

UNITED STATES DEPARTMENT OF EDUCATION

OFFICE FOR CIVIL RIGHTS

THE ASSISTANT SECRETARY

March 24, 2015

D. Gregory Main  
President  
St. Gregory's University  
1900 West MacArthur Street  
Shawnee, Oklahoma 74804

Dear President Main:

The purpose of this letter is to respond to your March 3, 2015, letter to the U.S. Department of Education, Office for Civil Rights (OCR), in which you requested a religious exemption from Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. § 1681, for St. Gregory's University (University) of Shawnee, Oklahoma. Title IX prohibits discrimination on the basis of sex in any education program or activity operated by a recipient of Federal financial assistance.

The implementing regulation at 34 C.F.R. § 106.12 provides that Title IX does not apply to an educational institution controlled by a religious organization to the extent that application of Title IX would be inconsistent with the controlling organization's religious tenets. Therefore, such educational institutions are allowed to request an exemption from Title IX by identifying the provisions of Title IX that conflict with a specific tenet of the religious organization. The request must identify the religious organization that controls the educational institution and specify the tenets of that organization and the provisions of the law and/or regulation that conflict with those tenets.

Your request explained that the University is "owned by the St. Gregory's Abbey, a community of Catholic Benedictine monks."

Your letter requests exemption from provisions of Title IX "to the extent they are interpreted to reach gender identity discrimination." In support of this request, you cite to the Catechism of the Catholic Church, which, according to your letter, states that "'Being man' or 'being woman' is a reality which is good and willed by God." Your exemption request points to a recent OCR resolution agreement in which a school district agreed to allow a transgender male student to use the restroom, locker room, and living facilities consistent with the student's gender identity, and to play on boys' athletic teams. You explain that, to the extent that this agreement indicates that Title IX prohibits discrimination on the basis of gender identity, compliance "would be inconsistent with the religious tenets of St. Gregory's."

You state that, for these reasons, the University is requesting an exemption from the following regulatory provisions to the extent that they prohibit discrimination on the basis of gender identity:

- 34 C.F.R. § 106.21 (governing admissions);
- 34 C.F.R. § 106.22 (governing preference in admissions);
- 34 C.F.R. § 106.23 (governing recruitment of students);
- 34 C.F.R. § 106.31 (governing sex discrimination in education programs or activities);
- 34 C.F.R. § 106.32 (governing housing);
- 34 C.F.R. § 106.33 (governing comparable facilities such as restrooms and locker rooms);

*The Department of Education's mission is to promote student achievement and preparation for global competitiveness by fostering educational excellence and ensuring equal access.*

- 34 C.F.R. § 106.34 (governing access to classes and schools);
- 34 C.F.R. § 106.36 (governing counseling);
- 34 C.F.R. § 106.37 (governing financial assistance);
- 34 C.F.R. § 106.38 (governing employment assistance to students);
- 34 C.F.R. § 106.39 (governing health insurance benefits and services);
- 34 C.F.R. § 106.40 (governing different rules based on marital or parental status of students);
- 34 C.F.R. § 106.41 (governing athletics);
- 34 C.F.R. § 106.43 (governing standards for measuring skill or progress in physical education classes); and
- 34 C.F.R. § 106.51-106.61 (governing employment).

The University is exempt from these provisions to the extent that they prohibit discrimination on the basis of gender identity and compliance would conflict with the controlling organization's religious tenets.

Please note that this letter should not be construed to grant exemption from the requirements of Title IX and the regulation other than as stated above. In the event that OCR receives a complaint against your institution, we are obligated to determine initially whether the allegations fall within the exemption here granted. Also, in the unlikely event that a complainant alleges that the practices followed by the institution are not based on the religious tenets of the controlling organization, OCR is obligated to contact the controlling organization to verify those tenets. If the organization provides an interpretation of tenets that has a different practical impact than that described by the institution, or if the organization denies that it controls the institution, this exemption will be rescinded.

I hope this letter responds fully to your request. If you have any questions, please do not hesitate to contact me.

Sincerely,

Catherine E. Lhamon  
Assistant Secretary for Civil Rights  
U.S. Department of Education
