Application for Designation as an Eligible Institution (ED Form 1049)	25
<u>Federal Register</u> Closing Date Notice Inviting Applications	28

Dear Applicant:

We are pleased to provide the application package for fiscal year (FY) 2014 Designation as an Eligible Institution under the following Title III and Title V programs of the Higher Education Act of 1965, as amended.

- STRENGTHENING INSTITUTIONS PROGRAM (SIP)
- ALASKA NATIVE AND NATIVE HAWAIIAN-SERVING INSTITUTIONS (ANNH) PROGRAM
- NATIVE AMERICAN-SERVING NONTRIBAL INSTITUTIONS (NASNTI)
- DEVELOPING HISPANIC-SERVING INSTITUTIONS (HSI) PROGRAM
- HISPANIC-SERVING INSTITUTIONS STEM and ARTICULATION PROGRAM
- PROMOTING POSTBACCALAUREATE OPPORTUNITIES FOR HISPANIC AMERICANS (PPOHA)
- ASIAN AMERICAN AND NATIVE AMERICAN PACIFIC ISLANDER-SERVING INSTITUTIONS (AANAPISI) PROGRAM
- PREDOMINANTLY BLACK INSTITUTIONS (PBI) PROGRAM

This application package includes the information and instructions that you need to apply for eligibility designation. Eligibility designation qualifies an institution of higher education (IHE) to apply for grants under the above Title III and Title V programs, provided the institution meets certain additional program specific eligibility requirements.

The purpose of these programs is to provide funds to eligible institutions of higher education to increase their self-sufficiency by improving their academic programs, institutional management, and fiscal stability.

In addition, this application package may be used by IHEs to apply for a waiver of certain non-Federal cost-share requirements under the following programs:

- FEDERAL WORK-STUDY (FWS) PROGRAM
- FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANTS (FSEOG) PROGRAM
- TRIO STUDENT SUPPORT SERVICES (SSS) PROGRAM

- UNDERGRADUATE INTERNATIONAL STUDIES AND FOREIGN LANGUAGE (UISFL) PROGRAM

Read this package in its entirety before you begin to complete the application. It is essential that you provide sufficient responses to all applicable questions and enter the correct data throughout the application.

- All institutions interested in applying for a new FY 2014 Title III or Title V grant and/or the non-Federal Cost-Share Waiver **MUST** apply for eligibility designation by **March 7, 2014**.
- You must reapply for eligibility each year that you wish to apply for a new grant award. Even if Title III or Title V grants in subsequent fiscal years are made by funding down a slate from a previous competition, an institution would still need to be deemed eligible in that fiscal year in order to receive that grant.
- IHEs currently receiving Title III or Title V funds do not need to apply for eligibility designation unless they intend to apply for a new grant. IHEs designated as Historically Black Colleges and Universities or Tribally Controlled Colleges and Universities are exempt from the non-Federal cost-share match requirement and do not need to apply for eligibility designation.
- FY 2014 applicants will report their required student head count figures based solely on their **2011 fall semester** enrollment.
- To further assist you in determining the low-income levels of your students, we have included (in the Federal Register notice) the **2011** low-income figures, as determined by the U.S. Census Bureau. The term “low income individual” means an individual from a family whose taxable income for the preceding year did not exceed 150 percent of an amount equal to the poverty level established by the U.S. Census Bureau.
- To assist you with calculating your institution’s **average educational and general (E&G) expenditures** per Full Time Equivalent (FTE) student, the ED Form 1049 has been improved to calculate your institution’s E&G expenditures. See page 12 for specific instructions.
- A waiver of the non-Federal cost-share requirements is effective for five consecutive years.
- If you are a current Title III or Title V grant recipient, non-Federal cost-sharing is waived for FWS, FSEOG, SSS, and UISFL programs.

For FY 2014, all applications must be submitted electronically as described in this application package. The deadline is **March 7, 2014**.

Once you have submitted your eligibility application online, please print a copy of your submissions for your records.

If you need further assistance, please contact us at the telephone numbers or e-mail addresses cited in this application package.

