Instructions for Completing the Application Package

The Title III, SI Program application consists of four parts. These parts are organized in the same manner that the submitted application should be organized. The parts are as follows:

Part I: SF 424 Form

Application for Federal Assistance – (SF 424)
Department of Education Supplemental Information for SF 424

***Notes:**

Please do not attach any narratives, supporting files, or application components to the Standard Form (SF 424). Although the form accepts attachments, the Department of Education will only review materials/files listed below.

Part II: ED Form 524 Forms

Department of Education Budget Summary Form – (ED 524)
Sections A & B
(Section C – Budget Narrative should be included in the Program Narrative Selection Criteria, located in Part III.)

Part III: Program Narratives

Program Narrative Abstract
Program Selection Criteria
Program Narrative Budget
Program Narrative SIP Profile Form

The Program Narrative Abstract is where you attach one single-spaced page abstract narrative in **word format (no charts)** to include an overview of your proposed project and a description of your institution's distinguishing features, including:

- Your institution's level (2-year/4-year); control (private/public); affiliation; primary service population; and programs of study (e.g., liberal arts, technical programs).
- Student Body Characteristics: include the number of students-either full-time equivalent or headcount - and the racial, ethnic, age, and gender breakdown.
- Faculty Characteristics: include the number of full-time and adjunct faculty and faculty to student ratio.

In preparing your Project Abstract for posting to the Web, the following guidelines must be followed:

- Acronyms are placed in parentheses after the words are spelled out the first time;

- The word *percent* should be spelled out (except in tables and charts);
- Numbers 0-9 should be spelled out;
- Create a table for text in columns and rows;
- Charts are not permitted;
- Use the same font and font size throughout your document;
- Use uppercase, bold, and large fonts for emphasis only (i.e., headings and subheadings); and
- Be consistent throughout your document.

The “**Program Selection Criteria**” is where applicants will attach their narrative responses to the selection criteria that will be used to evaluate applications submitted for this competition. The “budget narrative” is part of the selection criteria and is to be included in the narrative attached to the “Project Narrative Attachment Form.” **Remember to submit a single narrative document that addresses each proposed activity (except endowment investing). BE SURE TO ADHERE TO THE ESTABLISHED PAGE LIMITATIONS OF:**

- **50 pages for 5-year individual development grants; and**
- **70 pages for cooperative arrangement development grants.**

The **Program Narrative Budget** is where you attach a detailed line item budget and any supplemental budget information. The budget should demonstrate and justify that all costs are reasonable and necessary to accomplish the proposed project activities. Include a description of the activities in the budget that respond to the announced invitational priorities.

The “**Program Narrative SIP Profile Form**” is where applicants will attach the “Program Profile” page.

***All attachments must be in .DOC, .RTF, or .PDF format. Other types of files will not be accepted.**

84.031A Strengthening Institutions Program Profile

INSTRUCTIONS: *ALL applicants must complete these pages. The completed pages must be attached to the "Other Attachments Form" in the application package in the e-Grants system (as either a .doc, .rtf or .pdf document). DO NOT MODIFY OR AMEND THESE PAGES.*

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The SIP provides grants to eligible institutions of higher education (IHEs) to help them become self sufficient and expand their capacity to serve low-income students, by providing funds to improve and strengthen the institution's academic quality, institutional management and fiscal stability.

Priorities: Under this competition we are particularly interested in applications that address the following priorities.

Invitational Priorities: For FY 2010, there are four invitational priorities for this program. Under 34 CFR 75.105(c)(1) we do not give an application that meets these invitational priorities a competitive or absolute preference over other applications.

These priorities are:

Invitational Priority 1.

Support activities that will improve the institution's persistence and graduation rates.

Invitational Priority 2.

Work with the appropriate State agencies to develop strategies for using State longitudinal data systems to track outcomes for students attending the grantee institution, including the extent to which the students complete certificates, two-year degrees, and four-year degrees at other institutions.

Invitational Priority 3.

Develop academic programs to improve course completion rates or develop innovative support programs that are designed to increase completion rates.

Invitational Priority 4.

Develop dual enrollment programs that facilitate the transition between high school and college or career pathway programs that integrate basic academic instruction with technical or professional occupational training to advance individuals, particularly adult learners, on a career path toward high-wage occupations in high-demand industries.

Program Authority: 20 U.S.C. 1057 - 1059d (Title III, Part A of the Higher Education Act of 1965 (HEA)).

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 82, 84, 85, 86, 97, 98, and 99. (b) The regulations for this program in 34 CFR part 607.

Project Period: Up to 60 months for development grants and cooperative arrangement development grants.

III. Eligibility Information

1. Eligible Applicants: This program is authorized by Title III, Part A, of the HEA. To qualify as an eligible institution under any Title III, Part A program, an institution must, among other requirements--

(1) Be accredited or preaccredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered;

(2) Be legally authorized by the State in which it is located to be a junior college or to provide an educational program for which it awards a bachelor's degree;

(3) Be designated as an "eligible institution" by demonstrating that it:
A) has an enrollment of needy students as described in 34 CFR 607.3; and B) has low average educational and general expenditures per full-time equivalent (FTE)

undergraduate student as described in 34 CFR 607.4.

Relationship between the Title III, Part A programs and the Hispanic-Serving Institutions (HSI) program.

Note 1: A grantee under the Developing Hispanic-Serving Institutions (HSI) program, which is authorized under Title V of the HEA, may not receive a grant under any HEA, Title III, Part A program. The Title III, Part A programs include SIP, Tribally Controlled Colleges and Universities, Alaska Native and Native Hawaiian-serving Institutions, Asian American and Native American Pacific Islander-serving Institutions, and Native American-serving Nontribal Institutions. Further, a current HSI program grantee may not give up its HSI grant to receive a grant under any Title III, Part A program.

Note 2: An eligible HSI that does not fall within the limitation described in Note 1 (i.e., is not a current grantee under the HSI program) may apply for a FY 2010 grant under all Title III, Part A programs for which it is eligible, as well as receive consideration for a grant under the HSI program. However, a successful applicant may receive only one grant.

Note 3: An eligible IHE that submits more than one application may only be awarded one individual development grant or one cooperative arrangement development grant in a fiscal year. We will not award a second cooperative arrangement development grant to an otherwise eligible IHE for the same award year as the IHE's existing cooperative arrangement development grant award.

Note 4: The Department will make five-year awards for individual development grants and five-year awards for cooperative arrangement development grants in rank order from the funding slate according to the average score received from a panel of three readers.

2. a. Cost Sharing or Matching: This program does not require cost sharing or matching unless the grantee uses a portion of its grant for

establishing or improving an endowment fund. If a grantee uses a portion of its grant for endowment fund purposes, it must match those grant funds with non-Federal funds (20 U.S.C. 1059c(c)(3)(B)).

b. Supplement-Not-Supplant: This program involves supplement-not-supplant funding requirements. Grant funds shall be used so that they supplement and, to the extent practical, increase the funds that would otherwise be available for the activities to be carried out under the grant and in no case supplant those funds (34 CFR 607.30 (b)).

2. Content and Form of Application Submission: Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this program.

Page Limits: We have established mandatory page limits for the applications to be submitted under this notice. You must limit your application to the

equivalent of no more than 50 pages for an individual development grant, and 70 pages for a cooperative arrangement development grant, using the following standards:

- A "page" is 8.5" x 11", on one side only, with 1 inch margins at the top, bottom, and both sides. Page numbers and an identifier may be outside the 1" margin.

- Double space (no more than three lines per vertical inch) all text in the application narrative, except titles, headings, footnotes, quotations, references, captions and all text in charts, tables, figures, and graphs. Charts, tables, figures, and graphs in the application narrative may be single spaced and will count toward the page limit.

- Use a font that is either 12 point or larger, and no smaller than 10 pitch (characters per inch).

- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. Applications submitted in any other font (including Times Roman and Arial Narrow) will not be accepted.

- The page limit does not apply to Part I, Application for Federal Assistance (SF-424); the Supplemental Information for SF-424 Form required by the Department of Education; Part II, the Budget Information Summary Form (ED Form 524); and Part IV, the assurance and certifications. The page limit also does not apply to the one-page abstract, the table of contents, the resumes, and the bibliography. If you include any attachments or appendices, these items will be counted as part of the Program Narrative (Part III of the application) for purposes of the page limit requirement. You must include your complete response to the selection criteria in the program narrative.

- We will reject your application if you exceed the page limit.

3. Submission Dates and Times:

Applications Available: July 6, 2010.

Deadline for Transmittal of Applications: August 5, 2010.

Applications for grants under this program must be submitted electronically using the Electronic Grant Application System (e-Application) accessible through the Department's e-Grants site. For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. 7. Other Submission Requirements of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under For Further Information Contact in section VII in this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

Deadline for Intergovernmental Review: [INSERT 90 DAYS AFTER DATE OF PUBLICATION IN FEDERAL REGISTER].

4. Intergovernmental Review: This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this program.

5. Funding Restrictions: We reference the regulations outlining funding restrictions in the Applicable Regulations section of this notice.

Applicability of Executive Order 13202. Applicants that apply for

construction funds under the Title III, Part A programs, must comply with Executive Order 13202 signed by former President George W. Bush on February 17, 2001, and amended on April 6, 2001. This Executive Order provides that recipients of Federal construction funds may not "require or prohibit bidders, offerors, contractors, or subcontractors to enter into or adhere to agreements with one or more labor organizations, on the same or other construction project (s)" or "otherwise discriminate against bidders, offerors, contractors, or subcontractors for becoming or refusing to become or remain signatories or otherwise adhere to agreements with one or more labor organizations, on the same or other construction project(s)." However, the Executive Order does not prohibit contractors or subcontractors from voluntarily entering into these agreements. Projects funded under this program that include construction activity will be provided a copy of this Executive Order and will be asked to certify that they will adhere to it.

6. Data Universal Numbering System Number, Taxpayer Identification Number, and Central Contractor Registry: To do business with the Department of Education, (1) you must have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN); (2) you must register both of those numbers with the Central Contractor Registry (CCR), the Government's primary registrant database; and (3) you must provide those same numbers on your application.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one business day.

