### *Explanation Of*

## **HEW FORM 639, ENTITLED "ASSURANCE OF COMPLIANCE WITH TITLE IX OF THE EDUCATION AMENDMENTS OF 1972 AND THE REGULATION OF THE DEPARTMENT OF HEALTH, EDUCATION, AND WELFARE IN IMPLEMENTATION THEREOF"**

Section 901 of Title IX of the Education Amendments of 1972 provides that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance. Section 902 of Title IX authorizes and directs the Department of Health, Education, and Welfare (hereinafter the "Department") to effectuate the nondiscrimination requirements of section 901 by issuing rules, regulations, and orders of general applicability. Pursuant to section 902, the Department has issued 45 C.F.R. Part 86 (hereinafter "Part 86") which became effective on July 21, 1975.

Section 86.4 of Part 86 requires that every application for Federal financial assistance for any education program or activity shall, as a condition of its approval, contain or be accompanied by an assurance from the applicant satisfactory to the Director of the Office for Civil Rights (hereinafter the "Director") that each education program or activity operated by the applicant and to which Title IX of the Education Amendments of 1972 and Part 86 apply will be operated in compliance with Part 86.

Section 86.4 also provides that the Director will specify the form of the assurance required and the extent to which such assurance will be required of the applicant's subgrantees, contractors, subcontractors, transferees, or successors in interest. Under this authority, HEW Form 639 has been specified as the form of assurance which shall apply to all recipients of and applicants for Federal financial assistance subject to the provisions of Title IX and awarded by the Department.

HEW Form 639 constitutes a legally enforceable agreement to comply with Title IX and all of the requirements of Part 86. Applicants are urged to read Part 86 and the accompanying preamble. The obligation imposed by Title IX and Part 86 are independent of, and do not alter, the obligation not to discriminate on the basis of sex imposed by Title VII of the Civil Rights Act of 1964 (20 U.S.C. §2000e *et seq.*); Executive Order 11246, as amended; sections 799A and 855 of the Public Health Service Act (42 U.S.C. 295h-9 and 298b-2); and the Equal Pay Act (29 U.S.C. 206 and 206 (d)).

### **PERIOD OF ASSURANCE**

HEW Form 639 is binding on a recipient for the period during which Federal financial assistance is extended to it by the Department. With respect to Federal financial assistance used to aid in the purchase or improvement of real or personal property, such period shall include the time during which the real or personal property is used for the purpose of providing an education program or activity. A recipient may transfer or otherwise convey title to real and personal property purchased or improved with Federal financial assistance so long as such transfer or conveyance is consistent with the laws and regulations under which the recipient obtained the property and it has obtained a properly executed HEW Form 639 from the party to whom it wishes to transfer or convey the title unless the property in question is no longer to be used for an education program or activity or the Federal share of the fair market value of such property has been refunded or otherwise properly accounted for to the Federal government.

STATEMENT OF POLICY

TITLE IX PROVISION

DBC TENET

86.31 (a) General. Except as provided elsewhere in this part, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by a recipient which receives or benefits from Federal financial assistance.

86.34 A recipient shall not provide any course or otherwise carry out any of its education program or activity separately on the basis of sex, or require or refuse participation therein by any of its students on such basis, including health, physical education, industrial, business, vocational, technical, home economics, music, and adult education courses.

86.40 Marital or parental status.

(b) Pregnancy and related conditions.

(1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of such student's pregnancy, childbirth, false pregnancy, termination of pregnancy or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

We believe that leadership in the Christian community normally is a responsibility of Christian men and our programs, courses, and policies, while not denying educational opportunity on the basis of sex, will be so cast as to reflect this belief.

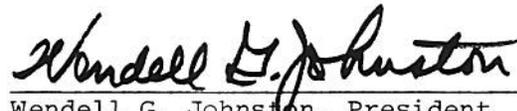

Marital or parental status, or the fact of pregnancy, per se, are not criteria for determining educational opportunity or institutional relationship at this college. We believe there are standards of conduct appropriate in Christian community, and that there is therefore social behavior which is acceptable and that which is not acceptable. We reserve the right to interpret individual behavior, its contexts, its consequences and social relationships in this light and make decisions on the basis of behavioral standards, not sex.

TITLE IX PROVISIONDBC TENET

## 86.53 Recruitment

(a) Nondiscriminatory recruitment and hiring. A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex in the recruitment or hiring of employees, or has been found to have in the past so discriminated, the recipient shall recruit members of the sex so discriminated against so as to overcome the effects of such past or present discrimination.

In light of our belief that leadership in the Christian community and particularly in the church normally is the responsibility of Christian men, we believe that authoritative instruction in the areas of doctrine and governance of the church normally are also the responsibility of Christian men. Therefore our recruiting and hiring practices for key faculty responsibilities in these areas would reflect these beliefs.