Sincerely,

/s/

Ralph Hines
Acting Senior Director
Institutional Service

Carnisia.Proctor@ed.gov	or	202-502-7606
Jeffrey.Hartman@ed.gov	or	202-502-7607

You will need your institution's unique 8-digit identifier, referred to as the Office of Postsecondary Education Identification (OPE ID) number, in order to electronically retrieve and complete a valid eligibility application form. Throughout this application package we refer to certain sections of program regulations. In the event that you wish to reference the regulations governing the Title III and Title V programs, you may do so at the following Web site:

<http://www.ed.gov/legislation/FedRegister/finrule/2001-4/121599a.html>

Only individual accredited institutions, including eligible branch campuses, may apply for designation as an eligible institution. The regulations at 34 CFR Part 606.2(a)(6) and 607.2(a)(4) outline the accreditation requirements. A higher education system, foundation or district may not apply on behalf of individual institutions.

Only submit data pertinent to your individual institution. Do not include data that is reported as part of a single filing by a higher education system or district no matter whether your institution normally maintains and submits data to the U. S. Department of Education as part of a single filing by a higher education system for all institutions within that system or by a district for all institutions within that district.

Designation As An Eligible Branch Campus

To be designated as an eligible branch campus, the branch campus must meet the needy student enrollment requirement, the educational and general (E&G) expenditures requirement, and the definition of a branch campus. The regulations at 34 CFR Part 606.7(b) and 34 CFR Part 607.7(e) define “branch campus” as a unit of a college or university that is geographically apart from the main campus and independent of that main campus. We consider a unit of a college or university to be independent of the main campus if the unit is permanent in nature; offers courses for credit and programs leading to an associate or bachelor’s degree; is autonomous to the extent that it has its own faculty and administrative or supervisory organization; and its own budgetary and hiring authority. If your institution is applying for eligibility as a branch campus, provide the eligibility data pertinent to the branch campus.

The Government Paperwork Elimination Act (GPEA) of 1998 (P. L. 105-277) and the Federal Financial Assistance Management Improvement Act of 1999 (P. L. 106-107) encourage us to undertake initiatives to improve our grant processes. Enhancing the ability of individuals and entities to conduct business with us electronically is a major part of our response to these Acts. Therefore, we are taking steps to adopt the internet as our chief means of conducting transactions in order to improve services to our customers and to simplify and expedite our business processes.

Note: Some of the procedures for transmitting applications in these instructions differ from those in the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.102). Under the Administrative Procedure Act (5 U.S.C. 553), the Department generally offers interested parties the opportunity to comment on proposed regulations. However, these amendments make procedural changes only and do not establish new substantive policy. Therefore, under 5 U.S.C. 553(b)(A), the Secretary has determined that proposed rulemaking is not required.

All applications and waiver narratives, must be submitted electronically by **March 7, 2014**.

We are requiring that all FY 2014 applications for eligibility designation be submitted electronically at:

<http://opeweb.ed.gov/title3and5/>

You may submit your application in paper format if you are unable to submit an application electronically because:

- You do not have access to the internet; or
- You do not have the capacity to upload the data online.

You must mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the internet to submit your application,

no later than two weeks before the application deadline (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday). If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline.

Address and mail or fax your statement to: Dr. Nancy Regan, U.S. Department of Education, 1990 K Street, N.W., Room 6032, Washington, DC 20006-8513. Fax: (202) 502-7861. Your paper application must be submitted in accordance with the mail or hand delivery instructions provided in the official notice published in the Federal Register.

IMPORTANT NOTE: Before submitting your application electronically, double check for accuracy and print a copy for yourself. When you press the submit button, the system will display a message confirming that you have successfully submitted your application. Save and print this confirmation as proof that you have submitted your application electronically. If you do not receive this confirmation, you should assume that we did not receive your application. Please contact Carnisia Proctor, Robyn Wood or Jeffrey Hartman (see page 6 for contact information).

You are responsible for verifying and certifying the accuracy and completeness of the data you submit. We are unable to notify institutions of errors or missing data.

Do not wait until the due date to submit your application:

Enter this number in the space provided.

PART III - INSTITUTIONAL STATISTICS

ITEM 1. NEEDY STUDENT REQUIREMENT

Fill out Part III, Items 1A through 1D, using the following instructions.

ITEM 1.A. FALL 2011 HEAD COUNT ENROLLMENT OF UNDERGRADUATE AND GRADUATE DEGREE STUDENTS

Determine the institution's total **2011 fall semester** head count of undergraduate and graduate students who were enrolled in a **degree** program. The regulations at 34 CFR Part 606.7(b) and at 34 CFR Part 607.7(e) define “degree student” as a student who enrolls at an institution for the purpose of obtaining a degree, certificate or other recognized educational credential offered by that institution. We consider the transcript that a student receives for the successful completion of a two-year transfer program to be an “other recognized educational credential.”

