rehabilitation Act of 1973 (Section 504), 29 U.S.C. § 794, and its implementing regulation at 34 C.F.R. Part 104, which prohibit discrimination on the basis of disability by recipients of federal financial assistance. OCR also enforces Title II of the Americans with Disabilities Act of 1990 (Title II), 42 U.S.C. § 12131 *et seq.*, and its implementing regulation at 28 C.F.R. Part 35, which prohibit discrimination on the basis of disability by public entities. As a recipient of federal financial assistance from the Department and as a public entity, the District is subject to these laws.

Based on the complaint allegation, OCR opened an investigation of the following legal issue: whether the District failed to provide a qualified student with a disability with a free appropriate public education (FAPE), in violation of the Section 504 implementing regulation at 34 C.F.R. § 104.33.

## Summary of OCR's Investigation

[X Paragraph Redacted X]

#### **Applicable Regulatory Standards**

A recipient that operates a public elementary or secondary education program or activity must provide a free appropriate public education (FAPE) to each qualified person with a disability in the recipient's jurisdiction, regardless of the nature or severity of the person's disability. 34 C.F.R. § 104.33. An appropriate education for purposes of FAPE is defined as the provision of regular or special education and related aids and services that are designed to meet the individual educational needs of students with disabilities as adequately as the needs of nondisabled students are met, and that are developed in accordance with procedural requirements of 34 C.F.R. §§ 104.34 - 104.36 regarding educational setting, evaluation, placement, and procedural safeguards.

#### **Voluntary Resolution and Conclusion**

This concludes OCR's investigation of the complaint and should not be interpreted to address the District's compliance with any other regulatory provision or to address any issues other than those addressed in this letter. This letter sets forth OCR's determination in an individual OCR case. This letter is not a formal statement of OCR policy and should not be relied upon, cited, or construed as such. OCR's formal policy statements are approved by a duly authorized OCR official and made available to the public.

Please be advised that the District may not harass, coerce, intimidate, or discriminate against any individual because he or she has filed a complaint or participated in the complaint resolution process. If this happens, the individual may file another complaint alleging such treatment.