If you are a corporate entity, agency, institution, or organization you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2-5 weeks for your TIN to

become active.

The CCR registration process may take five or more business days to complete. If you are currently registered with the CCR, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

7. Other Submission Requirements: Applications for grants under the SIP must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications.

Applications for grants under the SIP--CFDA number 84.031A, must be submitted electronically using e-Application, accessible through the Department's e-Grants Web site at: <http://e-grants.ed.gov>.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under Exception to Electronic Submission Requirement.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application

by 4:30:00 p.m., Washington, DC time, on the application deadline date. E-Application will not accept an application for this program after 4:30:00 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- The hours of operation of the e-Grants Web site are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until 8:00 p.m. Sunday, Washington, DC time. Please note that, because of maintenance, the system is unavailable between 8:00 p.m. on Sundays and 6:00 a.m. on Mondays, and between 7:00 p.m. on Wednesdays and 6:00 a.m. on Thursdays, Washington, DC time. Any modifications to these hours are posted on the e-Grants Web site.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information--Non-Construction Programs (ED 524), and all necessary assurances and certifications. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password protected file, we will not review that material.

- Your electronic application must comply with any page limit requirements described in this notice.

- Prior to submitting your electronic application, you may wish to print

a copy of it for your records.

- After you electronically submit your application, you will receive an automatic acknowledgment that will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the SF 424 to the Application Control Center after following these steps:

- (1) Print SF 424 from e-Application.

- (2) The applicant's Authorizing Representative must sign this form.

- (3) Place the PR/Award number in the upper right hand corner of the hard-copy signature page of the SF 424.

- (4) Fax the signed SF 424 to the Application Control Center at (202) 245-6272.

- We may request that you provide us original signatures on other forms at a later date.

Application Deadline Date Extension in Case of e-Application Unavailability:

If you are prevented from electronically submitting your application on the application deadline date because e-Application is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if-

-

- (1) You are a registered user of e-Application and you have initiated an electronic application for this competition; and

- (2) (a) E-Application is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) E-Application is unavailable for any period of time between 3:30 p.m.

and 4:30:00 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under For Further Information Contact (see VII. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. If e-Application is unavailable due to technical problems with the system and, therefore, the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of e-Application.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the e-Application system because--

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to e-

Application;

and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before

the application deadline date.

Address and mail or fax your statement to: Imogene Byers or Darlene B. Collins, U.S. Department of Education, 1990 K Street, NW., 6th floor, Washington, DC 20006-8513. FAX: (202) 502-7861.

- (1) Faculty development;
- (2) Funds and administrative management;
- (3) Development and improvement of academic programs;
- (4) Acquisition of equipment for use in strengthening management and academic programs;
- (5) Joint use of facilities; and
- (6) Student services.

For the purpose of these funding considerations, we use 2007-2008 data.

If a tie remains after applying the tie-breaker mechanism above, priority will be given in the case of applicants for: a) individual development grants to applicants that have the lowest endowment values per FTE enrolled student; and b) cooperative arrangement development grants to applicants in accordance with section 394(b) of the HEA, if the Secretary determines that the cooperative arrangement is geographically and economically sound or will benefit the applicant institution.

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section in

this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. Reporting: At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary in 34 CFR 75.118 and 34 CFR 607.31. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

4. Performance Measures: The Secretary has established the following key performance measures for assessing the effectiveness of the Title III, Part A SIP:

a. The percentage change, over the 5-year period, of the number of full-time degree-seeking undergraduates enrolled at SIP institutions. Note that this is a long-term measure, which will be used to periodically gauge performance, beginning in FY 2009;

b. The percentage of first-time, full-time degree-seeking undergraduate students at 4-year SIP institutions who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same SIP institution;

c. The percentage of first-time, full-time degree-seeking undergraduate students at 2-year SIP institutions who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current

year at the same SIP institution;

d. The percentage of first-time, full-time degree-seeking undergraduate students enrolled at 4-year SIP institutions graduating within 6 years of enrollment; and

e. The percentage of first-time, full-time degree-seeking undergraduate students enrolled at 2-year SIP institutions graduating within 3 years of enrollment.

Dear Applicant:

Thank you for your interest in applying for a grant under the Strengthening Institutions Program (SIP), authorized under Title III, Part A, of the Higher Education Act of 1965, (HEA) as amended by the Higher Education Opportunity Act of 2008 (HEOA). This package contains the necessary forms and instructions to apply for a fiscal year (FY) 2010 grant under SIP. SIP provides grants to eligible institutions of higher education to enable them to improve their academic quality, institutional management, and fiscal stability in order to increase their self-sufficiency and strengthen their capacity to make a substantial contribution to the higher education resources of the Nation.

To receive a grant under SIP, institutions of higher education must first apply for and receive FY 2010 Designation of Eligibility. Any applicants failing to apply for eligibility will not have their applications entered in the review process. The Notice inviting FY 2010 applications to Request Designation As An Eligible Institution Under The Title III, Part A Program was published in the Federal Register on December 7, 2009. **The deadline date for receipt of that application was January 6, 2010.**

For fiscal year FY 2010, there are **four invitational priorities** for this program. We are particularly interested in applications that address these priorities. However, under 34 CFR 75.105 (c)(1) we do not give an application that meets these invitational priorities a competitive or absolute preference over other applications. These priorities are: 1) Support activities that will improve the institution's persistence and graduation rates; 2) Work with the appropriate State agencies to develop strategies for using State longitudinal data systems to track outcomes for students attending the grantee institution, including the extent to which the students complete certificates, 2-year degrees, and 4-year degrees at other institutions; 3) Develop academic programs to improve completion rates or develop innovative support programs that are designed to increase completion rates; and, 4) Develop dual enrollment programs that facilitate the transition between high school and college or career pathway programs that integrate basic academic instruction with technical or professional occupational training to advance individuals, particularly adult learners, on a career path toward high-wage occupations in high-demand industries.

Note: For FY 2010, the Secretary will not award one-year planning grants under the Strengthening Institutions Program (84.031A).

We are requiring that applications for FY 2010 grants under SIP be submitted electronically using e-Application, which is available through the Department's e-Grant system. An applicant who is unable to submit an application through the e-Grants system must submit a written request for a waiver of the electronic submission requirement at least two weeks before the deadline date. Additional information about e-Grants submission requirements is in the Closing Date Notice Inviting Applications for New Awards (Notice), published in the Federal Register, and in the transmittal instructions, which are included in this package.

The Notice published in the Federal Register contains specific information governing all of the requirements for applying. You are reminded that the document published in the Federal Register is the official document and that you should not rely upon any information that is inconsistent with the guidance contained within the official document.

Finally, we would like to share with you the importance of ensuring that your application includes a strong evaluation plan. The peer reviewers will be instructed to look closely at the potential of SIP applicants to successfully reach their individual project goals, which are driven by the performance indicators for SIP. The evaluation plan should not only include formative and summative measures, but also, address the use of appropriate controls and techniques that provide for independent evaluation. The evaluation plan should shape the development of the project from the beginning of the grant period and provide benchmarks for the monitoring of progress and measurement of that progress throughout the grant award period. You should pay close attention to the information provided in the Instructions for

the Project Narrative section of this application regarding the development of your evaluation activity.

If you have questions, please contact Imogene W. Byers, Program Officer, at (202) 502-7672 or Darlene B. Collins, Team Leader for the Title III, Part A Strengthening Institutions Program, at (202) 502-7576.

Sincerely,

/S/

Alan J. Schiff
Acting Deputy Assistant Secretary
Higher Education Programs

COMPETITION HIGHLIGHTS

1. The FY 2010 Strengthening Institutions Program competition will include invitational priorities. The Department is inviting applicants to use funds for particular kinds of activities in FY 2010. However, under 34 CFR 75.105 (c)(1) we do not give an application that meets these invitational priorities a competitive or absolute preference over other applications. These priorities are: 1) Support activities that will improve the institution's persistence and graduation rates; 2) Work with the appropriate State agencies to develop strategies for using State longitudinal data systems to track outcomes for students attending the grantee institution, including the extent to which the students complete certificates, 2-year degrees, and 4-year degrees at other institutions; 3) Develop academic programs to improve course completion rates or develop innovative support programs that are designed to increase completion rates; and, 4) Develop dual enrollment programs that facilitate the transition between high school and college or career pathway programs that integrate basic academic instruction with technical or professional occupational training to advance individuals, particularly adult learners, on a career path toward high-wage occupations in high-demand industries.
2. Authorized grant activities for the SIP are listed in Title III, Part A, Section 311 of the Higher Education Act, as amended (HEA); however, Section 301 of the Higher Education Opportunity Act of 2008 (HEOA) modified the authorized grant activities for SIP. Please review these modifications prior to preparing your SIP application.
3. **Strengthening Institutions Program applications must be submitted electronically using e-Application unless you qualify for one of the exceptions to the electronic submission requirement.** The requirements for obtaining an exception to the electronic submission have changed and are included in the Closing Date Notice. If you think you need an exception, you are urged to review the requirements promptly.
4. Please note that you must submit your application by 4:30:00 p.m. (Washington, D.C. time) on or before the application deadline date. Late applications will not be accepted. **We suggest that you submit your application several days before the deadline.** The Department is required to enforce the established deadline to ensure fairness to all applicants. No changes or additions to an application will be accepted after the deadline date.
-
5. Applicants are required to adhere to the following page limits for the Project Narrative portion of the application:
50 pages for 5-year individual development grants; and
70 pages for cooperative arrangement development grants.
6. All grant applicants for SIP must have applied for and receive FY 2010 Designation of Eligibility. Applicants failing to apply for eligibility will not have their application entered in the review process. The deadline for applying for basic eligibility was January 6, 2010.
7. For FY 2010, applicants can only receive funding under one Title III or Title V program.
8. All applicants are required to submit a SIP Profile which contains the tie-breaker information. Applicants are asked to carefully read question #5 on the Program Profile information and, if applicable, to check the box or place an X next to the box certifying that they will comply with the statutory requirement and program assurances regarding endowments cited in the program regulations.
9. All applicants must provide an abstract limited to one single-spaced page. The abstract must be uploaded as a **word document only**. Complete instructions for submitting the abstract are included in the Instructions for Completing the Application Package.