Do not include foreign students who are not eligible to participate in Title IV need-based assistance programs.

Determine the undergraduate student head count by including all undergraduate students who were enrolled in a program that resulted in the award of a bachelor’s degree. Include those enrolled in a two-year transfer program and those enrolled in a two-year educational program that resulted in the award of an associate degree. Include those enrolled in a vocational or technical program of at least two years in length that resulted in the award of a certificate that testifies that the student qualifies to work as a technician or at the semiprofessional level in technological fields.

Enter the total in the space provided under Part III, Item 1.A.

ITEM 1.B. FALL 2011 RECIPIENTS OF TITLE IV NEED-BASED FINANCIAL ASSISTANCE

Determine the institution's total **2011 fall semester unduplicated** student head count of degree students who received any of the following Title IV need-based assistance: **Federal Pell Grant, Federal College Work Study, Federal Perkins Loan or Federal Supplemental Educational Opportunity Grant.** To compute the unduplicated student head count, count each student who received Title IV need-based assistance, regardless of the number of need-based programs in which the student participated. **If a student participates in multiple need-based programs, that student is to be counted only once.**

Enter the total in the space provided under item Part III, Item 1.B.

ITEM 1.C. FALL 2011 ENROLLMENT OF HALF TIME, UP TO AND INCLUDING FULL-TIME, UNDERGRADUATE STUDENTS

Determine the institution's total **2011 fall semester** undergraduate head count of students who were enrolled at least **half time** in degree programs at your institution.

Do not include foreign students who are not eligible for Title IV need-based financial assistance.

Enter the total in the space provided under Part III, Item 1.C.

ITEM 1.D. FALL 2011 PELL GRANT RECIPIENTS ONLY

Determine your institution's total **2011 fall semester** undergraduate head count of students who received **Pell Grants** for the **2011-2012** academic term. Include Pell Grant recipients who were enrolled in a program on at least a half-time basis.

Enter the total undergraduate head count of Pell Grant recipients in the space provided under Part III, Item 1.D.

ITEM 2. EDUCATIONAL AND GENERAL (E&G) EXPENDITURES REQUIREMENT

Use the following instructions to complete items 2.A through 2.D.

ITEM 2.A. UNDERGRADUATE FULL-TIME EQUIVALENT, FALL 2011 ENROLLMENT

Determine your institution's full-time equivalent (FTE) **2011 fall semester** enrollment of undergraduate students. The regulations at 34 CFR Part 606.7(b) and 34 CFR Part 607.7(e) describe how to calculate your FTE enrollment and the instructions below paraphrase those regulations.

Based on the full-time load at your institution, count a full-time undergraduate student as one FTE.

Determine the FTE for part-time undergraduate students by entering the total number of credit hours of all part-time undergraduate students. The total will automatically be divided by 12. The result is the FTE for part-time undergraduate students.

The system will then add the total (full-time AND part-time) undergraduate students. The result is the total number of undergraduate FTE equivalent **FY 2011** enrollment. **NOTE: This number should not exceed the total institutional enrollment entered under Part II, Item 1.**

ITEM 2.B. GRADUATE FULL-TIME EQUIVALENT 2011 FALL ENROLLMENT

Determine the institution's FTE **2011 fall semester** enrollment of graduate students, if any, including both full-time and part-time students, as explained here.

Based on the full-time load at your institution, count a full-time graduate student as one FTE.

Determine the FTE for part-time graduate students by entering the total number of credit hours of all part-time graduate students. That number will automatically be divided by 12. The result is the FTE for part-time graduate students.

Calculate the total graduate FTE by adding the FTE of full-time graduate students to the FTE of part-time graduate students, then **multiply** this total by a factor of 2.5. This final figure is the graduate FTE. The use of the 2.5 factor is required by the Department's regulations at 34 CFR 606.4(a) (2) and 607.4(a) (2) to account for higher educational and general expenditures for graduate versus undergraduate students.

The system will then add the total (full-time plus part-time) graduate students. The result is the total number of graduate FTE equivalent **FY 2011** enrollment.

