**The data in the following fields should be mapped based on the Database Column Names; for most of these fields only the field numbers have changed. Those fields in the 2011-12 APR that have been dropped from the 2012-13 APR have “NA” in the 2012-13 columns. Also, the last column entitled “Data Crosswalk for 2012-13” provides specific instructions.**