10. Information on SIP is accessible at the Department's Web site at:

e-Application Submission Procedures and Tips for Applicants

<http://e-grants.ed.gov>

To facilitate your use of e-Application, this document includes important application preparation and submission procedures you need to be aware of to ensure your application is received in a timely manner and accepted by the Department of Education. Please read and follow these step-by-step directions to create and submit your application.

ATTENTION

Applicants using the Department of Education's e-Application system will need to register first to access an application package. Forms in an application package are completed on line and narratives are uploaded while logged into the system. Therefore, allow sufficient time to complete your application before the closing date. If you have not used e-Application in the past, you may want to walk through the Demo available on the e-Application homepage. If you encounter difficulties, you may also contact the e-Grants helpdesk on 1-888-336-8930. The following are steps you should follow to successfully complete an application with e-Application.

Step 1 – **Determine** if your program is accepting electronic applications. The Federal Register Notice of each program will indicate whether the program is accepting e-Applications as part of the Department's e-Application program. Here is a link to the Department's Federal Register notices: <http://www.ed.gov/news/fedregister/announce/index.html>. Additional information on the Department's of Education's grant programs can be found at <http://www.ed.gov/about/offices/list/ocfo/grants/grants.html>.

Step 2 – **Register in e-Application** to access the application package. If you are a new user, you will need to register to use e-Application. From the e-Grants Portal Page <http://e-grants.ed.gov/>, click on the continue button and click the register button on the right side of the next page. Select the e-Application module and click the next button. Please provide the requested information. Your e-Grants password will be sent to the e-mail address you provide. Once you receive the e-mail, enter your username and password and click the login button.

If you already have a username and password for e-Grants, use them to login. If you have access to more than one e-Grants module, you will be directed to select which module you wish to enter. Keep in mind that this username and password will be used for all e-Grants modules. In order to update your registration for additional e-Grants modules, click the appropriate tab on the top of the screen and provide the requested information.

Note the following browser compatibility problems. The site is viewed best in Internet Explorer 5. We currently support IE 5, Netscape 6.2, Firefox 2.2 (along with later versions of IE, Netscape and Firefox). Please make sure that you have **Cookies** and **JavaScript** enabled in your browser.

Step 3 - **Add Application Package to Your Start Page**. From your Start Page, click on the "Add" button to see the list of application packages. Click on a specific package link on the List of Application Packages to apply. The package will now appear on your Start Page. From this point forward, you will access your unique application from your Start Page (not the Packages Page).

Step 4 - **Begin the Application**. Click on the underlined Application Package Title on your Start Page. This brings you to a page where you will see all of the application's forms and narratives listed as underlined links.

Step 5 - **Fill Out Forms**. Enter a form by clicking on the underlined form title in order to enter data. Remember to click the "Save" button at the bottom of the form and check the "Form Completed" box for each form as you complete it.

Step 6 - **Upload File(s) for Narrative Responses**. Click on an underlined narrative form title for the e-Application. Enter the title of the document, and click on the "Browse" button to locate your file. Remember to click the "Save" button after you upload the document and check the "Form Completed" box when you finish uploading your file(s). Please note for file uploads, we accept .doc, .rtf, and .pdf files only. If you are using Word 2007, please save your document in a lower version of Word before uploading it into e-Application.

Step 7 - **Verify Information/Print Application**. Verify your information is complete and correct on all required forms and narratives. You have the option to print each form at any time by clicking on the print/view icon next to the appropriate form. After submission of the forms and narratives, you have the option to print a complete e-Application package in PDF by clicking on the "Request Complete Package in PDF" on the e-Application PR/Award page. A second window will open informing you that your request has been received and that you will be notified via email once it is available. This process can take anywhere from a few minutes to a few hours. Once you receive the email, click on the link in the text of the message and enter your username and password in the new window. This will open the PDF file from which you can view/print the entire package. In addition, a blank complete package in PDF will be accessible from the package page in e-Application.

Step 8 - Submit Your Application. Only authorized individuals for your organization can submit an application. Please check with your certifying official or sponsored research office before submission. Click on the "Ready to Submit" button at the bottom of your application. Enter and verify the Authorizing Representative information. Click the "Submit" button. You will receive an e-mail to confirm that your application was received, and it will include a unique application number. Please print and keep this e-mail for your records. [Reminder: applications must be submitted before 4:30:00 pm, Washington, D.C. time, on the deadline date for applications. e-Application will not accept your application if you try to submit it after 4:30:00 on the deadline date.]

Step 9 - Fax the Signed SF 424 Cover Page (or Program Specific Cover Page). Write your unique application number (received in step 8) on the upper right corner of your printed SF 424 Cover Page (or Program Specific Cover Page), and fax it to the Application Control Center (202) 245-6272 within 3 business days of submitting your e-Application.

NOTE: For more detailed information on submitting an e-Application, please see the **User Guide**. In addition, please try practicing with our e-Application Demo site by clicking on the Demo button found on the upper left corner of the e-Application Home Page. Both the User Guide and Demo can be found at <http://e-grants.ed.gov>.

Other Submission Tips

- 1) **SUBMIT EARLY – We strongly recommend that you do not wait until the last day to submit your application.** The time it takes to upload the narratives for your application will vary depending on a number of factors including the size of the files and the speed of your Internet connection. If you try to submit your application after 4:30:00 p.m. on the deadline date, the e-Application system will not accept it.
- 2) If electronic submission is optional and you have problems that you are unable to resolve before the deadline date and time for electronic applications, please follow the transmittal instructions for hard copy applications in the Federal Register notice and get a hard copy application postmarked by midnight on the deadline date.

If electronic submission is required, you must submit an electronic application before 4:30:00 p.m., unless you follow the procedures in the Federal Register notice and qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. (See the Federal Register notice for detailed instructions.)

- 3) Dial-Up Internet Connections - When using a dial up connection to upload and submit your application, it can take significantly longer than when you are connected to the Internet with a high-speed connection, e.g. cable modem/DSL/T1. While times will vary depending upon the size of your application, it can take a few minutes to a few hours to complete your grant submission using a dial up connection. If you do not have access to a high-speed connection and electronic submission is required, you may want to consider following the instructions in the Federal Register notice to obtain an exception to the electronic submission requirement no later than two weeks before the application deadline date. (See the Federal Register notice for detailed instructions.)

Attaching Files – Additional Tips

Please note the following tips related to attaching files to your application:

1. Ensure that you only attach the Education approved file types detailed in the Federal Register application notice (.doc, .pdf or .rtf). If using Word 2007, save your file to a lower version of Word before uploading. Also, do not upload any password protected files to your application.
2. When attaching files, applicants should limit the size of their file names. Lengthy file names could result in difficulties with opening and processing your application. We recommend you keep your file names to less than 50 characters. In addition, applicants should avoid including special characters in their file names (for example, %, *, /, etc.) Both of these conditions (lengthy file names and/or special characters including in the file names) could result in difficulties opening and processing a submitted application.
3. Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files. Please note that each file attachment in e-Application has a file size limitation which is anywhere from 2 to 8 MB and the limitation will be indicated on the individual screen when you upload a file. For reference, however, the average discretionary grant application package totals 1 to 2 MB. Therefore, you may want to check the size of your attachments before uploading them into e-Application.

FOR ALL GRANT APPLICATIONS

This section provides you with information critical to your successful completion and submission of a grant application for these programs.

When developing your application, be sure to address the selection criteria (34 CFR §607.22(a)-(g)) **separately for each proposed activity**, as precisely as possible to ensure your application contains the information readers will need to judge the quality of the proposed development project.

Your development grant application (individual or cooperative arrangement) must contain the following:

1. Application for Federal Assistance (SF 424)

Use the Application for Federal Assistance (SF 424) as the official request for Title III SIP funding. This form is accessible on-line using our e-Application system. Be sure to download the correct application (by CFDA number) and to specify, on the SF 424, the type of grant (individual development or cooperative arrangement development) for which you are applying.

2. Department of Education Supplemental Information Form for the SF 424

3. Program Narrative Abstract Form

Applicants are required to submit a one page single-spaced Project Abstract in word format only and no charts. Please include in the Program Abstract the name of the institution, city, and purpose. The Program Abstract must be uploaded into the "Program Narrative Abstract Form" in the e-Application system.

4. Program Narrative Profile Form (To be attached to the "Program Narrative Profile Page").

This form is used to profile each applicant. It also addresses endowment funding, dual submission certification, cooperative arrangements, and tie-breaker information. The Profile Page also records the certifying data on each institution.

5. Program Narrative Selection Criteria

As part of addressing the selection criteria and developing the Comprehensive Development Plan (CDP), we presume that your institution has analyzed the major problems affecting it, and designed specific strategies to address and possibly resolve these problems. You should be ready to carry out the proposed project once you receive the grant and should not use the funds for intensive planning activities.

Be sure to include a Table of Contents. The Table of Contents will not be included in the page count. Prepare your complete program narrative in a .DOC, .RTF, or .PDF format and attach it to the "Program Narrative Selection Criteria" in the e-Grants system.

Content: This is the narrative portion of your application where you address the weighted selection criteria that the readers will use to evaluate your application and to assess the strengths and weaknesses of your application. **These pages will be included in the mandatory page count.**

For each proposed activity, separately address the selection criteria ((a) through (g)), in the same order as they appear below and as precisely as possible, to ensure your application contains the information readers will need to judge the quality of the proposed development (individual or cooperative arrangement) grant activities.

When proposing your activities, please remember that the Secretary is inviting applicants to address **four invitational priorities** as delineated in the "Dear Applicant" letter in this application.

Title each activity so that the reader readily knows your focus. The **HEA lists the allowable activities** for the Strengthening Institutions Program. See Section 311 of the HEA. The HEOA reauthorized and made changes to the HEA. See Section 301 of the HEOA for modifications to the list of allowable grant activities.

(a) Quality of the Applicant's Comprehensive Development Plan (Maximum: 25 points).

(1) The strengths, weaknesses, and significant problems of the institution's academic programs, institutional management, and fiscal stability are clearly and comprehensively analyzed and result from a process that involved major constituencies of the institution.