ITEM 2.C. TOTAL EDUCATIONAL AND GENERAL EXPENDITURES

Determine the institution's E&G expenditures for **2011-2012**. The regulations at 34 CFR Part 606.7(b) and 34 CFR Part 607.7(e) define E&G expenditures as the **total amount** expended by an IHE for: instruction, research, public service, academic support (including library expenditures), student services, institutional support, scholarships and fellowships, operation and maintenance expenditures for physical plant, and any mandatory transfers which the institution is required to pay by law. In determining the institution's E&G expenditures, total these costs. **Do not include Federal student financial aid.**

Enter the total **2011-2012** E&G expenditures in the space provided under Part III, Item 2.C.

ITEM 2.D. AVERAGE EDUCATIONAL AND GENERAL EXPENDITURES PER FTE STUDENT

The system will calculate the institution's average E&G expenditures per FTE for **2011-2012**.

PART IV. SPECIFIC INSTITUTIONAL ELIGIBILITY REQUIREMENTS

ITEM 1. NEEDY STUDENT REQUIREMENTS

Use the following calculations to determine whether your institution meets the needy student requirement in at least one of two possible ways.

YOUR INSTITUTION MEETS THE NEEDY STUDENT REQUIREMENT IF:

A. At least 50% of its **2011** fall semester, unduplicated student head count of undergraduate degree students received financial assistance under one or more of the following programs: Federal Pell Grant, Federal College Work-Study, Federal Perkins Loan or Federal Supplemental Educational Opportunity Grant Programs (Part III, 1B).

Or

B. The percentage of its **2011** fall semester, undergraduate degree students who were enrolled on at least a half-time basis and received Federal Pell Grants exceeded the median percentage of undergraduate degree students who were enrolled on at least a half-time basis and received Federal Pell Grants at comparable institutions that offered similar instruction (Part III, 1D).

ITEM 1. A. AT LEAST 50% OR MORE OF FALL 2011 DEGREE STUDENTS WERE RECIPIENTS OF NEED-BASED FINANCIAL SUPPORT

If your institution **meets** the needy student requirement because **50 percent or more** of its **2011** fall semester enrolled degree students received the above-mentioned Title IV need-based financial assistance, select Part IV, Item 1.A. **If the percentage turns out to be less than 50%, DO NOT select Part IV, Item 1.A.**

EXAMPLE: Needy Student Calculation

To determine whether your institution meets the statutory needy student requirement for **2011-2012**, divide the number of **2011** fall semester, Title IV recipients (Part III, Item 1.B) by the **2011** fall semester enrollment of degree students (Part III, Item 1.A). The result (Part III, 1.B., divided by Part III, 1.A) is the percentage of needy students enrolled in the institution for the base year. If the result is 50 percent or more, your institution meets the statutory needy student requirement threshold. The regulations at 34 CFR Part 606.3(a)(1) and at 34 CFR Part 607.3(a)(1) describe the needy student requirement.

Example

2011 fall semester enrollment (Part III, 1.A) = 800 degree students

2011 fall semester Title IV recipients (Part III, 1.B) = 600 students

Percentage of recipients of need-based financial support

= 75% (600 divided by 800)

The example institution meets the needy student requirement because 50 percent or more of its **2011** fall semester degree students received need-based financial support.

ITEM 1.B. THE PERCENTAGE OF FEDERAL PELL GRANT RECIPIENTS AT THE APPLICANT INSTITUTION EXCEEDED THE MEDIAN PERCENTAGE AT SIMILAR INSTITUTIONS.

If your institution **meets** the statutory needy student requirement because the percentage of its **2011** fall semester enrolled students that received Pell Grants exceeded the median Federal Pell Grant percentage for its category of institutions (see below), **check Part IV, Item 1.B.** If your percentage **does not exceed** the median Federal Pell Grant percentage for your category of institutions, **do not check Part IV, Item 1.B.**

If the institution meets both Part IV, Items 1.A and 1.B, check the box next to Part IV, Item 1.A only.

EXAMPLE: Needy Student Calculation □

To determine if your institution meets the statutory needy student requirement for **2011**, divide the number of **2011** fall semester Pell Grant recipients (Part III Item 1.D) by the **2011** fall semester enrollment of half-time up to and including full-time degree seeking students (Part III Item 1.C). The result (Part III, 1.D, divided by Part III, 1.C) is the percentage of Pell Grant recipients enrolled in the institution for the base year. If this result **exceeds** the "Median Federal Pell Grant Percentage" for your category of institutions, your institution meets the statutory needy student requirement threshold.

