NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2017 and 6.6 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

Compiled for posting on the WEB by the Budget Service on November 19, 2018.

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

Compiled for posting on the WEB by the Budget Service on November 19, 2018.

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

Compiled for posting on the WEB by the Budget Service on November 19, 2018.

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

Compiled for posting on the WEB by the Budget Service on November 19, 2018.

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

Compiled for posting on the WEB by the Budget Service on November 19, 2018.

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

Compiled for posting on the WEB by the Budget Service on November 19, 2018.

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

Compiled for posting on the WEB by the Budget Service on November 19, 2018.

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

Total, New Student Loan Volume	1,215,305,935	1,252,381,752	1,282,684,475	30,302,723	2.4%
Grand Total	2,328,611,993	2,432,940,998	2,467,402,244	34,461,246	1.4%

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

Compiled for posting on the WEB by the Budget Service on November 19, 2018.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

Compiled for posting on the WEB by the Budget Service on November 19, 2018.

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

Compiled for posting on the WEB by the Budget Service on November 19, 2018.

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

Compiled for posting on the WEB by the Budget Service on November 19, 2018.

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

Compiled for posting on the WEB by the Budget Service on November 19, 2018.

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

Compiled for posting on the WEB by the Budget Service on November 19, 2018.

Total, New Student Loan Volume	686,387,400	707,327,291	724,441,836	17,114,544	2.4%
Grand Total	2,393,142,304	2,503,034,308	2,479,427,354	-23,606,955	-0.9%

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

Compiled for posting on the WEB by the Budget Service on November 19, 2018.

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

Compiled for posting on the WEB by the Budget Service on November 19, 2018.

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.

NOTES:

State allocations for fiscal years 2018 and 2019 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

For Special Education-Grants to States, 2018 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2018. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

For Vocational Rehabilitation State Grants, the FY 2017 and FY 2018 amounts reflect the sequester reduction required for mandatory programs (6.9 percent for FY2018) pursuant to the Budget Control Act of 2011 (P.L. 112-25).

For Supported Employment State Grants, fiscal year funds are undistributed pending final Congressional action on the FY 2018 budget for the Rehabilitation Services account.

For Independent Living Services for Older Blind Individuals, State allocations for fiscal year 2019 are estimates based on currently available population data for individuals age 55 and older and will be updated when July 2017 estimates by age group become available.