Content: Separately describe and analyze your institution's strengths, weaknesses, and significant problems in the following three areas as they relate to each proposed activity:

1. Academic programs,
2. Institutional management, and
3. Fiscal stability.

We are considering “weaknesses” and “significant problems” to be one and the same. Use the grant funds to address some of these weaknesses and problems. Here are some guidelines for stating the problems:

- State what is “too high” or what is “too low.” For example, the percentage of freshmen students who fail four courses is too high. When you state the problem this way, the objectives become obvious. Such as, “to decrease, from 42 percent to 30 percent, the percentage of freshmen students who fail four courses.”
- Avoid problem statements that declare the problem as "the lack of " or "the need for" the very solution you are proposing for funding. Such as, "the problem with our academic programs is a lack of or need for student services outside the classroom. Thus, we propose an activity to establish those student services." This type of statement usually contains circular reasoning.
- Provide summaries of or excerpts from recent data, reports, evaluations or studies that demonstrate that you have objectively and thoroughly analyzed your institution’s main problems.
- Describe the process you used to formulate the above information.
- Provide evidence of the extent and nature of the faculty, staff, students, community, industry, and other major constituents' involvement in this process. You may rely on previously written information, such as a self-study for accreditation, as long as your process for developing the information involved the major constituencies' representatives and reflects your institution's current situation.

(2) The goals for the institution’s academic programs, institutional management, and fiscal stability are realistic and based on comprehensive analysis.

Content: Based on a comprehensive analysis of your institution's strengths, weaknesses, and significant problems, separately state the institutional goals as they relate to each proposed activity you plan to address using Title III, Part A Strengthening Institutions Program funds.

(3) The objectives stated in the plan are measurable, related to institutional goals, and if achieved, will contribute to the growth and self-sufficiency of the institution.

Content: Focusing only on the institutional objectives that are specifically related to your proposed Title III, Part A Strengthening Institutions Program activities, separately provide measurable objectives for how you will reach each of the goals as you discussed in #2. Achieving the objectives outlined should contribute to the growth and self-sufficiency of the institution.

Describe in measurable terms how objectives are related to the goals of the institution. The description should include details on the following:

Specific Tasks

Institutionalize personnel, programs, and services.

Methods Involved

Operational funding budgeted and allocated to sustain improvements.

Tangible Results

Program, services, and personnel fully institutionalized.

(4) The plan clearly and comprehensively describes the methods and resources the institution will use to institutionalize practices and improvements developed under the proposed project, including, in particular, how operational costs for personnel, maintenance, and upgrades of equipment will be paid with institutional resources.

Content: In this section, separately describe the following for each proposed activity:

The methods your institution will use to integrate practices and improvements developed into its operations and, if appropriate, continue them after the grant ends. For example, provide specifics on how your institution will obtain approval from appropriate internal and/or external governance authorities to conduct new or revised curricula and use new intervention strategies. What will the time period be for these actions?

Provide the resources you will need to institutionalize newly developed practices and improvements and, most importantly, how you will fund them. In particular, discuss how your institution will fund operational costs such as personnel, maintenance, and upgraded equipment. For example, one way to ensure that positions continue after the grant ends is for your institution to pay a percentage of the salary during the grant and increase that percentage during years two, three, four, and five.

(b) Quality of Activity Objectives (Maximum: 15 Points).

(1) The extent to which the objectives for each activity are realistic and defined in terms of measurable results.

Content: State your annual objectives, separately for each activity, which, when combined with their performance indicator(s), are measurable and realistic (not too high, not too low). Connect each objective to the problem or weakness it should address, as you described in the CDP. In addition:

- DO NOT identify process objectives such as: "To establish a college-wide committee", whose measurement is: "We formed a committee." Identify processes or tasks under the Implementation Strategy, as discussed next.
- DO use words such as "to increase" or "to decrease" since you are more likely to be describing a genuine, outcome objective.
- DO NOT begin your objective with words such as "to provide," "to develop," or "to establish." This heightens the likelihood you may be describing a process or task rather than an outcome objective.
- DO provide a realistic number of objectives and performance indicators for each proposed activity and for each year you are requesting funds for that activity.

(2) The extent to which the objectives for each activity are directly related to the problems to be solved and to the goals of the comprehensive development plan.

Content: Separately describe how meeting the objectives of each proposed activity will address a problem identified in the CDP and affect your institution's ability to address its goals for its academic programs, institutional management, or fiscal stability.

If you need funds for more than one activity, you may propose different start and end dates and vary the duration of each. For example, you may need only three years to develop a new curriculum but five years to develop a new management information system. Any proposed activity should address a critical problem that the CDP describes as hindering institutional growth and self-sufficiency. If you propose to use up to 20% for endowment investing, do not write an activity narrative regarding this use of endowment investing, as we do not consider it an activity in the usual sense.

(c) Quality of Implementation Strategy (Maximum: 20 Points).

(1) The extent to which the implementation strategy for each activity is comprehensive.

(2) The extent to which the rationale for the implementation strategy for each activity is clearly described and is supported by the results of relevant studies or projects.

Content: For each proposed activity, explain why you chose a specific method for implementing that activity. Include how you determined that method to be most effective, indicating relevant studies or projects that you reviewed and experts that you consulted.

(3) The timetable for each activity is realistic and likely to be attained.

- Chart an implementation strategy to meet your objectives for each year you are requesting funds and for each activity.
- Use time frames that are realistic for completing a task. Chart each of the five years using the budget period of October 1 to September 30.
- Describe in a comprehensive, sequential and clear manner who will do what and how they will do it to meet the objectives of each activity.
- Identify, by title, the primary participants who will carry out the tasks to meet the objectives. Describe how the personnel will perform the tasks and the results you expect from them.

(d) Quality of Key Personnel (Maximum: 7 Points).

(1) The extent to which the experience and training of key professional personnel are directly related to the stated activity objectives.

(2) The extent to which the time commitment of key personnel is realistic.

Content: For each proposed activity, list, by title and name (if available) which positions are being proposed using Title III funds and describe the qualifications you require of that position and the amount of time each person will allot to the proposed activity.

If you want to use a consultant, explain why a consultant is more advantageous than using the institution's personnel.

(e) Quality of Project Management Plan (Maximum: 10 Points).

(1) The extent to which procedures for managing the project are likely to ensure efficient and effective project implementation.

(2) The extent to which project coordinator and activity directors have sufficient authority to conduct the

project effectively, including access to the president or chief executive officer.

For the Title III, Part A, Strengthening Institutions Program coordinator's position, provide the following:

- Under "Quality of Key Personnel", be sure to include the coordinator's required qualifications (education, experience, training) and the specific duties of the position. Directly relate the duties to the stated purposes and objectives of the project.
- Indicate how much time the Title III, Part A, coordinator will commit to the project. Make the time commitment realistic, not too high nor too low, relative to the tasks the individual will perform.

Note: Your Title III, Part A coordinator's time commitment to a project may vary considerably from that in another project or another institution's project. One project focused on developing a management information system, for example, may have a coordinator who is the director of technology in the ordinary hierarchy of the college. He or she may allot 10 percent time to coordinate the project for which the college will pay. On the other hand, a new coordinator of a faculty development project may be an instructional developer with a 50 percent time or maybe 100 percent time commitment paid for with Title III, Part A, funds. Carefully think through the management structure and time commitment that will work best at your institution and specify the reasons for your choice.

- Describe the procedures the project coordinator (project director) will use to manage and monitor the project's progress such as how information will be provided to key administrators so they can integrate project activities with related, on-going institutional activities.
- Describe the project coordinator's (project director) administrative authority over the activity director(s) who is normally responsible for accomplishing a specific activity's objectives. Also, describe the administrative authority of the activity director(s) over subordinates.
- Chart the lines of authority of the project coordinator to key institutional decision makers, including the president.

(f) Quality of Evaluation Plan (Maximum: 15 Points).

(1) The extent to which the data elements and the data collection procedures are clearly described and appropriate to measure the attainment of activity objectives and to measure the success of the project in achieving the goals of the comprehensive development plan.

Content: For each proposed activity, describe the data collection procedures the institution will use to identify the data elements, objectives, and goals identified in the CDP. Include measure attainment of each proposed activity. Include procedures for analyzing and using both formative and summative data.

(2) The extent to which the data analysis procedures are clearly described and are likely to produce formative and summative results on attaining activity objectives and measuring the success of the project on achieving the goals of the comprehensive development plan.

Content: For each proposed activity, describe in detail the project's evaluation plan, including who, what, when and how. Define the baseline indicators of progress that you will use.

The detailed evaluation plan should:

- Produce a valid assessment of your implementation strategies;
- Result in annual, quantifiable evidence of the extent to which you attained your objectives for each activity and your goals for which funding is requested;
- Include the data elements and collection procedures that you will use; and
- Describe procedures for analyzing and using both formative and summative data.

All applicants must submit a plan to conduct a project evaluation as part of their grant activities. The planned evaluation should be systematic in assessing the worth of a project and useful in guiding project objectives and focus primarily on determining the outcomes and impacts of the project relative to those objectives. The evaluation should also serve to strengthen the management of the project and lead to better knowledge of what works in producing the desired outcomes.

An individual or organization, independent of the project team (and all of its partners), but not necessarily external to the grantee institution, should execute the project evaluation plan. This independent evaluator should assist in the initial preparation of the evaluation plan and be willing to work alongside the project team throughout the duration of the project. The evaluator should possess good evaluation skills commonly found among practitioners of the American Evaluation Association. Helpful Web sites to consult when preparing an evaluation plan include:

- Department of Education's Fund for the Improvement of Postsecondary Education: <http://www.ed.gov/about/offices/list/ope/fipse/evaluate.html>
- National Science Foundation: http://www.nsf.gov/pubs/2004/nsf04016/nsf04016_4.htm
- Kellogg Foundation: <http://www.wkcf.org/default.aspx?tabid=75&CID=281&NID=61&LanguageID=0> (for their evaluation handbook)
- Academic Competitiveness Council http://hub.mspnet.org/search/?action=true&search_text=evaluation

The project director and team should be committed to gathering the best evaluation data possible for formative and summative purposes. Projects should collect baseline data before the project starts as a basis for measuring progress.