Example

2011 fall semester enrollment of half-time to full-time degree students

(Part III, 1.C) = 600

2011 fall semester Pell Grant recipients (Part III, 1.D) = 250

2011 Pell Grant percentage = 41.6% (250 divided by 600)

Here are the median Federal Pell Grant percentages or thresholds for base year 2011-2012:

For 2-year public institutions, the median = **37.6%**

For 2-year non-profit private institutions, the median = **44.1%**

For 4-year public institutions, the median = **35.4%**

For 4-year non-profit private institutions, the median = **35.5%**

Since in our example, the institution's Pell Grant percentage is greater than the median Pell Grant percentage for any category of institution, the example institution meets the needy student requirement.

ITEM 1.C. REQUESTING A WAIVER OF THE NEEDY STUDENT REQUIREMENT □

If the institution **does not meet** the statutory needy student requirement, **under either** the Title IV need-based financial assistance 50% threshold **or** the appropriate Pell Grant threshold, you may request a waiver of this requirement. **Before doing so, review the seven possible waiver options below.** These options correspond to the six options listed in the regulations at 34 CFR Part 606.3(b) and 34 CFR Part 607.3(b).

Check Part IV, Item 1.C, denoting that you are requesting a waiver.

After you review the six possible waiver options for the needy student requirement, select the option(s) that applies to your institution's particular situation. You may apply for more than one option.

Prepare a separate narrative that provides the required evidence for the chosen waiver option(s) and demonstrates that the waiver(s) applies to your particular institution. Following the instructions detailed below, the narrative must contain compelling evidence. Mere statements of fact may not be enough to support your request. Provide supporting documentation (relevant studies, recent reports and/or data, etc.) to justify your request for a waiver. It is acceptable to upload photocopies of supporting documentation when addressing the waivers.

Needy Student Waiver Option #1, 34 CFR 606.3(b)(1) and 607.3(b)(1)

Provide evidence that the state provided **more than 30 percent** of your institution's budget for the 2011-2012 base year.

AND

Provide evidence that your institution charged not more than \$99.00 per student for tuition and fees for the 2011-2012 base year.

Please identify the resources provided by the state, citing specific dollar amounts. Also, show actual tuition and fees charged per student, and provide supporting documentation such as posted tuition and fees.

Needy Student Waiver Option #2, 34 CFR 606.3(b)(2) and 607.3(b)(2)

Provide evidence that **at least 30 percent** of the students served by your institution in the **2011-2012** base year **were students from low-income families.**

The regulations at 34 CFR Part 606.7(c) and 34 CFR 607.7(e) define a low income individual to be one from a family whose taxable income for the base year did not exceed 150% of an amount equal to the poverty level as determined by the U.S. Census Bureau. In the Federal Register Closing Date Notice, we stated the low-income figures for **2011**.

Support your request by providing documentation (statistical and whole numbers baseline data) that verifies your claim that at least 30 percent of your enrolled students were from low-income families.

Needy Student Waiver Option #3, 34 CFR 606.3(b)(3) and 607.3(b)(3)

Provide evidence that your institution, in the base year, **substantially increased the higher education opportunities for low-income students who were also educationally disadvantaged, or from groups underrepresented in postsecondary education, or were minority students.** The program regulations at 34 CFR 606.7(b) and 607.7(e) define "educationally disadvantaged," "minority student" and "underrepresented."

Include **ALL** the following information:

1. A description of the student body characteristics, including the racial/ethnic composition and the number of low-income students, for the **2011-2012** base year.
2. The number of low-income students for the **2011-2012** base year that were also educationally disadvantaged, from groups underrepresented in postsecondary education, or minority students.
3. A description of the programs and services in place during the **2011-2012** base year that were specifically designed to increase the educational opportunities for the low income students who were also educationally disadvantaged, from groups underrepresented in higher education, or minority students.
4. A longitudinal progression detailing the number of these students served by the institution's programs and services during the past five academic periods: **2007-2008, 2008-2009, 2009-2010, 2010-2011 and 2011-2012.**

Needy Student Waiver Option #4, 34 CFR 606.3(b)(4) and 607.3(b)(4)

Provide evidence that your institution substantially increased the higher education opportunities in the **2011-2012** base year **for individuals who resided in an area that is not included in a "metropolitan statistical area" (MSA)** as defined by the Office of Management and Budget and who were underserved by other postsecondary institutions.

