2017 TSA Nationwide Listing Comprehensive Compendium
Publication Date: May, 2017
TEACHER SHORTAGE AREA NATIONWIDE LIST

The nationwide Teacher Shortage Area (TSA) lists for the 2017–2018 school year have been completed. This report shows the nation’s teacher shortage areas by State. It is also available on the U.S. Department of Education’s Web site at the following location:

http://www2.ed.gov/about/offices/list/ope/pol/tsa.doc

The Federal designation of teacher shortage areas in each State is relevant to the following provisions relating to the Federal student financial aid programs:

- Under 34 CFR 682.210(q) a borrower who teaches in one of these areas and who was a new borrower in the Federal Stafford Loan Program or the Federal Supplemental Loans for Students program on or after July 1, 1987 but before July 1, 1993 qualifies for deferment of loan repayment for up to three years while the borrower is in repayment. A new borrower is a borrower who did not have an outstanding balance on a Federal Stafford Loan, a Federal SLS loan or a Federal PLUS loan for a period of enrollment beginning prior to July 1, 1987 or a Federal Consolidation Loan that repaid a loan made before July 1, 1987 and for a period of enrollment beginning before July 1, 1987. Federal Direct Loan borrowers who owed an outstanding balance on a Federal Stafford Loan or a Federal SLS loan before July 1, 1993 may also qualify for this deferment on their loan under 34 CFR 685.204(j);

- Under 34 CFR 674.53(c) Federal Perkins Loan borrowers who are full–time teachers of mathematics, science, foreign languages, bilingual education or any other field of expertise where the State educational agency determined there is a shortage of qualified teachers to qualify for cancellation of up to 100 percent of their Perkins loan; and

- Under 34 CFR 686.12 a grant recipient may fulfill part of his or her teaching obligation under the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program by teaching in one of these areas.

Federal student loan borrowers who have general questions concerning their loan(s), including the teacher shortage area deferment, can contact the Federal Student Aid Information Center at 1–800–4FED–AID.
Please note: This publication of approved teacher shortage areas is a reference document that is intended to serve three primary purposes:

1. Notify the nation that States and schools may potentially hire academic administrators, licensed teachers, and other educators and school faculty of specific disciplines/subject areas, grade levels, and/or geographic regions.
2. Serve as a useful resource for recent graduates of Schools of Education and trained, experienced teaching professionals aspiring to serve school districts with shortages about potential opportunity areas in each State’s and territory’s Pre-Kindergarten through Grade 12 classrooms.
3. Serve as a useful resource in the process of advising Federal student financial aid recipients of the potential to reduce, defer, or discharge student loan repayments by teaching in certain areas.

Please note, thus, the annual Teacher Shortage Nationwide List is not an “employment directory” for current and prospective educators aspiring to be hired by specific State and local school districts. It is not a list of “job postings” in the education fields.

A large number of variables that are not addressed in this report will have a direct impact on actual hiring within State and local schools districts (as well as their respective elementary, middle, and/or high schools). For example, these entities may not currently have the necessary funds, approvals/authorizations, and other provisions to fill the vacancies in particular academic disciplines and/or locations. In addition, this report does not include particular administrative position classifications (e.g., counselor, media specialist, principal, and other roles).

The Department appreciates the efforts and patience of the Chief State School Officers (CSSOs) and State representatives who provided the required data (and supporting documentation and assurances) for updating this text. We welcome comments or suggestions about this listing and would appreciate hearing from individuals. Please direct your comments or suggestions to:

This data collection is authorized under:
OMB No. 1840–0595
Expires: 12/31/2016
General Notes

Numbers in parenthesis refer to grade level, unless age is specified. For example, “(4–12)” refers to Grades 4 through 12.

For purposes of this Report, the term “State” refers to the 50 States, the District of Columbia (DC), Puerto Rico, Guam, American Samoa, the U.S. Virgin Islands, the Commonwealth of the Northern Mariana Islands and the Freely Associated States (the Republic of the Marshall Islands, the Federated States of Micronesia and the Republic of Palau).

No TSA proposal submitted—This indicates the State chose not to submit a TSA proposal for consideration.

No TSAs approved—This indicates a TSA proposal was submitted, but adequate information was not provided.

State declared no TSAs exist—This indicates the State sent a letter indicating that no shortage areas exist for the school year indicated.

Teacher Shortage Areas: According to 34 CFR 682.210(q)(8)(vii), “teacher shortage area” means “an area of specific grade, subject matter or discipline classification, or a geographic area in which the Secretary determines that there is an inadequate supply of elementary or secondary school teachers.”

The Department encourages each State Chief State School officer (CSSO) office to determine its State’s proposed teacher shortage areas based on the prescribed methodology and other requirements in 34 CFR 682.210(q)(6)(iii). For the Department to consider the State specified areas as teacher shortage areas the percentage of the State’s proposed teacher shortage areas may not exceed the automatic designated limit of five percent of all unduplicated full-time equivalent (FTE) elementary and secondary teaching positions in the State.

However, under 34 CFR 682.210(q)(6)(iv), if the total number of proposed designated FTE elementary and secondary teaching positions in the State exceeds five percent of the total number of elementary and secondary FTE teaching positions the State’s CSSO may submit, with the list of proposed areas, supporting documentation showing the methods used for identifying the specific shortage areas, and an explanation of the reasons why the Secretary should designate all of the proposed areas as teacher shortage areas.