A summary of the evaluation report must be included in the final performance report submitted by the project to the Department of Education. The report, which also includes fiscal and management performance information, is due within 90 days after expiration of the award. The evaluation report should be included as an appendix to the final performance report as well as available upon request. (Please see 34 CFR 75.217 for information on how project performance may affect future funding).

For the Title III, Strengthening Institutions Program, the evaluation plan should produce a valid assessment of the implementation strategies. It should also result in annual, quantifiable evidence of the attainment of objectives for each activity and of the goals in the CDP.

(g) Budget (Maximum: 8 Points).

The extent to which the proposed costs are necessary and reasonable in relation to the project's objectives and scope.

-

Content: Review the program regulations (34 CFR 607.10 and 607.30) for guidance on which activities and costs are allowable. For example, you may not use your grant funds to:

- Recruit students,
- Carry out activities that are operational rather than developmental,
- Carry out student activities such as entertainment, cultural or social enrichment programs, student publications, social clubs or associations,
- Pay for organized fund raising,
- Cover indirect costs.

Prepare a separate, detailed, budget narrative for each proposed activity for each year you are requesting grant funds. Demonstrate and justify that all costs are reasonable in today's market and necessary to accomplish your activity objectives. Please pay particular attention in your justification to those (per item) costs exceeding \$25,000, excluding salaries and fringe benefits. For each activity, provide itemized costs (in dollars), and a narrative justification to support your request for:

- Personnel
- Fringe Benefits
- Travel
- Equipment
- Supplies
- Contractual
- Construction
- Other
- Total

You must provide details so we can determine if the costs are allowable, necessary and reasonable.

NOTE: The Title III, Strengthening Institutions Program, CFDA 84.031A, does not reimburse grantees for indirect costs they incur in carrying out a project funded under this program. Therefore, applicants should not show any dollar amounts for indirect costs on either line 10 of the application budget form (ED 524) or in their budget narrative. Applicants should also be aware that un-reimbursed indirect costs under grants of this program may not be charged as direct cost items in the same award, used to satisfy matching or cost-sharing requirements, or charged to another Federal award.

Do not include a budget narrative (as a separate activity) for endowment investing.

Note: Check all combined totals for the proposed activity budgets and compare it to the total on the ED 524. The totals must match.

6. U. S. Department of Education Budget Information Non-Construction Programs (Section A - Budget Summary U.S. Department of Education Funds and Section B – Budget Summary Non-Federal Funds (ED 524 form)).

First, carefully read the instructions contained in this document. Then, using the Department of Education Budget Information for Non-Construction Programs (ED524) form, prepare a budget for the entire project that totals all the costs for each year of the grant. If you choose to use up to 20 percent of grant funds to establish or increase your institution's endowment fund through endowment investing, enter the amount of your contribution in the summary budget on the "other" line. If you have additional items for the other category, separate the

endowment contribution from the other items and make two entries for “other.” Endowment monies should be listed first.

7. Required Assurances and Certifications

All applicants must submit these forms electronically, as a part of your application.

- ✓ Assurances – Non-Construction Programs (SF 424-B)
- ✓ E-Application system Lobbying Form (used in place of ED 80-0013)
- ✓ Disclosure of Lobbying Activities (SF – LLL)
- ✓ ED GEPA 427 Form - General Education Provisions Act Section 427 Requirements. Please refer to the GEPA 427 requirements outlined in the “Notice to All Applicants” for instructions on completing this statement
- ✓ Survey on Ensuring Equal Opportunity for Applicants (OMB No. 1894-0010) [voluntary submission]

Carefully read the instructions for each form and be sure to provide all the requested information.

Applications Available: July 6, 2010.

Deadline for Transmittal of Applications: August 5, 2010.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The SIP provides grants to eligible institutions of higher education (IHEs) to help them become self sufficient and expand their capacity to serve low-income students, by providing funds to improve and strengthen the institution's academic quality, institutional management and fiscal stability.

Priorities: Under this competition we are particularly interested in applications that address the following priorities.

Invitational Priorities: For FY 2010, there are four invitational priorities for this program. Under 34 CFR 75.105(c)(1) we do not give an application that meets these invitational priorities a competitive or absolute preference over other applications.

These priorities are:

Invitational Priority 1.

Support activities that will improve the institution's persistence and graduation rates.

Invitational Priority 2.

Work with the appropriate State agencies to develop strategies for using State longitudinal data systems to track outcomes for students attending the grantee institution, including the extent to which the students complete certificates, two-year degrees, and four-year degrees at other institutions.

Invitational Priority 3.

Develop academic programs to improve course completion rates or develop

innovative support programs that are designed to increase completion rates.

Invitational Priority 4.

Develop dual enrollment programs that facilitate the transition between high school and college or career pathway programs that integrate basic academic instruction with technical or professional occupational training to advance individuals, particularly adult learners, on a career path toward high-wage occupations in high-demand industries.

Program Authority: 20 U.S.C. 1057 - 1059d (Title III, Part A of the Higher Education Act of 1965 (HEA)).

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 82, 84, 85, 86, 97, 98, and 99. (b) The regulations for this program in 34 CFR part 607.

III. Eligibility Information

1. Eligible Applicants: This program is authorized by Title III, Part A, of the HEA. To qualify as an eligible institution under any Title III, Part A program, an institution must, among other requirements--

(1) Be accredited or preaccredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered;

(2) Be legally authorized by the State in which it is located to be a junior college or to provide an educational program for which it awards a bachelor's degree;

(3) Be designated as an "eligible institution" by demonstrating that it:
A) has an enrollment of needy students as described in 34 CFR 607.3; and B) has low average educational and general expenditures per full-time equivalent (FTE)

undergraduate student as described in 34 CFR 607.4.

Relationship between the Title III, Part A programs and the Hispanic-Serving Institutions (HSI) program.

Note 1: A grantee under the Developing Hispanic-Serving Institutions (HSI) program, which is authorized under Title V of the HEA, may not receive a grant under any HEA, Title III, Part A program. The Title III, Part A programs include SIP, Tribally Controlled Colleges and Universities, Alaska Native and Native Hawaiian-serving Institutions, Asian American and Native American Pacific Islander-serving Institutions, and Native American-serving Nontribal Institutions. Further, a current HSI program grantee may not give up its HSI grant to receive a grant under any Title III, Part A program.

Note 2: An eligible HSI that does not fall within the limitation described in Note 1 (i.e., is not a current grantee under the HSI program) may apply for a FY 2010 grant under all Title III, Part A programs for which it is eligible, as well as receive consideration for a grant under the HSI program. However, a successful applicant may receive only one grant.

Note 3: An eligible IHE that submits more than one application may only be awarded one individual development grant or one cooperative arrangement development grant in a fiscal year. We will not award a second cooperative arrangement development grant to an otherwise eligible IHE for the same award year as the IHE's existing cooperative arrangement development grant award.

Note 4: The Department will make five-year awards for individual development grants and five-year awards for cooperative arrangement development grants in rank order from the funding slate according to the average score received from a panel of three readers.

2. a. Cost Sharing or Matching: This program does not require cost sharing or matching unless the grantee uses a portion of its grant for

establishing or improving an endowment fund. If a grantee uses a portion of its grant for endowment fund purposes, it must match those grant funds with non-Federal funds (20 U.S.C. 1059c(c)(3)(B)).

b. Supplement-Not-Supplant: This program involves supplement-not-supplant funding requirements. Grant funds shall be used so that they supplement and, to the extent practical, increase the funds that would otherwise be available for the activities to be carried out under the grant and in no case supplant those funds (34 CFR 607.30 (b)).

- Double space (no more than three lines per vertical inch) all text in the application narrative, except titles, headings, footnotes, quotations, references, captions and all text in charts, tables, figures, and graphs. Charts, tables, figures, and graphs in the application narrative may be single spaced and will count toward the page limit.

- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. Applications submitted in any other font (including Times Roman and Arial Narrow) will not be accepted.

- The page limit does not apply to Part I, Application for Federal Assistance (SF-424); the Supplemental Information for SF-424 Form required by the Department of Education; Part II, the Budget Information Summary Form (ED Form 524); and Part IV, the assurance and certifications. The page limit also does not apply to the one-page abstract, the table of contents, the resumes, and the bibliography. If you include any attachments or appendices, these items will be counted as part of the Program Narrative (Part III of the application) for purposes of the page limit requirement. You must include your complete response to the selection criteria in the program narrative.

- We will reject your application if you exceed the page limit.

3. Submission Dates and Times:

Applications Available: July 6, 2010.

Deadline for Transmittal of Applications: August 5, 2010.

Applications for grants under this program must be submitted electronically using the Electronic Grant Application System (e-Application) accessible through the Department's e-Grants site. For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. 7. Other Submission Requirements of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under For Further Information Contact in section VII in this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

Deadline for Intergovernmental Review: [INSERT 90 DAYS AFTER DATE OF PUBLICATION IN FEDERAL REGISTER].

4. Intergovernmental Review: This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this program.

5. Funding Restrictions: We reference the regulations outlining funding restrictions in the Applicable Regulations section of this notice.

Applicability of Executive Order 13202. Applicants that apply for

construction funds under the Title III, Part A programs, must comply with Executive Order 13202 signed by former President George W. Bush on February 17, 2001, and amended on April 6, 2001. This Executive Order provides that recipients of Federal construction funds may not "require or prohibit bidders, offerors, contractors, or subcontractors to enter into or adhere to agreements with one or more labor organizations, on the same or other construction project (s)" or "otherwise discriminate against bidders, offerors, contractors, or subcontractors for becoming or refusing to become or remain signatories or otherwise adhere to agreements with one or more labor organizations, on the same or other construction project(s)." However, the Executive Order does not prohibit contractors or subcontractors from voluntarily entering into these agreements. Projects funded under this program that include construction activity will be provided a copy of this Executive Order and will be asked to certify that they will adhere to it.

6. Data Universal Numbering System Number, Taxpayer Identification Number, and Central Contractor Registry: To do business with the Department of Education, (1) you must have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN); (2) you must register both of those numbers with the Central Contractor Registry (CCR), the Government's primary registrant database; and (3) you must provide those same numbers on your application.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one business day.

