Acting Director
Policy and Enforcement Service
Office for Civil Rights
United States Department of Education
Washington, D.C. 20202

Dear Mr. Cioffi:

We accept your determination that Alabama Christian College does not desire a religious exemption from Title IX of the Education Amendments of 1972 at this time.

We did not send you the further information requested because in a telephone conversation with one of your people, it was determined that we would not need, because of the more recent interpretations of Title IX, an exemption for our purposes. Thank you for allowing us to make this determination.

Should our situation change in the future, we will do as you recommended and make a request for a specific exemption.

Cordially yours,

Ernest Clevenger
President