Include **ALL** the following information:

1. The geographical areas of residence for enrolled students in the **2011-2012** base year including:
 - The percentage of enrolled students from MSAs; and
 - The percentage of enrolled students from locations outside an MSA.
2. A map or scale drawing showing the geographically isolated or rural nature of your institution's location. Include its geographic relationship to the nearest other institution(s) of higher education and nearest MSA; and the mileage between the institution and other institutions and the nearest MSA.
3. A description of the geographic barriers and climatic and other conditions that limit the options of individuals to attend other institutions.

PART IV, ITEM 2. EDUCATIONAL & GENERAL EXPENDITURES REQUIREMENT

Your institution meets the E&G expenditures requirement if its average E&G expenditures per FTE student cited in Part III, Item 2.D, is less than the average E&G per FTE for the same category of institution. **The average 2011-2012 E&G expenditures per FTE student for each category of institution is the following:**

2- year public institution	=	\$11,606	per FTE student
2- year non-profit private	=	\$23,454	per FTE student
4- year public institution	=	\$30,082	per FTE student
4- year non-profit private	=	\$48,532	per FTE student

PART IV, ITEM 2.A

Check Item 2.A only if your institution's **2011-2012** average E&G expenditures per FTE are less than the average E&G expenditures per FTE student for its category of institution.

PART IV, ITEM 2.B

Check Item 2.B if your institution exceeded the E&G expenditures threshold and you are requesting a waiver.

Write a justification for each waiver option you are requesting.

Instructions for Selecting Waiver Option(s) for the E&G Expenditures Requirement

Review all six waiver options below and select the option(s) that applies to your institution's situation. You may request multiple options. You must submit a written justification with the eligibility application form for each option requested. The waiver

option justification narrative must contain compelling evidence that the specific waiver condition exists. **Mere statements of fact may not be enough to support your request. Provide supporting documentation (relevant studies, recent reports and/or data, etc.) to justify your request for a waiver. It is acceptable to upload photocopies of supporting documentation when addressing the waivers.**

E&G Waiver Option #1, 34 CFR 606.4(d)(1) and 607.4(d)(1)

Low student enrollment in the Fall 2011 distorted your institution's E&G expenditures per FTE undergraduate student and the institution's eligible designation is otherwise consistent with the purposes of the Title III or Title V program. Please show your institutions enrollment was low relative to the enrollment before the base year and/or low relative to the enrollment after the base year.

Provide detailed evidence to support your claim that low student enrollment in 2011 distorted your E&G expenditures. Show that enrollments in the years prior to and after 2011 were greater, citing specific numbers. Please include comparisons with similar IHEs.

E&G Waiver Option #2, 34 CFR 606.4(d)(2) and 607.4(d)(2)

Location of the institution in **an unusually high cost-of-living area** distorted your institution's E&G expenditures per FTE undergraduate student and the institution's eligible designation is otherwise consistent with the purposes of the Title III or Title V program. Provide documentation from a governmental source to substantiate the high cost of living in the area.

Cite recent statistics from local, state and/or national levels. Please include comparisons with similar IHEs.

E&G Waiver Option #3, 34 CFR 606.4(d)(3) and 607.4(d)(3)

High energy costs distorted your institution's E&G expenditures per FTE undergraduate student and the institution's eligible designation is otherwise consistent with the purposes of the Title III or Title V program.

Provide documentation to substantiate the high energy costs. Please show comparisons with similar IHEs and include supporting documentation.

E&G Waiver Option #4, 34 CFR 606.4(d)(4) and 607.4(d)(4)

An increase in State funding, that was part of a desegregation plan for higher education, distorted your institution's E&G expenditures per FTE undergraduate student and the institution's eligible designation is otherwise consistent with the purposes of the Title III or Title V program.

Provide documentation to substantiate your request.

E&G Waiver Option #5, 34 CFR 606.4(d)(5) and 607.4(d)(5)

Operation of high cost professional schools such as medical and dental schools or technology and health science programs, distorted your institution's E&G expenditures per FTE undergraduate student, and the institution's eligible designation is otherwise consistent with the purposes of the Title III or Title V program.

Provide documentation to substantiate your request. Please include enrollment and cost comparisons with similar IHEs.

