

Higher Education Emergency Relief Fund (HEERF) No Cost Extension (NCE) Request Form

This completed form must be emailed to your HEERF program specialist on or before **June 20, 2023**.

Introduction: Most HEERF grant performance periods are scheduled to end on June 30, 2023.¹ The U.S. Department of Education (Department) is prepared to offer first-time NCEs to HEERF grantees that can adequately demonstrate that any remaining HEERF grant funds expended during this additional period will not be used merely for the purpose of using unobligated balances, as required by [2 CFR § 200.308\(e\)\(2\)](#). This form is how the Department will make that determination.

Submission Instructions: The authorized institutional representatives of HEERF grant awards must complete this form and email a PDF copy to their assigned HEERF program specialist (identified in Box 3 of the HEERF Grant Award Notification (GAN)) on or before **June 20, 2023**. Early submission is strongly encouraged in order to avoid any interruption to being able to access to HEERF grant funds. HEERF grant awards without approved NCEs will enter the 120-day grant liquidation phase for the first phase of the grant closeout process.
