Dear Inspector General Bruce:

This required external peer review was conducted in accordance with the Council of the Inspectors General on Integrity and Efficiency (CIGIE) Inspection and Evaluation Committee guidance as contained in the CIGIE Guide for Conducting External Peer Reviews of Inspection and Evaluation Organizations of Federal Offices of Inspector General (December 2020). The peer review was conducted from November 3, 2021, through March 11, 2022. Due to the COVID-19 pandemic, the peer review was performed remotely.

The CIGIE External Peer Review Team (Review Team) assessed the extent to which the U.S. Department of Education, Office of Inspector General (ED OIG) complied with standards from CIGIE’s Quality Standards for Inspection and Evaluation, January 2012 (Blue Book). Specifically, the Review Team assessed Quality Control, Planning, Data Collection and Analysis, Evidence, Records Maintenance, Reporting, and Follow-up. The assessment included a review of ED OIG’s internal policies and procedures that implement the seven Blue Book standards. It also included a review of selected inspection and evaluation reports issued between October 1, 2020, and September 30, 2021, to determine whether the reports complied with the applicable Blue Book standards and ED OIG’s internal policies and procedures.

Overall Conclusion

The Review Team determined that ED OIG’s policies and procedures generally were consistent with the seven Blue Book standards addressed in the external peer review. Additionally, all three reports reviewed generally met the Blue Book standards and complied with ED OIG internal policies and procedures. Your response to the report is included as an enclosure.

Thank you and your staff for your assistance and professionalism throughout the peer review.

Sincerely,

Hannibal M. Ware
Inspector General

ENCLOSURE 1: Scope and Methodology

The U.S. Small Business Administration Office of Inspector General selected three reports for review, as required for medium-sized organizations. We considered the impact of the report, significance of the subject matter, and geographic location as the basis for selecting the following reports:

- ED-OIG/S20DC0008; Assessment of the Department’s Reconstitution Plans Following COVID-19, December 14, 2020
- ED-OIG/I20DC0013; Higher Education Emergency Relief Fund Reporting Requirements, February 26, 2021
- ED-OIG/I06S0001; Federal Student Aid Controls Over the School Verification Process, May 20, 2021

The Review Team reviewed ED OIG’s policies and procedures, prior External Peer Review report and Letter of Comment, Quality Assurance Reports, project documentation, and audit follow-up information. We also obtained responses from ED OIG to our written requests for follow-up information.

We followed the processes described in the CIGIE Guide for Conducting External Peer Reviews of Inspection and Evaluation Organizations of Federal Offices of Inspector General and used the results of Appendix D: Policy and Procedures Review Checklist and Appendix E: Report Review Checklist as the basis for our conclusions.

The peer review was performed remotely due to the COVID-19 pandemic.