PART V. CERTIFICATION

A duly authorized representative of the institution must check the box in Part V to certify that to the best of his or her knowledge that all data in the application are true and correct and that the applicant institution will comply with the required assurances. By checking this box and submitting this application, the applicant institution also certifies that they meet the accrediting requirements and, if applicable, meet the definition of a branch campus.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Programs:

The Part A SIP, ANNH, Part A PBI, Part A NASNTI, and Part A AANAPISI programs are authorized under Title III, Part A, of the HEA. Part F, Title III HSI STEM and Articulation, Part F PBI, and Part F AANAPISI programs are

authorized under Title III, Part F of the HEA. The Title V HSI and PPOHA programs are authorized under Title V of the HEA. Please note that certain programs in this notice have the same or a similar name as another program that falls under a different statutory authority. For this reason, we specify the statutory authority as part of the acronym for certain programs.

Under the programs discussed above, institutions of higher education ("IHEs" or "institutions") are eligible to apply for grants if they meet specific statutory and regulatory eligibility requirements. An IHE that submits an application and is designated as an eligible institution may also receive a waiver of certain non-Federal cost-share requirements under the Federal Supplemental Educational Opportunity Grants (FSEOG) program authorized by Part A, Title IV of the HEA; the Federal Work Study Program (FWS) program authorized by section 443 of Part C, Title IV of the HEA; the TRIO Student Support Services (SSS) program authorized by section 402D of Part A, Title IV of the HEA; and the Undergraduate International Studies and Foreign Language (UISFL) program authorized by section 604 of Part A, Title VI of the HEA. Qualified institutions may receive these waivers even if they do not receive a grant under the Title III or Title V Programs.

Special Note: To qualify as an eligible institution under the grant programs listed in this notice, your institution must satisfy several criteria. For most of these programs, these criteria include those that relate to needy student enrollment and to average educational and general (E&G) expenditures for a specified base year. The most recent data available for E&G expenditures are for base year 2011-2012. In order to award FY 2014 grants in a timely manner, we will use these data to evaluate eligibility. Therefore, in completing your eligibility application, please use E&G expenditure data from the base year 2011-2012.

If you are designated as an eligible institution and you do not receive a new award under one of the Title III or Title V Programs subject to this application process in FY 2014, your eligibility for the non-Federal cost-share waiver under the FSEOG, FWS, SSS, and UISFL programs is valid for five consecutive years. You will not need to reapply for eligibility until 2019, unless you wish to apply for a new Title III or Title V grant. All institutions interested in applying for a new grant under the Title III or Title V programs addressed in this notice or in requesting a waiver of the non-Federal cost share, must apply for eligibility designation in FY 2014. Under the HEA, any IHE interested in applying for a grant under

any of these programs must first be designated as an eligible institution. (34 CFR 606.5 and 607.5).

ELIGIBLE APPLICANTS:

The eligibility requirements for the programs authorized under Part A of Title III of the HEA are in Sections 312 and 317-320 of the HEA [20 U.S.C. 1058, 1059d-1059g] and in the Department's implementing regulations at 34 CFR 607.2 through 607.5. The regulations may be accessed at: www.gpo.gov/fdsys/pkg/CFR-2001-title34-vol3/xml/CFR-2001-title34-vol3-part607.xml.

The eligibility requirements for the programs authorized by Part F of Title III of the HEA are identified in Section 371 of the HEA [20 U.S.C. 1067q] . We are in the process of developing regulations for these programs; there are currently no specific program regulations.

The eligibility requirements for the Title V HSI Program are in Part A of Title V of the HEA and in 34 CFR 606.2 through 34 CFR 606.5. The regulations may be accessed at: www.gpo.gov/fdsys/pkg/CFR-2001-title34-vol3/xml/CFR-2001-title34-vol3-part606.xml.

The requirements for the PPOHA Program are in Part B of Title V of the HEA and in the notice of final requirements published in the Federal Register on July 27,

2010 (75 FR 44055) (PPOHA notice), and those in 34 CFR 606.2(a) and (b), and 606.3 through 606.5.

ENROLLMENT OF NEEDY STUDENTS: For the Part A SIP; ANNH; Part A NASNTI; Part A AANAPISI; Title III, Part F HSI STEM and Articulation; Part F AANAPISI; Title V HSI; and PPOHA programs, an institution is considered to have an enrollment of needy students if: (1) at least 50 percent of its degree students received financial assistance under one or more of the following programs: the Federal Pell Grant, FSEOG, FWS, or the Federal Perkins Loan Programs; or (2) the percentage of its undergraduate degree students who were enrolled on at least a half-time basis and received Federal Pell Grants exceeded the median percentage of undergraduate degree students who were enrolled on at least a half-time basis and received Federal Pell Grants at comparable institutions that offer similar instruction.