If you are a corporate entity, agency, institution, or organization you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2-5 weeks for your TIN to

become active.

The CCR registration process may take five or more business days to complete. If you are currently registered with the CCR, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

7. Other Submission Requirements: Applications for grants under the SIP must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications.

Applications for grants under the SIP--CFDA number 84.031A, must be submitted electronically using e-Application, accessible through the Department's e-Grants Web site at: <http://e-grants.ed.gov>.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under Exception to Electronic Submission Requirement.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application

by 4:30:00 p.m., Washington, DC time, on the application deadline date. E-Application will not accept an application for this program after 4:30:00 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- The hours of operation of the e-Grants Web site are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until 8:00 p.m. Sunday, Washington, DC time. Any modifications to these hours are posted on the e-Grants Web site.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information--Non-Construction Programs (ED 524), and all necessary assurances and certifications. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. a copy of it for your records.

- After you electronically submit your application, you will receive an automatic acknowledgment that will include a PR/Award number (an identifying number unique to your application).

- We may request that you provide us original signatures on other forms at a later date.

Application Deadline Date Extension in Case of e-Application Unavailability:

If you are prevented from electronically submitting your application on the application deadline date because e-Application is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if-

-

- (1) You are a registered user of e-Application and you have initiated an electronic application for this competition; and

- (2) (a) E-Application is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) E-Application is unavailable for any period of time between 3:30 p.m.

and 4:30:00 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under For Further Information Contact (see VII. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. If e-Application is unavailable due to technical problems with the system and, therefore, the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of e-Application.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the e-Application system because--

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to e-

Application;

and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before

the application deadline date.

Address and mail or fax your statement to: Imogene Byers or Darlene B. Collins, U.S. Department of Education, 1990 K Street, NW., 6th floor, Washington, DC 20006-8513. FAX: (202) 502-7861.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

b. Submission of Paper Applications by Mail.

V. Application Review Information

1. Selection Criteria: The selection criteria for this program are from 34 CFR 607.22, paragraphs (a)-(g). Applicants must address each of the following selection criteria (separately for each proposed activity). The total weight of the selection criteria is 100 points; the maximum score for each criterion is noted in parentheses. The complete language of the selection criteria is in the application package for this competition.

(a) Quality of The Applicant's Comprehensive Development Plan (Maximum 25 Points).

(b) Quality of Activity Objectives (Maximum 15 Points).

(c) Quality of Implementation Strategy (Maximum 20 Points).

(d) Quality of Key Personnel (Maximum 7 Points).

(e) Quality of Project Management Plan (Maximum 10 Points).

(f) Quality of Evaluation Plan (Maximum 15 Points).

(g) Budget (Maximum 8 Points).

2. Review and Selection Process: Awards will be made in rank order according to the average score received from a panel of three readers.

Tie-breaker for Development Grants. In tie-breaking situations for development grants, 34 CFR 607.23(b) of the regulations requires that we award one additional point to an application from an IHE that has an endowment fund of which the current market value, per full time equivalent (FTE) enrolled student, is less than the average current market value of the endowment funds, per FTE enrolled student at similar type institutions. We award one additional point to an application from an IHE that had expenditures for library materials per FTE enrolled student that are less than the average expenditure for library

materials per FTE enrolled student at similar type institutions. We also add one additional point to an application from an IHE that proposes to carry out one or more of the following activities--

- (1) Faculty development;
- (2) Funds and administrative management;
- (3) Development and improvement of academic programs;
- (4) Acquisition of equipment for use in strengthening management and academic programs;
- (5) Joint use of facilities; and
- (6) Student services.

For the purpose of these funding considerations, we use 2007-2008 data.

If a tie remains after applying the tie-breaker mechanism above, priority will be given in the case of applicants for: a) individual development grants to applicants that have the lowest endowment values per FTE enrolled student; and b) cooperative arrangement development grants to applicants in accordance with section 394(b) of the HEA, if the Secretary determines that the cooperative arrangement is geographically and economically sound or will benefit the applicant institution.

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section in

this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. Reporting: At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary in 34 CFR 75.118 and 34 CFR 607.31. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

4. Performance Measures: The Secretary has established the following key performance measures for assessing the effectiveness of the Title III, Part A SIP:

a. The percentage change, over the 5-year period, of the number of full-time degree-seeking undergraduates enrolled at SIP institutions. Note that this is a long-term measure, which will be used to periodically gauge performance, beginning in FY 2009;

b. The percentage of first-time, full-time degree-seeking undergraduate students at 4-year SIP institutions who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same SIP institution;

c. The percentage of first-time, full-time degree-seeking undergraduate students at 2-year SIP institutions who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current

year at the same SIP institution;

d. The percentage of first-time, full-time degree-seeking undergraduate students enrolled at 4-year SIP institutions graduating within 6 years of enrollment; and

e. The percentage of first-time, full-time degree-seeking undergraduate students enrolled at 2-year SIP institutions graduating within 3 years of enrollment.

HIGHER EDUCATION ACT OF 1965, AS AMENDED

TITLE III--INSTITUTIONAL AID

SEC. 301. FINDINGS AND PURPOSES.

(a) **FINDINGS.** --The Congress finds that--

(1) there are a significant number of institutions of higher education serving high percentages of minority students and students from low-income backgrounds, that face problems that threaten their ability to survive;

(2) the problems relate to the management and fiscal operations of certain institutions of higher education, as well as to an inability to engage in long-range planning and development activities, including endowment building;

(3) in order to be competitive and provide a high-quality education for all, institutions of higher education should improve their technological capacity and make effective use of technology;

(4) the title III program prior to 1985 did not always meet the specific development needs of historically Black colleges and universities and other institutions with large concentrations of minority, low-income students;

(5) the solution of the problems of these institutions would enable them to become viable, fiscally stable and independent, thriving institutions of higher education;

(6) providing assistance to eligible institutions will enhance the role of such institutions in providing access and quality education to low-income and minority students;

(7) these institutions play an important role in the American system of higher education, and there is a strong national interest in assisting them in solving their problems and in stabilizing their management and fiscal operations, and in becoming financially independent; and

(8) there is a particular national interest in aiding those institutions of higher education that have historically served students who have been denied access to postsecondary education because of race or national origin and whose participation in the American system of higher education is in the Nation's interest so that equality of access and quality of postsecondary education opportunities may be enhanced for all students.

(b) **PURPOSE.** --It is the purpose of this title to assist such institutions in equalizing educational opportunity through a program of Federal assistance.

PART A STRENGTHENING INSTITUTIONS

(2) Special consideration shall be given to any eligible institution--

(A) which has endowment funds (other than any endowment fund built under section 332 of this Act as in effect on September 30, 1986, and under part B) the market value of which, per full-time equivalent student, is less than the average current market value of the endowment funds, per full-time

equivalent student (other than any endowment fund built under section 332 of this Act as in effect on September 30, 1986, and under part B) at similar institutions; or

(B) which has expenditures per full-time equivalent student for library materials which is less than the average of the expenditures for library materials per full-time equivalent student by other similarly situated institutions.

(3) Special consideration shall be given to applications which propose, pursuant to the institution's plan, to engage in

(A) faculty development;

(B) (B) funds and administrative management;

(12) Other activities proposed in the application submitted pursuant to subsection (c) that-
(A) contribute to carrying out the purposes of the program assisted under this part; and
(B) are approved by the Secretary as part of the review and acceptance of such application.
(d) ENDOWMENT FUND.

(1) IN GENERAL.--An eligible institution may use not more than 20 percent of the grant funds provided under this part to establish or increase an endowment fund at such institution.

(2) MATCHING REQUIREMENT.--In order to be eligible to use grant funds in accordance with paragraph (1), the eligible institution shall provide matching funds from non-Federal sources, in an amount equal to or greater than the Federal funds used in accordance with paragraph (1), for the establishment or increase of the endowment fund.

(C) an evaluation by the applicant of the priority given any proposed project for which funds are sought in relation to any other projects for which funds are sought by the applicant under this title, and a similar evaluation regarding priorities among the components of any single proposed project (as described by the applicant pursuant to subparagraph (A));

****The Intergovernmental Review requirement has been waived for this program for Fiscal Year 2010. Therefore, Intergovernmental Review DOES NOT APPLY to this application package.****

Executive Order 12372 (Intergovernmental Review of Federal Programs)

This program falls under the rubric of Executive Order 12372 (Intergovernmental Review of Federal Programs) and the regulations in 34 CFR Part 79. One of the objectives of the Executive order is to strengthen federalism--or the distribution of responsibility between localities, States, and the Federal government--by fostering intergovernmental partnerships. This idea includes supporting processes that State or local governments have devised for coordinating and reviewing proposed Federal financial grant applications.

The process for doing this requires grant applicants to contact State Single Points of Contact for information on how this works. Multi-state applicants should follow procedures specific to each state.

Further information about the State Single Point of Contact process and a list of names by State can be found at:

<http://www.whitehouse.gov/omb/grants/spoc.pdf>

Absent specific State review programs, applicants may submit comments directly to the Department. All recommendations and comments must be mailed or hand-delivered by the date indicated in the actual application notice to the following address: The Secretary, EO 12372--CFDA# [commenter must insert number--including suffix letter, if any], U.S. Department of Education, room 7E200. 400 Maryland Avenue, SW., Washington, DC 20202.

Proof of mailing will be determined on the same basis as applications (see 34 CFR §75.102). Recommendations or comments may be hand-delivered until 4:30 p.m. (eastern time) on the closing date indicated in this notice.

Important note: The above address is not the same address as the one to which the applicant submits its completed applications. *Do not send applications to the above address.*

GENERAL EDUCATION PROVISIONS ACT (GEPa) SECTION 427

Section 427 of GEPA requires all applicants for new awards to include in their applications a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its federally-assisted programs for students, teachers, and other program beneficiaries with special needs. The provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: *gender, race, national origin, color, disability, or age*.

A general statement of an applicant's nondiscriminatory hiring policy is not sufficient to meet this requirement. Applicants must identify potential barriers and explain steps they will take to overcome these barriers.