---

1 Calculation — Teacher shortage areas as a percentage of the FTE teaching positions for all teachers in the State. A combination of the following unduplicated FTEs may be used to calculate teaching shortage area FTEs and the percentage of total FTEs: (a) teaching positions that are unfilled; (b) teaching positions that are filled by teachers who are certified by irregular, provisional, temporary, or emergency certification; and (c) teaching positions that are filled by teachers who are certified, but who are teaching in academic subject areas other than their area of preparation.
ABBREVIATIONS (Examples)

“BIA”–Bureau of Indian Affairs

“BLE”–Bilingual Language Education

“ESL”–English as a Second Language

“ESOL”–English to Speakers of Other Languages

“HS”–High School

“K”–Kindergarten

“MS”–Middle School

“N”–Nursery

“Pre-K” (or “PK”)–Pre-Kindergarten

“ROTC”–Reserve Officers’ Training Corps

“TESOL”–Teachers of English to Speakers of Other Languages

“TSA”–Teacher Shortage Area
Student Information—Loan Forgiveness and/or Deferment

Depending on the type of loan(s) a student borrower has, there are certain conditions they need to meet in order to qualify for forgiveness and/or deferment. Borrowers should contact the holder of the loan(s) to find out whether the loans may qualify for forgiveness and/or deferment.

To apply for loan forgiveness or deferment, borrowers will need to apply through the holders of loans. Loan holders have the necessary forms needed to apply. A FFEL loan borrower should check their current bill or the National Student Loan Data System (NSLDS) for the name and contact information of the current holder or servicer of their loan. Borrowers may also be able to get information from the State education agency in the State where they are teaching.

Direct Loan borrowers should contact the U.S. Department of Education's Direct Loan Servicing Center at 1–800–557–7394.

Federal Perkins Loan borrowers should contact the school where they received the Perkins Loan.

The following Web site provides additional information regarding the cancellation/discharge and deferment provisions for the Federal student loan programs:

https://studentaid.ed.gov/home

The following Web sites have the annually published Low-Income School Listing:

https://studentaid.ed.gov/home

Paul Douglas Teacher Scholarship Program

Students who received a scholarship under the Paul Douglas Teacher Scholarship Program (formerly the Congressional Teacher Scholarship Program) are generally required to teach for two years for every year of scholarship assistance received. However, if they are teaching in a Federally approved teacher shortage area, they are required to teach only one year for each year of scholarship assistance received.

No new funding for individual scholarships has been authorized since the beginning of the 1996–1997 year. However, former scholarship recipients who have not fulfilled the scholarship agreement must continue to do so.

A Federally approved teacher shortage area is a State region with a shortage of elementary or secondary school teachers, or a grade level, subject-matter, or discipline classification in which there is a Statewide shortage of elementary or secondary school teachers. These areas must be identified by the State education agency and approved by the Department. The current and prior Federally designated teacher shortage areas are indicated in this publication.

For scholarship recipients who teach in a shortage area one year that is not designated as such the next year, they will still be eligible for the teaching reduction if they provide the applicable State office with the appropriate forms certifying that they are continuing to teach in the area for which the original “teacher cancellation” was received.
TEACH Grant Program

The Teacher Education Assistance for College and Higher Education (TEACH) Grant Program provides grants of up to $4,000 per year to students who agree to serve as a highly-qualified full-time teacher in a high-need field in a public or private elementary or secondary school that serves students from low-income families. A TEACH Grant recipient must teach for at least four academic years within eight years of completing the program of study for which the TEACH Grant was received.

If a TEACH Grant recipient fails to complete the service requirement, the total amount of TEACH Grant funds received will be converted to a William D. Ford Federal Direct Unsubsidized Loan.

Institutional participation in the TEACH Grant Program is optional, not required. If an institution opts to participate in the TEACH Grant Program, the institution has the authority to determine which of its programs meet the requirements to be TEACH Grant-eligible. An institution may designate only certain programs as TEACH Grant-eligible and not designate others, even though programs may prepare a student to teach in a high-need field. In order to be eligible to receive a TEACH Grant, a student must be enrolled in a TEACH Grant-eligible program and be otherwise eligible.

Current high-need fields (in schools that serve low-income students) are:
- Bilingual Education and English Language Acquisition
- Foreign Language
- Mathematics
- Reading Specialist
- Science
- Special Education
- Other Identified Teacher Shortage Areas (not geographic areas) as of the time recipients receive the grant or as of the time they begin teaching in that field. The “other identified teacher shortage areas” are listed in this publication.

Additional information about the student eligibility requirements for the TEACH Grant Program may be found in a Fact Sheet at the following Web site: http://studentaid.ed.gov/students/attachments/siteresources/4807Teach_FactSheet_v3.pdf

A list of higher education institutions currently participating in the TEACH Grant Program may be found at the following Web site: http://studentaid.ed.gov/PORTALSWebApp/students/english/TEACH.jsp

The following Web site has the annually published Low-Income School Listing: https://www.tcli.ed.gov/CBSWebApp/tcli/TCLIPubSchoolSearch.jsp