To qualify under this latter criterion, an institution's Federal Pell Grant percentage for base year 2011-2012 must be more than the median for its category of comparable institutions provided in the 2011-2012 Median Pell Grant and Average E&G Expenditures per full-time equivalent (FTE) Student Table in this notice.

For the definition of "Enrollment of Needy Students" for purposes of the Part A PBI Program, see section

318(b) (2) of the HEA and for purposes of the Part F PBI program see section 371(c) (9) of the HEA.

EDUCATIONAL AND GENERAL EXPENDITURES PER FTE STUDENT:

Under the Part A SIP; ANNH; Part A PBI; Part A NASNTI; Part A AANAPISI; Title III, Part F HSI STEM and Articulation; Part F PBI; Part F AANAPISI; Title V HSI; and PPOHA programs, an institution should compare its base year 2011-2012 average E&G expenditures per FTE student to the average E&G expenditure per FTE student for its category of comparable institutions contained in the base year 2011-2012 Median Pell Grant and Average E&G Expenditures per FTE Student Table in this notice. The institution meets this eligibility requirement under these programs if its average E&G expenditures for the 2011-2012 base year are less than the average for its category of comparable institutions.

An institution's average E&G expenditures are the total amount it expended during the base year for instruction, research, public service, academic support (including library expenditures, student services, institutional support, operation and maintenance, scholarships and fellowships), and mandatory transfers that the institution is required to pay by law.

The following table identifies the relevant median Federal Pell Grant percentages for the base year 2011-2012

and the relevant average E&G expenditures per FTE student for the base year 2011-2012 for the four categories of comparable institutions:

Type of Institution	Base Year 2011-2012 Median Pell Grant Percentage	Base Year 2011-2012 Average E&G Expenditures per FTE Student
Two-year Public Institutions	37.6	11,606
Two-year Non-profit Private Institutions	44.1	23,454
Four-year Public Institutions	35.4	30,082
Four-year Non-profit Private Institutions	35.5	48,532

Waiver Information: IHEs that are unable to meet the needy student enrollment requirement or the average E&G expenditures requirement may apply to the Secretary for waivers of these requirements, as described in sections 392 and 522 of the HEA, and implementing regulations at 34 CFR 606.3(b), 606.4(c) and (d), 607.3(b), and 607.4(c) and (d).

IHEs requesting a waiver of the needy student enrollment requirement or the average E&G expenditures requirement must include in their application detailed

information supporting the waiver request, as described in the instructions for completing the application.

The regulations governing the Secretary's authority to waive the needy student requirement, 34 CFR 606.3(b)(2) and (3) and 607.3(b)(2) and (3), refer to "low-income" students or families. The regulations at 34 CFR 606.3(c) and 607.3(c) define "low-income" as an amount that does not exceed 150 percent of the amount equal to the poverty level, as established by the U.S. Census Bureau.

For the purposes of this waiver provision, the following table sets forth the low-income levels for the various sizes of families:

2011 ANNUAL LOW-INCOME LEVELS

Size of Family Unit	Family Income for the 48 Contiguous States, DC, and Outlying Jurisdictions	Family Income for Alaska	Family Income for Hawaii
1	\$16,335	\$20,400	\$18,810
2	\$22,065	\$27,570	\$25,395
3	\$27,795	\$34,740	\$31,980
4	\$33,525	\$41,910	\$38,565
5	\$39,255	\$49,080	\$45,150
6	\$44,985	\$56,250	\$51,735
7	\$50,715	\$63,420	\$58,320
8	\$56,445	\$70,590	\$64,905

Note: The 2011 annual low-income levels are being used because those are the amounts that apply to the family income reported by students enrolled for the fall 2011 semester. For family units with more than eight members, add the following amount for each additional family member: \$5,730 for the contiguous 48 States, the District of Columbia, and outlying jurisdictions; \$7,170 for Alaska; and \$6,585 for Hawaii.

The figures shown under family income represent amounts equal to 150 percent of the family income levels established by the U.S. Census Bureau for determining poverty status. The poverty guidelines were published by the U.S. Department of Health and Human Services in the Federal Register on January 20, 2011 (76 FR 3637).