NOTES:

- **Applicants for new awards must include information in their applications to address this provision in order to receive funding under this program.**
- **Applicants are required to address this provision by attaching a statement to the ED GEPA 427 Form.**

Government Performance and Results Act (GPRA)

What is GPRA?

The Government Performance and Results Act of 1993 (GPRA) is a straightforward statute that requires all federal agencies to manage their activities with attention to the consequences of those activities. Each agency is to clearly state what it intends to accomplish, identify the resources required, and periodically report their progress to the Congress. In so doing, it is expected that the GPRA will contribute to improvements in accountability for the expenditures of public funds, improve Congressional decision-making through more objective information on the effectiveness of federal programs, and promote a new government focus on results, service delivery, and customer satisfaction.

How has the Department of Education Responded to the GPRA Requirements?

As required by GPRA, the Department of Education has prepared a strategic plan for 2007-2012. This plan reflects the Department's priorities and integrates them with its mission and program authorities and describes how the Department will work to improve education for all children and adults in the U.S. The Department's goals, as listed in the plan, are:

Goal 1: Improve student achievement with a focus on bringing all students to grade level in reading and mathematics by 2014, as called for by the No Child Left Behind Act.

Goal 2: Increase the academic achievement of all high school students.

Goal 3: Ensure the accessibility, affordability, and accountability of higher education, and better prepare students and adults for employment and future learning.

What are the Performance Indicators for the Title III, Part A Programs?

The performance indicators for the Title III, Part A Programs are part of the Department's plan for meeting Goal 3. The Department's specific goal for this program is "to improve the capacity of minority-serving institutions, which traditionally have limited resources and serve large numbers of low-income and minority students, to improve student success and to provide high-quality educational opportunities for their students."

The performance indicators for the Title III, Part A Program are:

1. The number of full-time degree-seeking undergraduates enrolled at SIP. Note that this is a long-term measure, which will be used periodically to gauge performance, beginning in FY 2009.
2. The percentage of first-time, full-time degree-seeking undergraduate students at 4-year SIP institutions who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same SIP institution.
3. The percentage of first-time, full-time degree-seeking undergraduate students at 2-year SIP institutions who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same SIP institution.
4. The percentage of first-time, full-time degree-seeking undergraduate students enrolled at 4-year SIP institutions graduating within six years of enrollment.
5. The percentage of first-time, full-time degree-seeking undergraduate students enrolled at 2-year SIP institutions who graduate within three years of enrollment.
6. The cost per successful program outcome: federal cost per undergraduate and graduate degree at SIP institutions.

How does the Department of Education determine whether performance goals have been met?

An applicant that receives a grant award will be required to submit annual progress reports and a final report as a condition of the award. The reports will document the extent to which project goals and objectives are met.

The most recent version of this program's annual performance report can be viewed at <http://www.ed.gov/programs/iduestitle3a/performance.html>.

July 6, 2010

Dear Applicant:

Thank you for your interest in applying for a grant under the Strengthening Institutions Program (SIP), authorized under Title III, Part A, of the Higher Education Act of 1965, (HEA) as amended by the Higher Education Opportunity Act of 2008 (HEOA). This package contains the necessary forms and instructions to apply for a fiscal year (FY) 2010 grant under SIP. SIP provides grants to eligible institutions of higher education to enable them to improve their academic quality, institutional management, and fiscal stability in order to increase their self-sufficiency and strengthen their capacity to make a substantial contribution to the higher education resources of the Nation.

To receive a grant under SIP, institutions of higher education must first apply for and receive FY 2010 Designation of Eligibility. Any applicants failing to apply for eligibility will not have their applications entered in the review process. The Notice inviting FY 2010 applications to Request Designation As An Eligible Institution Under The Title III, Part A Program was published in the Federal Register on December 7, 2009. **The deadline date for receipt of that application was January 6, 2010.**

For fiscal year FY 2010, there are **four invitational priorities** for this program. We are particularly interested in applications that address these priorities. However, under 34 CFR 75.105 (c)(1) we do not give an application that meets these invitational priorities a competitive or absolute preference over other applications. These priorities are: 1) Support activities that will improve the institution's persistence and graduation rates; 2) Work with the appropriate State agencies to develop strategies for using State longitudinal data systems to track outcomes for students attending the grantee institution, including the extent to which the students complete certificates, 2-year degrees, and 4-year degrees at other institutions; 3) Develop academic programs to improve completion rates or develop innovative support programs that are designed to increase completion rates; and, 4) Develop dual enrollment programs that facilitate the transition between high school and college or career pathway programs that integrate basic academic instruction with technical or professional occupational training to advance individuals, particularly adult learners, on a career path toward high-wage occupations in high-demand industries.

Note: For FY 2010, the Secretary will not award one-year planning grants under the Strengthening Institutions Program (84.031A).

We are requiring that applications for FY 2010 grants under SIP be submitted electronically using e-Application, which is available through the Department's e-Grant system. An applicant who is unable to submit an application through the e-Grants system must submit a written request for a waiver of the electronic submission requirement at least two weeks before the deadline date. Additional information about e-Grants submission requirements is in the Closing Date Notice Inviting Applications for New Awards (Notice), published in the Federal Register, and in the transmittal instructions, which are included in this package.

The Notice published in the Federal Register contains specific information governing all of the requirements for applying. You are reminded that the document published in the Federal Register is the official document and that you should not rely upon any information that is inconsistent with the guidance contained within the official document.

Finally, we would like to share with you the importance of ensuring that your application includes a strong evaluation plan. The peer reviewers will be instructed to look closely at the potential of SIP applicants to successfully reach their individual project goals, which are driven by the performance indicators for SIP. The evaluation plan should not only include formative and summative measures, but also, address the use of appropriate controls and techniques that provide for independent evaluation. The evaluation plan should shape the development of the project from the beginning of the grant period and provide benchmarks for the monitoring of progress and measurement of that progress throughout the grant award period. You should pay close attention to the information provided in the Instructions for

the Project Narrative section of this application regarding the development of your evaluation activity.

If you have questions, please contact Imogene W. Byers, Program Officer, at (202) 502-7672 or Darlene B. Collins, Team Leader for the Title III, Part A Strengthening Institutions Program, at (202) 502-7576.

Sincerely,

/S/

Alan J. Schiff
Acting Deputy Assistant Secretary
Higher Education Programs

General Instructions

This form is used to apply to individual U.S. Department of Education (ED) discretionary grant programs. Unless directed otherwise, provide the same budget information for each year of the multi-year funding request. Pay attention to applicable program specific instructions, if attached. You may access the Education Department General Administrative Regulations, 34 CFR 74 – 86 and 97-99, on ED’s website at: <http://www.ed.gov/policy/fund/reg/edgarReg/edgar.html>

You must consult with your Business Office prior to submitting this form.

Section A - Budget Summary U.S. Department of Education Funds

All applicants must complete Section A and provide a break-down by the applicable budget categories shown in lines 1-11.

Lines 1-11, columns (a)-(e): For each project year for which funding is requested, show the total amount requested for each applicable budget category.

Lines 1-11, column (f): Show the multi-year total for each budget category. If funding is requested for only one project year, leave this column blank.

Line 12, columns (a)-(e): Show the total budget request for each project year for which funding is requested.

Line 12, column (f): Show the total amount requested for all project years. If funding is requested for only one year, leave this space blank.

Indirect Cost Information: If you are requesting reimbursement for indirect costs on line 10, this information is to be completed by your Business Office. (1): Indicate whether or not your organization has an Indirect Cost Rate Agreement that was approved by the Federal government.

If you checked “no,” ED generally will authorize grantees to use a temporary rate of 10 percent of budgeted salaries and wages subject to the following limitations:

(a) The grantee must submit an indirect cost proposal to its cognizant agency within 90 days after ED issues a grant award notification; and

(b) If after the 90-day period, the grantee has not submitted an indirect cost proposal to its cognizant agency, the grantee may not charge its grant for indirect costs until it has negotiated an indirect cost rate agreement with its cognizant agency.

(2): If you checked “yes” in (1), indicate in (2) the beginning and ending dates covered by the Indirect Cost Rate Agreement. In addition, indicate whether ED, another Federal agency (Other) or State agency issued the approved agreement. If you check “Other,” specify the name of the Federal or other agency that issued the approved agreement.

(3): If you are applying for a grant under a Restricted Rate Program (34 CFR 75.563 or 76.563), indicate whether you are using a restricted indirect cost rate that is included on your approved Indirect Cost Rate Agreement or whether you are using a restricted indirect cost rate that complies with 34 CFR 76.564(c)(2). Note: State or Local government agencies may not use the provision for a restricted indirect cost rate specified in 34 CFR 76.564(c)(2). Check only one response. Leave blank, if this item is not applicable.

Section B - Budget Summary Non-Federal Funds

If you are required to provide or volunteer to provide cost-sharing or matching funds or other non-Federal resources to the project, these should be shown for each applicable budget category on lines 1-11 of Section B.

Lines 1-11, columns (a)-(e): For each project year, for which matching funds or other contributions are provided, show the total contribution for each applicable budget category.

Lines 1-11, column (f): Show the multi-year total for each budget category. If non-Federal contributions are provided for only one year, leave this column blank.

Line 12, columns (a)-(e): Show the total matching or other contribution for each project year.

Line 12, column (f): Show the total amount to be contributed for all years of the multi-year project. If non-Federal contributions are provided for only one year, leave this space blank.

Section C - Budget Narrative [Attach separate sheet(s)] Pay attention to applicable program specific instructions, if attached.

1. Provide an itemized budget breakdown, and justification by project year, for each budget category listed in Sections A and B. For grant projects that will be divided into two or more separately budgeted major activities or sub-projects, show for each budget category of a project year the breakdown of the specific expenses attributable to each sub-project or activity.
2. For non-Federal funds or resources listed in Section B that are used to meet a cost-sharing or matching requirement or provided as a voluntary cost-sharing or matching commitment, you must include:
 - a. The specific costs or contributions by budget category;
 - b. The source of the costs or contributions; and
 - c. In the case of third-party in-kind contributions, a description of how the value was determined for the donated or contributed goods or services.

