NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.

NOTES:

State allocations for fiscal years 2011 and 2012 are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts distributed from the fiscal years above are based on the Pell Grant program's estimated cost as of January 2011. All estimates include new appropriations plus the use of all or a portion of an accumulated surplus of unobligated balances.

The FY 2010 appropriation for Adult Basic and Literacy Education programs includes \$45,906 thousand to fund States that were underpaid during the FY 2003-FY 2008 period and hold harmless those States overpaid during the same timeframe.

The totals for Adult Basic and Literacy Education programs exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.

The FY 2012 estimates for the VR State Grants program reflect the Administration's proposal to consolidate a number of smaller programs into the VR State Grants program. State estimates are illustrative and are subject to change.

For Pell Grants, funding levels in FY 2011 reflect the enactment of H.R. 1473 (Public Law 112-10).

The amounts listed for FY 2011 in programs with advance appropriations (Title I Grants to LEAs, Teacher Quality State Grants, Career and Technical Education State Grants, and Special Education Grants to States) reflect an across-the-board reduction that Congress passed as part of the FY 2012 appropriation, P.L. 112-74, which required a reduction of 0.189 percent to FY 2012 discretionary budget authority, including the 2011 advance appropriation available in 2012.