[Please review ED's general cost sharing and matching regulations, which include specific limitations, in 34 CFR 74.23, applicable to non-governmental entities, and 80.24, applicable to governments, and the applicable Office of Management and Budget (OMB) cost principles for your entity type regarding donations, capital assets, depreciation and use allowances. OMB cost principle circulars are available on OMB's website at: <http://www.whitehouse.gov/omb/circulars/index.html>]

3. If applicable to this program, provide the rate and base on which fringe benefits are calculated.
4. If you are requesting reimbursement for indirect costs on line 10, this information is to be completed by your Business Office. Specify the estimated amount of the base to which the indirect cost rate is applied and the total indirect expense. Depending on the grant program to which you are applying and/or your approved Indirect Cost Rate Agreement, some direct cost budget categories in your grant application budget may not be included in the base and multiplied by your indirect cost rate. For example, you must multiply the indirect cost rates of "Training grants" (34 CFR 75.562) and grants under programs with "Supplement not Supplant" requirements ("Restricted Rate" programs) by a "modified total direct cost" (MTDC) base (34 CFR 75.563 or 76.563). Please indicate which costs are included and which costs are excluded from the base to which the indirect cost rate is applied.

When calculating indirect costs (line 10) for "Training grants" or grants under "Restricted Rate" programs, you must refer to the information and examples on ED's website at: <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

You may also contact (202) 377-3838 for additional information regarding calculating indirect cost rates or general indirect cost rate information.

5. Provide other explanations or comments you deem necessary.

PROTECTION OF HUMAN SUBJECTS IN RESEARCH

I. Definitions and Exemptions

A. Definitions.

A research activity involves human subjects if the activity is research, as defined in the Department's regulations, and the research activity will involve use of human subjects, as defined in the regulations.

—Research

The ED Regulations for the Protection of Human Subjects, Title 34, Code of Federal Regulations, Part 97, define research as “a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge.” *If an activity follows a deliberate plan whose purpose is to develop or contribute to generalizable knowledge it is research.* Activities which meet this definition constitute research whether or not they are conducted or supported under a program that is considered research for other purposes. For example, some demonstration and service programs may include research activities.

—Human Subject

The regulations define human subject as “a living individual about whom an investigator (whether professional or student) conducting research obtains (1) data through intervention or interaction with the individual, or (2) identifiable private information.” *(1) If an activity involves obtaining information about a living person by manipulating that person or that person's environment, as might occur when a new instructional technique is tested, or by communicating or interacting with the individual, as occurs with surveys and interviews, the definition of human subject is met. (2) If an activity involves obtaining private information about a living person in such a way that the information can be linked to that individual (the identity of the subject is or may be readily determined by the investigator or associated with the information), the definition of human subject is met.* [Private information includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a school health record).]

B. Exemptions.

Research activities in which the **only** involvement of human subjects will be in one or more of the following six categories of **exemptions** are

not covered by the regulations:

- (1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (a) research on regular and special education instructional strategies, or (b) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.
- (2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless: (a) information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and (b) any disclosure of the human subjects' responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, or reputation. ***If the subjects are children, exemption 2 applies only to research involving educational tests and observations of public behavior when the investigator(s) do not participate in the activities being observed. Exemption 2 does not apply if children are surveyed or interviewed or if the research involves observation of public behavior and the investigator(s) participate in the activities being observed.*** [Children are defined as persons who have not attained the legal age for consent to treatments or procedures involved in the research, under the applicable law or jurisdiction in which the research will be conducted.]
- (3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior that is not exempt under section (2) above, if the human subjects are elected or appointed public officials or candidates for public office; or federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.
- (4) Research involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.
- (5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine: (a) public benefit or service programs; (b) procedures for obtaining benefits or services under those programs; (c) possible changes in or alternatives to those programs or procedures; or (d) possible changes in methods or levels of payment for benefits or services under those programs.
- (6) Taste and food quality evaluation and consumer acceptance studies, (a) if wholesome foods without additives are consumed or (b) if a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

II. Instructions for Exempt and Nonexempt Human Subjects Research Narratives

If the applicant marked "Yes" for Item 3 of Department of Education Supplemental Information for SF 424, the applicant must provide a human subjects "exempt research" or "nonexempt research" narrative. Insert the narrative(s) in the space provided. If you have multiple projects and need to provide more than one narrative, be sure to label each set of responses as to the project they address.

A. Exempt Research Narrative.

If you marked "Yes" for item 3 a. and designated exemption numbers(s), provide the "exempt research" narrative. The narrative must contain sufficient information about the involvement of human subjects in the proposed research to allow a determination by ED that the designated exemption(s) are appropriate. The narrative must be succinct.

B. Nonexempt Research Narrative.

If you marked "No" for item 3 a. you must provide the "nonexempt research" narrative. The narrative must address the following seven points. Although no specific page limitation applies to this section of the application, be succinct.

- (1) **Human Subjects Involvement and Characteristics:** Provide a detailed description of the proposed involvement of human subjects. Describe the characteristics of the subject population, including their anticipated number, age range, and health status. Identify the criteria for inclusion or exclusion of any subpopulation. Explain the rationale for the involvement of special classes of subjects, such as children, children with disabilities, adults with disabilities, persons with mental disabilities, pregnant women, prisoners, institutionalized individuals, or others who are likely to be vulnerable
- (2) **Sources of Materials:** Identify the sources of research material obtained from individually identifiable living human subjects in the form of specimens, records, or data. Indicate whether the material or data will be obtained specifically for research purposes or whether use will be made of existing specimens, records, or data.

(3) **Recruitment and Informed Consent:** Describe plans for the recruitment of subjects and the consent procedures to be followed. Include the circumstances under which consent will be sought and obtained, who will seek it, the nature of the information to be provided to prospective subjects, and the method of documenting consent. State if the Institutional Review Board (IRB) has authorized a modification or waiver of the elements of consent or the requirement for documentation of consent.

(4) **Potential Risks:** Describe potential risks (physical, psychological, social, legal, or other) and assess their likelihood and seriousness. Where appropriate, describe alternative treatments and procedures that might be advantageous to the subjects.

(5) **Protection Against Risk:** Describe the procedures for protecting against or minimizing potential risks, including risks to confidentiality, and assess their likely effectiveness. Where appropriate, discuss provisions for ensuring necessary medical or professional intervention in the event of adverse effects to the subjects. Also, where appropriate, describe the provisions for monitoring the data collected to ensure the safety of the subjects.

(6) **Importance of the Knowledge to be Gained:** Discuss the importance of the knowledge gained or to be gained as a result of the proposed research. Discuss why the risks to subjects are reasonable in relation to the anticipated benefits to subjects and in relation to the importance of the knowledge that may reasonably be expected to result.

(7) **Collaborating Site(s):** If research involving human subjects will take place at collaborating site(s) or other performance site(s), name the sites and briefly describe their involvement or role in the research.

Copies of the Department of Education's Regulations for the Protection of Human Subjects, 34 CFR Part 97 and other pertinent materials on the protection of human subjects in research are available from the Grants Policy and Oversight Staff, Office of the Chief Financial Officer, U.S. Department of Education, Washington, D.C. 20202-4250, telephone: (202) 245-6120, and on the U.S. Department of Education's Protection of Human Subjects in Research Web Site: <http://www.ed.gov/about/offices/list/OCFO/humansub.html>

Section 427 of GEPA

NOTICE TO ALL APPLICANTS

The purpose of this enclosure is to inform you about a new provision in the Department of Education's General Education Provisions Act (GEPA) that applies to applicants for new grant awards under Department programs. This provision is Section 427 of GEPA, enacted as part of the Improving America's Schools Act of 1994 (Public Law (P. L.) 103-382).

To Whom Does This Provision Apply?

Section 427 of GEPA affects applicants for new grant awards under this program. **ALL APPLICANTS FOR NEW AWARDS MUST INCLUDE INFORMATION IN THEIR APPLICATIONS TO ADDRESS THIS NEW PROVISION IN ORDER TO RECEIVE FUNDING UNDER THIS PROGRAM.**

(If this program is a State-formula grant program, a State needs to provide this description only for projects or activities that it carries out with funds reserved for State-level uses. In addition, local school districts or other eligible applicants that apply to the State for funding need to provide this description in their applications to the State for funding. The State would be responsible for ensuring that the school district or other local entity has submitted a sufficient section 427 statement as described below.)

What Does This Provision Require?

Section 427 requires each applicant for funds (other than an individual person) to include in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its Federally-assisted program for students, teachers, and other program beneficiaries with special needs. This provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, or age. Based on local circumstances, you should determine whether these or other barriers may prevent your students, teachers, etc. from such access or participation in, the Federally-funded project or activity. The description in your application of steps to be taken to overcome these barriers need not be lengthy; you may provide a clear and succinct

description of how you plan to address those barriers that are applicable to your circumstances. In addition, the information may be provided in a single narrative, or, if appropriate, may be discussed in connection with related topics in the application.

Section 427 is not intended to duplicate the requirements of civil rights statutes, but rather to ensure that, in designing their projects, applicants for Federal funds address equity concerns that may affect the ability of certain potential beneficiaries to fully participate in the project and to achieve to high standards. Consistent with program requirements and its approved application, an applicant may use the Federal funds awarded to it to eliminate barriers it identifies.

What are Examples of How an Applicant Might Satisfy the Requirement of This Provision?

The following examples may help illustrate how an applicant may comply with Section 427.

- (1) An applicant that proposes to carry out an adult literacy project serving, among others, adults with limited English proficiency, might describe in its application how it intends to distribute a brochure about the proposed project to such potential participants in their native language.
- (2) An applicant that proposes to develop instructional materials for classroom use might describe how it will make the materials available on audio tape or in braille for students who are blind.
- (3) An applicant that proposes to carry out a model science program for secondary students and is concerned that girls may be less likely than boys to enroll in the course, might indicate how it intends to conduct "outreach" efforts to girls, to encourage their enrollment.

We recognize that many applicants may already be implementing effective steps to ensure equity of access and participation in their grant programs, and we appreciate your cooperation in responding to the requirements of this provision.

Estimated Burden Statement for GEPA Requirements

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is **1894-0005**. The time required to complete this information collection is estimated to average 1.5 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. **If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to:** U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, D.C. 20202-4537.
